

Ricochet English Edition

With the Dust Bowl years steeped in recent memory, a blues loving black boy named Garth Washington comes of age in the sharecropper’s community of Ricochet Louisiana with his guitar and harmonica playing best friend Ben Henry Johansson. The year his father dies Garth becomes intimately involved with Olivia Sumner the white daughter of an English bred plantation owner, but over the course of a short autumn season Olivia loses interest in the boy she first seduced on Crocket’s Creek. The following year Garth’s mother sells the family’s small sharecrop-farm and he and Ben Henry move to Baton Rouge where they soon discover it’s no cakewalk jumpstarting a blues career in a town surrounded by the Mississippi River. Or is it? A young woman with the guitar playing fingers of a blues master breathes life back into the boys’ dreams-of getting happy rich singing the blues. In a fateful return trip to Ricochet, Garth finds himself in lover’s arms with the talented girl from Baton Rouge. But the lovers are violently whisked away from each other by a crooked sheriff, hurtful parish judge and Olivia Sumner’s father, three men who create their own wicked style of Ricochet Blues.

When the right dom is all wrong! Even in a BDSM universe, where everyone is bisexual and identifies as dom or sub, finding the right partner isn't always easy. Matt is a big star on the hit TV show, Collar Crime, and he’s looking for a dom who ticks all the right boxes, including being as tidy and organised as himself. That definitely isn't his chaotic co-star, Rick, with his spanking fetish and habit of tying a different sub to his bed every night. When Matt meets the perfect dom he’s swept off his feet, but he soon discovers that being pursued by a handsome, controlling billionaire isn't the erotic fantasy he'd imagined. Maybe the right dom for him is the one he thought was all wrong...

She ’ s addicted to sex. He ’ s addicted to booze...the only way out is rock bottom. No one would suspect shy Lily Calloway ’ s biggest secret. While everyone is dancing at college bars, Lily stays in the bathroom. To get laid. Her compulsion leads her to one-night stands, steamy hookups and events she shamefully regrets. The only person who knows her secret happens to have one of his own. Loren Hale ’ s best friend is his bottle of bourbon. Lily comes at a close second. For three years, they ’ ve pretended to be in a real relationship, hiding their addictions from their families. They ’ ve mastered the art of concealing flasks and random guys that filter in and out of their apartment. But as they sink beneath the weight of their addictions, they cling harder to their destructive relationship and wonder if a life together, for real, is better than a lie. Strangers and family begin to infiltrate their guarded lives, and with new challenges, they realize they may not just be addicted to alcohol and sex. Their real vice may be each other.

"Squire Trelawney, Dr. Livesey, and the rest of these gentlemen having asked me to write down the whole particulars about Treasure Island, from the beginning to the end, keeping nothing back but the bearings of the island, and that only because there is still treasure not yet lifted, I take up my pen in the year of grace 17 and go back to the time when my father kept the Admiral Benbow inn and the brown old seaman with the sabre cut first took up his lodging under our roof. I remember him as if it were yesterday, as he came plodding to the inn door, his sea-chest following behind him in a hand-barrow—a tall, strong, heavy, nut-brown man, his tarry pigtail falling over the shoulder of his soiled blue coat, his hands ragged and scarred, with black, broken nails, and the sabre cut across one cheek, a dirty, livid white. I remember him looking round the cover and whistling to himself as he did so, and then breaking out in that old sea-song that he sang so often afterwards." "Treasure Island" by Robert Louis Stevenson was first published as a book in 1883. The influence of "Treasure Island" on popular perceptions of pirates is enormous. Robert Louis Stevensons novel became one of the most frequently dramatized narrations worldwide.

Richochet River is set in a fictional Oregon town in the late 1960s. This completely revised edition is a coming-of-age story about teenagers preparing to break out of their small-town lives: Wade, the local sports hero; Jesse, his friend - the Indian kid and mythical athlete who applies his own rules to sports and life; and Lorna, Wade's sweetheart, who knows there's no hope in Calamus for a bright, independent girl. The river rushes past the town, linking the three friends with their pasts, their plans, and the world beyond.

As a sex addict, Lily Calloway must do the impossible. Stay celibate for 90 days. Cravings and fantasies become her new routine, but while Loren Hale recovers from his alcohol addiction, Lily wonders if he'll realize what a monster she really is. After all, her sexual compulsions begin to rule her life the longer she stays faithful to him. Progress. That's what Lily's striving for. But by trying to become closer to her family—people who aren't aware of her addiction—she creates larger obstacles. When she spends time with her youngest sister, she learns more about her than she ever imagined and senses an unsettling connection between Daisy and Ryke Meadows. With Lily and Lo's dysfunctional relationship teetering and unbalanced, they will need to find a way to reconnect from miles apart. But the inability to "touch" proves to be one of the hardest tests on their road to recovery. Some love brushes the surface. Some love is deeper than skin. Lily and Lo have three months to discover just how deep their love really goes.

