The New York Times said of Ronald H. Spector’s classic account of the American struggle against the Japanese in World War II, “No future book on the Pacific War will be written without paying due tribute to Eagle Against the Sun.” Now Spector has returned with a book that is even more revealing. In the Ruins of Empire chronicles the startling aftermath of this crucial twentieth-century conflict. With access to recently available firsthand accounts by Chinese, Japanese, British, and American witnesses and previously top secret U.S. intelligence records, Spector tells for the first time the fascinating story of the deadly confrontations that broke out—or merely continued—in Asia after peace was proclaimed at the end of World War II. Under occupation by the victorious Allies, this part of the world was plunged into new power struggles or back into old feuds that in some ways were worse than the war itself. In the Ruins of Empire also shows how the U.S. and Soviet governments, as they secretly vied for influence in liberated lands, were soon at odds. At the time of the peace declaration, international suspicions were still strong. Joseph Stalin warned that “crazy cutthroats” might disrupt the surrender ceremony in Tokyo Bay. Die-hard Japanese officers plotted to seize the emperor’s palace to prevent an announcement of surrender, and clandestine relief forces were sent to rescue thousands of Allied POWs to prevent their being massacred. In the Ruins of Empire paints a vivid picture of the postwar intrigues and violence. In Manchuria, Russian “liberators” looted, raped, and killed innocent civilians, and a fratricidal rivalry continued between Chiang Kai-shek’s regime and Mao’s revolutionaries. Communist resistance forces in Malaya settled old scores and terrorized the indigenous population, while mujahideen holy warriors staged reprisals and terror killings against the Chinese—hundreds of innocent civilians were killed on both sides. In Indochina, a nativist political movement rose up to oppose the resumption of French colonial rule; one of the factions that struggled for supremacy was the Communist Viet Minh led by Ho Chi Minh. Korea became a powder keg with the Russians and Americans entangled in its north and south. And in Java, as the Indonesian novelist Idrus wrote, people brutalized by years of Japanese occupation “worshipped a new god in the form of bombs, submachine guns, and mortars.” Through impeccable research and provocative analysis, as well as compelling accounts of American, British, Indian, and Australian soldiers charged with overseeing the surrender and repatriation of millions of Japanese in the heart of dangerous territory, Spector casts new and startling light on this pivotal time—and sets the record straight about this contested and important period in history.

Just as a harmony of the Gospels is useful for tracing the life of our Lord Jesus Christ, this easy-to-use book provides the Bible student with a reference guide to the history of the kings of Judah and Israel as preserved in the books of Samuel, Kings, and Chronicles. Preceding the harmony itself is a complete analytical outline—a concise, sequential table of events that will give the reader a greater understanding and firmer grasp of the history of Judah and Israel. Students of Scripture will find this harmony and its accompanying analytical outlines invaluable in gaining a historical perspective that will make the study of Samuel, Kings and Chronicles profitable and rewarding.

On an August night in San Francisco, a 22-year-old named Teal collapsed from a sudden, unexplainable cardiac arrest. Six days later she died, but not before a spiritual unfolding began that changed the life of her mother forever. These essays - each one a personal touch into the divine - chart her mother's path as she confronts painful events she'd been holding onto, and opens herself up to more joy than she ever thought possible. A truly inspiring book for anyone who is grief-stricken, facing major shifts in life, or simply looking for more peace and happiness.

Scarlett Cristiano is my enemy. He's also the only man with whom I've ever felt safe. Protected. But I have to remember that he married me with one purpose in mind. Revenge. I would be the bridge to his real enemies. I can't let myself forget that he isn't the hero of this story. His hands are covered in blood. I saw that with my own eyes. Cristiano I thought I knew Scarlett's past, but I didn't know anything. I thought I knew the worst of monsters, but I hadn't seen anything yet. Sometimes you have to lie to yourself to survive.

Sometimes it's those closest to you who will bury their knives in your back. Too many times it's the innocents who pay for your mistakes. For your refusal to see. I can't let Scarlett pay for mine. But I may be too late to stop it.

