*In today's fast-changing business environment, those firms that want to remain competitive must also be innovative. Innovation is not simply about developing new technologies into new products or services, but in many cases, finding new models for doing business in the face of change. It often entails changing the rules of the game. Strategic Innovation demonstrates to students how to create and appropriate value using new game strategies to gain competitive advantage. The book begins with a summary of the major strategic frameworks and showing the origins of strategic innovation. Next, Afuah*
