Read Me Jasmine Salters

In a collection of humorous childhood stories, comedian Bill Cosby discusses such matters as his tenure as a school crossing guard and his quest for the elusive Spanish Fly

From the start of Barack Obama's presidency in 2009, conservative populist groups began fomenting political fractiousness, dissent, and surprising electoral success. The Tea Party was one of the major characters driving this story. But, as Khadijah Costley White argues in this book, the Tea

Access Free Read Me Jasmine Salters

Party's ascent to major political phenomenon can be attributed to the way in which partisan and non-partisan news outlets "branded" the Party as a pot-stirrer in political conflicts over race, class, and gender. In other words, the news media played a major role in developing, cultivating, and promoting populism's brand, particularly within the news spaces of commentary and opinion. Through the language of political marketing, branding, and promotion, the news media not only reported on the Tea Party, but also acted as its political strategist and

Access Free Read Me Jasmine Salters

brand consultant. Moreover, the conservative press acted more as a political party than a news medium, deliberately promoting the Tea Party, and aiding in organizing, headlining, and galvanizing a conservative political base around specific Tea Party candidates, values, and events. In a media environment in which everyone has the opportunity to tune out, tune in, and speak back, The Branding of Right-Wing Activism ultimately shows that distinctions between citizens, journalists, activists, politicians, celebrities, and consumers

and connects their compelling individual experiences with broader global and contemporary discussions about race, immigration, citizenship, and statelessness while highlighting examples of collective resistance.

A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master's candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government's

Access Free Read Me Jasmine Salters

Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough,

Access Free Read Me Jasmine Salters

flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for Good and Cheap is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the

Access Free Read Me Jasmine Salters

campaign; Francis Lam, who called it “Terrific!”; and Michael Pollan, who cited it as a “cool kickstarter.” In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, Good and Cheap is poised to become a cookbook that every food lover with a conscience will embrace.

Party

“This steamy and intellectual debut novel is an ode to the female body, and to a young woman discovering the potential boundlessness of her pleasure.”—Refinery 29, “The Sexiest Books You’ll Ever Have the Pleasure of Reading” Roxana Olsen has always dreamed of going to Paris, and after high school graduation finally plans to travel there on a study abroad program—a welcome reprieve from the bruising fallout of her parents’ divorce. But a logistical mix-up brings Roxana to Copenhagen instead, where she’s picked up at the airport by Søren, a twenty-eight-year-old guide who is meant to be her steward. Instantly drawn to one another, Roxana and Søren’s relationship turns romantic, and when he asks Roxana to accompany him to a small coastal

Access Free Read Me Jasmine Salters

town for the rest of the summer, she doesn't hesitate to accept. There, Roxana's world narrows and expands as she experiences fantasy, ritual, and the pleasures of her body, a thrilling realm of erotic and domestic bliss. Seduced by this newfound connection, Roxana doesn't object when Søren requests that she spend her days alone in the apartment while he goes to the library to work. As their relationship deepens, Søren's temperament darkens, and Roxana finds herself increasingly drawn to a local outsider, Zlatan, whom she learns is a Muslim refugee from the Bosnian War. The cycle of awakenings sparked by these two relationships challenge and open Roxana in ways she never imagined. A coming-of-age like no other, from a magnetic new voice in fiction, Open Me "is unflinching in its portrayal of

Cool for the Summer

The Family Herald

A new way of thinking about data science and data ethics that is informed by the ideas of intersectional feminism. Today, data science is a form of power. It has been used to expose injustice, improve health outcomes, and topple governments. But it has also been used to discriminate, police, and surveil. This potential for good,

Access Free Read Me Jasmine Salters

on the one hand, and harm, on the other, makes it essential to ask: Data science by whom? Data science for whom? Data science with whose interests in mind? The narratives around big data and data science are overwhelmingly white, male, and techno-heroic. In *Data Feminism*, Catherine D'Ignazio and Lauren Klein present a new way of thinking about data science and data ethics—one that is informed by intersectional feminist thought. Illustrating data feminism in action, D'Ignazio and Klein show how challenges to the male/female binary can help challenge other hierarchical (and empirically wrong) classification systems. They explain

Access Free Read Me Jasmine Salters

how, for example, an understanding of emotion can expand our ideas about effective data visualization, and how the concept of invisible labor can expose the significant human efforts required by our automated systems. And they show why the data never, ever "speak for themselves." Data Feminism offers strategies for data scientists seeking to learn how feminism can help them work toward justice, and for feminists who want to focus their efforts on the growing field of data science. But Data Feminism is about much more than gender. It is about power, about who has it and who doesn't, and about how those differentials of power can be

Access Free Read Me Jasmine Salters

challenged and changed.

"Witty, wise, and disarmingly tender. I am hopelessly devoted to this summer dream of a book."

□Becky Albertalli, New York Times bestselling author of *Simon vs. the Homo Sapiens Agenda* The guy of her dreams... or the girl in her heart? Lara's had eyes for exactly one person throughout her three years of high school: Chase Harding. He's tall, strong, sweet, a football star, and frankly, stupid hot. Oh, and he's talking to her now. On purpose and everything. Maybe...flirting, even? No, wait, he's definitely flirting, which is pretty much the sum of everything Lara's wanted out of life. Except she's haunted by a memory.

Access Free Read Me Jasmine Salters

A memory of a confusing, romantic, strangely perfect summer spent with a girl named Jasmine. A memory that becomes a confusing, disorienting present when Jasmine herself walks through the front doors of the school to see Lara and Chase chatting it up in front of the lockers. Lara has everything she ever wanted: a tight-knit group of friends, a job that borders on cool, and Chase, the boy of her literal dreams. But if she's finally got the guy, why can't she stop thinking about the girl? Dahlia Adler's *Cool for the Summer* is a story of self-discovery and new love. It's about the things we want and the things we need. And it's about the people

Tales of the Islanders

An unbelievably hilarious middle-grade true story from bestselling author Jordan Sonnenblick. In a typical school year, every kid has one or two things go wrong. But for Jordan, there's A

Access Free Read Me Jasmine Salters

LOT going wrong ALL THE TIME. Take this year. Here are some of the thing going wrong: -- His teacher hates him. Like, really hates him. Like, is totally out to get him even when he's trying to be good, and is willing to fail him on the simplest things, like show and tell. -- He has a slight breathing problem because of his asthma. And breathing is never really an optional activity. -- His pet snake has given birth to way, way, way too many baby snakes, all who need a home. -- He is finding that becoming The World's Best Drummer in no time whatsoever is maybe not the easiest goal. -- There

Access Free Read Me Jasmine Salters

are bullies ready to stomp him when all he has to defend himself with is a lunchbox. And all this doesn't even include the freak swing set accident, the fears inside his head, or the funniest class presentation ever. By keeping his cool (some of the time), banging on the drums (a lot), and keeping his sense of humor (all the time), Jordan's going to try to make it through the year... and grow up to write a book about it!
