**CHANGED RULES, NEW ENEMIES, AND NO WAY TO GET HOME.** Far from home, Bonnie Russell finds herself trapped with enemies on every side. Ones determined to get the treasure, she carries, and all she knows is that she has no clue what the end game is, or how to get home. Three friends, each with their own set of competing goals. There are only two things that tie them together; their desire for Bonnie and their distrust for one another. Vincenzo – not only knows how to play the game, but he's also determined to see it through to completion. Nicholas – defeated by Vincenzo before, he's more determined than ever to make Vin pay for his deeds. Davian – the most cunning, he's determined to prove he's the best of the three. Can Bonnie unite these men and lead them home? Or will their suspicion for one another keep them from escaping the most dangerous game they've ever played? \*\*\*Warning – Bonnie's Wish, is the second book in the epic Bonnie Series of romance novels (in other words...Why Choose?), and is action-packed! This book contains strong adult content, language, and fantasy violence. It should only be read by mature audiences!\*

**SWEET GIRL** Nicola Hart grew up under the heels of her older brother and his sexy best friend, Cash Garrison. Years of ignoring her spark with Cash has transformed their friendship into a slow burning sizzle. One night with him could ruin everything. Or it could be more than she ever dreamed. They play. They flirt. But they haven't crossed the line because too much is at stake. Family. Friendship. And the deepest kind of love that she'd have to be crazy to walk away from. HE CAN'T STAY AWAY FROM SHE'S his best friend's little sister. The definition of hands off. Cash has tried to ignore her for years. Those innocent eyes that screams kiss-me-if-you-dare.... Instead, he's looked at every pretty little thing who's crossed his path, all to ignore the girl he seems destined to want. But when his hard parting ways get old and everyone at school is interested in Nicola, it's time to stake a claim. To make Nicola his girl, no matter the risks, and hold the hand of the one he really loves. Sweet Girl is the love nough prequel to bestselling Garrison's Creed. Before Cash and Nicola can fall in love forever, they have to suffer through their first love. **FOREWORD BY GUY KAWASAKI** Presentation designer and internationally acclaimed communications expert Garr Reynolds, creator of the most popular Web site on presentation design and delivery on the Net — presentation.ez.net — shares his experience in a provocative mix of illumination, inspiration, education, and guidance that will change the way you think about making presentations with PowerPoint or Keynote. Presentation Zen challenges the conventional wisdom of making "slide presentations" in today's world and encourages you to think differently and more creatively about the preparation, design, and delivery of your presentations. Garr shares lessons and perspectives that draw upon practical advice from the fields of communication and business. Combining solid principles of design with the tenets of Zen simplicity, this book will help you along the path to simpler, more effective presentations.

And Other Notions that Keep Black Women From Dating Out

Last Covenant

The Making and Unmaking of Rose Relations

Cash is alive. But who knows how bad he's hurt. There was an explosion, and he won't wake up. It's the phone call the any Titan wife dreads, and the one that brings Nicola Garrison to her knees in tears. Crying and praying for Cash to wake up, she has one secret to tell him and now it might be too late. "I'm pregnant. You're going to be a daddy." Practicing the words a million times didn't matter if he wasn't coming home from his job. In her rush to save him, she lets down her guard. One slip. One tiny mistake. That is all it takes to let years of protecting her identity fall apart. Her time in witness protection, then at the CIA is called into question by someone who has the power to end her life—and the baby she's carrying. As the game of shadows and spooks, mobsters and goons comes back to hunt Nicola, survival takes on new meaning—protecting her baby, her husband, and her life—forcing her to make a choice that would kill her anyway in the end.

Introduction to Business covers the scope and sequence of most introductory business courses. The book provides detailed explanations in the context of core themes such as customer satisfaction, ethics, entrepreneurship, global business, and managing change. Introduction to Business includes hundreds of current business examples from a range of industries and geographic locations, which feature a variety of individuals. The outcome is a balanced approach to the theory and application of business concepts, with attention to the knowledge and skills necessary for student success in this course and beyond.

