Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.

Winner of the 2018 CCCC Technical and Scientific Communication Award in the category of Best Book in Technical or Scientific Communication Responding to the effects of human mobility and crises such as depleting oil supplies, Ehren Helmut Pflugfelder turns

specifically to automobility, a term used to describe the kinds of mobility afforded by autonomous, automobile-based movement technologies and their ramifications. Thus far, few studies in technical communication have explored the development of mobility technologies, the immense power that highly structured, environmentally significant systems have in the world, or the human-machine interactions that take place in such activities. Applying kinaesthetic rhetoric, a rhetoric that is sensitive to and developed from the mobile, material context of these technologies, Pflugfelder looks at transportation projects such as electric taxi cabs from the turn of the century to modern day, open-source vehicle projects,

File Type PDF Rhino 660

and a large case study of an autonomous, electric pod car network that ultimately failed. Kinaesthetic rhetoric illuminates how mobility technologies have always been persuasive wherever and whenever linguistic symbol systems and material interactions enroll us, often unconsciously, into regimes of movement and ways of experiencing the world. As Pflugfelder shows, mobility technologies involve networks of sustained arguments that are as durable as the bonds between the actors in their networks.

Progressive Farmer

1938: The Great Depression lingers. Hitler is threatening Europe, and world-weary Americans long for wonder. They find it in two giraffes who miraculously survive a hurricane while crossing the Atlantic. What follows is a twelve-day road trip in a custom truck to deliver Southern California's first giraffes to the San Diego Zoo. Behind the wheel is the young Dust Bowl rowdy Woodrow Wilson Nickel.

Present day: At 105, Woody feels his life ebbing away. When he learns giraffes are

going extinct, he finds himself recalling an experience he cannot take to his grave. In retelling his story, he explores what it means to be changed by the grace of animals, the kindness of strangers, and the passing of time. -- adapted from jacket

In the 1970s in the backroom of a record store, Harold Bronson and Richard Foos were making history—and Rhino Records was born. Harold Bronson's *The Rhino Records Story* tells the tale of how a little record shop became a multi-million dollar

File Type PDF Rhino 660

corporation. Starting as an expression of Bronson and Foos' passion for rock music, absurdity, and an anti-establishment sensibility, Rhino soon outgrew its beginnings as a reissue label, taking on new artists and new mediums. Their accomplishments grew to encompass several gold record awards, the Best Label of the Year Award, the revival of careers of famous musicians, and the creation of a company to produce feature films including Fear and Loathing in Las Vegas. This behind-the-scenes look at a company

File Type PDF Rhino 660

considered by many to be the industry's best, reveals the secrets to their success. Written from the perspective of cofounder Harold Bronson, The Rhino Records Story divulges a unique business approach which made Rhino what it was at the height of its success. Woven throughout this story of a rising corporation, Bronson guides us through the ascent, fall, and revival of artists Rhino touched such as the Monkees, the Turtles, the Knack, and Frankie Lymon. In a mix of hard work, passion for music, and a flair

File Type PDF Rhino 660

for the unconventional, the story of Rhino Records takes shape. The owners also ran their company humanely, and were awarded the Clinton administration's only Corporate Citizenship Award given to an entertainment company. Rhino Records, as it was envisioned by Bronson and Foos, had higher priorities than the bottom line. Struggling against corporate interests, rock star personalities, and a perpetual underdog reputation, Bronson provides an exclusive insight into how the industry was run and how Rhino excelled. By the

Reports of Cases Decided in the Court of Appeals of the State of Georgia at the
How the 2020 Election Can Lead to a Better Way Forward for America's Conservative Party

GOP 2.0 is both a book and a movement that unites people around a common view of civility and freedom.

