An innovative and multidimensional account of translocal religious practice, this sophisticated study, the first of its kind for Vietnam, blurs disciplinary boundaries and disrupts preconceived images of Vietnamese society.

Does food create more fear and worry for you than it creates pleasure and nourishment? Do you over obsess about eating by the "book"

and God knows how many different books there are out there? Do you worry that the food you are eating may be creating disease or making you fat or any other kind of "punishment"? Do you battle against your food choices to a point where there is barely anything left to eat? Do you go against your body & palette preference just to stick to a certain diet or label? Do you find yourself yo-yo-ing between diets thinking that this is the ONE? Have you tried every diet out there but still didn't get the results you want? Is your relationship with food and your body conflictual and complicated? Are you tired of "nothing is working for me" mentality? Are you so mad at your body because it is not cooperative no matter what you do? If you answered yes to any of these questions, don't think you are alone. We live in an era where food has become the enemy and where our bodies are being compared, judged, and put under a microscope, and many times under the knife. It is not easy to love your body or make friends with your food, I get it, I have been there, and it is still a work in progress, But I made the decision to awaken my inner goddess and rebel against a time where food is feared and our body is hated, and my act of rebellion is simply connecting to love towards our food and our body so we can thrive as we are supposed to. In this book you will get introduced to a new paradigm shift around food as an awakened Goddess: thinking of food and dealing with food in terms of energy and vibration is freeing, less obsessive, empowering, and pleasurable. The detox in this ebook is not your usual detox because it is not only about food. This book will give you inspiration and practical tools to let go of anything that is no longer serving the body, mind, and soul that you are at your core while softly awakening your inner goddess. This book offers a holistic comprehensive approach to detox since what nourishes us goes beyond what's on our plate. Do you want to foster a new relationship with your body centered on self-acceptance and self-love? Are you ready to detox from anything that is not serving the body, mood, vision, relationship, and life that you would like to create? Are you ready to awaken the goddess within you? Are you ready for a sustainable and lasting change? Are you ready to drop off some of that stubborn weight for good? Don't wait any longer. This book will give you the guidance and support you need with practical tools to connect to your body and your food in a loving and empowering way so you can create the change you have been wanting for so long and maintain it. In this book, you will find 3 parts: Part I- Create your beautiful body and life: 6 chapters of inspiration and empowerment Part II- Eight practices for awakening the goddess within with exercises and meditation Part III- 7 day detox protocol (30+ recipes + positive affirmations + shopping list +ingredient list + Q&A)

Jailbreaking the Goddess is a revolutionary revisioning of the feminine divine. Where the maiden, mother, crone archetypal system is tied to female biology and physical stages of life, the fivefold model liberates the female experience from the shackles of the reproductive model. In a woman's lifetime, she will go through several different cycles of beginnings, potential, creation, mastery, and wisdom. This fivefold model is not an adaption of the threefold. It is a new system that embraces the powerful, fluid nature of the lived experience of women today. Join Lasara Firefox Allen as she explores the nature of the five archetypes; gives examples of what areas of life each might preside over; lists goddesses that fit within each archetype; suggests ways to begin building relationship with the different archetypes; and provides simple rituals for recognition, transition, and invocation. Praise: "Jailbreaking the Goddess is an important contribution to the writings on Goddess tradition and feminist spirituality...I love her political savvy, her sensitivity around issues of diversity and cultural awareness and appropriation, and her unabashed celebration of pleasure, sensuality, and life!"—Starhawk "This fiercely inspired body of work is art, theory, and passion. Genius."—Rosa De Anda, from her foreword "Lasara Firefox Allen delves deep into the ways in which colonialist language has shaped our experience of the divine feminine...This is an innovative work that has the potential to change the face of modern feminist spirituality."—Suzanne Sterling, founder of Voice of Change

