

Rikkitikkitavi

A collection of beloved children's novels that are retold in a simple writing style.

The story follows the experiences of a mongoose named Rikki-Tikki-Tavi after he becomes the pet of an English family residing in India. He becomes friendly with some of the other creatures inhabiting the garden and is warned of the cobras Nag and Nagaina, who are angered by the human family's presence in their territory. Accordingly, Nag enters the house's bathroom before dawn to kill the humans and make Rikki leave, so that their babies will grow up in a safe place. Rikki attacks Nag from behind in the bathroom. The ensuing struggle awakens the family, and the father kills Nag with a shotgun blast while Rikki bites down on the hood of the struggling male cobra. The grieving female snake Nagaina attempts revenge against the humans, cornering them as they have breakfast on a veranda. She is distracted by a female tailor bird, while Rikki destroys the cobra's unhatched brood of eggs, except for one. He carries it to where Nagaina is threatening to bite little Teddy, while his parents watch helplessly. Nagaina recovers her egg but is pursued by Rikki away from the house to the cobra's underground nest, where an unseen final battle takes place. Rikki emerges triumphant from the hole, declaring Nagaina dead. With the immediate threat defeated, Rikki dedicates his life to guarding the garden, resulting in no snake even daring to enter it.

Rikki-Tikki-Tavi is the story of a mongoose whose bravery knows no bounds and the family he is endeared to and looks after with a fiery passion. After a small flood Rikki-Tikki-Tavi finds himself rescued by a family in India and he is curious to discover more about his new surroundings. He finds there is danger lurking in the shadows that threatens his new family. Rikki will stop at nothing to make sure they are safe. Rikki-Tikki-Tavi is a timeless classic from Rudyard Kipling that should be enjoyed by all. - 10 unique color illustrations

The Garden of Rikki Tikki Tavi

He was a mongoose, rather like a little cat in his fur and his tail, but quite like a weasel in his head and his habits. His eyes and the end of his restless nose were pink. He could scratch himself anywhere he pleased with any leg, front or back, that he chose to use. He could fluff up his tail till it looked like a bottle brush, and his war cry as he scuttled through the long grass was: "Rikk-tikk-tikki-tikki-tchk!" One day, a high summer flood washed him out of the burrow where he lived with his father and mother, and carried him, kicking and clucking, down a roadside ditch. He found a little wisp of grass floating there, and clung to it till he lost his senses. When he revived, he was lying in the hot sun on the middle of a garden path, very draggled indeed, and a small boy was saying, "Here's a dead mongoose. Let's have a funeral."

Steam Tactics is a short story by Rudyard Kipling. Joseph Rudyard Kipling (30 December 1865 – 18 January 1936 was an English short-story writer, poet, and novelist. He wrote tales and poems of British soldiers in India and stories for children. He was born in Bombay, in the Bombay Presidency of British India, and was taken by his family to England when he was five years old. Kipling's works of fiction include The Jungle Book (a collection of stories which includes "Rikki-Tikki-Tavi"), the Just So Stories (1902), Kim (1901), and many short stories, including "The Man Who Would Be King" (1888). His poems include "Mandalay" (1890), "Gunga Din" (1890), "The Gods of the Copybook Headings" (1919), "The White Man's Burden" (1899), and "If—" (1910). He is regarded as a major innovator in the art of the short story; his children's books are enduring classics of children's literature; and one critic described his work as exhibiting "a versatile and luminous narrative gift." Kipling was one of the most popular writers in England, in both prose and verse, in the late 19th and early 20th centuries. Henry James said: "Kipling strikes me personally as the most complete man of genius (as distinct from fine intelligence) that I have ever known." In 1907, he was awarded the Nobel Prize in Literature, making him the first English-language writer to receive the prize, and its youngest recipient to date. Among other honours, he was sounded out for the British Poet Laureateship and on several occasions for a knighthood, all of which he declined. Kipling's subsequent reputation has changed according to the political and social climate of the age and the resulting contrasting views about him continued for much of the 20th century. George Orwell called him a "prophet of British imperialism." Literary critic Douglas Kerr wrote: "He [Kipling] is still an author who can inspire passionate disagreement and his place in literary and cultural history is far from settled. But as the age of the European empires recedes, he is recognised as an incomparable, if controversial, interpreter of how empire was experienced. That, and an increasing recognition of his extraordinary narrative gifts, make him a force to be reckoned with.
