

## Read Damn Good Advice For People With Talent How

Make Your Dumpling Dreams Come True For Brendan Pang, MasterChef Australia alum and founder of Bumpings restaurant, it all started in his grandmother’s kitchen, where one bite of Grandmère’s Fried Shrimp Wontons sparked his lifelong dumpling obsession. Now he’s sharing the recipe that started it all, along with dozens of classic and contemporary dumplings. Simple, impressive recipes break down the steps to help you make the dumplings of your dreams and have a blast doing it. Inspired by his family’s Chinese and Mauritian background, Brendan covers classic Chinese-style dumplings and playful new creations. Traditional flavors feel fresh in recipes like Chinese Spicy Beef Potstickers, Shanghai Soup Dumplings and Chichu Miso Roasted Eggplant Potstickers and Red Curry Chicken Wonton Soup. Round out the table with Spicy Dan Dan Noodles, BBQ Pork Steamed Buns, Tea- Smoked Duck Breast and plenty of dipping sauces. It’s easy to make your own dumpling wrappers from scratch, or start with store-bought and dive into the art of shaping. No experience or special equipment needed. Making dumplings at home. Boiled, steamed or fried—the only thing better than that first bite of a juicy dumpling is knowing you made it yourself.

Edgar award nominee James N. Frey, author of the internationally best-selling books on the craft of writing, How to Write a Damn Good Novel, How to Write a Damn Good Novel II: Advanced Techniques, and The Key: How to Write Damn Good Fiction Using the Power of Myth, has now written what is certain to become the standard "how to" book for mystery writers. How to Write a Damn Good Mystery is a step-by-step guide for writers to aim high-not to try to write a good-enough-to-get-published mystery, but a damn good mystery. A damn good mystery is first a dramatic novel, Frey insists-a dramatic novel with living, breathing characters-and he shows his readers how to create a living, breathing, believable character who will be clever and resourceful, willful and resolute, and will be vengeful. Then shows, in his well-known, entertaining, and accessible (and often humorous) style , how the characters-the entire ensemble, including the murderer, the detective, the authorities, the victims, the suspects, the witnesses and the bystanders-create a complete and coherent world. Exploring both the on-stage action and the behind-the-scenes intrigue, Frey shows how to create a logical world. He shows them exactly which parts of that world show up in the pages of a damn good mystery-and which parts are held back just long enough to keep the reader guessing. This is an indispensable step-by-step guide for anyone who’s ever dreamed of writing a damn good mystery.

Damn Good Advice (For People With Talent!) is a look into the mind of one of America’s most legendary creative thinkers, George Lois. Offering indispensable lessons, practical advice, facts, anecdotes and inspiration, this book is a timeless creative bible for all those looking to succeed in life, business and creativity. These are key lessons derived from the incomparable life of George Lois, the Man of Madison Avenue. Written and compiled by the man The Wall Street Journal called "prodigy, enfant terrible, founder of agencies, creator of legends," each step is borne from a passion to succeed and a disdain for the status quo. Organised into inspirational, bite-sized pointers, each page offers fresh insight into the sources of success, from identifying your heroes to the illustrations presented in this book are fresh, witty and in-your-face. Whether it’s communicating your point in nanosecond, creating an explosive portfolio or making your presence felt, no one is better placed than George Lois to teach you the process of creativity. Poignant, punchy and to-the-point, Damn Good Advice (For People With Talent!) is a must have for anyone who wants to succeed.

A collection of 157 recipes from Mitch Omer, chef-owner of the wildly popular Hell’s Kitchen, named one of the Best Breakfasts across America by Esquire magazine.

Tells a story about the strange relationship of two migrant workers who are able to realize their dreams of an easy life until one of them succumbs to his weakness for soft, helpless creatures and strangles a farmer’s wife.

Yana Parker has helped hundreds of thousands of job seekers write and refine their resumes to damn near perfection. Her resume guides have been praised for their user-friendly style and savvy advice and, rightly so, have become staples in libraries, career centers, and employment offices nationwide. Now, in this fully revised and updated edition of the best-seller, you can quickly garner resume-writing wisdom by following 10 easy steps to a damn good resume. Also included are completely new sections on formatting resumes and submitting resumes over the Internet. Here is a resume guide you can count on to help you get that resume done fast and get it done right.