Discover the Guiding Goddesses in Your Birth Chart and Ignite Your Authenticity, Passion, and Purpose Did you know that astrology and magick are woven from the same threads? The more you learn about one, the more you'll intuitively understand about the other. This inspiring, hands-on guide shows you how to connect with the twelve faces of the Goddess through astrology, story, ritual, and pathworking. Explore cross-cultural myths associated with each goddess, delve into astrology from a groundbreaking feminine perspective, and discover the personality, archetype, and correspondences of each zodiac sign to unlock a deeper understanding of yourself as the heroine of your story. Work with the specific guiding goddesses in your birth chart, learn how astrology is connected to the seasonal turning points on the Wheel of the Year, and much more. The Twelve Faces of the Goddess is a reminder that connecting with the sacred feminine is an empowering and radical act that can guide you on your journey. Praise: "Join [Danielle Blackwood] at that moonlit crossroads where magick and the sacred feminine intersect with astrology...Let The Twelve Faces of the Goddess be a lantern for you."—Steven Forrest, author of *The Inner Sky* "This beautiful perspective on the stars and our relationship to them is uplifting and inspiring, enlightening and intriguing."—*Spirituality Today*, 5-star review "An inspiring exploration of the archetypal interconnections between astrology, ritual, and the divine feminine."—Kris Waldherr, bestselling author of *The Book of Goddesses* and creator of *The Goddess Tarot* "Danielle has beautifully woven a book that everyone can use to enhance their journey into the feminine and the mysteries on many levels. Though it is about the goddesses and the feminine found in the archetypes of astrology, mythology, ritual and the magical, it is not a book for women only. It is a book for all on the seeking path—to the realms of their own inner space; all the types are familiar to us, but now we have the language."—Erin Sullivan, author, astrologer, and teacher "A refreshing look at astrology from the perspective of the divine feminine. The topic of astrology is often intimidating to learn, but Blackwood presents information about the signs and how to use the magick and power of the goddesses connected to them in an easy-to-understand and relatable way...this is a must-read."—Stephanie Woodfield, author of *Dark Goddess Craft* "This beautifully written book is a thoroughly uplifting, as well as informative, read and now has a place at the top of my list of favorite astrology books."—Lisa Tenzin-Dolma, author of *The Planetary Myths and Take Control with Astrology* "Looking for a book that seamlessly weaves Goddess spirituality, archetypal psychology, and astrology together into a tapestry of love, magic, and (surprise!) real-world wisdom? The

Twelve Faces of the Goddess by Danielle Blackwood is the book you are looking for."—Anne Newkirk Niven, editor of SageWoman Book Description There is a hidden goddess in every woman, yet far too many find themselves in a state of CONFUSION, FRUSTRATION and EXHAUSTION. In today's world, she has exchanged her natural feminine energy that inspires and nurtures herself and others, to unhealthy control and independence. In this groundbreaking book, you will learn how to reclaim your inner goddess and allow the men in your life to provide the safety and security you want. There are only two things a man really wants and they are not what you think. This book will teach you how to give them what they want; and in return, you will have your deepest desires met effortlessly and without compromise. The One Minute Goddess offers practical, useable, simple methods of communication that will amaze you in their effectiveness. Just applying the seven-magic-words formula can change every relationship you have. This nugget alone is worth its weight in gold! About the author There are some men who have a life mission, but there are few who make it, to be in service to women. To the astonishment of women around the globe, there exists a man who does little else than create ways for women to have everything they want, including men that adore them. That man is Jean-Pierre LeBlanc. He specializes in success; personal success, successful relationships and successful businesses. He is a masterful alchemist who has turned his relationship, financial and health disasters into systems for extraordinary results. He now spends his time teaching others how to do the same. Experiencing the work of Jean-Pierre is transformational and life changing. He offers a roadmap and unparalleled support to a place he calls enlightenedwealth., .a place worth going. His work is pure genius

Have you been called by a goddess? It doesn't matter if you're a beginner or if you've been on a spiritual path for years, Oh My Goddess will allow you to begin or deepen your personal relationship with your goddess. Rather than a how-to book, this devotional journal full of prompts: research, journaling and others- that will allow you to invest your energy in a way that will enable you to focus on your relationship with your goddess. While working in your devotional journal is a devotional act in itself, once filled, will also allow you to easily create and maintain a sustainable devotional practice. Your personal research and compilations will help you to quickly create devotional rituals. Your recorded poetry and offering ideas will make it easy to honor your goddess even on the busiest days. This book allows you to go wide using research, and deep using the journaling prompts, creating a deeply personal understanding of your goddess. In addition to the prompts, there are many blank pages for you to continue doing your work. Small enough to fit on just about any altar, this journal is a strong first step onto the personal devotional path.

