These beautiful 4/color literature anthologies are an affordable way to introduce students to a variety of authors from the Spanish-speaking world. Organized by themes, students interact with poems, songs, informational readings, short stories, and excerpts from outstanding literature, including many AP® Literature authors. Teacher's Guides provide pre- and post-reading activities plus graphic organizers.

Benito Pérez Galdós (May 10, 1843 – January 4, 1920) was a Spanish realist novelist. Some authorities consider him second only to Cervantes in stature as a Spanish novelist. He was the leading literary figure in 19th century Spain. Galdós was a prolific writer, publishing 31 novels, 46 Episodios Nacionales (National Episodes), 23 plays, and the equivalent of 20 volumes of shorter fiction, journalism and other writings. He remains popular in Spain, and is considered as equal to Dickens, Balzac and Tolstoy. As recently as 1950, few of Galdós's works were available translated to English, although he has slowly become popular in the Anglophone world. While his plays are generally considered to be less successful than his novels, Realidad (1892) is important in the history of realism in the Spanish theatre.

"Touchstone is an innovative four-level series for adults and young adults, taking students from beginning to intermediate levels (CEFR: A1-B2). Based on research into the Cambridge English Corpus, Touchstone teaches English as it is really used. It presents natural language in authentic contexts, and explicitly develops conversation strategies so learners speak with fluency and confidence."--Page 4 of cover.

Offers some theoretical innovations in teaching foreign languages and reports how they have been applied to curriculum development and experimental courses at the upper secondary and college levels. Approaches language learning as comprising several dimensions, including grammatical competence, change in attitudes, learning about another culture, and reflecting on one's own. This third edition of this text presents the major grammatical contrasts between English and Spanish in a simple and direct manner that is ideal for teachers of either language. This book addresses difficult grammatical topics for the English speaker, such as the question of aspect (preterit/imperfect) and the Spanish rorindicative/subjunctive; the English modal auxiliary system; and other challenging topics for the Spanish speaker. This reworked and expanded edition presents a complete inventory of all the major inter-lingual contrasts, emphasizing those contrasts that pose difficulties for teachers and students alike. The text features numerous exercises and, new with this edition, an extensive glossary of grammatical terms. Answer key available for download from the "features" tab on the