When change happens, one in three people will find inspiration where others find imprisonment. What is their secret? Grounded in the latest social science and enlivened by Nick Tasler's signature blend of wit, wisdom, and storytelling, "Ricochet" takes you on a fast-paced quest to unravel the mystery of highly adaptive people. You'll meet researchers who have spent their lives cracking this case, as well as people--people just like you--who have explored their way through the unexpected changes of life that ultimately reveal what we are capable of as leaders, creators, parents, and friends. Adaptation is a skill that is hard-wired in our DNA. To ignite our resilient superpowers we must learn to use three simple laws of successful adaptation--Find Freedom; Pursue Progress; Make Meaning. When we do that, we don't just survive change. We welcome change. We stop living in fear of the next challenge we have yet to face. Instead, we start savoring the crazy, exciting, messed-up adventure Fans of New Adult romances will love this story of two wealthy college students who are using their own addictions to escape their screwed up worlds, but end up falling in love in the process.

A breathtaking, never-before-seen glimpse into life on tour with David Bowie, by the late singer's official tour photographer In 1983 David Bowie set out on the Serious Moonlight Tour, his biggest ever. On the road with him was his official photographer, Denis O'Regan. Few artists and photographers have had such a close touring relationship. This book is the result: a never-before-seen photographic portrait of a year with Bowie, from the theatre of performance to his most unguarded moments. Introduced by O'Regan and with every single image personally approved by Bowie, this is an intimate view of an icon at the height of his fame.

Ricochet Through Time

"It's been a long time now, nearly two years since we met at that party." "Yeah," Tessie said bitterly, "and nearly five years since I was a clever little girl who thought she'd found a way to make a hundred dollars. There was only going to be one time. I needed the dough. Two months later I didn't have an excuse any more and I was still doing it. Still am." A blindingly blonde woman walks into private detective Mike Garfin’s downtown Montreal office, complaining that she’s being followed by a man. That evening, at a luxurious Lakeshore home, he witnesses another woman being forced into a car. Garfin gives chase, only to find her dead and disfigured beneath the wheels of a large truck on Highway 20. At first he sees no connection between the two - why should he? - but Garfin's pursuit of the truth shows they are inextricably linked by base vice on the highest floors of the swankiest Sherbrooke Street apartments. This Douglas Sanderson thriller follows Hot Freeze as the second Mike Garfin adventure. First published in 1954 under the title **The Darker Traffic, a Dodd, Mead Red Detective Mystery, it was reissued the following year as **Blondes are My Trouble** by Popular Library. A French translation, **Salmigonzeeses** (1956), followed as part of Gallimard’s **Série noir**. This Ricochet Books edition is the first in sixty years.**

For readers of **This Is How It Ends** and **All the Bright Places**, **How We Ricochet** takes an intimate and unflinching look into the devastating consequences of a mass shooting for one girl and her close-knit family, from Faith Gardner, acclaimed author of **Girl on the Line**. It seems sometimes a charade that we continue celebrating in the face of relentless tragedy. How dare we? But then . . . what else is there to do? Betty’s mom needed new pants for her job. That was why Betty was at the mall with her mom and sister when the shooting started. Afterward, nothing is the same. There are no easy answers to be found, and Betty’s search for them leads her to Michael, the brother of the shooter. But this path only shows Betty one thing: that everything she thought she knew—about herself, about the world around her—can change in a heartbeat. A moving, powerful journey of life after tragedy, **How We Ricochet** is a fearless and necessary story for our time that will resonate with readers everywhere.

Alexandra van de Kamp’s **Ricochet Script** examines life as a plot slipping from our hands, veering in unexpected directions as years coalesce behind us. These poems bargain with time as a foreign, surreal, and elusive entity, where whole days can feel as if they were "written/in someone else's script." In vivid, at times playful musings, van de Kamp grapples with midlife, loss, and the strangeness of the body, while never forgetting the unrelenting beauty of being alive. These poems invoke a wide range of storylines, from Hitchcock’s **Lifeboat** and spy thrillers to aging parents, to confront the unpredictable and ricocheting world. Alexandra van de Kamp tells us "I want to make sense of abundance." In her beautifully wrought poems, we experience the sheer delight of all the sights, smells, and sounds of this world. Yet few poets are as deft at simultaneously evoking the precarity and consequent tenderness of existence. Van de Kamp's is a world made magical through art. She is canny, funny, filmic, but she can also stop your heart with the sudden apprehension of how time moves through us, "coaxing us / to bear something so much larger than ourselves." --Sheila Black, co-editor of **Betty** is a Verb, author of **Iron Ardent**