A sacred feminine initiation of self-love and soul care rituals, tools, and exercises. Spiritual teacher, intuitive coach, and award-winning author, Abiola Abrams invites you to activate African goddess magic to transmute your fears and limiting beliefs, so that you can create more happiness, abundance, and self-acceptance. Africa is a continent of 54+ countries, and her children are global. There is no one African spiritual tradition. Our ancestors who were trafficked in "The New World" hid the secrets of our orishas, abosom, Iwas, álúsí, and god/desses behind saints, angels, and legendary characters. From South Africa to Egypt, Brazil to Haiti, Guyana to

Louisiana, goddess wisdom still empowers us. Writes Abiola, "Spirit told me, "We choose who shows up." And if you are holding this book, then this sacred medicine is meant for you. In this book, you will meet ancient goddesses and divine feminine energy ancestors, legendary queens, and mystical spirits. As you complete their powerful rituals, and ascend through their temples, you will: . Awaken generational healing in the Temple of Ancestors; . Manifest your miracles in the Temple of Conjurers; . Release the struggle in the Temple of Warriors; . Embrace your dark goddess self in the Temple of Shadows; . Heal your primal wounds in the Temple of Lovers; . Liberate your voice in the Temple of Griots; . Open your third eye intuition in the Temple of Queens; and . Surrender, meditate, and rise in the Temple of High Priestesses. Welcome to your goddess circle!

Oh My Goddess

Aspecting the Goddess is a memoir, a workbook and an exploration of twelve different Goddess myths. Aspecting, or drawing down a Goddess, is an invitation to share our bodies and our experience with the divine feminine. Step by step, this book unfolds different levels of this practice. American and Indian scholars of religion, anthropology, women's studies, and psychology look at the complex relationship between the living worship of female divinities and women in India. In keeping with the multiplicity, especially of Hinduism but also Buddhism and Jainism, the anthology presents a number of sometimes conflicting views rather than a consistent account. Only authors are indexed. c. Book News Inc.

Hindu Goddesses is a valuable sourcebook and reference work for students and scholars of Hindu goddesses and of Hinduism in general. Each goddess is dealt with as an independent deity with a coherent mythology, theology and, in some cases, cult of her own. Within the complex, diverse, and rich goddess traditions of Hinduism, one can find suggestions of nearly every important theme in the Hindu religion. In many ways, this book is as much a study of the Hindu tradition itself as it is a study of one aspect of that tradition. No other living religious tradition has displayed such an ancient,

continuous, and diverse history of goddess worship.

Hinduism cannot be understood without the Great Goddess and the goddess-orientated Śākta traditions. The Goddess pervades Hinduism at all levels, from aniconic village deities to high-caste pan-Hindu goddesses to esoteric, tantric goddesses. Nevertheless, the highly influential tantric forms of South Asian goddess worship have only recently begun to draw scholarly attention. This book addresses the increasing interest in the Great Goddess and the tantric traditions of India by exploring the history, doctrine and practices of the Śākta tantric traditions. The highly influential tantric forms of South Asian goddess worship form a major part of what is known as 'Śāktism', and is often considered one of the major branches of Hinduism next to Śaivism, Vaiṣṇavism and Smārtism. Śāktism is, however, less clearly defined than the other major branches, and the book looks at the texts of the Śākta traditions that constitute the primary sources for gaining insights into the Śākta religious imaginative, ritual practices and history. It provides an historical exploration of distinctive Indian ways of imagining God as Goddess, and surveys the important origins and developments within Śākta history, practice and doctrine in its diversity. Bringing together contributions from some of the foremost scholars in the field of tantric studies, the book provides a platform for the continued research into Hindu goddesses, yoga, and tantra for those interested in understanding the religion and culture in South Asia.

In Warrior Goddess Training, readers discovered the woman they were meant to be. In The Warrior Goddess Way, readers are taught how to claim her for themselves. In the third and final book of the Warrior Goddess series, author HeatherAsh Amara goes deeper into the warrior journey that will lead each woman to reclaim her true goddess self. Incorporating elements from her experience in Wicca, Native American and European shamanism, Buddhism, and a variety of other Wisdom traditions, Amara addresses the most important topics that aren't found in the introductory text, such as: The power of wisdom Passion Forgiveness Conscious relationships Present moment awareness Death Packed with exercises that lead to real and lasting change, and led by Amara's direct, loving, and occasionally humorous guidance, The Warrior Goddess Way can show every woman the path to claiming her radiant, authentic, and loving self. Deepen your relationship with your partner through honoring the Goddess and God within each of you. Follow a step-by-step plan to build a sacred relationship via meditating, celebrating life's cycles, practicing sacred sexuality and more. Includes over a dozen beautiful Wiccan rituals written especially for couples, including the powerful "Sacred Marriage" ceremony.

