**Workaholic attorney Samantha Sweeting has just done the unthinkable. She's made a mistake so huge, it'll wreck any chance of a partnership. Going into utter meltdown, she walks out of her London office, gets on a train, and ends up in the middle of nowhere. Asking for directions at a big, beautiful house, she's mistaken for an interviewee and finds herself being offered a job as housekeeper. Her employers have no idea they've hired a lawyer—and Samantha has no idea how to work the oven. She can't sew on a button, bake a potato, or get the #@%# ironing board to open. How she takes a deep breath and begins to cope—and finds love—is a story as delicious as the bread she learns to bake. But will her old life ever catch up with her? And if it does...will she want it back?**

**This book is the first dedicated volume of academic analysis on the monumental work of Elena Ferrante, Italy's most well-known contemporary writer. The Works of Elena Ferrante: Reconfiguring the Margins brings together the most exciting and innovative research on Ferrante's treatment of the intricacies of women's lives, relationships, struggles, and dilemmas to explore feminist theory in literature; questions of gender in twentieth-century Italy; and the psychological and material elements of marriage, motherhood, and divorce. Including an interview from Ann Goldstein, this volume goes beyond "Ferrante fever" to reveal the complexity and richness of a remarkable oeuvre.**

**"An irresistible story of love and empowerment about a young woman with a complicated family, a handsome man who might be "the one," and an IOU that changes everything. Fixie Farr has always lived by her father's motto: "Family first." But ever since her dad passed away, leaving his charming kitchen supply store in the hands of his children, Fixie spends all her time picking up the slack from her siblings instead of striking out on her own. The way Fixie sees it, if she doesn't take care of her father's legacy, who will?"**

**TRECENTOTRENTATRE frasi, citazioni, proverbi ed aforismi sulla donna di centosessantasette personaggi e CINQUANTA dipinti sono pronti a migliorare ogni singola giornata. FEMMINA nella nostra concezione è il simbolo di una donna che mostra pienamente la sua pura femminilità al mondo, che include non solo bellezza fisica, sensualità e forza vitale, ma anche bellezza psicologica con tutti i suoi aspetti che la rendono attraente, magnetica e desiderabile per l'uomo e per il mondo intero.**

**Il suicidio del commissario Maurizio De Santis, avvenuto quarant'anni prima,**

nasconde qualcosa di sospetto, una verità scomoda che conosce solo la scrittrice Sofie Floren e che ha custodito gelosamente, fra le pagine del suo thriller, in rispetto di quell'amicizia. Quando una donna viene trovata senza vita nell'ossario dei frati cappuccini nella chiesa di Santa Maria della Concezione a Roma, a pochi giorni dall'inizio del giubileo, Sofie Floren è costretta a rintracciare l'ispettore Oscar De Santis, il figlio del vecchio commissario, e a svelargli il mistero che si cela dietro il killer dell'Eden e al suo disegno diabolico. Tre vittime sono morte in nome della religione e, dopo l'ultimo delitto, è scomparso nel nulla facendo perdere le sue tracce. Il suo ritorno mette in pericolo i segreti nascosti dentro le mura del Vaticano che, se rivelati, potrebbero scatenare una guerra santa e costringere la Chiesa a riscrivere la storia del cristianesimo. Oscar De Santis, impegnato a salvare la sua relazione con la giornalista Patrizia Rocchi, non crede alle parole della scrittrice, fino a quando un secondo omicidio non viene scoperto nella chiesa di San Carlo alle Quattro Fontane, e porta la firma dello stesso assassino che suo padre ha cercato di fermare. Con l'aiuto dell'amica d'infanzia e patologa Penelope D'Alessio, si mette a dunque all'inseguimento del killer, scoprendo che ha commesso gli stessi omicidi che la scrittrice ha descritto nel suo libro e che lo sta rileggendo al contrario, riuscendo così a restare sempre un passo avanti alle indagini. Quel messaggio in latino trovato nella bocca delle vittime lo porterà a incontrare nuovamente Sofie e a farsi raccontare ciò che lei conosce, i segreti che il padre ha cercato di celare con la sua morte. Turbato da questi dubbi, Oscar decide di scavare nella vita passata del genitore affidandosi agli indizi lasciati dall'assassino che è alla ricerca di altre vittime, di cui quella che non è riuscito a uccidere quarant'anni prima, una donna che porta in grembo il figlio nato dal peccato originale.

