Quick, critical reading is an essential skill needed in the classroom and is critical to succeed on all standardized tests. Be it literature, essays, or articles, this new addition to the Express Review Guides series covers all of these aspects of reading comprehension. It's also filled with tips on how to develop reading strategies, how to read better, understand more, and

it all faster. Includes pre and posttests to show progress and comprehension.

Differentiated Reading for Comprehension is designed to provide high-interest, nonfiction reading success for all readers. This 64-page book focuses on fourth grade reading skills defined by the Common Core State Standards. Each of 15 stories is presented separately for the below-level, on-level, and advanced students, followed by a series of comprehension

questions. Grade four covers such standards as drawing inferences, understanding the different text structures, and comparing and integrating two texts on the same topic. --This series allows teachers to present the same content to below-level, on-level, and advanced students with leveled nonfiction stories. It includes multiple-choice, fill-in-the-blank, and true/false

questions; short-answer writing practice; and comprehension questions. Students stay interested, build confidence, and discover that reading can be fun! The reading passages are separated into sections with titles such as Extreme Places, Amazing People, Wild Animals, Strange and Unexplained, Fascinating Machines, and Amazing Kids.

Reading Comprehension in 20 Minutes a Day enhances your critical reading skills in just 20 short lessons. Learn to dissect a story, find the main idea, and draw conclusions through study of practical exercises. With passages from literature, essays, technical writing, and articles, this handy guide includes lessons with hundreds of exercises in test format to help you

acquire or refresh essential reading comprehension skills.