"This book will serve to inspire millions . . . and balance masculine and feminine for a more healthy and rewarding existence on earth!"—Shelley Ackerman, astrologer and founder of Karmic Relief Every woman could use some Goddess wisdom in her life. From scoring your dream job to going after that hard-earned raise to finding the right guy and keeping the romance alive, the Divine Feminine is there to help you achieve the love, success, and happiness that you deserve. Get ready to feel empowered: you are about to meet thirty-six of the most revered spiritual heroines from faiths and traditions around the world. Use this book of goddesses to call upon each one for support, guidance, and inspiration in all areas of your life. Evoke their unique energies and strengths through rituals, meditations, gatherings, prayers, blessings, and many more fun and creative activities. • Celebrate your true beauty with Hathor • Unleash your dark and wild side with Lilith • Free yourself from unhealthy relationships with Persephone • Take aim at your career goals with Artemis • Own and explore your sensuality with Oshun *The Goddess Pages*, a unique and empowering book of goddesses, helps you connect with the strength and beauty of the Goddess—and experience the divine within you.

Goddesses often are labeled as one-dimensional forces of nature or fertility. In examining a number of goddesses whose primary role is sovereignty, this volume reveals the rich diversity of goddess traditions. Drawn from a variety of cultural and historical settings, the goddesses described here include Inanna of ancient Sumer, Oshun of Nigeria, and Cihuacoatl of pre-historical America.

Featuring mantras, exercises, and rituals, *The Goddess Resolution* shows you how to triumph over any negative influence in your life with the help of powerful goddesses from around the world. You'll be introduced to Eingana, Lilith, Pandora, Sedna, Hekate, Oya, and nearly a dozen more incredible deities whose stories will inspire you. Each one empowers you to create and navigate your unique path to emotional well-being. Author Kate Osborne shares affirmations, meditations, ceremonies, mirror and labyrinth work, and more, all of them designed to help you engage with the goddesses' mythology. Free yourself from emotional bondage with the story of Hine-Nui-Te-Po, seek redemption with Skadi's tale, and nurture your creations with Gaia. Whenever life throws a curve ball, these goddesses' stories will uplift and encourage you.

Is the Goddess a Feminist?

The Dark Goddess is often associated with the Underworld where she leads the uninitiated through a transformative journey of self-discovery, change and soul renewal. She is connected with the unwanted, the forgotten, the ignored or even ashamed parts of our psyche. However there is more to her than that. Encountering the Dark Goddess: A Journey into the Shadow Realms guides you through what this challenging facet of the Divine Feminine, the Dark Goddess, is truly about, and encourages you to step through the veils into her hidden realm to explore 13 aspects of herself. Whether you seek healing from past trauma, release from fears or acceptance of the “unacceptable” aspects of your self, Encountering the Dark Goddess: A Journey into the Shadow Realms offers ways for you to transform and heal your life through the power of meditation, ritual and inner journeying with the Dark Goddess into her shadowy realms. Use the 13 goddess myths as a guide to discover how to remove the stagnant and unwanted and embrace the ever changing aspects of life that can drag us into the pits of despair. When we connect to the Dark Goddess, we are able to find the light within the darkness and our lives are enriched through the integration of all aspects of our soul as a perfect whole.

A first-hand description of the Durga Puja, the Hindu celebration of the Great Goddess. During a nine-day period every autumn, Hindus in India and throughout the world worship the Great Goddess, Durga--the formidable deity who is loved like a mother. One of the most dramatic and popular of these celebrations is the Durga Puja, a rite noted for its visual pageantry, ritual complexity, and communal participation. In this book, Hillary Peter Rodrigues describes the Bengali style of Durga Puja practiced in the sacred city of Banaras from beginning to end. A romanization of the Sanskrit litany is included along with an English translation. In addition to the liturgical description, Rodrigues provides information on the rite's component elements and mythic aspects. There are interpretive sections on puja, the Great Goddess, women's roles in the ritual, and the socio-cultural functions of the ritual. Rodrigues maintains that the Durga Puja is a rite of cosmic rejuvenation, of empowerment

at both the personal and social levels, and a rite that orchestrates manifestations of the feminine, both Divine and human. Hillary Peter Rodrigues is Chair of the Department of Anthropology and Associate Professor in the Religious Studies Program at the University of Lethbridge. He is the author of *Insight and Religious Mind: An Analysis of Krishnamurti's Thought*.