#1 New York Times bestselling author Sophie Kinsella returns with a festive new Shopaholic adventure filled with holiday cheer and unexpected gifts. “Funny, charming, and the perfect read to get into the holiday spirit.”—PopSugar ‘Tis the season for change and Becky Brandon (née Bloomwood) is embracing it, returning from the States to live in the charming village of Letherby and working with her best friend, Suze, in the gift shop of Suze’s stately home. Life is good, especially now that Becky takes time every day for mindfulness—even if that only means listening to a meditation tape while hunting down online bargains. But Becky still adores the traditions of Christmas: Her parents hosting, carols playing on repeat, her mother pretending she made the Christmas pudding, and the neighbors coming ‘round for sherry in their terrible holiday sweaters. Things are looking cheerier than ever, until Becky’s parents announce they’re moving to

ultra-trendy Shoreditch—unable to resist the draw of craft beer and smashed avocados—and ask Becky if she'll host this year. What could possibly go wrong? Becky's sister demands a vegan turkey, her husband insists that he just wants aftershave (again), and little Minnie needs a very specific picnic hamper: Surely Becky can manage all this, as well as the surprise appearance of an old boyfriend—turned—rock star and his pushy new girlfriend, whose motives are far from clear. But as the countdown to Christmas begins and her bighearted plans take an unexpected turn toward disaster, Becky wonders if chaos will ensue, or if she'll manage to bring comfort and joy to Christmas after all. Praise for Christmas Shopaholic "Kinsella's popular heroine, Becky Bloomwood Brandon, is back for a delightful ode to shopping, in the engaging eighth Shopaholic novel, this time with a Christmas theme. . . . Becky is as whimsical and wonderful as ever. . . . Kinsella delivers a solid and laugh-out-loud funny installment that longtime readers and new fans alike will gleefully devour."—Publishers Weekly

NEW YORK TIMES BESTSELLER • Part love story, part workplace drama, this sharply observed novel is a witty critique of the false judgments we make in a social-media-obsessed world. "Sophie Kinsella keeps her finger on the cultural pulse, while leaving me giddy with laughter. I loved it."—Jojo Moyes Everywhere Katie Brenner looks, someone else is living the life she longs for, particularly her boss, Demeter Farlowe. Demeter is brilliant and creative, lives with her perfect family in a posh townhouse, and wears the coolest clothes. Katie's life, meanwhile, is a daily struggle—from her dismal rental to her oddball flatmates to the tense office politics she's trying to negotiate. No wonder Katie takes refuge in not-quite-true Instagram posts, especially as she's desperate to make her dad proud. Then, just as she's finding her feet—not to mention a possible new romance—the worst happens. Demeter fires Katie. Shattered but determined to stay positive, Katie retreats to her family's farm in Somerset to help them set up a vacation business. London has never seemed so far away—until Demeter unexpectedly turns up as a guest. Secrets are spilled and relationships rejiggered, and as the stakes for Katie's future get higher, she must question her own assumptions about what makes for a truly meaningful life. Sophie Kinsella is celebrated for her vibrant, relatable characters and her great storytelling gifts. Now she returns with all of the wit, warmth, and wisdom that are the hallmarks of her bestsellers to spin this fresh, modern story about presenting the perfect life when the reality is far from the truth.

Vincenzo Malinconico is a wildly unsuccessful lawyer who spends most of his time at the office trying to look busy. His wife has left him. His teenage children worry him to death. And he suffers from a chronic inability to control his sentence structure. When he is asked to fill in as the public defender for alleged Mafioso Mimmo lo Burzone, Malinconico seizes the opportunity to turn his life around. Without dwelling too long on what it might mean to be employed by the mob, he rushes to re-learn the Italian criminal code, all the while attempting to resist any further advances from his employers.

Malinconico's life becomes a comical battle to finish what he has started without falling further into the clutches of the mafia. *I Hadn't Understood* is one of the subtlest and most cunning accounts of the mafia's influence on everyday life in recent decades. And it is certainly the most entertaining. Written with a neurotic's love of detail and wry humor, *I Hadn't Understood* is

an engaging story of family, fatherhood, and the perils of navigating the Italian legal system.