A hundred miles from my problems, I've found a new one just down the hall. My gorgeous and conceited new roommate is exactly the type of guy who ruined my life. Hating him should be easy. Except it's not. We fight and tease, playing a game we can't win. And when all pretenses fall away, he shows me a side to him I can't ignore. He's guarded for a reason and he's never let anyone in...until now. With this reckless game we play, there's one truth we can't escape: we're treading the edge of an attraction so intense it might as well be a grenade.

As I attempted to digest stories of spiritual cannibalism, of curses that could cost a student her eyesight or ignite the pages of the books she read, I knew I was not alone in my skepticism. And yet, when I caught sight of the waving arms of an industrious scarecrow, the hair on the back of my neck would stand on end. It was most palpable at night, this creepy feeling, when the moon stayed low to the horizon and the dust kicked up in the breeze, reaching out and pulling back with ghostly fingers. There was something to this place that could be felt but not seen. With these words, Karen Palmer takes us inside one of West Africa's witch camps, where hundreds of banished women struggle to survive under the watchful eye of a powerful wizard. Palmer arrived at the Gambaga witch camp with an outsider's sense of outrage, believing it was little more than a dumping ground for difficult women. Soon, however, she encountered stories she could not explain: a woman who confessed she'd attacked a girl given to her as a sacrifice; another one desperately trying to rid herself of the witchcraft she believed helped her kill dozens of people. In Spellbound, Palmer brilliantly recounts the kaleidoscope of experiences that greeted her in the remote witch camps of northern Ghana, where more than 3,000 exiled women and men live in extreme poverty, many sentenced in a ceremony hinging on the death throes of a sacrificed chicken. As she ventured deeper into Ghana's grasslands, Palmer found herself swinging between belief and disbelief. She was shown books that caught on fire for no reason and met diviners who accurately predicted the future. From the schoolteacher who believed Africa should use the power of its witches to gain wealth and prestige to the social worker who championed the rights of accused witches but also took his wife to a witch doctor, Palmer takes readers deep inside a shadowy layer of rural African society. As the sheen of the exotic wore off, Palmer saw the camp for what it was: a hidden colony of women forced to rely on food scraps from the weekly market. She witnessed the way witchcraft preyed on people's fears and resentments. Witchcraft could be a comfort in times of distress, a way of explaining a crippling drought or the inexplicable loss of a child. It was a means of predicting the unpredictable and controlling the uncontrollable. But witchcraft was also a tool for social control. In this vivid, startling work of first-person reportage, Palmer sheds light on the plight of women in a rarely seen corner of the world.

From the front page of The New York Times to YouTube, Dr. Wafa Sultan has become a force radical Islam has to reckon with. For the first time, she tells her story and what she learned, first-hand, about radical Islam in A God Who Hates, a passionate memoir by an outspoken Arabic woman that is also a cautionary tale for the West. She grew up in Syria in a culture ruled by a god who hates women. "How can such a culture be anything but barbarous?" Sultan asks. "It can't," she concludes "because any culture that hates his women can't love anything else." She believes that the god who hates is waging a battle between modernity and barbarism, not a battle between religions. She also knows that it's a battle radical Islam will lose. Condemned by some and praised by others for speaking out, Sultan wants everyone to understand the danger posed by A God Who Hates.

Nothing says happy birthday like catching your husband in a compromising position with his boss. His male boss. Why, hello, midlife crisis. I'm starting over, but this time I'm doing it right. Or at least I'm doing what I want. Taking the day off from work to hang out poolside? Yup. Do I leave the swimsuit in my house? Sure. Does my very hot, twenty-something pool boy happen to catch me naked? Oh, yeah, he does. And he likes what he sees...a lot. My best friend keeps telling me to have a fling and get back out there. But I'm not so sure she meant for me to do it with her son.

Offers couples advice on how to survive the special problems of marriage warfare, sharing tips on improving communication, adapting to midlife changes, and rekindling a sexual relationship.