From the author of How to Write a Damn Good Novel, this book offers powerful advanced techniques in fiction writing - how to build suspense, create fresher, more interesting characters, and achieve greater reader sympathy, empathy and identification. Quoting a range of writers from Stephen King and Kafka to Peter Benchley and Stephen Crane, this is a practical, readable, down to earth and concise book which analyses what makes good (and commercial) fiction work and shows how to apply this understanding in an author’s own writing. It is a must for any serious writer.

\*An Amazon Best Book of the Year optioned for television by Gabrielle Union!\* In a series of personal essays, prominent journalist and LGBTQIA+ activist George M. Johnson explores his childhood, adolescence, and college years in New Jersey and Virginia. From the memories of getting his teeth kicked out by bullies at age five, to flea marketing with his loving grandmother, to his first sexual relationships, this young-adult memoir weaves together the trials and triumphs faced by Black queer boys. Both a primer for teens eager to be allies as well as a reassuring testimony for young queer men of color, All Boys Aren’t Blue covers topics such as gender identity, toxic masculinity, brotherhood, family, structural marginalization, consent, and Black joy. Johnson’s emotionally frank style of writing will appeal directly to young adults.

A book with more than 500 photos and images of memorabilia celebrates Uga, the beloved English bulldog mascot of the University of Georgia, and includes engaging anecdotes about all versions of the animal--Uga VI, Uga VII, Uga VIII and Russ, the super sub.

A quick look at any fiction bestseller list reveals that thrillers make up most of the titles at the top. HOW TO WRITE A DAMN GOOD THRILLER will help the aspiring novelist or screenwriter to design, draft, write, and polish a thriller that is sure to grab readers. Frey

uses examples from both books and movies and addresses the following hot topics: \*Germinal ideas \*Breathing life into great thriller characters \*Crafting a gripping opening \*Maintaining tension \*Creating obstacles and conflicts \*Writing a mean, lean thriller scene \*Adding surprise twists \*Building a smashing climax and many more. In his trademark approachable and humorous style, Frey illuminates the building blocks of great thrillers and gives the reader the tools to write his or her own.

Love is Just Damn Good Business: Do What You Love in the Service of People Who Love What You Do

The Key

Dumplings, Egg Rolls, Bao Buns, Sesame Noodles, Roast Duck, Fried Rice, and More—50 Recipes Inspired by Life in Chinatown

It’s Not How Good You Are, It’s How Good You Want to Be

The debut cookbook by the creator of the wildly popular blog Damn Delicious proves that quick and easy doesn't have to mean boring.Blogger Chungah Rhee has attracted millions of devoted fans with recipes that are undeniable 'keepers'-each one so simple, so easy, and so flavor-packed, that you reach for them busy night after busy night. In Damn Delicious, she shares exclusive new recipes as well as her most beloved dishes, all designed to bring fun and excitement into everyday cooking. From five-ingredient Mini Deep Dish Pizzas to no-fuss Sheet Pan Steak & Veggies and 20-minute Spaghetti Carbonara, the recipes will help even the most inexperienced cooks spend less time in the kitchen and more time around the table.Packed with quickie breakfasts, 30-minute skillet sprints, and speedy takeout copycats, this cookbook is guaranteed to inspire readers to whip up fast, healthy, homemade meals that are truly 'damn delicious!'

From the bestselling author of The Radical Leap and Greater Than Yourself comes the first book to directly address love as a hard-core business principle that generates measurable results It's time to toss aside the touchy-feely notions of love in business and acknowledge the real power that it holds. Love is not only appropriate in the context of business, it's the foundation of great leadership. To put it bluntly: love is just damn good business. That's the simple but profound truth that leadership consultant Steve Farber has discovered in his extensive work with Fortune 100 companies and other successful businesses. His game-changing approach to love as a practical business strategy will help you to:
• Identify your passions—and share them with others
• Create a culture of love at work—and spark innovation, productivity, and joy
• Serve your customers, so they love how you treat them—and have them coming back for more
• Invest time in making personal connections—that are mutually rewarding
• Focus on serving the needs of others—they're going to love it
• Do what you love—and make it your business, so others love it, too
The proven principles you'll find in this book will help you lay the groundwork for a thriving, competitive enterprise. When love is part of your organization's framework and operationalized in its culture, employees and customers feel genuinely valued. Employees who are passionate about the work that they do are more loyal, innovative, creative, and inspired, and that translates to great customer experience. They don't serve others out of obligation, but because of a genuine desire to improve people's lives. And when customers reciprocate by loving your products, your services, and your people, that's when something great happens. That's when you get loyalty. That's when you get raving fans. It's a refreshingly human way of doing business. In addition to Farber's field-tested strategies, you'll find inspiring case studies from a wide range of industries and leaders, revealing self-assessment quizzes, and practical pointers on how to build a corporate culture based on love, the ultimate competitive advantage. At the end of the day, it's just damn good business.