AVAILABLE FOR THE FIRST TIME IN eBook! A man returns to the town where a baffling murder took place 27 years earlier, determined to get to the bottom of the story. Just hours after marrying the beautiful Angela Vicario, everyone agrees, Bayardo San Roman returned his bride in disgrace to her parents. Her distraught family forced her to name her first lover; and her twin brothers announced their intention to murder Santiago Nasar for dishonoring their sister. Yet if everyone knew the murder was going to happen, why did no one intervene to stop it? The more that is learned, the less is understood, and as the story races to its inexplicable conclusion, an entire society—not just a pair of murderers—is put on trial. Gabriel García Márquez was born in Colombia in 1927. He was awarded the Nobel Prize in Literature in 1982. He is the author of many works of fiction and nonfiction, including One Hundred Years of Solitude, Love In The Time Cholera, The Autumn Of The Patriarch, The General In His Labyrinth, and News Of A Kidnapping. He died in 2014.

A historical fantasy set in the backdrop of Nalanda and the end of Gupta Empire depicts the horror of Hun invasion, and power struggle between smaller kingdoms in an alternate universe bounded by magical reality. During the political turmoil, a prince vouchsafed to save Magadha from foreign invasion with the help of Nalanda's intellectual teachers and their secret knowledge of Celestial Weapons. However, palace intrigues compelled him to renounce his claim to the throne and he embraced the life of austerity for a greater cause. Unaware of the baffling power of his enemies, the young prince entrapped in the political rivalry of Chandrakutagarh and found love in an unexpected way. His journey to Nalanda unfolded many secrets of the ancient university that changed his destiny forever. Under the guidance of his mentor, eminent alchemist Budhaditya he overcame all odds and reached his goal; but just before the final battle, he faced the dilemma of choosing duty over love. This is the first part of a Trilogy. This story is purely fictional, based on imagination, not on historical facts and figures. Any similarities of events or characters, in reality, is purely coincidental and not made to insult any individual or group.

Ave Roma Immortalis: Studies from the Chronicles of Rome (Complete)

**Rescued from being a lost book, this history's lost manuscript lay deep within the Vatican Archives, this classic historical text is now, for the first time, being published for the modern reader. Sulpicius Severus is best known for his biography of St. Martin of Tours and his Sacred History (also known as the Chronicle.) Sacred History is a brief history of the world from the beginning to his own time and in the latter portions focuses on the Priscillianist heresy that disordered his home province of Aquitania which is in modern day France, as well as the Arian controversy. Severus prefers a purely historical interpretation of the scriptures in reaction to the gnostic philosophy that entrenched his region that reduced the sacred history to mere allegory. The Sacred History is written in classic style, such as what is found in Tacitus, and is intended to introduce lovers of history to the histories of the Bible.**

**All he wanted was to safeguard his secret. Having spent years living in the shadow of his brother's scandalous reputation, Anthony Dempsey fought hard to regain the credibility of his family name. His unwavering sense of duty is renowned and admired. But then tragedy strikes. Threatened with ruination, he withdraws from society to hide his secret and protect all those close to him. How ironic that he should finally meet a woman who captures more than his interest. Indeed, Sarah Roxbury is a dazzling beauty who ignites the flame of passion in his heart, awakens a craving deep in his core. But how can he think of love? How can he commit to anyone when the truth is sure to bring nothing but devastation and despair? All she wanted was his surrender. Despite much praise for her beauty and alluring countenance, there was only one gentleman who'd captured Sarah Roxbury's heart. But Anthony Dempsey was an enigma. He was charming, intelligent, interested in more than her beguiling smile. Then as quick as the wind could blow out a candle, he appeared cold and indifferent. What was he hiding? Why did he prove to be a constant disappointment? Desperate to uncover the reason behind his mysterious behaviour, Sarah discovers there is more at risk than a broken heart**
**Are you longing for your life to be easier and more fun? Would you like to stop pushing, micromanaging, and forcing things so you can relax? What if you could enjoy what you have instead of always lusting for 'more'? What if you could live in 'the zone', propelled by powerful currents toward the right people and opportunities? What if you could stop worrying about money and live with more emotional ease in the moment? If you answer 'yes' to all these questions and desire lasting positive change, then prepare to experience the ecstasy of surrender. The art of letting go, Dr Judith Orloff explains, is the secret key to manifesting power and success in all areas of life, including work, relationships, sexuality, radiant aging, and health and healing. With her stunning gift for storytelling coupled with her unique, results-oriented approach to physical, emotional and spiritual health - marrying neuroscience, psychiatry, intuitive medicine, energy techniques and more - Judith provides a powerful, practical and accessible map for anyone who is longing to be happier but who feels stuck, burned-out, tense, worried or afraid to let go. In the spring of 1974, Second Lieutenant Hiroo Onoda of the Japanese army made world headlines when he emerged from the Philippine jungle after a thirty-year ordeal. Hunted in turn by American troops, the Philippine police, hostile islanders, and successive Japanese search parties, Onoda had skillfully outmaneuvered all his pursuers, convinced that World War II was still being fought and that one day his fellow soldiers would return victorious. This account of those years is an epic tale of the will to survive that offers a rare glimpse of man's invincible spirit, resourcefulness, and ingenuity. A hero to his people, Onoda wrote down his experiences soon after his return to civilization. This book was translated into English the following year and has enjoyed an approving audience ever since.