A gunshot rings out and interrupts Laurel Hayward's first steps on stage as a professional dancer, and witnessing an assassination is just the beginning of her horrific night. The ruthless killer is determined to either have her or to silence her, landing Laurel in the protective custody of Deputy U.S. Marshal Jason Dunn.His cocky, indifferent attitude gets under her skin, but worse yet, there's the undeniable attraction. Jason can claim he's not interested in her all he wants, but once he's got her tucked away in a safe house his actions say otherwise.She needs his help to stay alive and he needs her to catch the killer that has eluded him for years. Forced together and on the run, the attraction flares out of control and develops into more just as the obsessed killer comes for Laurel... and threatens to destroy everything.

Outside of Titan Group, there are few people that Roman Hart would die for. He's a soldier, a protector, and he's haunted that one of the people he should've been able to protect didn't let him. That was years ago, and now a hardened heart and a cocky attitude are his impenetrable shields, until one woman—one challenge—drives him to distraction. On the outside, Beth Tourne has it all. Luxury car, gorgeous condo, and a job parting with the rich and famous. It's a plush CIA cover, but she wants more. Anything for an adrenaline rush that can override her guilty numbness and let her forget the tragedy she never saw coming. Their scars make them perfect operatives. Their mirrored pasts give them deep, wounded reasons to stay alone. But the more they ignore the tension, the more vulnerable they become. Survival means trust. In one another, behind closed doors, and on the job. The only way they're making it out alive is if they find peace while waging a war. What happens when nothing is as it seems? Lexi Dare is on a one-woman mission to stay alive. Both at home and at work. Because how did she end up with a ring on her finger and an abuser in bed as she readies to hit the high point in her career? Everything should be perfect. Amazing job. Handsome fiancé. It's all a disaster. Parker Black is the brains behind Titan Group, an elite security firm. In his world, everything is ordered and controlled, except what he feels for his buddy's girl. Something in her eyes screams for help, but he has no idea what. When Lexi disappears, Parker realizes what he should have known. The lines blur between friendships and work, and they must find each other to survive a terror attack that only Lexi can stop. Hart Attack

When Emilia de Wit ran away to New York City, she planned everything to a T. Plane ticket, purchased. Cute apartment, rented online. Subway map, printed and highlighted. This was no ordinary trip -- this was Emilia's declaration of independence. Her chance to escape the disaster her life has become. To get away from the horrible scandal that has rocked Amsterdam, the scandal that is all her dad's fault. To see if her mom, the glamorous, world-famous artist, will even notice. New York steals Emilia's heart at first sight -- even though absolutely nothing goes to plan. She didn't plan to end up homeless on a stranger's doorstep. She didn't plan to make friends with Seth, Abby, and Jim. And she could never have known that Hurricane Sandy would be barreling up the coast, straight for the city. All she wanted was to get away from her parents, her problems, her life...but when the storm hits and the power goes out, Emilia feels farther from home than she could have imagined.

A practical framework to avoid burnout and keep great teachers teaching Onward tackles the problem of educator stress, and provides a practical framework for taking the burnout out of teaching. Stress is part of the job, but when 70 percent of teachers quit within their first five years because the stress is making them physically and mentally ill, things have gone too far. Unsurprisingly, these effects are highest in difficult-to-fill positions such as math, science, and foreign languages, and in urban areas and secondary classrooms—places where we need our teachers to be especially motivated and engaged. This book offers a path to resiliency to help teachers weather the storms and bounce back—and work toward banishing the rain for good. This actionable framework gives you concrete steps toward rediscovering yourself, your energy, and your passion for teaching. You'll learn how a simple shift in mindset can affect your outlook, and how taking care of yourself physically, mentally, and emotionally is one of the most important things you can do. The companion workbook helps you put the framework into action, streamlining your way toward renewal and strength. Cultivate resilience with a four-part framework based on 12 key habits Uncover your true self, understand emotions, and use your energy where it counts Adopt a mindful, story-telling approach to communication and community building Keep learning, playing, and creating to create an environment of collective celebration By cultivating resilience in schools, we help ensure that we are working in, teaching in, and leading organizations where every child thrives, and where the potential of every child is recognized and nurtured. Onward provides a step-by-step plan for reigniting that spark.

