The EXAM QUESTIONS AND ANSWERS BOOK gives the instructor pre-written, tailored exam questions for each lesson in Living Geography Book I. The answers which follow the questions act as a guide for the teacher when evaluating the student's answers. Some of the questions are Charlotte Mason's own questions taken from her exams. Some questions are original to this curriculum. Should the teacher prefer to write her own individualized questions, there is a reminder in the TEACHER'S NOTES and provided space in the EXAM QUESTIONS AND ANSWERS BOOK to do so. Because there are exam questions for each lesson in Living Geography, the class is free to progress as it suits the teacher's schedule. Exam questions can be found that correspond with what the class has covered so there is no pressure to reach a given point by a given time.
