USA TODAY, PUBLISHERS WEEKLY, AND ECPA BESTSELLER • The author of Radical takes readers on a soul-searching journey through impoverished villages in the Himalayan mountains, daring them to make a difference in a world of urgent need, starting right where they live. “Grippingly vulnerable and unforgettable. I could not put this book down.”—Ann Voskamp, author of One Thousand Gifts While leading a team on a week-long trek of the Himalayas, bestselling author and pastor David Platt was stunned by the human needs he encountered, an experience so dramatic that it “changed the trajectory of my life.” Meeting a man who’d lost his eye from a simple infection and seeing the faces of girls stolen from their families and trafficked in the cities, along with other unforgettable encounters, opened his eyes to the people behind the statistics and compelled him to wrestle with his assumptions about faith. In Something Needs to Change, Platt invites readers to come along on both the adventure of the trek, as well as the adventure of seeking answers to tough questions like, “Where is God in the middle of suffering?” “What makes my religion any better than someone else’s religion?” and “What do I believe about eternal suffering?” Platt has crafted an irresistible message about what it means to give your life for the gospel—to finally stop talking about faith and truly start living it. Praise for Something Needs to Change “Rugged. Authentic. Gritty. Real. Worshipful. There are no other books like this one. I always pick up David’s books with a sense of excitement and, quite honestly, apprehension—because I know that areas of compromise and complacency in my life are going to be exposed. But this book exceeded even my high expectations, for which I am grateful. And so will you be. As David writes, it’s time to run, not walk. Let’s go.”—J. D. Greear, president of the Southern Baptist Convention “Extraordinary and challenging. I’ve just never read a book like this before. I am so moved. Bring your full heart to this story and watch how God opens your eyes, changes your mind, and broadens the dreams you have for your life.”—Annie F. Downs, best-selling author of 100 Days to Brave and Remember God “If you dare to read this book, you might just have an unexpected encounter with Jesus that leaves you weeping on the floor, as David’s experience did. Something changes within us when the seemingly overwhelming needs of the world present themselves simply in the life of a single person. Ultimately, I pray your compassion will be transformed to action.”—Santiago “Jimmy” Mellado, president and CEO of Compassion International

The prophet Brigham Young taught the restored gospel of Jesus Christ in a basic, practical way that gave inspiration and hope to the Saints struggling to build a home in the wilderness. Though more than a century has

now passed, his words are still fresh and appropriate for us today as we continue the work of building the kingdom of God. President Young declared that as members of The Church of Jesus Christ of Latter-day Saints we possess the “doctrine of life and salvation for all the honest-in-heart” (DBY, 7). He promised that those who receive the gospel in their hearts will have awakened “within them a desire to know and understand the things of God more than they ever did before in their lives” and will begin to “inquire, read and search and when they go to their Father in the name of Jesus he will not leave them without a witness” (DBY, 450). This book reflects the desire of the First Presidency and the Quorum of the Twelve Apostles to deepen the doctrinal understanding of Church members and to awaken within them a greater desire to know the things of God. It will inspire and motivate individuals, priesthood quorums, and Relief Society classes to inquire, read, search, and then go to their Father in Heaven for a witness of the truth of these teachings. Each chapter contains two sections—“Teachings of Brigham Young” and “Suggestions for Study.” The first section consists of extracts from Brigham Young’s sermons to the early Saints. Each statement has been referenced, and the original spelling and punctuation have been preserved; however, the sources cited will not be readily available to most members. These original sources are not necessary to have in order to effectively study or teach from this book. Members need not purchase additional references and commentaries to study or teach these chapters. The text provided in this book, accompanied by the scriptures, is sufficient for instruction. Members should prayerfully read and study President Young’s teachings in order to gain new insights into gospel principles and discover how those principles apply to their everyday lives. By faithfully and prayerfully studying these selections, Latter-day Saints will have a greater understanding of gospel principles and will more fully appreciate the profound and inspired teachings of this great prophet. The second section of each chapter offers a series of questions that will encourage thoughtful contemplation, personal application, and discussion of President Young’s teachings. Members should refer to and carefully reread his words on the principle being discussed. Deep and prayerful study of these teachings will inspire members to greater personal commitment and will help them resolve to follow the teachings of the Savior, Jesus Christ. If individuals and families prayerfully follow the principles in this book, they will be blessed and inspired to greater dedication and spirituality, as were the early Saints who heard these words directly from the lips of the “Lion of the Lord” (HC, 7:434)—the prophet, seer, and revelator, President Brigham Young.

Salvation is more than simply praying, "I'm sorry" and then expecting to enter heaven when you die. It's a journey with distinct moments in time that define who we are and to whom we belong. This journey brings us

into a love relationship with the Lord God Almighty through faith in Jesus. It gives us our purpose in life and enables us to become the people God created us to be. Come, join me on this journey. The path will not always be easy: It involves sacrifice and self-denial. Choosing to follow the course chartered by God will, however, be the best and most rewarding decision you ever make.