They're not looking for love, until love finds them!

**THE STOIC SPECIAL FORCES OPERATOR** There's only one person to blame for darkening the last years of Locke Oliver's military career: Cassidy Noble. And damn if he doesn't have to save her from the side of a frozen mountain. Even after the job is done, he can't shake the woman from his thoughts. He blames her for the deaths in his Army unit so many years ago, and he's not ready to let that go. It's driving him to the point of distraction, and now his Titan Group boss says to get his act together or get out. THE FEISTY, FALLEN REPORTER Cassidy is a disgraced journalist, once accused of treason—Or she's an American hero. It depends on who you ask. She's on a mission to rebuild her name and started with a simple question but discovered a complex web of spies and possible human trafficking. Titan Group believes in her. Locke does not. Until he can't deny the truth any longer about the past or what she's uncovered in her investigation.

**BECOME AN INSEPARABLE TEAM** Cassidy volunteers to go undercover. Locke would do anything to stay by her side as she slips into the network and is sold to the highest bidder. All is going right until everything goes wrong. Nothing is as they expect including falling in love with the woman he thought he hated. Black Helicopters

Introduction to Business

Beth Jamison had a rough start in life. She survived a childhood abduction, but her emotionally traumatic past still haunts her, and she suffers from anxiety and issues with intimacy. Beth doesn't know it, but the man who kidnapped her has just been released early from prison. When Beth's brother hires McIntyre Security, Inc. to protect Beth and conduct surveillance on her kidnapper, Beth has no idea she has secret bodyguards keeping her safe 24/7. With his money and good looks, CEO Shane McIntyre has never been short on feminine company, and he's developed a reputation as a "love 'em and leave 'em" kind of guy. But everything changes when Shane meets Beth. Their mutual attraction is instant and intense, and Shane falls hard for Beth. Shane has his work cut out for him if he's going to gain her trust and get past her fears before it's too late. This alpha protector is determined to keep Beth safe, but he's also determined to make her his. Welcome to the McIntyre Security Bodyguard Series! Vulnerable is the first in a series of closely interrelated books that focus on the McIntyre family and their friends. If you love romance novels featuring strong alpha protectors, bodyguards, and slightly damaged characters, with a little suspense and action thrown in, you'll love this ongoing series! No cliffhangers.

The continuing fantastical adventures of the young-but-wise thief Widdershins, who carries a deity in her head—and carries the weight of the past on her shoulders.... After the tragic events that befell her and her friends, Widdershins—along with her aggravating personal god Olgun—fled her home city of Davillon searching for respite. But there is little peace to be found in the increasingly troubled land. And no place is more troubled than the town of Lourveaux, where intrigues and conspiracies against both the church and the government buzz like flies. But Shins is more concerned with the local Delacroix family than whoever wants to take down the powers-that-be. Because her beloved, late adoptive father was a Delacroix. Now, the last remnants of House Delacroix are under siege. Their crops are being blighted. A rival noble house is striving against them. And a ruthless criminal gang with their very own alchemist is working from the shadows to take them down. But Widdershins isn't the kind of girl who forgets her family....and the enemies of the Delacroix have no idea what they're about to come up against.

Stay

Mirabella Lovel used to be a normal, reclusive teenage girl, dealing with typical teenage stuff. Like getting bullied by her dad, but rude-ex-best friend and trying to not get fired from my first job.Everything changes the day of my eighteenth birthday. My parents reveal they're part of a witch coven and now I'm old enough to join. They want me to prepare to become part of the coven, as soon as possible, to continue our family legacy of strong witches.After I find out the truth about my parents and our ancestry, weird things start to happen around town. I realize I've only been told a portion of the story and there's much more to our town than meets the eye.Suddenly I go from being a normalish teenage girl, to being a girl with magic, three potential love interests, a secret grandma, and a council of werewolves breathing down my neck.What could possibly go wrong?