Offers aspiring authors of novels and screenplays advice on using the classic themes of universal folklore and mythology to structure their works, and provides examples from well-known fiction and films. Reprint. 20,000 first printing.

101 Lessons to be a Damn Good Speaker! focuses on new as well as veteran speakers and provides a handy book of never to be forgotten nuances of speech. Mastering the Tools of a Powerful Narrative

"Damn! A Book of Calumny" by H. L. Mencken. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgottenñor yet undiscovered gemsñof world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Everything from "Did Beatrix Potter ever write a book about dinosaurs?" to "Did Charles Dickens ever write anything fun?" Anyone who has ever worked in retail will nod knowingly at requests like "I live forgotten my glasses, can you read me the first chapter?" Or the absurdity of questions like "Excuse me . . . is this book edible?" Filled with fun and quirky illustrations by the award-winning Brothers McLeod and featuring contributions from booksellers across the United States and Canada, as well as the author's native UK, Weird Things Customers Say in Bookstores is a celebration of bookstores, large and small, and of the brilliant booksellers who toil in those literary fields, as well as the myriad of colorful characters that walk through the doors everyday. This irresistible collection is proof positive that booksellers everywhere are heroes.

A New York Times Book Review Notable Book of 2020 ÌA comically dark coming-of-age story about growing up on the South Side of Chicago, but itÌis also social commentary at its finest, woven seamlessly into the work . . . BumpÌis meditation on belonging and not belonging, where or with whom, how love is a way home no matter where you are, is handled so beautifully that you don't know heÌs hypnotized you until heÌs done.Ï

ÏTommy Orange, The New York Times Book Review In this alternately witty and heartbreaking debut novel, Gabriel Bump gives us an unforgettable protagonist, Claude McKay Love. Claude isn't dangerous or brilliant;heÌs an average kid coping with abandonment, violence, riots, failed love, and societal pressures as he steers his way past the signposts of youth: childhood friendships, basketball tryouts, first love, first heartbreak, picking a college, moving away from home. Claude just wants a place where he can fit. As a young black man born on the South Side of Chicago, he is raised by his civil rightsÌera grandmother, who tries to shape him into a principled actor for change; yet when riots consume his neighborhood, he hesitates to take sides, unwilling to let race define his life. He decides to escape Chicago for another place, to go to college, to find a new identity, to leave the pressure cooker of his hometown behind. But as he discovers, he cannot; there is no safe haven for a young black man in this time and place called America. Percolating with fierceness and originality, attuned to the ironies inherent in our twenty-first-century landscape, Everywhere You Don't Belong marks the arrival of a brilliant young talent.

Miri is the non-twin child in a family with two sets of them--older brothers and younger sisters. The family has just moved to an old farmhouse in a new town, where the only good thing seems to be Miri's ten-sided attic bedroom. But when Miri gets sent to her room after accidentally bashing her big brother on the head with a shovel, she finds herself in the same room . . . only not quite. Without meaning to, she has found a way to travel back in time to 1935 where she discovers Molly, a girl her own age very much in need of a loving family. A highly satisfying classic-in-the-making full of spine-tingling moments, this is a delightful time-travel novel for the whole family.

"Damn good" fiction is dramatic fiction, Frey insists, whether it is by Hemingway or Grisham, Le Carre or Ludlum, Austen or Dickens. Despite their differences, these authors' works share common elements: strong narrative lines, fascinating characters, steadily building conflicts, and satisfying conclusions. Frey's How to Write a Damn Good Novel is one of the most widely used guides ever published for aspiring authors. Here, in How to Write a Damn Good Novel, II, Frey offers powerful advanced techniques to build suspense, create fresher, more interesting characters, and achieve greater reader sympathy, empathy, and identification. How to Write a Damn Good Novel, II also warns against the pseudo-rules often inflicted upon writers, rules such as "The author must always be invisible" and "You must stick to a single viewpoint in a scene," which cramp the imagination and deaden the narrative. Frey focuses instead on promises that the author makes to the reader:promises about character, narrative voice, story type, and so on, which must be kept if the reader is to be satisfied. This book is rich, instructive, honest, and often tellingly funny about the way writers sometimes fail their readers and themselves.

