and love of our Blessed Mother. I highly recommend it!" — Larry Richards, The Reason for Our Hope Foundation

The new luminous mysteries of the Rosary, which focus on important events of Jesus' ministry of teaching and healing have as their purpose, writes Pope John Paul II in his Apostolic Letter Rosarium Virginis Mariae, ..".to enkindle renewed interest in the Rosary's place within Christian spirituality as a true doorway to the depths of the Heart of Christ, ocean of joy and of light, of suffering and of glory." Here is collection of scriptural meditations on the Mysteries of Light, actually a form of lectio divina, that is meant to deepen and intensify the experience of praying the Rosary. Enhanced by expressive line art, this little book will be a welcome

Paul II, issued on October 16, 2002, which declared October 2002 to October 2003 the "Year of the Rosary". It was published by Pope John Paul II in 2002 at the beginning of the twenty-fifth year of his pontificate.

In October 2002, Pope John Paul II updated the prayers of the rosary for the first time in five centuries when he issued his Apostolic Letter "Rosarium Virginis Mariae." Bishop Raymond Lahey has written this book in order to help Canadian Catholics - both individuals and groups - to pray the Rosary in the way the Pope has suggested, as a form of "training in holiness."

The Rosary

The Joyful Mysteries of the Rosary

With his apostolic letter Rosarium Virginis Mariae, Pope John Paul II set out to breathe new life into the Rosary, and to open up the treasures of that beloved but neglected devotion to a new generation of Catholics. This book makes practical use of the Holy Father's insights to reveal the Rosary not as a dusty relic of the pre-Vatican II past, but as a dynamic prayer for all the faithful,

***and a powerful method of drawing closer to Jesus and Mary through the power of meditation. This book on rediscovering the Rosary is a powerful little fire, fulfilling a need in the Church, the family, and the world of our time...Treasures are waiting for us as we rediscover the Rosary. This book is timely, simple, encouraging, and necessary for our day. Monsignor John Esseff, Diocese of Scranton
Reading this prayer and study***

companion, as well as the apostolic letter Rosarium Virginis Mariae, will help readers understand the Rosary more deeply, and guide them to live in its spirit.

Since "The Rosary for Episcopalians" was first compiled and printed, the requests for it have been constant. It has filled a need for a form of piety that is alive and well in the Church. It has been many years since the author was asked by the Grace Cathedral Bookstore in San

Francisco to "write something" about the Rosary, as they had -nothing by an Episcopalian on the subject. As a result, this little book came into being. With the Apostolic Letter of Pope John Paul II, Rosarium Virginis Mariae, and the creation of the set of "Mysteries of Light," the need to update this work became obvious. It is hoped the insertion of the Luminous Mysteries has been seamless enough not to be distracting." The change of the title of the work to "The

Rosary for Episcopalians/Anglicans" is owing to the request of many who wrote from outside the United States who are members of the worldwide Anglican Communion. Many Anglicans, they pointed out, don't know what an Episcopalian is, since we in the United States are the only ones using the term, and therefore didn't know that the pamphlet was for them. It is hoped this small volume will be of help to those who read it and that they may take up the

Rosary and use it when they care to, and make it a part of their spiritual life. Our prayer for all of those who read this is that the Rosary, as a form of prayer, may strengthen you, and lead you into the silence of God's Presence, where you may daily increase in his love and in service to others. Christ is Risen! - From the note to the second edition by Brother Tom Schultz, O.H.C.

Meditations on the Mysteries of the
Rosary with John Paul II

On the Most Holy Rosary

Without a doubt, one of the most familiar and beloved prayers within the tradition of the Roman Catholic Church is the Rosary. But do Catholics today have a clear comprehension of the benefits of this centuries-old devotion? Using the eloquent and inspiring writings of holy men and women who share a love of, and commitment to,

the Marian prayer, Editor Gretchen R. Crowe makes a compelling case for why praying the Rosary is more critical in today's 21st-century world than ever before. Why the Rosary, Why Now? is an accessible and inspiring compilation of texts woven together with personal anecdotes that outline eight persuasive reasons why the Rosary should be an essential part of every Catholic's life. We need the Rosary ... to break through the noise... with Cardinal Albino Luciani (Pope John Paul I) for a deeper devotion to the Church... with Venerable Fulton J. Sheen to strengthen families... with Father Patrick Peyton,

the “Rosary priest” for an increase in Christian discipleship... with Pope St. John Paul II for peace in the world... with Father Hubert F. Schiffer, S.J. as a weapon against evil... with Venerable Pope Pius XII to combat secularism... with Pope Leo XIII to become saints... with Pope St. John XXIII, St. Teresa of Calcutta, Blessed John Henry Cardinal Newman, and many more

Why the Rosary, Why Now? is not a typical “how-to book” about the Rosary. This is the “why-to book” that will inspire you to reach for your Rosary more often, and in doing so to receive the gifts it offers to each of us and the world.

Download Free Rosarium Virginis Mariae

In his encyclical letter Rosarium Virginis Mariae, Pope John Paul II reminded the faithful that the Rosary of the Virgin Mary, which gradually took form in the second millennium under the guidance of the Spirit of God, is a prayer loved by countless Saints and encouraged by the Magisterium. The Holy Father teaches us that to meditate upon the Joyful Mysteries of the Rosary is 'to enter into the ultimate causes and the deepest meaning of Christian joy. It is to focus on the realism of the mystery of the Incarnation and on the obscure foreshadowing of the mystery of the saving Passion.' This book of reflections on

each of the Joyful Mysteries is intended for those who pray the rosary but will also be useful for those who do not. Skilfully blending texts from Old and New Testaments, as well as the author's extensive experience of pilgrimage in the Holy Land, the book helps us reflect on the events in the life of Jesus and how those joy-filled mysteries of his life connect with our own. I truly believe that this book will be of great benefit to readers. It will help them to deepen their spiritual lives, by teaching them to follow the example of Our Blessed Mother Mary to love God and to love our neighbour. I therefore