[Menage Amour ManLove: Erotic Sci-Fi Alternative Menage A Quatre Romance, M/M/M/M, with Multiple Partners, Public Exhibition, sex toys] Dale despised the Terran military. He was drafted, not a volunteer. He never expected to get captured by the Algonquans and sold as a breeder pet, either. He only prays his new owner is kind and doesn't eat him. Then he meets fellow pet, Mark, who informs him getting captured was the luckiest day of their lives. Mark also hated the military and now spends his days in a life of sexual leisure, enjoying poetry and totally at peace with his fate. Dale settles in and finds not only does he enjoy this life, he loves Mark, too. Despite tragedy striking so close to home in their protest to love their Master's newest pet, Cooper and Nate, when the war ends and the Terran pets are granted their freedom, the men are faced with a choice: return, or stay with the owner they've grown to love? \*\* A Siren Erotic Romance

**A twenty-first-century doctor. A third-century plague. A love out of time. Filled with gripping action and raw emotion, The Carthage Chronicles follows the unexpected adventures of Lisbeth Hastings, a twenty-first-century doctor, as she finds herself dropped into third-century Carthage in the middle of the fledgling early Christian church as they battle Roman persecution and a historic plague. Even as Lisbeth seeks a way back to her time, she finds herself inexplicably drawn to Cyprian Thascius, the charismatic Roman noble trying his best to keep the church together in the midst of impossible obstacles. Can Lisbeth and Cyprian find their way to each other through all that stands between them? Or are the 1800 years that separate them too far of a leap? Follow this incredibly compelling adventure of star-crossed lovers in the electric series The Carthage Chronicles. This ebook boxed set contains the first two novels of The Carthage Chronicles, as well as two e-novellas and a sneak peek at the final novel.**

**“So I just might die a virgin after all. That’s what sucks about the end of the world, you just don’t plan for it and once it’s upon you it’s too late. It’s been a few weeks since I’ve had time to actually write anything down, which sucks because more has happened in my life in the past three weeks than it has in all my seventeen, (soon to be eighteen) years. So I’m going to give you a quick recap, because my diary is totally a living breathing thing and really cares...not. Basically we are on the run from Lorsan, the dark elf king, while also looking for the Book of the Elves, which he stole (but head), while at the same time attempting to shut down the sale of Rapture, a liquid drug the dark elves devised to enslave the human race. If you ask me their goals are a little lofty, but then nobody asked me, and therein lies their problem. But our problems don’t end there. On top of trying to get Rapture out of the human realm and taking out Lorsan, we also have to rescue Cassie’s parents. Apparently there’s a dark elf who is delusional and believes Cassie is his Chosen reincarnated. So naturally he thought kidnapping her parents would win her heart.**

Raton, New Mexico, when those from eastern states, had a wild and wonderful beginning. Here is the complete story, as gleaned from newspaper reports from the late 1900s and pioneer oral histories. Gun fights, lynchings, land wars, construction of the city's opera house and much more about how this rare American community grew. This is true western history at its vibrant best in a re-publication of a unique book printed in 1948.

