An absorbing, minute-by-minute account of the demise of the "unsinkable" Titanic, the massive luxury liner that housed a French "sidewalk cafe" and a grand staircase, among other extravagances, but failed to provide enough lifeboats for the 2,207 passengers on board. **Reissue.**

The long-awaited follow-up to the Pulitzer Prize-winning **The Sympathizer**, which has sold more than one million copies worldwide, **The Committed** follows the man of two minds as he arrives in Paris in the early 1980s with his blood brother Bon. The pair try to overcome their pasts and ensure their futures by engaging in capitalism in one of its purest forms: drug dealing. Traumatized by his reeducation at the hands of his former best friend, Man, and struggling to assimilate into French culture, the **Sympathizer** finds Paris both seductive and disturbing. As he falls in with a group of left-wing intellectuals whom he meets at dinner parties given by his French Vietnamese "aunt," he finds stimulation for his mind but also customers for his narcotic merchandise. But the new life he is making has perils he has not foreseen, whether the self-torture of addiction, the authoritarianism of a state locked in a colonial mindset, or the seeming paradox of how to reunite his two closest friends whose worldviews put them in absolute opposition. **The Sympathizer** will need all his wits, resourcefulness, and moral flexibility if he is to prevail. Both highly suspenseful and existential, **The Committed** is a blistering portrayal of commitment and betrayal that will cement Viet Thanh Nguyen's position in the firmament of American letters.

This is the last book that I will write. It's a story that will complete the Carlo's Revenge story. I would suggest that anyone who wants to read this book, read *Carlo's Revenge* first. This book gives closure to the story. Please remember that at age 83, almost 84, this was a difficult book to write. I hope you like it. Many thanks to all my friends and relatives who encouraged me to do this. God Bless you all!

The #1 New York Times bestselling author returns to the characters in *Firefly Lane* in her next blockbuster novel, *Fly Away*. Once, a long time

ago, I walked down a night-darkened road called Firefly Lane, all alone, on the worst night of my life, and I found a kindred spirit. That was our beginning. More than thirty years ago. Tully and Kate. You and me against the world. Best friends forever. But stories end, don't they? You lose the people you love and you have to find a way to go on. . . . Tully Hart has always been larger than life, a woman fueled by big dreams and driven by memories of a painful past. She thinks she can overcome anything until her best friend, Kate Ryan, dies. Tully tries to fulfill her deathbed promise to Kate---to be there for Kate's children---but Tully knows nothing about family or motherhood or taking care of people. Sixteen-year-old Marah Ryan is devastated by her mother's death. Her father, Johnny, strives to hold the family together, but even with his best efforts, Marah becomes unreachable in her grief. Nothing and no one seems to matter to her . . . until she falls in love with a young man who makes her smile again and leads her into his dangerous, shadowy world. Dorothy Hart---the woman who once called herself Cloud---is at the center of Tully's tragic past. She repeatedly abandoned her daughter, Tully, as a child, but now she comes back, drawn to her daughter's side at a time when Tully is most alone. At long last, Dorothy must face her darkest fear: Only by revealing the ugly secrets of her past can she hope to become the mother her daughter needs. A single, tragic choice and a middle-of-the-night phone call will bring these women together and set them on a poignant, powerful journey of redemption. Each has lost her way, and they will need each one another---and maybe a miracle---to transform their lives. An emotionally complex, heart-wrenching novel about love, motherhood, loss, and new beginnings, *Fly Away* reminds us that where there is life, there is hope, and where there is love, there is forgiveness. Told with her trademark powerful storytelling and illuminating prose, Kristin Hannah reveals why she is one of the most beloved writers of our day.

"I'd spent too long in limbo. It was time to put *The California Plan* back into effect."~Layla Warren I've been in love with Trip Wiley since I was sixteen years old. Yep. That Trip Wiley. Academy award-winning actor, known philanthropist, People's Sexiest Man Alive two years running... Yeah. It's not like I'm some delusional stalker-fan. It just so happens that he was my high school sweetheart back in 1991. In the years since, he's simply been *The One That Got Away*. We just can't seem to get on the same page at the same time. Our timing may have sucked, but the feelings had already been confirmed. Years ago. At least his were. He doesn't know that I had chosen to love him back. I need to fix that. And I need to do it now. *Remember When 3* is the third and final book in the *Remember Trilogy*. It's a story about taking chances and following your heart...and knowing that sometimes, you just have to learn when to let go.