Titan Group is expanding. New recruits mean Jared Westin has potential new hires to scrutinize. What he didn't expect was his very pregnant wife Sugar to finagle her way onto the surveillance team as the prospects were assessed. Her involvement in the simple observation goes dangerously wrong. She and best friend Lexi Black stumble into a problem with Russian mobsters. Sugar is forced to draw on her old ATF tricks, but weeks from her due date, she has no choice but to team up with Bishop O'Keane, a potential-new recruit and Parker Black, Lexi's hacker husband, who must go undercover. This is special ops novella is packed with high-stakes crime and intrigue, a baby story for Boss Man, and two steamy romances for two of Titan's favorite couples. For years, he was a part of my life. I watched him rush to the hospital countless times, his beautiful surgeon hands racing to save lives. After all this time, I can't escape the truth. I want Dr. Lowe. Lust chokes each moment we're together. He promises to fulfill my fantasies—every dirty, naughty desire we can dream up. Only, I can't have him. He's confident. Experienced. Seductive. And he's my ex-boyfriend's father.

A provocative and authoritative compendium of writings on leadership in education from distinguished scholar-educators worldwide. What is educational leadership? What are some of the trends, questions, and social forces most relevant to the current state of education? What are the possible futures of education, and what can educational leadership contribute to these futures? To address these questions, and more, editors Duncan Waite and Ira Bogotch asked distinguished international thought leaders on education to share their insights, observations, and research findings on the nature of education and educational leadership in the global village. The Wiley International Handbook of Educational Leadership brings together contributions from authors in twenty-one countries, spanning six continents. Topics examined include leadership and aesthetics, creativity, eco-justice, advocacy, Big Data and technology, neoliberalism, emerging philosophies and theories, critical democracy, gender and radical feminism, political economies, emotions, postcolonialism, and new directions in higher education. A must-read for teachers, researchers, scholars, and policy makers, this Handbook: Champions radical pluralism over consensus and pseudoscientific or political solutions to problems in education Embraces social, economic, and political relevance alongside the traditions of careful and systematic rigor Challenges traditional epistemological, cultural, and methodological concepts of education and educational leadership

After racing a mysterious coded message, Zen Starling abandons his life of luxury and, with the help of sentient trains, goes in search of android Nova, who plans to awaken the Railmaker. A beautiful young man has been found murdered on Cape Town's Seapoint promenade. Now journalist and part-time Police Profiler Dr. Clare Hart is being drawn into the web of a brutal serial killer. As more bodies are discovered, Clare is forced to re-visit memories of the rape of her twin sister and the gang ties that bind Cape Town's crime rings. Are the murders really linked to human trafficking, or is the killer just playing sick games with her? LIKE CLOCKWORK is a dark and compelling crime story, which exposes the underbelly of porn and prostitution in today's South Africa. Susan Sontag: An Annotated Bibliography/catalogues the works of one of America's most prolific and important 20th century authors. Known for her philosophical writings on American culture, topics left untouched by Sontag's writings are few and far between. This volume is an exhaustive collection that includes her novels, essays, reviews, films and interviews. Each entry is accompanied by an annotated bibliography. Captivated By The Millionaire (Mills & Boon True Love) An Annotated Bibliography 1948-1992 Working-Class White An Introduction to Industrial and Organisation Psychology All Your Broken Pieces A Titan Prequel

In Don't Bring Home a White Boy, writer Karyn Langhorne Folan debunks the myths about interracial relationships. Drawing on real-life testimonials, she boldly tackles this difficult subject with warmth, humor, and understanding, as she explores stereotypes of black female sexuality and white male perspectives on black female beauty. Folan goes beyond statistics and offers firsthand insights on her own interracial relationship and the ways she tags into a woman's desire to have all that they deserve instead of restricting themselves, simply because they want a "good black man." Frank, authoritative, and universally relevant, her message to women is to look beyond skin color, accept themselves for who they are, and to seek a man who truly loves them, regardless of race.