In Scotland in the spring of 1296, a ragged band of Templars seek refuge for a gravely wounded senechal, a high-ranking Templar officer. As England invades Scotland, the Templars devise a dangerous plan to prevent the destruction of the Häling, a collection of priceless Celtic treasures, manuscripts, and masterpieces. As the mysterious Lord Eagan travels with his companions—and his wyvern, a tiny magical creature—to fetch the Häling, Adam, a thirteen-year-old Templar squire, finds himself in the midst of the intrigue. He is chosen to carry a crucial message to set the plan in motion, and his older sister, Hannah, jumps at the chance to trade her mundane life for a more precarious fate. But only integrity, noble character, and discretion will save the Häling from ruin. In this historical novel, set in thirteenth-century Scotland, a young Templar squire and his sister set out on a quest to protect Celtic knowledge and treasures from dark forces.

An annotated cosmology of Anne Rice's Vampiredom from A(kasha) to Z(enobia)--all fifteen books of the Vampire Chronicles detailed, by a longtime Anne Rice reader and scholar: the who, what, where, why, (and often) how of her beloved characters, mortal and 'im', brought together in a book for the first time. Illustrated by Mark Edward Geyer. An Alphabetary of Anne Rice's Vampire Chronicles gathers together, from all fifteen of the books in the series,

the facts, details, story lines, genealogies of her characters, vampiric subjects, geographical influences, and cultural and individual histories, all of which Rice painstakingly researched and invented during her 40-year career--to date--through which she has enchanted and transported us. Here are concise, detailed biographies of every character, no matter how central or minor to the cosmology. Revealed are the intricacies and interconnectedness of characters and subjects throughout. We see how Akasha (Queen of Egypt and the first vampire) is connected to Mekare (the inheritor of the title of the Queen of the Damned), etc., and how these characters connect back to the darkest rebel outlaw of them all, Lestat de Lioncourt. . . And we see, as well, the ways in which Rice's vampires have evolved from warring civilizations to isolated covens to a unified race of blood drinkers led by their hero-wanderer and sole monarch, Prince Lestat. For devoted and first-time Anne Rice readers alike, An Alphabetary of Anne Rice's Vampire Chronicles will be the holy grail of lore and revelation for those who have been, and continue to be, mesmerized by the worlds within worlds of these beloved tales of the undead.

**An international bestseller and beloved cultural touchstone, Anne Rice's classic novel Interview with the Vampire starts “where Bram Stoker and the Hollywood versions leave off and penetrates directly to the true fascination of the myth” (Chicago Tribune). But that's only the beginning. Over the course of twelve interwoven novels, Rice crafts a richly imagined, magnificently transporting epic around her chilling, charismatic antihero, Lestat. An aristocrat in the heady days of pre-revolutionary France who lives to become a rock star in the demonic, shimmering 1980s, Lestat rushes through the centuries in search of others like him, seeking answers to the mystery of his eternal, terrifying existence. Now, with the publication of the complete series in one convenient eBook bundle, there has never been a better time to devour the entirety of The Vampire Chronicles. Gathered here are the ten books that comprise the original saga: INTERVIEW WITH THE VAMPIRE THE VAMPIRE LESTAT QUEEN OF THE DAMNED THE TALE OF THE BODY THIEF MEMNOCH THE DEVIL THE VAMPIRE ARMAND MERRICK BLOOD AND GOLD BLACKWOOD FARM BLOOD CANTICLE . . . as well as the two books of the New Tales of the Vampires: PANDORA VITTORIO, THE VAMPIRE Praise for the novels of Anne Rice “Brilliant. . . [Rice's] undead characters are utterly alive.”—The New York Times Book Review “If you surrender and go with her . . . you have surrendered to enchantment, as in a voluptuous dream.”—The Boston Globe “Frightening, sensual. . . Anne Rice will live on through the ages of literature. . . To read her is to become giddy as if spinning through the mind of time, to become lightheaded as if our blood is slowly being drained away.”—San Francisco Chronicle “Unrelentingly erotic . . . sometimes beautiful, and always unforgettable.”—The Washington Post “Rice has created universes within universes, traveling back in time as far as ancient, pre-pyramidal Egypt and journeying from the frozen mountain peaks of Nepal to the crowded, sweating streets of southern Florida.”—Los Angeles Times “Fiercely ambitious, nothing less than a complete unnatural history of vampires.”—The Village Voice**

