#1 New York Times bestselling author Stephen King's beloved novella, Rita Hayworth and Shawshank Redemption—the basis for the Best Picture Academy Award–nominee The Shawshank Redemption—about an unjustly imprisoned convict who seeks a strangely satisfying revenge, is now available for the first time as a standalone book. A mesmerizing tale of unjust imprisonment and offbeat escape, Rita Hayworth and Shawshank Redemption is one of Stephen King's most beloved and iconic stories, and it helped make Castle Rock a place readers would return to over and over again. Suspenseful, mysterious, and heart-wrenching, this iconic King novella, populated by a cast of unforgettable characters, is about a fiercely compelling convict named Andy Dufresne who is seeking his ultimate revenge. Originally published in 1982 in the collection Different Seasons (alongside "The Body," "Art Pupil," and "The Breathing Method"), it was made into the film The Shawshank Redemption in 1994. Starring Morgan Freeman and Tim Robbins, this modern classic was nominated for seven Academy Awards, including Best Picture, and is among the most beloved films of all time. Now in one stunning collection, four of Stephen King's most well-loved horror stories: The Mist, Apt Pupil, The Body, and The Sun Dog. Each standalone story is a riveting master class in short fiction from "the reigning King of American popular literature" (Los Angeles Daily News). In The Mist, terror descends in the wake of a summer storm. David Drayton, his son Billy, and their neighbor Brent Norton join dozens of others and head to the local grocery store to replenish supplies and become trapped by a strange mist that has enveloped the town. As the confinement takes its toll on the group's nerves, staying in the store may prove fatal—so, the Draytons, Brent, and a handful of other survivors attempt their escape. But what's out there may be worse than what they left behind. ? Apt Pupil follows Todd Bowden, a top-performing student and all around "good kid" who learns his teacher, Mr. Dussander, is more than he seems. Turns out, Mr. Dussander is the target of a decades-old manhunt. He's never been caught, and Todd doesn't want to be the one to turn him in. Instead, Todd will face his fears and learn the real meaning of power—and the seductive lure of evil. In The Body, it's 1960 in the fictional town of Castle Rock, Maine, and a boy from a neighboring town has vanished. Twelve-year-old Gordie Lachance and his three friends set out on a quest to find his body along the railroad tracks. During the course of their journey, Gordie, Chris Chambers, Teddy Duchamp, and Vern Tessio come to terms with death and the harsh truths of growing up in this iconic, unforgettable, coming-of-age story that was also adapted in the 1986 film

classic Stand by Me. In The Sun Dog, Kevin Delavan receives the perfect gift for his fifteenth birthday: a Polaroid Sun 660. But no matter where Kevin Delevan aims the camera, it produces a photograph of an enormous, vicious dog. In each successive picture, the menacing creature draws nearer to the flat surface of the Polaroid film. When old Pop Merrill, the town's sharpest trader, gets wind of this phenomenon, he envisions a way to profit from it. But the Sun Dog, a beast that shouldn't exist at all, is a dangerous investment... This beautiful boxed set makes the perfect gift for seasoned King fans and newcomers alike—and features impeccably crafted, page-turning stories you'll return to again and again.

A 25th anniversary history and celebration of The Shawshank Redemption, one of the most cherished American films of the late twentieth century and one of the finest movies made from a Stephen King story. The movie not only boasts a great story, it has a great backstory, starting with the dollar deal that eventually led King and co-stars Tim Robbins and Morgan Freeman to put their trust in a largely untested director making his first feature film. Although the film received mostly positive reviews on its release in September 1994, the box office was disappointing and it failed to win many awards. But as Andy tells Red in the film, "no good thing ever dies." The movie found new life, reaching an ever-growing audience on cable and home video (through word of mouth, it became one of the top-rented movies of 1995). Each year, The Shawshank Redemption rises in polls asking film fans to name their favorite movies. It has become nothing less than this generation's The Grapes of Wrath, an inspiring story about keeping hope alive in bleak times and under the most horrendous conditions.

In addition to exploring the film and novella from which it was adapted, this book also traces the history of the Ohio State Reformatory in Mansfield, Ohio, which served as the film's central location, and its relationship to the movie's fictional Shawshank Prison. The last chapter examines why this film has remained both a popular and critical success,

inspiring diverse fan bases on the Internet and the evolution of the Shawshank Trail, fourteen of the film's actual site locations that have become a major tourist attraction in central Ohio.

A Story from Different Seasons

She was asking for it. She should have known better.