Describes the history and techniques of color guards, including music, choreography, flag twirling, rifle twirling, teamwork and patriotism. Lia McIntyre is assigned as the new bodyguard for rock star Jonah Locke, lead singer of one of the most popular rock bands in the United States. Jonah's just a job to Lia. She'll put her life on the line as his bodyguard, but she won't let it get personal – not even when he turns out to be just the man she needs.

While out exercising the afternoon of February 9, 1989, college student Tiffany Sessions disappeared. Her mother, Hilary, frantically tried to find her, but after twenty years, Tiffany is still missing. Where's My Tiffany? is a heartrending glimpse into one mother's struggles to deal with the emotions, hardships, and grief over the loss of her daughter. With intimate detail, Sessions reveals how the case unraveled, from the first moments of Tiffany's disappearance through the agonizing search for clues, and finally, to the eventual realization that Tiffany might not come back safely. But Sessions also focuses on how she turned her tragedy into a personal victory by never giving up hope. Instead of losing to the darkness of despair, Sessions sought to help other families of missing children and became a teacher, children's advocate, and legislative shepherd. She also explores the deeply personal spiritual journey she underwent during the twenty-year saga, one that made her a stronger, more courageous person. Brutally honest and deeply moving, Where's My Tiffany? offers a rare, behind-the-scenes look at the incredible void left by a missing child. Yet it is also a story of hope and comfort for others facing this devastating challenge.

*Billionaire CEO Shawn Dunn has plenty of sex, power, and money. A woman turning down his advances? Unfathomable. Yet that's what she does, again and again. Kara Hayward is supposed to be off limits. Her sister is hiding from the dangerous assassin she escaped from, and it's best for everyone if Shawn keeps his distance. Certainly as far as Kara is concerned. Shawn's only after one thing and then he'll walk away, just like her ex-husband. But Shawn has larger desires and he's used to getting what he wants. He doesn't care if being together is dangerous. He doesn't believe that threat to him, or his empire, is real. Right up to the night he has everything taken away.*

*Grayson Ford and Emma Kinalsey—close since they were kids, opposites in every way. He's the stuff high school crushes are made of, Mister Popular, and captain of every team. She's artsy, cute, and not in his league, though fully aware of Summerland's I Dream of Dating Grayson Ford support group. I can't say no. The girl's had my heart since before I knew it went missing. He hides a life of hell. His father hates him, his mother's gone. Emma is his only savior, yet she doesn't know her power over him. She's the only girl he wants, the only one he could ever tell—though he won't. I'm stronger, bigger, more of a man than he'll ever be, but because I ruined his life, I've taken his crap, his attacks, the vulgar nature of his existence. Until she discovers Gray's embarrassment, his humiliation. Emma fights for him, for a chance. Theirs is a Cinderella story that she believes impossible. But as the layers peel back, it's just a guy who needs a girl in order to keep breathing. My mind is already doodling Mrs. Grayson Ford in imaginary notebooks. He has no clue where my head is at... But, given that I didn't see what just happened coming, maybe I have no clue where his head is at either. Only for Him is the first of four books in the Only series.*

*Zack was published in print only with St. Martin's Griffin. Zack was originally published in eBook and print with Ellora's Cave under the title Wildfire. Ever sine bad boy Zack Hunter left her ten years ago, breaking her heart, Sky MacKenna hasn't been able to find a man who sets her on fire the way he did. Then he comes striding back into her life—bigger, badder, and sexier than before. Zack Hunter never thought his job as an Immigration and Customs Enforcement agent would lead him back to his small hometown, and he never thought he'd set eyes on Sky again. Leaving her behind had been the stupidest thing he'd ever done, but this time he isn't going to let her go. And as soon as Zack lays eyes on Sky, he makes it clear that he intends to make her his all over again. When Sky becomes entangled in the case he's investigating, Zack can't help but take the threat personally. As the danger mounts, their passion burns even hotter.*