**The reader of this book is hereby warned that this informative book is somewhat a loaded manuscript that reviews religio-spiritual affirmations in an uncompromising manner. It is broad and thus requires open mindedness. The reader is also made aware right here at the outset that this book is not written by puppets of conventional religio - spiritual vanguards. This book is an introduction to rational Comparative Religiology. It informs about the reason why created (expanded into) The Whole All as already mentioned supra. History informs us that the living being (soul) in the human form experienced fulfillment and unfulfillment coexistence in the materio-physical existence of God TUDB under control by Ishvara (the ultimate Divine controller of The Whole All in every respect), and embarked on various endeavours (theistically and atheistically) in pursued to escape from unfulfillment (evilness) – see www.worldreligions.com for such pursuits by theists. Secret Societies (e. g Freemasons, Priory of Sion, Knights Templar, Zionists, Opus Dei, The Pope's Armada, The Illuminati, etc) were not reviewed in this book though these 'secret societies' play their roles in the religio-spirituality of humanity. The reader may visit http://www.thecrowhouse.com and may also search for Conspiracies of Life on YouTube and learn about things that would evoke his or her consciousness about the complex nature of Life. We urged God TUDB in taology to salvage us from those who might be irritated / upset / angered / challenged by the manner in which we rationalized on sacred matters in this book.**

**The story of Rome is the most splendid romance in all history. A few shepherds tend their flocks volcanic hills. Listening by day and night to the awful warnings of the subterranean voice,—born in danger, reared in peril, living their lives under perpetual menace of destruction, from generation to generation. Then, at last, the deep voice swells to thunder, roaring up from the earth's heart, the lightning shoots madly round the mountain top, the ground rocks, and the air is darkened with ashes. The moment has come. One man is a leader, but not all will follow him. He leads his small band swiftly down from the heights, and they drive a flock and a little herd before them, while such man carries his few belongings as best he can, and there are few women in the company. The rest would not be saved, and they perish among their huts before another day is over. Down, always downwards, march the wanderers, rough, rugged, young with the terrible youth of those days, and wise only with the wisdom of nature. Down the steep mountain they go, down over the rich, rolling land, down through the deep forests, unknown of man, down at last to the river, where seven low hills rise out of the wide plain. One of those hills the leader chooses, rounded and grassy; there they encamp, and they dig a trench and build huts. Pales, protectress of flocks, gives her name to the Palatine Hill. Runon, the flowing river, names the village Rome, and Rome names the leader Romulus, the Man of the River, the Man of the Village by the River; and to our own time the twenty-first of April is kept and remembered, and even now honoured, for the very day on which the shepherds began to dig their trench on the Palatine, the date of the Foundation of Rome, from which seven hundred and fifty-four years were reckoned to the birth of Christ. And the shepherds called their leader King, though his kingship was over but few men. Yet they were such men as begin history, and in the scant company there were all the seeds of empire. First the profound faith of natural mankind, unquestioning, immovable, inseparable from every daily thought and action; then fierce strength, and courage, and love of life and of possession; last, obedience to the chosen leader, in clear liberty, when one should fail, to choose another. So the Romans began to win the world, and won it in about six hundred years.**

The Great Procession chronicles a series of encounters with the Holy Spirit that Jacob Reeve experienced over the course of nine months immediately following a 40-day fast. During this time, Jacob was awakened almost every night by the Spirit to receive the next portion of an ongoing parable that picked up where it left off the night before. As the story unfolds, so does the contrast between the divisive religious mindset and the mindset of pure identity in Christ. The Spirit is revealing what it looks like for mankind to venture out from the island of isolation and into the open forests of God's Kingdom; hence the Great Procession. For many, this parable will represent a foundational shift in the way everything is seen. The Incredible insights from the Holy Spirit answer many of those deep-down questions about life, purpose, and faith that many of us have, and will prove to be an indispensable resource for anyone who desires to live in a wholehearted, full embrace with Christ, knowing the King and His Kingdom, and living in the true faith, freedom, and love that the Holy Spirit beckons us into.
