*The mind-blowing conclusion to the Monster trilogy and the final installment in the Gone series from science fiction and fantasy master Michael Grant is perfect for superhero and Stephen King fans alike. After the fall of Perdido Beach dome, a new set of humans developed mutant powers from the rock infected with alien virus. They are the Rockborn Gang: Dekka, Shade, Cruz, Malik, Armo, and Francis. With their superpowers, they have defended the earth from other rockborn who used their powers for evil, like Dillon Poe. When another rock carrying the virus strikes New York, a new foe, Bob Markovic, rises with a horrifying and nearly unstoppable ability. Markovic's unending ambition and lack of a moral compass made him unbearable before the virus. And that was before he was a swarm of plague-ridden insects, with the power and means to take over the city—and maybe the world. As the Rockborn Gang try to defeat their latest villain, they will find themselves on morally gray grounds and have to make tough decisions if they want to save the world. Foundation still at large, Isabela, Caleb, and Ran have decided to join forces with their former enemies, Einar and Five to hunt them down. But when a new threat is revealed, the group may find itself painfully outmatched. Facing capture or annihilation from all sides, the only hope the Human Guard has for survival is to stand together once and for all to fight back against their true enemies. The final book to Zero is the epic conclusion to the story of the Garde that began with the worldwide phenomenon of Am Number Four.

The 12th explosive novel in the internationally bestselling Skulduggery Pleasant series, *BEDLAM* will blow your mind – and change everything...

It's the final month in the deadly 365-day countdown; Cal has a plan and is desperately counting on it. All the clues to fall into place. Will Cal find out what really happened to his dad? Will he reach Ormond Singularity before the stroke of midnight? Only time will tell... who will survive. Prepare yourself for an explosive end to this riveting series.

From a wide range of historical periods (the 9th century to the present) and countries, this book reveals 33 intrepid women who broke the boundaries of society as well as geography in order to explore places, peoples and customs. Some of them took up personal challenges, like climbing the world's highest mountains or crossing oceans and deserts; others have joined space programs or pursued scientific research. Some were seeking new places to live. All were and are pioneers. Some are world-famous, others deserve to be better-known. Among them are Jeanne Baret (France), first woman to circumnavigate the globe; Amelia Earhart (USA) pioneer pilot; Junko Tabei (Japan), first woman to climb Everest; Aud 'the Deep-Minded' (Scandinavia), leader of settlement in Iceland; Mae Carol Jemison (USA), first black woman in space; Mary Anning (England), fossil discoverer; Sylvia Earle (USA), underwater explorer and ocean conservation campaigner; Arunima Sinha