GOP 2.0 puts policy over politics. It aspires to make Americans great. It's about Geoff Duncan's "P.E.T. Project," reviving the party with conservative Policies, genuine Empathy, and a respectful Tone. "I'm not the only conservative in America who wakes up wishing the past months were just a bad dream. I'm not the lone Republican who feels in my gut that our party is following the wrong path. And I'm not alone in believing there's a better way forward." As Lt. Governor of the State of Georgia, Geoff Duncan never expected to find himself in the national spotlight – or in the crosshairs of the President of the United States. Then the 2020 Election and its aftermath brought the nation's attention to Georgia. Amidst a hurricane of conspiracy and

misinformation, Duncan spoke up for truth, conservative values, and the Republican Party he knows. Duncan had a front row seat as Georgia endured a long nightmare of fraud allegations, Presidential coercion, a dual runoff that flipped the U.S. Senate, and election reform that sparked national protests. He called for reason and principle even as Donald Trump viciously attacked him. He fought for “the silenced majority,” current or former Republicans who yearn for a party that can reclaim lost ground and leave behind the politics of dishonesty, disorder, and division. GOP 2.0 is Geoff Duncan’s vision, forged by his unexpected struggle for the party’s future. In his words, “GOP 2.0 is not a new party – it’s a better direction for our Republican Party.” In this refreshing and

reinvigorating new book, a leader who has been through the fire lays out a better way forward, one that lifts up reasoned ideas, expands the party, and positions the GOP to win back the White House in 2024.

Some European lands have been progressively alleviated of human pressures, particularly traditional agriculture in remote areas. This book proposes that this land abandonment can be seen as an opportunity to restore natural ecosystems via rewilding. We define rewilding as the passive management of ecological successions having in mind the long-term goal of restoring natural ecosystem processes. The book aims at introducing the concept of rewilding to scientists, students and practitioners. The first part presents the theory of

rewilding in the European context. The second part of the book directly addresses the link between rewilding, biodiversity, and habitats. The third and last part is dedicated to practical aspects of the implementation of rewilding as a land management option. We believe that this book will both set the basis for future research on rewilding and help practitioners think about how rewilding can take place in areas under their management.

Assignment in Utopia

Revenge of the Music Nerds

How Fred Levin Beat Big Tobacco, Avoided Two Murder Prosecutions, Became a Chief of Ghana, Earned Boxing Manager of the Year, and Transformed American Law

Testimony

Popular Mechanics

This is a story of belief, disillusionment and atonement. Long identified with leftist causes, the journalist Eugene Lyons was by background and sentiment predisposed to early support of the Russian Revolution. A "friendly correspondent," he was one of a coterie of foreign journalists permitted into the Soviet Union during the Stalinist era because their desire to serve the revolution was thought to outweigh their desire to serve the truth. Lyons first went to the Soviet Union in 1927, and spent six years there. He was there as Stalin consolidated his power, through collectivization and its consequences, as the cultural and technical intelligentsia succumbed to the secret

File Type PDF Rhino 660

police, and as the mechanisms of terror were honed. As Ellen Frankel Paul notes in her major new introduction to this edition, "It was this murderous reality that Stalin's censors worked so assiduously to camouflage, corralling foreign correspondents as their often willing allies." Lyons was one of those allies. Assignment in "Utopia "describes why he refused to see the obvious, the forces that kept him from writing the truth, and the tortuous path he traveled in liberating himself. His story helps us understand how so many who were in a position to know were so silent for so long. In addition, it is a document, by an on-the-scene journalist, of major events in the critical period of the first Five-Year Plan. As Ellen Frankel Paul notes in her major new introduction to this new edition, Assignment in "Utopia "is

File Type PDF Rhino 660

particularly timely. The system it dissects in such devastating detail is in the process of being rejected throughout Eastern Europe and is under challenge in the Soviet Union itself. The book lends insight into the "political pilgrim" phenomenon described by Paul Hollander, in which visitors celebrate terrorist regimes, seemingly oblivious to their destructive force. The book is valuable for those interested in the Stalinist era in the Soviet Union, those interested in radical regimes and political change, as well as those interested in better understanding current events in Europe. It will also be useful for the tough questions it poses about journalistic ethics.

FIELD & STREAM, America's largest outdoor sports magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations.

