

Ravage

New York Times bestseller Los Angeles Times bestseller USA Today bestseller The highly anticipated debut novel from Norman Reedus, acclaimed star of *The Walking Dead* “This country wasn’t built on good—only fought for with good intentions.” Jack’s dying mother told him, “Run and never look back.” He spent his life amassing wealth, but after losing his family, he has no one to share it with. Alone with his demons and a backpack, he heads to South America, where people with nothing teach him what matters. After thrashing his dog-abusing boss, Hunter learns of his father’s death in a mysterious fire. Biker buddies Nugget and Itch ride with him from North Carolina to California. Stories from his father’s life help ease the struggles of small-town Americans. Hunter discovers a secret past. Seventeen-year-old Anne flees Tennessee after her older brother attacks her. She whacks him with a skillet and hops a freight to Alabama with her best friend. Living hand to mouth, they build friendships, uncovering something they never had: family. *The Ravaged* is a fast-paced, up-in-your-face novel of gritty realism, exploring three different personal quests with eerily parallel outcomes.

One minute, one second, one breath, it was all for a future that was suddenly unknown. The attraction was powerful and undeniable, neither knowing where it would lead, but both willing to go along for the ride. A bond between them developed weaving itself towards something good and right. In the flash of a moment, one decision changed the course of everything. Ty “Green” Burm had a family, a job he loved, and a woman he was ready to call his. With the Ravage MC at his back, he knew he could take on anyone. Except the Red Devil’s MC got to Leah first. The things they did to her ... Unspeakable hell. Leah Johnston is now lost, broken and torn. Once vibrant, she’s drowning in fear and has lost all hope for anything in her life. And for anyone. The pain now stands between them and even Ravage can’t fix this for Green. These two are bound by affliction and it’s going to take time, patience and understanding for love to overcome the scars between them. When ghosts of the past are unable to be shaken off, can these two find their way towards the good and right once again or will everything crumble around them leaving them both in the dust. One thing is for sure. The men of the Ravage MC do not back down. ** Bound by Affliction (Ravage MC Bound Series #4) is a full-length standalone novel. The award-winning book that inspired an Apple Original series from Apple TV+ • Pulitzer Prize winner Sheri Fink’s landmark investigation of patient deaths at a New Orleans hospital ravaged by Hurricane Katrina—and her suspenseful portrayal of the quest for truth and justice. In the tradition of the best investigative journalism, physician and reporter Sheri Fink reconstructs 5 days at Memorial Medical Center and draws the reader into the lives of those who struggled mightily to survive and maintain life amid chaos. After Katrina struck and the floodwaters rose, the power failed, and the heat climbed, exhausted caregivers chose to designate certain patients last for rescue. Months later, a doctor and two nurses were arrested and accused of injecting some of those patients with life-ending drugs. *Five Days at Memorial*, the culmination of six years of reporting, unspools the mystery of what happened in those days, bringing the reader into a hospital fighting for its life and into a conversation about the most terrifying form of health care rationing. In a voice at once involving and fair, masterful and intimate, Fink exposes the hidden dilemmas of end-of-life care and reveals just how ill-prepared we are for the impact of large-scale disasters—and how we can do better. A remarkable book, engrossing from start to finish, *Five Days at Memorial* radically transforms your understanding of human nature in crisis. One of *The New York Times’* Best Ten Books of the Year

Ravage As president of the Untamed Sons MC, I'm no stranger to pain, but three years ago Sasha Montgomery broke my heart and put another black mark against my soul. Even the mention of her name is enough to bring my demons out to play. I still don't know what happened, but what I do know is she walked out on me, the club, and the future we were working towards without a backwards glance. I should have known she wouldn't stay gone. Sasha Leaving Rav was the hardest decision I've ever had to make, but I didn't have a choice. Staying and facing my past wasn't an option. I suffered through hell, but I'm stronger than I've ever been, at least I was until my daughter got sick. Now, the only person left who might be able to save her is her father. Only, I have no idea who it is. Ravage, or his brother, Sin. *Warning : Contains adult content, reading age 18 +. Graphic violence and dark emotional scenes that may trigger some readers.

The war against BioZenith is on. In the weeks since she first came into her mysterious new superpowers, Emily has watched one of her packmates disappear through an interdimensional portal; she's been hunted by creepy, body-snatching shadowmen; she's managed to form an alliance with the same telekinetic cheerleaders who once tried to take her down; and she's even discovered that her believed-to-be-dead mother is one of the BioZenith scientists responsible for her strange abilities. Now it's up to the Deviants to put together the last pieces of the puzzle, which includes tracking down their final missing member and forcing their parents to reveal why they mutated their own children. Emily fears the answer is far more sinister than anyone ever thought: After all, why would a parent risk a child's life unless the stakes were high-scary, world-ending high? Tired of being at the mercy of adult conspiracies, Emily forms a plan with the other Deviants: Destroy BioZenith before anyone can use the knowledge within the facility to aid the shadowmen. But that's only if BioZenith-or something worse-doesn't capture them first. . . .