Bekezela (persevere), she was told. It's because I love you, he said. It's not that bad, she told herself. In sharing their experiences from girlhood to the boardroom, from Cape Town's suburbs to the hills of KwaZulu-Natal, women from different walks of life show how chillingly common male violence against women is. Together, their voices form a deafening chorus. Gender-based violence feeds on shame and silence but in this extraordinary collection, brave women

reclaim their power and summon the courage in others to do the same. In speaking out, sharing what was once secret, shame's hold is broken. Heart-rending at times, it is the honesty and courage of the writing that truly inspires. In 1960s America, four young boys go on a journey to search for the body of a boy killed by a train. As they travel, they discover how cruel the world can be, but also how wondrous.

Short Stories by Stephen King

The chilling novella featured in Stephen King's New York Times bestselling collection *Full Dark, No Stars*, 1922 is about a man who succumbs to the violence within—setting in motion a grisly train of murder and madness. Wilfred James owns eighty acres of farmland in Nebraska that have been in his family for generations. His wife, Arlette, owns an adjoining one hundred acres. She wants to sell her land but if she does, Wilfred will be forced to sell as well. James will do anything to hold onto his farm, and he'll get his son to go along. *Betrayal, murder, madness, rats*, 1922 is a breathtaking exploration into the dark side of human nature from the great American storyteller Stephen King.

Annie Laird is Juror 224. A sculptor with a career going nowhere. A single mother struggling to raise a son. A good citizen who has been summoned to what looks like a routine tour of civic duty. But the trial she is called to serve on is no ordinary trial. It is a mob trial, whose outcome has been meticulously orchestrated by a man of insidious power and deadly precision. A man who lives by the teachings of Lao Tsu...whose magnetism is irresistible...whose mind is as brilliant as it is twisted. He is known to some as the Teacher, and he's set his sights on Annie Laird. Pulled into the most chilling depths of the criminal underworld, Annie will be seduced by double-edged promises, stalked by the specter of terror, then, finally, driven to a shocking decision by the most basic motivation a woman can know. *THE JUROR* is a tour de force of crime and obsession, evil and innocence -- a story that taps into fears so primal they linger long after the last page has been read.

Befriended by some of America's most successful and wealthy black men, a talented African-American lawyer working out of a Queens storefront accepts their invitation to a weekend getaway only to learn that they are part of a secret organization that would promote white slavery. A first novel.

How did a low-key prison movie which was considered a box-office flop on its original release become one of the most popular movies of all time? Mark Kermode traces the history of this unexpected audience favourite from the pages of Stephen King's novella 'Rita Hayworth and Shawshank Redemption', through the icy corridors of Ohio's Mansfield Reformatory (whose imposing gothic architecture dominates the film), to the television and video screens on which 'The Shawshank Redemption' became a phenomenon. This study traces the history of 'The Shawshank Redemption' and draws on interviews with writer/director Frank Darabont and leading players Tim Robbins and Morgan Freeman. The book also explores the near-religious fervour that the film inspires

in a huge number of devoted fans.

Four novellas from Stephen King bound together by the changing of seasons, each taking on the theme of a journey with strikingly different tones and characters. This gripping collection begins with "Rita Hayworth and the Shawshank Redemption," in which an unjustly imprisoned convict seeks a strange and startling revenge--the basis for the Best Picture Academy Award-nominee *The Shawshank Redemption*. Next is "Apt Pupil," the inspiration for the film of the same name about top high school student Todd Bowden and his obsession with the dark and deadly past of an older man in town. In "The Body," four rambunctious young boys plunge through the facade of a small town and come face-to-face with life, death, and intimations of their own mortality. This novella became the movie *Stand By Me*. Finally, a disgraced woman is determined to triumph over death in "The Breathing Method."--Provided by publisher.

"The four never-before-published novellas in this collection represent horror master King at his finest, using the weird and uncanny to riff on mortality, the price of creativity, and the unpredictable consequences of material attachments. A teenager discovers that a dead friend's cell phone, which was buried with the body, still communicates from beyond the grave ... A series of apocalyptic incidents [bears] out one character's claim that 'when a man or a woman dies, a whole world falls to ruin.' 'Rat' sees a frustrated writer strike a Faustian bargain to complete his novel, and in the title story, private investigator Holly Gibney ... faces off against a ghoulish television newscaster who vampirically feeds off the anguish he provokes in his audience by covering horrific tragedies"--Publishers Weekly (03/09/2020)