Damn Good Advice (For People with Talent!)How To Unleash Your Creative Potential by America's Master Communicator, George LoisPhaidon Press

The hell called Yuma Prison can destroy the soul of any man. And it's worse for those whose damning crime is the color of their skin. The law says Chiricahua Apache Raymond San Carlos and black-as-night former soldier Harold Jackson are murderers, and they'll stay behind bars until they're dead and rotting. But even in the worst place on Earth, there's hope. And for two hard and hated inmates -- first enemies, then allies by necessity -- it waits at the end of a mad and violent contest ... on a bloody trail that winds toward Arizona's five most dangerous men.

The powerful new collection from award-winning poet, Emily Berry. Emily Berry’s Dear Boy was described as a ‘blazing debut’, winning the Forward Prize for Best First Collection in 2013. Stranger, Baby, its follow-up, is marked by the same sense of fantasy and play, estrangement and edgy humour for which she has become known. But these poems delve deeper again, in their off-kilter and often painful encounter with childhood loss. This is a book of mourning, recrimination, exhilaration and ‘oceanic feeling’: ‘A meditation on a want that can never be answered.’

Written in a clear, crisp, accessible style, this book is perfect for beginners as well as professional writers who need a crash course in the down-to-earth basics of storytelling. Talent and inspiration can't be taught, but Frey does provide scores of helpful suggestions and sensible rules and principles. An international bestseller, How to Write a Damn Good Novel will enable all writers to face that intimidating first page, keep them on track when they falter, and help them recognize, analyze, and correct the problems in their own work.

How to Write Damn Good Fiction

***Hook Your Audience with Unforgettable Storytelling! What do Luke Skywalker, John McClane, and a lonely dog on Ho'okipa Beach have in common? Simply put, we care about them. Great storytelling is making readers care about your characters, the choices they make, and what***

*happens to them. It's making your audience feel the tension and emotion of a situation right alongside your protagonist. And to tell a damn fine story, you need to understand why and how that caring happens. Using a mix of personal stories, pop fiction examples, and traditional storytelling terms, New York Times best-selling author Chuck Wendig will help you internalize the feel of powerful storytelling. In Damn Fine Story, you'll explore:*

- *Freytag's Pyramid for visualizing story structure--and when to break away from traditional storytelling forms*
- *Character relationships and interactions as the basis of every strong plot--no matter the form or genre*
- *Rising and falling tension that pulls the audience through to the climax and conclusion of the story*
- *Developing themes as a way to craft characters with depth*

*Whether you're writing a novel, screenplay, video game, comic, or even if you just like to tell stories to your friends and family over dinner, this funny and informative guide is chock-full of examples about the art and craft of storytelling--and how to write a damn fine story of your own.*

*"Wheels" is the true story of the author's two-wheeled adventures with his son, Jean-Luc, starting with Jean-Luc's first ride on the back of his dad's motorcycle at age 5, and finishing with Jean-Luc learning to ride his own motorcycle at age 8. The time in between is chronicled as a series of short stories involving motorcycling, local and long-distance motorcycle travel, new experiences, and adventures shared between father and son.*

*Gina Hall, a Radford University freshman, disappeared on June 29, 1980, after spending the evening with Steve Epperly, a former Virginia Tech football player, whom she had not previously met. Lookabill and his law partner, David Warburton, represented Epperly on the first-degree murder charge, based upon an indictment handed down by a Pulaski County Grand Jury, even though a body had not been found.*

*If you had one chance to change history...Where would you go? What would you do? Who would you kill? In Time and Time Again, international best-selling author Ben Elton takes readers on a thrilling journey through early 20th-Century Europe. It's the first of June 1914 and Hugh Stanton, ex-soldier and celebrated adventurer is quite literally the loneliest man on earth. No one he has ever known or loved has been born yet. Perhaps now they never will be. Stanton knows that a great and terrible war is coming. A collective suicidal madness that will destroy European civilization and bring misery to millions in the century to come. He knows this because, for him, that century is already history. Somehow he must change that history. He must prevent the war. A war that will begin with a single bullet. But can a single bullet truly corrupt an entire century? And, if so, could another single bullet save it?*