Her husband's pride and joy, Elise Laird is a trophy wife ten years his junior. Rumour has it that she married him for his money. They couldn't be more wrong. When detectives Duncan Hatcher and DeeDee Bowen are summoned to the sumptuous home of Judge Laird in the middle of the night, they know that discretion is key to their investigation - and to keeping their jobs. Elise has shot and killed a burglar in self-defence, but there is something suspicious about the whole affair. Determined to learn the truth, Duncan puts his career - and his integrity - in jeopardy. Then Elise seeks him out and makes an incredible allegation. His first instinct is to dismiss it as the lie of a guilty suspect but then Elise goes missing . . . With non-stop suspense and trademark plot twists, Brown shows her talent for placing her main characters in impossible situations, where one's worst enemy may be one's own conscience . . . and trusting the wrong person could mean the difference between life and death.

TIME WAS RUNNING OUT... Bear Claw Creek's young girls were disappearing and forensics expert Alissa Wyatt was in way over her head. Now her only choice was to partner with Detective Tucker McDermott—the very same man she'd sworn to keep her distance from. But suddenly, the tables turned. Alissa became a madman's next target—and her only hope to stay alive lay within the safety of Tucker's strong arms. As the danger mounted, the killer on her trail was nothing compared to the feelings provoked by reuniting with Tucker...or the consequences she'd face if she walked away once again.

Ride the wave of hope with Ricochet - the only SURFice dogTM in the world who chose her own purpose! She surfs with children with special needs, people with disabilities, wounded warriors, and veterans with PTSD as an assistive aid and intuitive muse, healing hearts and souls on every wave. This tears-to-triumph story takes readers behind the TV and video sensation and shares the true journey that went from promise to disappointment before ultimately finding life's purpose. The gorgeous golden retriever Ricochet seemed destined to be a service dog from the moment she was born. She approached her training with boundless energy and surpassed every other dog in her Puppy Prodiigy training class. Unfortunately, her love for chasing birds could prove dangerous, for those she would assist. Fifteen months into her training, Ricochet was released, leaving a frustrated owner and a dog without a direction. Yet through a twist of fate, Judy realized that flunking out of school wasn't the end of the world—and in fact, could be the beginning of a new one. Once Judy learned to let go and let Ricochet be who she really was, they found her true calling as a SURFice dog. Ricochet's story is one of synchronicity, our interconnectedness, and opening ourselves to life's 'paws'ibilities. Embracing her true calling, Ricochet began to help others, including those with traumatic brain injuries, post-traumatic stress, and physical disabilities, raising hundreds of thousands of dollars for charitable causes and inspiring people to believe in themselves. Ricochet does more than steady the board: she offers hope, comfort, healing, and a reason to keep fighting. What gives this story such extraordinary potential to become a publishing sensation? Ricochet is the only SURFice dog in the world, there is no other story quite like it!

Ricochet is a bilingual collection of word sonnets by one of the chief innovators of the form, Seymour Mayne. It includes three sequences of pithy and evocative poems that encapsulate moments of sharp perception while also drawing attention to instants of humour that suddenly appear in daily life. Concise and visual in effect, word sonnets are fourteen line poems, with one word per line. Frequently allusive and imagistic, they can also be irreverent and playful. While informed by other short poetry forms such as the Haiku, Mayne’s word sonnets are deeply influenced by the Talmudic tradition of maxims, proverbs and images that instruct and inform everyday life. Presented with an excellent translation of the poems into French, Ricochet is a unique volume that showcases this innovative new form. The collection also includes a short preface by the poet and an introductory essay by the translator on the challenges of translating word sonnets.

It was cold; bitterly paralyisingly cold. There was a dampness in the air that bit into the marrow of your bones and stayed there. The red in the thermometer was below zero and still dropping steadily, and the weather forecasts offered no immediate hope of a let up. The city lay rigid under the stiffening blanket of snow. The air as you breathed it felt solid. A raw novel of sex and drugs in the years just before rock 'n' roll, Hot Freeze moves from the highest Westmount mansion to the lowest Montreal gambling joint and nightclubs. Its hero is Mike Garfin, a man who got kicked out of the RCMP for sleeping with the wife of a suspect. Recreating himself as an "inquiry agent", Mike takes on what looks to be an easy job, shadowing a bisexual, teenaged son of privilege who is throwing around more money than his allowance allows. But the boy disappears. Others soon follow, and Garfin's world becomes a lonelier place. First published in February 1954 as a Dodd, Mead Red Detective Mystery title, Hot Freeze enjoyed second and third lives as a Reinhardt hardcover and a Popular Library paperback. In 1955, a French translation, *Mon cadavre au Canada*, became part of Gallimard's *Serie noir*. This Ricochet Books edition is the first in sixty years.