A follow-up to *Mama Gena's Owner's and Operator's Guide to Men* outlines a fun-based guide to marriage that contends that women have a greater influence on a relationship's outcome, sharing advice on bringing passion back into the bedroom, getting a man to fulfill a wife's desires, and more. Reprint. 35,000 first printing.

Everything You Need to Know to Start Connecting with the God and Goddess Perhaps the biggest difference between Wicca and other religions is the belief that individuals can do more than simply pray to a supreme, all-powerful deity and hope that things will work out to their benefit. Wiccans understand that individuals can actually co-create with the forces of nature by linking their own personal energy with the divine through ritual and magic. But what is "the divine" when it comes to Wicca? Who are the Goddess and the God, and where did they come from? Why do they have different names in different Wiccan traditions, and how do you begin to work with them in your personal practice? *Magical Deities*, by best-selling author Lisa Chamberlain, answers these questions and more. Going beyond the usual brief introduction to the God and Goddess found in many beginner guides to Wicca, Lisa covers the origins of the Wiccan deities, as well as their varying manifestations among different Wiccan traditions. What's more, she explains the difference between traditional duotheism and more eclectic polytheistic practices, both of which are found among the diversity of forms within this dynamic religion. You'll find advice for learning to forge your own spiritual connection with the divine masculine and feminine, and introductions to sixteen ancient deities who often function as "aspects" of the God and Goddess within Wiccan practices. Finally, you'll find ideas for honoring and working with these deities in your magical practice-and make no mistake, having the assistance of the gods and goddesses of the Universe is an enormous boon in the magic department! *Foundations in Wiccan Concepts of Divinity and Magic* For many practitioners who keep to the traditional duotheistic concept of Wicca, the ancient deities are "aspects" of the "supreme" Goddess and God and don't have a role to play on their own. For those who fall into the category of "eclectic" Wiccans, the inclusion of ancient deities is more polytheistic. Eclectics often have personal relationships with "patron" gods and/or goddesses, who may be included in ritual practice alongside the God and Goddess. In both approaches, deities may be called upon for assistance with specific

magical aims. But it's not simply a matter of speaking a god's or goddess' name in your spellwork-you need to develop an understanding and personal relationship with your chosen deities. Magical Deities will help you to do just that, with valuable information including: - The history of the Wiccan Goddess and God and their evolution through various traditions - An introduction to the Triple Goddess and her three aspects: Maiden, Mother and Crone - Introductions to the Sun God, the Horned God, the Green Man, and the Holly and Oak Kings - How to represent the God and Goddess on the Wiccan altar - The mythology, cosmology, and magical practices of the ancient cultures that gave rise to Wicca - The most popular deities of the Egyptian, Roman, Greek, and Celtic pantheons - Advice for choosing deities to work with, and magical goals and methods specific to each one The paths to connection with the God and Goddess, or to any of the deities "borrowed" from other cultures are as multiple and varied as the people who worship them. Ultimately, your intuition and your heart are your best guides along your journey. But the more you know about the gods and goddesses you seek to work with, the more authentic and astounding your connection with them has the potential to be. As you make your way deeper into the realm of Wicca, Magical Deities will be a trusted travel guide! Scroll to the top of the page, hit the buy button, and you'll receive an exclusive free gift!

Drawing Down the Divine Feminine

Stop Being a Good Wife, Start Being a Sister Goddess!

Sacred Rituals for Self-Love, Prosperity, and Joy

In *Goddess and God in the World*, leading theologians Carol P. Christ and Judith Plaskow debate the nature of divinity, proposing a new method called embodied theology. They agree that the transcendent, omnipotent male God of traditional theology must be reimagined. Carol proposes that Goddess is the intelligent embodied love that is in all being. Judith counters that God is an impersonal power of creativity that includes both good and evil. Rooting their views in experience and questioning each other, they offer a fruitful model of theological conversation across difference.