*With public interest in makeovers at an all-time high, why does looking good still feel like a huge mystery? Image Consultant and motivational speaker Janet Cargill demonstrates that, in fact, it can be easy, fun and even deeply transformative. Using real-world stories, seasoned insights, and lots of humor, Janet shares practical tipsto help you look DAMN good! Learn how to discard the need to be perfect. Instead, discover your own unique beauty and how to work with it in alignment with who you are, your lifestyle, your body type, your age and your budget. Meal prep is the best thing to happen to healthy eating-and DAMN DELICIOUS MEAL PREP makes it tastier than ever! It's 6:00 pm, and you have nothing planned for dinner. Again. If you're like many folks, including blogger and author Chungah Rhee, this happens more often than you care to admit! Wanting to regain control of her health and eating habits, Chungah turned to meal prep: the secret weapon that keeps everyone from celebrities and athletes to busy parents and young professionals on-track and eating well. Chungah quickly found that meal prep is an amazing way to save time and money and to keep you and your family eating healthy all week long. By taking the time to plan your meals, prep ingredients, and do some cooking ahead of time, it's easy to have perfectly portioned healthy options at your fingertips for any time of the day. Inside are Chungah's go-to recipes-including some favorites from the blog. You'll find inspiration for delectable protein-packed breakfasts, energy-boosting snacks, and slimmered-down comfort food favorites-none of which sacrifice flavor. Who wouldn't be enticed by a 205-calorie Breakfast Croissant Sandwich or an under-500-calorie Mason Jar Lasagna? She also arms readers with dozens of tools for making habit changes actually stick. This indispensable cookbook is sure to help you live a healthier (and more delicious) life.

"From a black, gay woman who broke into the boys' club of Silicon Valley comes an empowering guide to finding your voice, working your way into any room you want to be in, and achieving your own dreams. In 2015, Arlan Hamilton was on food stamps and sleeping on the floor of the San Francisco airport, with nothing but an old laptop and a dream of breaking into the venture capital business. She couldn't understand why people starting companies all looked the same (white and male), and she wanted the chance to invest in the ideas and people who didn't conform to this image of how a founder is supposed to look. Hamilton had no contacts or network in Silicon Valley, no background in finance-not even a college degree. What she did have was fierce determination and the will to succeed. As much as we wish it weren't so, we still live in a world where being underrepresented often means being underestimated. But as someone who makes her living investing in high-potential founders who also happen to be female, LGBTQ, or people of color, Hamilton understands that being undervalued simply means that a big upside exists. Because even if you have to work twice as hard to get to the starting line, she says, once you are on a level playing field, you will sprint ahead. Despite what society would have you believe, Hamilton argues, a privileged background, an influential network, and a fancy college degree are not prerequisites for success. Here she shares the hard-won wisdom she's picked up on her remarkable journey from food-stamp recipient to venture capitalist, with lessons like "The Best Music Comes from the Worst Breakups," "Let Someone Shorter Stand in Front of You," "The Dangers of Hustle Porn," and "Don't Let Anyone Drink Your Diet Coke." Along the way, she inspires us all to defy other people's expectations and to become the role models we've been looking for--

A rabbi must decide whether to follow his conscience or the will of his congregation. A young boy may sacrifice his one chance at popularity to do the right thing. A doctor clashes with a Jewish chaplain. These and other stories create vivid images and impart powerful lessons about the need for morality in an imperfect world. In addition to fictional fables and inspirational tales, author Martin Elsant includes nonfictional testimony from his father, a Jewish chaplain who attended to Holocaust survivors. As two survivors travel to Nuremberg to oversee one of the sessions, they reveal to him the true strength of the human spirit. Their journey is more captivating and heartrending than any fictional account could be. Elsant has chosen to share these seven stories with you to reveal the good and evil inherent in human nature. To Elsant, man is not fundamentally good or fundamentally bad. Instead, morality is a never-ending series of choices. By creating stories surrounding these decisions, Elsant provides a poignant look into the struggle every human faces when trying to do the right thing. He leaves it up to you to discover whether his characters truly listen to their better angels.

Covers organizing and writing a speech, gives tips on effective speaking, and includes openings, quotations, and anecdotes to use in speeches.