WARNING: **Not recommended for readers under the age of 18 due to graphic violence, sex and strong language. Trigger warning for self harm. The only sure way to destroy a man is to take what he cannot live without. Three years ago, I had everything. A beautiful wife. A son. A reason for living. Until a ruthless task force, assembled under Mayor Michael Culling, with a brutal strategy to make the streets of Detroit 'safe', ripped away everything I loved in a deadly hunt called The Culling. They tried to kill me, too. I wish they had. Now I'm cursed by the memories of that night, and the words I whispered to my dying wife. A promise-to avenge the wrong and set it right. I'm no longer Nick Ryder. I'm a masked vigilante. Faceless. Loveless. Fearless. A man with nothing left to lose-one who's seen the dark and violent truth behind the city's flawless veneer. Michael Culling doesn't know who I am. Or what I want. All he knows is that I've kidnapped his beautiful wife. An eye for an eye-isn't that how the saying goes? And Aubree Culling is the perfect pawn to destroy him. If she doesn't destroy me first.

And yet we played on, because we had hope that we might be the lucky ones." In the early 1900s, teenaged Sunja, the adored daughter of a crippled fisherman, falls for a wealthy stranger at the seashore near her home in Korea. He promises her the world, but when she discovers she is pregnant—and that her lover is married—she refuses to be bought. Instead, she accepts an offer of marriage from a gentle, sickly minister passing through on his way to Japan. But her decision to abandon her home, and to reject her son's powerful father, sets off a dramatic saga that will echo down through the generations. Richly told and profoundly moving, Pachinko is a story of love, sacrifice, ambition, and loyalty. From bustling street markets to the halls of Japan's finest universities to the pachinko parlors of the criminal underworld, Lee's complex and passionate characters--strong, stubborn women, devoted sisters and sons, fathers shaken by moral crisis--survive and thrive against the indifferent arc of history. *Includes reading group guide*

This is the story of British rock group Deep Purple, from 1968 to the present day, concentrating on their breakthrough album 'Deep Purple in Rock' and the years 1969-1970.

In 1966, Réjean Ducharme, then a 24-year-old unknown, published *L'Avalée des avalés*, this debut novel that would go on to serve as a zeitgeist for several generations of French-Canadian readers. Over the last fifty years, it has become a cornerstone for a culture, taught in high schools and universities as the foundation of the modern Québécois literature. Astoundingly, an English-language edition of the book hasn't been in print since 1968, and has never before been available in Canada. At nine years old, Berenice feels trapped by home, family, and dogmas both real and invented. Precocious and over-intelligent, she despises her dysfunctional parents too viciously, loves her brother Christian too passionately, and follows the logical pirouettes of her imagination to conclusions too dangerous. She lives on a secluded island, where she hatches plans to run away with Christian and escape her mother's needy overtures for affection. When on the cusp of puberty Berenice becomes too wild for even her parents to control, she's sent to live in New York with her father's ultra-religious relatives where, pushed to confine her impulses, she instead forces herself forward to new extremes. Gripping and hallucinatory, *Swallowed* is every bit as shocking and relevant today as it was upon first publication in 1966.

In this #1 New York Times bestseller in Sue Grafton's Alphabet series, private investigator Kinsey Millhone has her hands full when a job that should be easy money takes a turn for the worse. Reba Lafferty was a daughter of privilege, the only child of an adoring father. Nord Lafferty was already in his fifties when Reba was born, and he could deny her nothing. Over the years, he quietly settled her many scrapes with the law, but wasn't there for her when she was convicted of embezzlement and sent to the California Institution for Women. Now, at thirty-two, she's about to be paroled, having served twenty-two months of a four-year sentence. Her father wants to be sure Reba stays straight, stays home and away from the drugs, the booze, and the gamblers... It seems a straightforward assignment for Kinsey: babysit Reba until she settles in, make sure she follows all the niceties of her parole. Maybe a week's work. Nothing untoward—the woman seems remorseful and friendly. And the money is good. But life is never that simple, and Reba is out of prison less than twenty-four hours when one of her old crowd comes circling round...