The modern woman often doesn't know herself as a goddess; her feminine energy is out of balance and her divine essence goes unnoticed. We are now entering a new time *The Age of Woman*, when women throughout the world are looking for ways both ancient and new, to awaken their feminine essence which will in turn balance the masculine essence of the world. This inspiring, poetic and magically

potent book will entice women of all ages to explore and activate their relationship with the divine, feminine and most sacred part of themselves-- The Goddess within them. In You Are Woman, You Are Divine, Back to the Goddess founder and master mythologist Renee Starr takes women on an enchanting, empowering journey. In Part 1 of the book, she leads readers back through history to revisit the reverence for women that every ancient culture possessed. From the dawn of pre-history, women were perceived as holy, sacred, and divine incarnations of the Great Mother Goddess. Powerful figures full of strength, wisdom, and leadership, women were the keepers of the human race, from which all life flowed. In Part 2, Starr retells in mesmerizing narrative seven of the greatest goddess myths from ancient cultures around the world: Ancient Egypt, Africa, India, Tibet, Ancient Greece, Lakota, and the Judeo-Christian Bible. Each myth presents a quality that modern women can restore back into their lives: Lilith (Power), Yemaya (Creativity), Tara (Stillness), Rada (Passion), Cassandra (Voice), White Buffalo Calf Woman (Wisdom), and Eve (Awakening). Accompanying each myth are anointing, bathing and lunar rituals, instructions for altars, invocations, meditations, and more to deepen their connection to their own inner goddess-self and inspire living the Goddess Lifestyle. In Part 3, Starr shows women how to integrate the teachings of the Divine Feminine into everyday life, honoring the sacredness of their body and how to be in energetic, feminine balance. You Are Woman, You Are Divine offers fresh, new ways for women to embrace their ancient and sacred traditions. It uplifts the spirit of any woman from young womanhood to her elder, wisdom years. It honors the Feminine spirit that all women can celebrate in themselves to rebalance the world. Readers will live more fulfilled lives and feel more confident, free and feminine becoming the goddesses on earth they were meant to be. Beautifully designed & illustrated; includes a foreword by Raquel Allegra, noted fashion designer."

This spirited, emboldening guidebook includes more than fifty ways to get in touch with your inner divinity. Written to empower and inspire, this positive book teaches you how to connect with your inner Goddess, uncover your true goals, and create a healthy plan for achievement. With fun games and exercises, along with a list of additional resources, The Goddess in Every Girl will start you on a path of self-discovery and expression—physically, emotionally, and spiritually. Be confident. Be creative. Be beautiful. Be the person you want to be! Complete astrological tables let you look up your own personal Goddess ally in the areas of life purpose, emotions, body awareness, love, nature, energy, and passion. With more than fifty activities—such as a guided journey to the Goddess center, directions for keeping a Goddess journal, breathing exercises, meditations, and instructions on creating a sacred ritual space for self-transformation—you will find the answers within yourself. It doesn't matter who you are, where you live, what you look like, how much you weigh, what your parents do, whether you are rich or poor, popular or not—you have the power of the Goddess within you. You only have to set it free!

Isis Magic: Cultivating a Relationship with the Goddess of 10,000 Names enables the many women and men who are today exploring Goddess spirituality to build a relationship with the Divine Feminine by focusing their exploration through the worship of one of the most well-known and well-loved Goddesses of all time: the Egyptian Isis. Today, as in ancient times, Isis, known as the Goddess of Ten Thousand Names, can become for Her devotees the One Goddess Who is All Goddesses. Isis Magic begins with a well-researched and in-depth history of the nature and worship of Isis from Her ancient Egyptian origins to the modern day. In the first part of the book, readers discover the many faces of Isis, from Ancient Bird of Prey Goddess and Lady of Magic to Queen of the Mysteries and Savior. Readers will learn how Isis later became disguised as a Black Madonna, a historical Queen of Egypt, and even as an Alchemical Principle--as well as how Her true identity as a Goddess was retained in the inner teachings of secret societies. Finally, readers follow Isis into the 20th and 21st centuries as Her undisguised worship is revived, first by colorful personalities like Dion Fortune and influential groups such as the

Hermetic Order of the Golden Dawn, and today by worldwide associations like the Fellowship of Isis. The book's second part applies this knowledge to a four-part spiritual journey to the heart of the Goddess. With each step, the reader enters a successively deeper stage of relationship with Isis. By participating in exercises, meditations, and powerful, beautifully written rituals, readers can initiate themselves into the magical religion of Isis and become, if they so desire, a dedicated priestess or priest. Written by M. Isidora Forrest, an ordained Priestess of Isis and Hermetic Adept, Isis Magic brings the worship of Isis to life. It is the perfect resource to aid the individual seeker, to inspire a circle, coven, or Iseum, or to serve as a program of spiritual growth and personal development for those called by Isis to be Her priestesses and priests.

