

## Robin Hood Hacker Collection Kindle Edition Carolyn McCray

*This highly original work considers the rhetoric of political actors and commentators who identify digital media as the means to a new era of politics and democracy. Placing this rhetoric in a historical and intellectual context, it provides a compelling explanation of the reinvention and thematic recurrence of democratic discourse. The author investigates the populist sources of rhetoric used by digital politics enthusiasts as outsiders inaugurating new eras of democracy with digital media, such as Barack Obama and Julian Assange, and explores the generations of rhetorical and political history behind them. The book places their rhetoric in the context of the permanent tensions between insiders and outsiders, between the political class and the populace, which are inherent to representative democracy. Through a theoretical and conceptual research that is historically grounded and comparative, it offers rhetorical analysis of candidates for the 2016 presidential election and discusses digital democracy, particularly discussing their origins in American populism and their influence on other countries through Americanization. Uniquely, it offers a sceptical assessment of epochal claims and a historical-rhetorical account of two of the defining figures of twentieth-century politics to date, and reveals how modern rhetoric is grounded in an older form of anti-politics and mobilises tropes that are as old as representative democracy itself.*

From Carolyn McCray, the #1 Bestselling author in Men's Adventure, Techno-thriller, Action Adventure & War, comes the #1 action packed, Techno-Thriller, Encrypted. Praise for Encrypted... "Encrypted by Carolyn McCray is a fast paced, hair-raising thriller with a cast of fascinating characters. The heroine, Ronnie, has Laura Croft's moves, Sherlock Holmes' intellect and Indiana Jones' charm." "Charlie" "This book, I was in awe. Encrypted is action packed from the first sentence. I couldn't turn the pages fast enough. From hackers, special agents, to the plague, you won't be able to put this one down until the end!" "Book Goddess Book Reviewer Overview: A code written in unbreakable Angelic script. The resurgence of the Black Death. Can an FBI Agent and the Robin Hood Hacker save the world and Carolyn McCray took over. Encrypted is the best thing that I've read in the thriller genre. hands down. It's got history, mysticism, shadowy organizations manipulating world events. Oh, and did I mention the most incredible opposites attract relationship EVER? This novel knocked my socks off." Ben Hopkin Thrillers Rock Twitter, Book Reviewer "Halting the spread of a weaponized redo of the of the Hidden Hand? It's never good when the dead could turn out to be the lucky ones. That's a lot of responsibility resting on the shoulders of a brilliant cyber hacker and a sexy FBI agent. Makes you wonder who's calling the shots? God, the angels or a 13th century cult that would make Lucifer blush." Taylor Lee Author, Big Girls Don't Cry "I found this book to be just as the title said an action of those impossible to put down books. It was well worth the money and based on this book I bought her other book and will be placing the next in her series on my wish list."
