Living a Life of Fire is more than simple facts about an evangelist's life, it is filled with adventures from the heart of Africa, real life dramatic stories of people and places that will leave you on the edge of your seat, and powerful demonstrations of the Holy Spirit working in the here and now. Reinhard Bonnke's life is a model for generations of preachers to come, and his story inspires Christians everywhere to believe for God's maximum. In 2001, as Reinhard Bonnke debated whether or not to move his ministry to America, he did something he had never done before: he prayed for a sign to confirm that God truly was calling him to go to America. God was about to answer that prayer. A few days later, a woman brought her husband to the Nigerian church where Bonnke was preaching, in hopes that his partially embalmed body would be raised from the dead after three days in a coffin. Although Bonnke was unaware of this and never even prayed for the man, the woman's husband, lying in the church basement, began to breathe again during the sermon. In front of thousands of witnesses, this man, who still couldn't move because of rigor mortis, was raised back to life. After his message, Bonnke was besieged by a crowd yelling, "He's breathing! He's breathing!" This incredible miracle, now detailed for the first time, is part of a movement of God, birthed in a small African church and stretching around the world to America. It is the beginning of a work of God that will confirm His word to Bonnke: "America shall be saved."

DIV God uses manpower. We need God's power. God works when we work. Millions of people all over the world have been introduced to Jesus through the ministry of Reinhard Bonnke. In Taking Action he describes how we too can be an extension of God's love to the world by partnering with the Holy Spirit. With a firsthand account of the mighty manifestations of God at work today, Bonnke takes a careful look at what Scripture teaches about the anointing and gifts of the Holy Spirit in general and then explains each of the specific gifts listed by the apostle Paul. Jesus lived, worked, and prayed in the power of the Holy Spirit. In the Gospel of John He says, "He who believes in Me, the works that I do he will do also." With this same anointing, we can live this way as well. /div

The real fight is the one you can't see. The supernatural realm is very real, and it directly impacts our day-to-day lives. Often spiritual battles lie behind our everyday struggles. Though the spiritual world is invisible, we are not unaware of the enemy's schemes. Through God's Word and the power of the Holy Spirit we are equipped to be more than conquerors through Christ! With doctrinally sound, practical teaching, Slaying Dragons shows how the demonic realm fits into orthodox thoughts on salvation, redemption, and kingdom life. Daniel Kolenda demystifies spiritual warfare to shine light on what the enemy is doing in readers' lives and what they can do to slay every dragon they encounter. It also contains real-world examples of encounters with spiritual darkness, demonstrating examples of how "the light shines in the darkness, and the darkness has not overcome it" (John 1:5, NIV). It's easy to lose sight of the big picture as we focus on our everyday struggles. But our daily battles are part of a much bigger war, and we have been given all we need to win. Slaying Dragons will show readers

what the enemy is trying to accomplish and how they can slay every dragon they encounter--in their lives and in the world. This book will teach you to see and overcome the spiritual battles behind your everyday struggles. ? Also Available in Spanish ISBN: 978-1-62999-283-9

Every day, millions of people who don't know Jesus Christ as their Savior move farther down the dark road to destruction. But as international evangelist Reinhard Bonnke says, hell was never designed for people, and heaven is expecting them! Tens of millions of people have come to know Christ through Reinhard's ministry. In this book, he shares his contagious passion for bringing the gospel to the lost. Each chapter in Hell Empty, Heaven Full discusses biblical stories that highlight how God's priority is saving people and how He wants us to join Him in that process. As Reinhard says, "Our calling is to put a kind hand on the shoulder of the world and turn it round to see God. It will adore Him. The Lord is the Savior.... He loves because to love gives Him joy. He loves beyond all the parameters of human affection and makes even the assault of the cross an expression of His love. His pain asserts it. He finds satisfaction in giving, pouring Himself out to us, surrounding us with wonders, making His redeemed the garden of delight in which He walks. To proclaim the gospel is to move for Him, act with Him, love in Him, and delight in His joy as the privilege, meaning and purpose of all life." Filled with vivid illustrations, this book is designed to show you how to reach the lost as Jesus did: with the passion and compassion of the heavenly Father.

The Boy Whose Life Touched Millions

Astonishing True Story of the Miracles That Are Changing Africa Born into a long line of witch doctors, Surprise ("Surpresa") Sithole was destined for a life of fear, oppression, and poverty in the jungles of Africa. But at the age of fifteen, he was awakened in the middle of the night by an unfamiliar voice. Urgent, but not harsh, it told him to get up and leave his family immediately. As Surprise stepped out into the night, away from everything dear to him, he had no idea who God was--or what he had in store for him. From miraculous signs and wonders to supernatural deliverance from certain death to divine revivals that overtook countries, Surprise has followed wherever God has led, becoming an agent of hope and change in a continent devastated by war, poverty, and spiritual oppression. Voice in the Night is the amazing true story of what began that night in a jungle hut more than twenty-five years ago: a journey--an adventure--of faith and miracles.

They Served God to the Ends of the Earth In his fifth God's Generals volume, Roberts Liardon chronicles some of the great evangelists who risked their lives to take the gospel message to strange and unknown cultures around the world, including Nikolaus Ludwig von Zinzendorf--the Austrian nobleman whose passion for Christ ushered in the Moravian revival of the 1700s. David Brainerd--the young American colonist who sacrificially reached out to Native Americans. William Carey--the British shoemaker and Bible translator whose passion to reach India birthed a missionary revolution. David Livingstone--the explorer who crossed the "unknown continent" and opened the heart of Africa to the gospel. Adoniram Judson--the "Father of American Missions," who endured tragedy to reach the people of Burma. Hudson

Taylor—the first missionary to use the phrase “Great Commission,” who pioneered the China Inland Mission, transforming millions of lives along the way. Hiram Bingham—the first Protestant missionary, who spent twenty years serving Christ in what is now Hawaii. Amy Carmichael—the selfless Irish missionary who dedicated her life to the forsaken children of India. Jonathan Goforth—the passionate Canadian revivalist who brought salvation and healing to hundreds of thousands of Chinese people. The sacrifice and courage of these spiritual pioneers are sure to stoke the fires of your faith and revive within your heart a spirit of evangelism and compassion for the lost. The remarkable story of Reinhard Bonnke—filled with dreams, visions, and miracles—can’t help but cause you to recognize that God has written success story for you, too

God’s Gift to All Believers Some believe that simply having faith is an entitlement to blessing and prosperity. Others believe that faith in oneself is all that is needed in life. Still others contend that faith is a cosmic force that breeds superhuman, super-spiritual, invincible power. It is none of these. Faith is not something requiring you to believe in what you know is not true, nor is it believing something for which there is no evidence. The Bible—a book all about faith—provides the evidence that makes faith so vital, so important, and so astounding. In Faith: The Link with God’s Power, international evangelist Reinhard Bonnke draws from his years of personal study and vibrant ministry to reveal that... Faith is like a wiring system that carries power into our lives. Faith itself is not the power, but it links us to the power source. There is no link to God’s power without faith. Our belief in what happens tomorrow stems from what we already experienced yesterday. It is not the size of your faith but the size of the God you believe in that determines the results. Reinhard Bonnke is more qualified than most to shed light on what it means to minister in the power of the Holy Spirit. He and his CfaN team regularly conduct gospel crusades in Africa, where signs and wonders follow the preaching of the gospel. In one six-day crusade, more than 1,600,000 people attended a single service, with 3,450,000 making positive decisions for Christ over the course of the event. Indeed, these are days in which God’s people can abound in faith!

Reveals God’s unique redemption plan for humanity.