This collection of accessible essays relates the stories of individual goddesses from around the world, exploring their roles in the cultures from which they came, their histories and status today, and the controversies surrounding them. * 63 essays cover more than 100 goddesses and goddess-like figures from world culture, with volumes organized by geographic area * Many original translations of prayers, sagas, and other sources not otherwise readily available in English * 60 illustrations include ethnographic photographs, depictions of ancient artifacts, and original artwork * An extensive list of bibliography of sources about the figure and culture discussed accompanies each essay

In ancient times, the Greeks created the gods and goddesses to represent the various personalities of human nature. In Gods and Goddesses in Love, Agapi Stassinopoulos tells the stories of the

primary goddesses and gods, and how their myths can provide insight into your own romantic relationships. Included are two fun and fascinating quizzes: one for women to determine their own dominant personality type and which goddess she most embodies; and a second that will help every woman understand more about the "god" she is involved with, or searching for. In the book, the seven archetypal goddesses are portrayed in modern terms, highlighting not only each goddess's unique strengths but also the pitfalls or stumbling blocks she is likely to encounter in a relationship with her partner. Also included are interviews with real couples who reveal how they overcame obstacles to find true love. For anyone who desires the self-knowledge and empowerment to find their ideal other, Gods and Goddesses in Love is an uplifting, instructive, and enlightening guide for achieving greater fulfillment in love.

This book is for that woman who desperately wants to achieve financial freedom, i.e., not depending on a husband, family, or anyone other than herself. To be financially independent, she needs to discipline herself and her financial life. The strategies that worked for our previous generations don't work for us anymore, hence, financial literacy is mandatory for every woman of this decade more than a man. this book is from my personal experiences where I went from craving money to creating financial security by turning the stumbling blocks into steppingstones. So, if financial freedom is your goal, then I hope this book is the best solution for you. Cheers to you becoming goddess!

The Goddess Mojo Bootcamp is for women; women who want to attract a man, or two, or three ... Women who want a man for a reason, a season, a lifetime, or one to match each of her handbags ... It has zero moral pontifications. It won't warn you against sleeping with a man on the first date. There are no 90-day rules in this book. It is for women who want authentic relationships, not ones who are interested in learning how to manipulate men."

This book explores the rise of the Great Goddess by focusing on the development of saakti (creative energy), maya

(objective illusion), and prakr(materiality) from Vedic times to the late Puranic period, clarifying how these principles became central to her theology. "I like very much the way in which Pintchman carefully establishes the interrelationships between saakti, maya, and prakrti concepts that might not at first appear to be closely connected. This book nicely reveals their organic integration, an integration that Hindu culture itself recognized and elaborated only gradually over the centuries. She avoids reading later Sakta or Tantric theological ideas back into the earlier literature, yet she convincingly demonstrates how the later ideas are firmly rooted in the ancient traditions. Thus, the book provides the reader with a sense both of the continuities involved in the development of the Great Goddess concept, as well as the major transformations of tradition that such a development entailed." -- C. Mackenzie Brown "There are two complementary, arresting features of this book. One is the broad sweep of the author's inquiry into the history of three concepts that are fundamental to the Great Goddess. She follows a thread of continuity that has never been so crisply delineated. The result is kind of a conceptual "adventure story" told in flashbacks: we know what the mature conception is, as it is now common knowledge. Where it came from makes for very interesting reading. The second striking feature is the provocative, suggestive linking of this history to contemporary issues regarding gender and women." -- Thomas B. Coburn "The author provides a thorough discussion of the main concepts relating to the feminine principle in the intellectual, literary traditions of Hinduism. She shows that goddess worship is not a marginal expression but is central to even the most orthodox elements of Hinduism. She also brings together much far-flung scholarship from India, Europe, and the United States without duplicating any of it." -- Kathleen M. Erndl

Who and what are marriage and sex for? Whose practices and which ways of talking to god can count as religion? Lucinda Ramberg considers these questions based upon two years of ethnographic research on an ongoing South Indian practice of dedication in which girls, and sometimes boys, are married to a goddess. Called devadasis, or jogatis, those dedicated become female and male women who conduct the rites of the goddess outside the walls of her main temple and transact in sex outside the bounds of conjugal matrimony. Marriage to the goddess, as well as the rites that the dedication ceremony authorizes jogatis to perform, have long been seen as illegitimate and criminalized. Kinship with the goddess is productive for the families who dedicate their children, Ramberg argues, and yet it cannot conform to modern conceptions of gender, family, or religion. This nonconformity, she suggests, speaks to the limitations of modern categories, as well as to the possibilities of relations—between and among humans and deities—that exceed such categories.

