Emeralds, sapphires, diamonds? What do precious gems have to do with God? Everything, if you study the high priest breastplate and decode the message. Proverbs 25:2 says, "It is the glory of God to conceal a thing, but the glory of kings is to search a thing out." There is much more buried deep in the scriptures than we know. It is a deep well of treasure waiting to be mined and just as precious as sapphires and diamonds. How does God see these jewels? Does the Hebrew name for ruby,

written three thousand years ago, mean "flaming sword of light," and does it hint at the laser hidden inside its depths? Do these gems represent anything important and of great value? Absolutely! Is there a secret and mysterious meaning imbedded in the fact that God assigned a jewel to each tribe of Israel, accompanied by two very specific blessings and a tribal banner, which surprisingly has an astronomical significance? Jesus said that before He comes back, there will be

signs in the sun, moon, and stars. Do these constellations, depicted in the tribal banners, tell us something of great import for the world? Are there warnings broadcast in the stars that we should be paying attention to them now? Buckle up and begin one of the most fascinating journeys into the mysteries of God.

There is a whole world of Prophecies in each page of the Bible. My purpose is to shed light on these prophecies for all of the world to see. This is the summarization of 50 years of study and research over scriptures. Presented with many questions that neither theologians nor ministers could answer, then becoming frustrated and disgusted over the lack of resolutions to my questions. God told me that if I would continue to pray, read, and research the word

of God that He would reveal to me all of these answers to my questions. The books of this series of prophetic studies are designed to reveal all that God has presented to me over this 50 year period of study. The prophecies of these series of books are designed to give individuals more depth and a broader understanding of the word of God. For a much more expansive view to reveal God's plan for all of man from even before He began all of creation. None of these prophetic insights change in any way the basic and true meaning of the scriptures but only show the broader view of God's plan for a clearer revelation from the beginning to the end.