"Taken by the Jakhua Clan as a teen, 194 was stripped of his name, his identity, and his freewill, meticulously honed to be a ruthless, soulless killing machine, trained solely to spill blood and stop hearts. This is a role he resents with every fiber of his being, but one he embraces to gain back the precious leverage the Georgians wield as their weapon of control: his younger sister, 152. Zoya Kostava is in shock. After fleeing her mafia family's massacre in Georgia as a child, Zoya lives in secret, hiding from her enemies in the dark shadows of Manhattan. At age twenty-five, believing all her family is dead, word reaches Zoya that her brother Zaal is very much alive... and living with their family's greatest enemy: the Volkov Bratva in Brooklyn. Yearning to be reunited with her beloved Zaal, Zoya risks her safety and anonymity for the brother she had mourned since childhood. But just as she reaches Zaal's apartment, Zoya is seized and taken captive by a strange man, who is strong, dark, and brutal... Unyielding, he demands her utter obedience as he locks her away in darkness. He is highly skilled in torture and inflicting pain, and demands to know everything about her brother Zaal and everything about her. He is a man that'll do anything to get what he wants. Sometimes love requires the sacrifice and betrayal of those held most dear. But is finding one's true love worth committing the greatest sacrifice of all?"--

Evelyne de la Chenelière challenges constraining and reductive practices of theatre by playing with elements of reality in this experimental text about the search for meaning and salvation.

These are the poems I have written throughout my youth. They deal with love, heartbreak, hope, hopelessness, redemption, loss and other common human emotions. They are heartfelt and are sure to provoke thought. I welcome the reader to immerse himself/herself in these poems and connect to them on a profound level. Also included is a semi-autobiographical short story.

Especially when she confesses that she knows nothing about our missing fortune. But when she's stolen from me by a rival mafia group, money is the last thing I'm thinking about. I'll protect my woman, at all costs. And I'll slaughter any man who tries to take her from me.

When Barli wakes up in a religious-run prison called the Asylum, she has one goal: get out and back to her girlfriend. The Priest that runs the Asylum sees something more in Barli. He sees an assassin in the making. He pushes her into training to become a Black Sin, a killer for the clergy, free to roam the streets and eliminate anyone he wants removed from society. For Barli, this is a way to escape and get back to her girlfriend's arms. She plays along with the Priest's plans, even if she has no desire to be a Black Sin. But the friendships she develops along the way take her by surprise. In particular, she becomes fond of Ferran, a boy locked in the asylum for life for reasons she doesn't know...if there is even a valid reason for the power-hungry Priest to do such a thing. When Barli's opportunity finally arises to set out into the city and escape to her lover, she learns something that stops her in her tracks. Ferran is to be killed. And only Barli can save him.

Unfortunately, being the daughter to the Vice President of the Ravage Motorcycle Club cuts into her plans, as orders must be followed. Trying to settle back into this life is proving difficult when the tables are turned and the woman who framed her is out for blood. Lucky for Princess, growing up in a MC has taught her how to hold her own. After spending years in hell overseas, Donavon 'Cruz' came home to lose the very thing he went into hell for, sending him to the darkest moments of his life. Joining Ravage two years ago was his safe haven, and he protects his family at all costs. When a dark-haired bombshell struts into the club's shop, he's caught off guard but immediately knows she's the one he'd do anything for. Tough as nails, and taking no crap from anyone, he's captivated by a woman who could handle this life. Trying to meet the needs of the MC business and follow his heart proves to be difficult when the two collide, and lives are at stake. Can these two find a way to be together, or will the needs of Ravage cost them everything, including their lives? Seduce Me (Ravage MC#2) Casey Alexander grew up part of the Ravage Motorcycle family since the day she was abandoned by her mother and thrown into her father's lap. Always seeing herself as an outsider, she spent her whole life trying to fit in, but never really succeeding. When she loses her beloved father, the utter aloneness engulfs her, leaving her searching for solace in the one man she's always craved. Confessing her love for him only results in devastation when he pushes her away. night, he gave into temptation. Realizing he couldn't allow himself to hold her back from the life she deserved, he pushed her away, allowing her to believe she would never be enough for him. Letting her go had been the hardest thing he'd ever done. Even though he'd thought it'd been the right thing to do, not a day goes by that misery doesn't consume him for it. When a tragic shootout occurs, everything changes as once again their lives are intermingled. When you find your way back to the one person you are meant to be with, forgiveness should be easy. But sometimes, we hurt each other too much to ever be able to forgive. Is their love strong enough to heal their pain? Consume Me (Ravage MC#3) Prospect Andrew "Tug" Tugger wants two things. One, to become a member of the Ravage Motorcycle Club, and two, Blaze, the sexy brunette whose eyes set him on fire. Only one of those things is under his control, and he is done waiting. It's time to take what he wants. Blaze has been running from her tragic past for over four years. She is finally feeling settled, after stripping her way through school and building a life in Sumner, her first safe haven. She keeps everyone at arm's length, afraid to let anyone discover the secrets she holds within. Tug sets out to make Blaze his, but will someone get burned in the process? Will Blaze run again when her new world is threatened? Or will she allow Tug to consume her? Satisfy Me (Ravage MC#3.5) Rattle Me (Ravage MC#3.75)