Sarasvati assumes different roles, a physical river and a river goddess, then as a goddess of speech and finally that of a goddess of learning, knowledge, arts and music. References to Sarasvati in the Vedas and the Brahmanas, the Mahabharata and the Puranas and her marked presence in other religious orders, such as Buddhism, Jainism and the

Japanese religion, form the basis of discussion as regards her various attributes and manifestations. In Jainism, her counter-part is Sutra-devi, in Buddhism it is Manjusri and Prajnaparamita and in the Japanese religion, Benten is the representative goddess. The physical presence of Sarasvati in various iconic forms is seen in Nepal, Tibet and Japan. Tantrism associated with Sarasvati also finds reflection in these religious traditions. Sculptors and art historians take delight in interpreting various symbols her iconic forms represent. The book examines Sarasvati's origin, the course of her flow and the place of her disappearance in a holistic manner. Based on a close analysis of texts from the early Rig-Veda to the Brahmanas and the Puranas, it discusses different view-points in a balanced perspective and attempts to drive the discussions towards the emergence of a consensus view. The author delineates the various phases of Sarasvati's evolution to establish her unique status and emphasise her continued relevance in the Hindu tradition. The book argues that the practice of pilgrimage further evolved after its association with the river Sarasvati who was perceived as divinity personified in Hindu tradition. This, in turn, led to the emergence of numerous pilgrimage sites on or near her banks which attracted a large number of pilgrims. A multifaceted and interdisciplinary analysis of a Hindu goddess, this book will be of interest to academics researching South Asian Religion, Hinduism and Indian Philosophy as also the general readers.

Every woman has the potential inside to shine bright and to achieve greatness. However, sometimes fear, painful pasts, and toxic environments hold her back. There is no magic secret to success, love, and happiness, but there are steps we can all take to help ourselves stay balanced and sane through all of life's ups and downs. What is the answer to keeping it all balanced? It is the bond with the inner self. And to get that, we must all unleash our own Goddess Potential. With a heartfelt foreword from Estelle Swaray, the Goddess Potential uses eight principles with steps that will help you explore and embrace your inner self. Each principle begins with an affirmation read in the mirror. Why mirror affirmations? Because, retraining the brain combined with nurturing the spirit is the key to success. When you affirm the life you want by staring directly into your own eyes, it's almost like pressing the reset button in your brain. Plus, when information enters the brain through vision and hearing at the same time, it has a greater impact on memory and on storing the information. Self-love and self-mastery is a lifelong journey and The Goddess Potential hopes to help you start that journey. Filled with inspirational steps,

personal stories of success and failure, and a unique perspective on basic life principles, it is the perfect guide for women who are truly trying to find themselves. No matter where life has taken you, The Goddess Potential is a reminder that every day is an opportunity for a fresh start. When you unleash your Goddess Potential, you will: -Boost your self-esteem -Worry less about what people think -Have the confidence to reach for your dreams -Have the courage to follow your instincts when it comes to love -Be able to relax even in the presence of uncertainty -Fall in love with your true self -Support and not tear down other women Visit www.thegoddesspotential.com for Empowerment & Sisterhood

Embrace the divine feminine power of the Mother Goddess and learn how to spiritually prepare for pregnancy with this guide to Pagan rituals, meditations, and traditions for every milestone over the next nine months! As you make the transition from maiden to mother, you fully embody the Mother Goddess. Embark on this sacred journey with this complete guide including special meditations, affirmations, and rituals designed to help you attune to the divine energies of childbearing. The Pregnant Goddess teaches you how to: -Prepare spiritually for pregnancy by attuning to your emotional and physical cycle -Conduct rituals to aide in conception, safe pregnancy, and easy delivery -Practice responsible magic during these critical nine months -Deal with unexpected delivery developments The Pregnant Goddess is the perfect companion as you embark on the most magnificent and magical journey of your life!
