# Remember Me 1 Christopher Pike

Two favorite thrillers from #1 New York Times bestselling author Christopher Pike are now available in one bone-chilling collection. When Alison first got the chain letter signed "Your Caretaker," she thought it was a sick joke. But then it became clear that someone, somewhere knows about that awful night when she and six friends committed an unthinkable crime. And now that person is determined to make them pay. One by the one, the chain

letter comes to each of them, demanding dangerous, impossible deeds. No one wants to believe that this nightmare is really happening, but then the accidents start. And the deaths. Finding the truth behind the stalker's identity seems to be the only option, but even that might not be enough. The Caretaker has a prodigy who is even more frightening than the first, and this time he wants more than retribution. He's out for blood.

Philip Marlow and Lew Archer would recognize a kindred spirit in Jimmy Gage, reporter for SLAP magazine, troublemaker by trade and

inclination, and the hero of Robert Ferrigno's sinuous new crime novel. While taking part in a Hollywood scavenger hunt, Jimmy meets Garret Walsh, a bad-boy movie maker in the truest sense: He's just been released from prison after serving seven years for the murder of a teenaged girl. But Walsh claims he was framed and is writing a screenplay to prove it. He wants Jimmy to help him peddle it, sight unseen. The next time Jimmy sees the director, he's floating face-down in a koi pond and "The Most Dangerous Screenplay in Hollywood" has disappeared. Is Walsh a casualty of bad

habits or has somebody crossed him off a list? And is Jimmy next? Combining nerve-shredding suspense and heat-seeking satire, Scavenger Hunt is an addictive read.

Believing that she and her partner, Ray, are the last remaining vampires, five-thousand-year-old Alisa is stunned when she learns about a series of brutal murders in the United States that can only be the work of their own kind. Original.
