Online Library Rift Online Guide

closely to the requirements of anyone going on a safari to northern Tanzania, followed by a few days on Zanzibar, it provides far more detailed coverage of the local safari circuit and other main attractions than other guides. As such, it offers complete and detailed lodge

Online Library Rift Online Guide

listings and also goes into greater detail about wildlife and where to see it. It is also the only guide to include detailed information on the many new private concessions that have opened up.

Northern Tanzania is dominated by Africa's finest safari circuit. Centred on

Online Library Rift Online Guide

the legendary Serengeti National Park and its world-famous wildebeest migration, this circuit also incorporates the Ngorongoro Crater and surrounding Ngorongoro Conservation Area, Lake Manyara and Tarangire national parks. Geographically it is one of the most

Online Library Rift Online Guide

varied regions in Africa, with a palm-fringed Indian Ocean coastline complemented by the scenic wonders of the Great Rift Valley, Africa's largest lake, and several impressive volcanically formed mountains, most notably snow-capped Mount Kilimanjaro, the tallest

Online Library Rift Online Guide

peak in Africa and a popular goal for hikers. Lesser-known gems include the prehistoric rock art at Kondoa (a UNESCO World Heritage Site), the forested Arusha National Park and Amani Nature Reserve, and the spectacular Ol Doinyo Lengai - Africa's

Online Library Rift Online Guide

most active volcano. Tanzania is home to more than 100 ethnic groups, from the Arab-influenced Swahili of the coast to the traditionalist Maasai pastoralists and Hadza hunter-gatherers of the Rift Valley, yet it takes pride in a long history of post-independence tolerance, stability

Online Library Rift Online Guide

and safety. Northern Tanzania offers spectacular game-viewing all year round, and supports some of the world's largest surviving populations of lions, elephants, buffalos, leopards, giraffes, zebra, wildebeest and gazelle. Serviced by a well-developed safari industry, the superlative

Online Library Rift Online Guide

reserves of northern Tanzania are complemented by a stopover on the legendary Spice Island of Zanzibar. With its atmospheric old town, idyllic beaches and offshore reefs teeming with marine life, it is every bit as evocative as its name. Bradt's Northern Tanzania is written by

Online Library Rift Online Guide

Philip Briggs, the world's leading writer of guidebooks to Africa, and Chris McIntyre, CEO of specialist Africa tour operator Expert Africa. The guide reflects the growing trend away from large lodges towards small exclusive eco-friendly camps in remote parts of the

Online Library Rift Online Guide

Serengeti and other major reserves and this edition is more critically selective than previous editions, detailing the best on offer in all price brackets. Also new for this edition is a 48-page colour field guide, detailing all species a visitor can expect to find on a safari in the northern

Online Library Rift Online Guide

circuit, making this guide the most authoritative source available. Northern Tanzania is an essential travel companion for both first-time visitors and seasoned safari-goers.

Contemporary Theological
Approaches to Sexuality provides a
much-needed overview of the state

of scholarship on Christian theological reflection on sexuality and sexual theology. Critically, it also intervenes in the cultural debate over sexuality by privileging feminist, queer, and other counter-normative perspectives. Comprising

Online Library Rift Online Guide

twenty-three chapters by a team of international contributors this volume is divided into four parts: • Normativity and transgression • Bodies • Economies and violence • Divinity. Within these sections central issues, debates and problems

are examined, including consideration of the complexities of Christian theology in regard to contemporary sexuality debates. Contemporary Theological Approaches to Sexuality is essential reading for students and researchers

The Rift explores textuality, writing,
solitude, and death in the context of
contemporary African life, and at
the same time examines the
constitution and materiality of

African subjectivity. V. Y. Mudimbe's writing is provocative, demanding, and distinctly modernist. In its compelling exploration of the production of African knowledge within or outside the interstices of imperial space, The

Online Library Rift Online Guide

Rift contributes significantly to contemporary debates about the liminal subject split - to use Homi Bhabha's phrase - "between the here and the there" - and most important, about issues of power and post-colonial epistemology.