New York Times Bestseller • On the 40th anniversary of The Band's legendary The Last Waltz concert, Robbie Robertson

finally tells his own spellbinding story of the band that changed music history, his extraordinary personal journey, and his creative friendships with some of the greatest artists of the last half-century. Robbie Robertson's singular contributions to popular music have made him one of the most beloved songwriters and guitarists of his time. With songs like "The Weight," "The Night They Drove Old Dixie Down," and "Up on Cripple Creek,"

he and his partners in The Band fashioned a music that has endured for decades, influencing countless musicians. In this captivating memoir, written over five years of reflection, Robbie Robertson employs his unique storyteller's voice to weave together the journey that led him to some of the most pivotal events in music history. He recounts the adventures of his half-Jewish, half-Mohawk upbringing on the Six Nations Indian Reserve and on the

gritty streets of Toronto; his odyssey at sixteen to the Mississippi Delta, the fountainhead of American music; the wild early years on the road with rockabilly legend Ronnie Hawkins and The Hawks; his unexpected ties to the Cosa Nostra underworld; the gripping trial-by-fire “going electric” with Bob Dylan on his 1966 world tour, and their ensuing celebrated collaborations; the formation of the Band and the forging of their unique sound, culminating with

history's most famous farewell concert, brought to life for all time in Martin Scorsese's great movie The Last Waltz. This is the story of a time and place--the moment when rock 'n' roll became life, when legends like Buddy Holly and Bo Diddley criss-crossed the circuit of clubs and roadhouses from Texas to Toronto, when The Beatles, Hendrix, The Stones, and Warhol moved through the same streets and hotel rooms. It's the story of exciting

change as the world tumbled through the '60s and early 70's, and a generation came of age, built on music, love and freedom. Above all, it's the moving story of the profound friendship between five young men who together created a new kind of popular music. Testimony is Robbie Robertson's story, lyrical and true, as only he could tell it.

In Integrity Counts, lifelong Republican and Georgia Secretary of State Brad Raffensperger speaks out against the former president's false claims of voter fraud in the 2020 election and hopes to restore confidence and trust in our country's elections. "Brad Raffensperger put public service above party service, and for that he is a true democracy action hero, and h

is also my hero. His book serves as a reminder that American democracy is bigger than any individual candidate or election." —THE HON. ARNOLD SCHWARZENEGGER, former governor of California Integrity stands as the cornerstone of American democracy. Brad Raffensperger, Georgia Secretary of State, defended American democracy by refusing to bend to demands that he change the legitimate results of the 2020 presidential election in his state. Raffensperger's defense of democracy made him a target of President Donald Trump for months following the election, culminating in an hour-long

phone call in which the president told him, "I just want to find 11,780 votes," the exact number he needed to win Georgia's sixteen Electoral College votes. Once again, Raffensperger refused. Georgia voters had spoken. A lifelong conservative Republican who had financially supported President Trump's reelection campaign and voted for Trump, Raffensperger called for a hand recount of every vote to confirm the results and affirm the integrity of Georgia's election. Still President Trump persisted in his personal attacks. One of the most troubling questions in the wake of the 2020 election,

Raffensperger says, is whether America will see every candidate who loses a major election refuse to accept the results and, instead, set out to raise money and build support on unfounded claims of fraud and corruption. To avoid that prospect, Americans must come to terms with the scope of the problem, but doing so won't be comfortable for either party. Either party because the 2020 crisis was not unprecedented in Georgia. By November 2020, Raffensperger had been challenging the claims of a "stolen election" for nearly two years. In the fall of 2018, after Democrat Stacey Abrams lost the race for governor of Georgia, she told

a crowd of supporters, "So, to be clear, this is not a speech of concession. Concession means to acknowledge an action is right, true, or proper. As a woman of conscience and faith, I cannot concede." The similarities don't end there, and when considered with some care, they paint a troubling picture of an all-too-bipartisan willingness to undermine the integrity of our democracy, and the public's confidence in it, for the sake of personal and partisan gain. Integrity Counts tells Raffensperger's inspiring story of commitment to the integrity of American democracy.