"It's Not How Good You Are, It's How Good You Want to Be is a handbook of how to succeed in the world: a pocket bible for the talented and timid alike to help make the unthinkable thinkable and the impossible possible. The world's top advertising guru, Paul Arden, offers up his wisdom on issues as diverse as problem solving, responding to a brief, communicating, playing your cards right, making mistakes, and creativity – all endeavors that can be applied to aspects of modern life. This uplifting and humorous little book provides a unique insight into the world of advertising and is a quirky compilation of quotes, facts, pictures, wit and wisdom – all packed into easy&hyphen;to&hyphen;digest, bite&hyphen;sized spreads. If you want to succeed in life or business, this book is a must. "

Reinvent Gyros, Cheeseburgers, Monte Cristos and More–in Delicious Dumpling Form In 60 delectable recipes, third-generation restaurateur Stratis Morfogen showcases the star item of his restaurant, Brooklyn Chop House, which draws everyone from celebrities to devoted foodies: the dumpling. Damn Good Dumplings fuses the palate of Stratis’s traditional Greek upbringing with his penchant for innovation. Using the dumpling as a foundation, he updates staples like club sandwiches and cheesesteaks into wholly different (and mouthwatering!) versions of themselves–enjoy the traditional dumpling fillings you already love, and discover exciting new ones that will soon become favorites. Given how easy and fun they are to make, these recipes are great for beginners and dumpling connoisseurs alike. Try out comfort-food classics, like the Fried Chicken Dumplings, the Short Rib Stacked Dumplings or the Diner-Style Cream of Mushroom Soup Dumplings. Craving something sweet instead? Recipes such as the Sweet Potato Pie Dumplings and the Fried Banana Dumplings will tend to that. Seafood lovers will relish offerings like the Lobster Crunch Dumplings and the Crab & Spinach Dumplings while those with vegetarian inclinations are treated to delicacies like the Edamame Truffle Dumplings and the Vegan Lovers Dumplings. Cutting out gluten? Make the Gluten-Free Wonton Dough from scratch, and go from there! With so many enticing options to choose from in this collection, mealtime will always be brimming with thrilling possibilities.

#1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we’ve been told that positive thinking is the key to a happy, rich life. "F\*\*k positivity," Mark Manson says. "Let’s be honest, shit is f\*\*ked and we have to live with it." In his wildly popular Internet blog, Manson doesn’t sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. The Subtle Art of Not Giving a F\*\*k is his antidote to the coddling, let’s-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f\*\*k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, The Subtle Art of Not Giving a F\*\*k is a refreshing slap for a generation to help them lead contented, grounded lives.

"Do nice guys stand a chance? Lizzie Donavue went from being the sister of his best friend to the girl Nick Templeton most wants to kiss. On her birthday, he finally summons up the courage to make his move. But it looks like Nick's missed his chance when he discovers that Lizzie has been offered a modelling contract, which will take her away to the glamorous fashion scenes of New York and Los Angeles. Nick is forced to watch from the sidelines as the gawky teenager he knew is transformed into Elizabeth Donavue: top model and ultimate English rose pin-up, forever caught in a whirlwind of celebrity parties with the next up-and-coming Hollywood bad boy by her side. But then Lizzie's star-studded life comes crashing down around her, and a guy like Nick could be just what she needs. Will she take a chance on him? Or is he just too damn nice?"--Provided by publisher.

The Magic Half

Xen Scott and the Rise of the Crimson Tide

Hopeless. Freak. Elephant. Pitiful. These are the words of Skinny, the vicious voice that lives inside fifteen-year-old Ever Davies's head. Skinny tells Ever all the dark thoughts her classmates have about her. Ever knows she weighs over three hundred pounds, knows she'll probably never be loved, and Skinny makes sure she never forgets it. But there is another voice: Ever's singing voice, which is beautiful but has been silenced by Skinny. Partly in the hopes of trying out for the school musical - and partly to try and save her own life - Ever decides to undergo a risky surgery that may help her lose weight and start over. With the support of her best friend, Ever begins the uphill battle toward change. But demons, she finds, are not so easy to shake, not even as she sheds pounds. Because Skinny is still around. And Ever will have to confront that voice before she can truly find her own. Donna Cooner brings warmth, wit, and startling insight to this unforgettable debut.