Ducks Unlimited Integrity Counts California Farmer

Warning that the Trump presidency presages America ' s decline, the political commentator recounts his extraordinary journey from lifelong Republican to vehement Trump opponent. As nativism, xenophobia, vile racism, and assaults on the rule of law threaten the very fabric of our nation, *The Corrosion of Conservatism* presents an urgent defense of American democracy. Pronouncing Mexican immigrants to be “ rapists, ” Donald Trump announced his 2015 presidential bid, causing Max Boot to think he was watching a dystopian science-fiction movie. The respected conservative historian couldn ' t fathom that the party of Lincoln, Roosevelt, and Reagan could endorse such an

File Type PDF Rhino 660

unqualified reality-TV star. Yet the Twilight Zone episode that Boot believed he was watching created an ideological dislocation so shattering that Boot ' s transformation from Republican foreign policy adviser to celebrated anti-Trump columnist becomes the dramatic story of The Corrosion of Conservatism. No longer a Republican, but also not a Democrat, Boot here records his ideological journey from a “ movement ” conservative to a man without a party, beginning with his political coming-of-age as a young émigré from the Soviet Union, enthralled with the National Review and the conservative intellectual tradition of Russell Kirk and F. A. Hayek. Against this personal odyssey, Boot simultaneously traces the evolution of modern American conservatism, jump-started by Barry Goldwater ' s canonical *The Conscience of a Conservative*, to the rise of Trumpism and its gradual corrosion of what was once the Republican Party.

File Type PDF Rhino 660

While 90 percent of his fellow Republicans became political “ toadies ” in the aftermath of the 2016 election, Boot stood his ground, enduring the vitriol of his erstwhile conservative colleagues, trolled on Twitter by a white supremacist who depicted his “ execution ” in a gas chamber by a smiling, Nazi-clad Trump. And yet, Boot nevertheless remains a villain to some partisan circles for his enduring commitment to conservative fiscal and national security principles. It is from this isolated position, then, that Boot launches this bold declaration of dissent and its urgent plea for true, bipartisan cooperation. With uncompromising insights, *The Corrosion of Conservatism* evokes both a president who has traduced every norm and the rise of a nascent centrist movement to counter Trump ’ s assault on democracy.

The Rhino Records Story

Cycle World Magazine

Amazing Spider-Man Vol. 1

In the early '90s, Big Tobacco was making a killing. There was no entity more powerful, and national tobacco-related deaths numbered in the hundreds of thousands each year. The economic loss from smoking-related illnesses was billions of dollars. And yet, Big Tobacco had never paid a nickel in court. Until one Southern, small-town lawyer figured out how Florida could sue Big Tobacco to reimburse the state for health care costs. The end result? Beyond the \$13 billion settlement, hundreds of thousands of American lives have been, and will continue to be, saved.

Meet Fred Levin. Called by his own son “a philanthropist and a cockroach,” Fred Levin is no ordinary attorney, and his remarkable story is far from squeaky clean. In *And Give Up Showbiz?*, New York Times bestselling author Josh Young works closely with Levin to give readers a glimpse into the extraordinary and entertaining life of the top trial lawyer who was a pioneer in establishing American personal injury law. Seen as an inspiring innovator by some and a flamboyant self-promoter by others, Levin has not only fought against Big Tobacco, he has won victories for women, African Americans, and workers

everywhere. Levin's unprecedented legal career is just one aspect of his roller-coaster life story. From managing one of the world's greatest boxers to avoiding multiple disbarment attempts, and from becoming a chief in the country of Ghana to even being a person of interest in two separate murder investigations, his story reads like a novel suitable for the silver screen. And *Give Up Showbiz?* is both shockingly candid and wildly funny.

The eternal question: Are you a Bert or an Ernie? You'll find out thanks to *The Importance of Being Ernie (and Bert)*. And this book will show you how

to be best friends with those who wear their stripes a little differently. Bert and Ernie have been friends and roommates on Sesame Street for decades, despite very different approaches to life's challenges and joys. One collects jokes, the other collects paperclips. One loves pigeons, the other his Rubber Duckie. One sees the bathtub half-full, the other needs to empty it so he can give it a good scrub. But they both agree that having a best buddy is worth all the daily ups and downs. There are no better experts on living together and learning together. Their guide to friendship will make the perfect gift for any Bert

File Type PDF Rhino 660

or Ernie in your life. An Imprint Book "This might be one of the happiest books you'll ever pick up."