A is for Adam is a multi-purpose family book designed to teach young learners Biblical truths. This resource can be a fun and educational way to help your children learn the timeline of history, beginning with Creation and ending with the new Heavens and new Earth. Children will love the bright illustrations and rhymes. Parents and educators will find short discussion points, memorization aids for core truths, and a “More Answers” section. Each sequence of verses teaches the Gospel message to children, answering such questions as: How can we know we didn’t evolve from monkeys? What did sin do to the world? Why are there different languages? Why did Jesus have to die?

Something in us is waiting—for what, we don’t know. Something different? Something better? For Christians, perhaps the deepest expression of what we’re waiting for is found in the phrase “eternal life.” But what is eternal life? Why do we want it? And how do we know if we have it? In Eternity Is Now

in Session, bestselling author John Ortberg dispels the myth that eternal life is something way out in outer space that we can only hope to experience after we die—and that being saved is merely about meeting the minimal entrance requirements for getting into heaven. Instead, John unpacks the reality that the moment we trust Christ, we are initiated into “eternal living” with God as a here and now reality, one that will continue beyond our life on this earth. Jesus defined eternal life just once, in John 17:3: “. . . that they may know you, the only true God, and Jesus Christ whom you have sent.” The kind of “knowing God” that is eternal life is an interactive relationship, not just an affirmation of certain facts about God. Once we begin the transformative journey of truly knowing God, we can start to experience His presence, favor, and resurrection power right here on this earth—in the details, tasks, and challenges of daily, ordinary life. And as we begin to know God this way, we’ll realize each moment of our lives is a vehicle to the eternity we’ve been longing for all along.

Christianity For Dummies John Wiley & Sons

What does “Christ died for us” mean? Why does the Bible say that we were reconciled to God through the death of Jesus and that we shall be saved by his life? What is the meaning of God's incarnation in the first place? Why “God with us”? In this book we will try to answer these and other questions about salvation, first by reconstructing the origin of the various theories that have been proposed throughout history. We will discover that, to this day, there is no agreement among theologians on many fundamental points of the doctrine of redemption, and we will come up with our own hypothesis, which is exhaustive and does justice to God's mercy. To do so, we will rediscover some lost biblical concepts that will help us to recover the original idea of salvation. We will show that it is intrinsically linked to the nature of God, which was fully manifested in the faithfulness of Jesus Christ and the gift of his life. We will also understand why we are called to identify ourselves in him and in his love, since it is the source, foundation, and ultimate goal of salvation.

Over 3 million copies sold! Essential reading for Catholics of all walks of life. Here it is - the first new Catechism of the Catholic Church in more than 400 years, a complete summary of what Catholics around the world commonly believe. The Catechism draws on the Bible, the Mass, the Sacraments, Church tradition and teaching, and the lives of saints. It comes with a complete index, footnotes and cross-references for a fuller understanding of every subject. The word catechism means "instruction" - this book will serve as the standard for all future catechisms. Using the tradition of explaining what the Church believes (the Creed), what she celebrates (the Sacraments), what she lives (the Commandments), and what she prays (the Lord's Prayer), the Catechism of the Catholic Church offers challenges for believers and answers for all those interested in learning about the mystery of the Catholic faith. The Catechism of the Catholic Church is a positive, coherent and contemporary map for our spiritual journey toward transformation.

God, who said, "Let light shine out of darkness," has shone in our hearts to give the light of the knowledge of the glory of God in the face of Jesus Christ. 2 Corinthians 4:6 This book is a cry from the heart of John Piper. He is pleading that God himself, as revealed in Christ's death and resurrection, is the ultimate and greatest gift of the gospel. None of Christ's gospel deeds and none of our gospel blessings are good news except as means of seeing and savoring the glory of Christ. Forgiveness is good news because it opens the way to the enjoyment of God himself. Justification is good news because it wins access to the presence and pleasures of God himself. Eternal life is good news because it becomes the everlasting enjoyment of Christ. All God's gifts are loving only to the degree that they lead us to God himself. That is what God's love is: his commitment to do everything necessary (most painfully the death of his only Son) to enthrall us with what is most deeply and durably satisfying-namely, himself. Saturated with Scripture, centered on the cross, and seriously joyful, this book leads us to satisfaction for the deep hungers of the soul. It touches us at the root of life where practical transformation gets its daily power. It awakens our longing for Christ and opens our eyes to his beauty. Piper writes for the soul-thirsty who have turned away empty and in desperation from the mirage of methodology. He invites us to slow down and drink from a deeper spring. "This is eternal life," Jesus said, "that they know you the only true God, and Jesus Christ whom you have sent." This is what makes the gospel-and this book-good news.

Paul was the most influential figure in the early Christian church. In this epistle, written to the founders of the church in Rome, he sets out some of his ideas on the importance of faith in overcoming mankind's innate sinfulness and in obtaining redemption. With an introduction by Ruth Rendell

1. Faith, 2. Repentance, 3. Water Baptism, 4. Spirit Infilling, 5. Continuance. Contrary to the tradition and "gutted" gospel of Christio-religious easy-believers, the doctrine of salvation introduced with the birth of the church in Jerusalem, Israel in the year 33 AD has never changed. The Bible's book of Acts records the early history of God's one and only church

whose doctrines and teaching remain the basis for New Testament salvation as we "... are built upon the foundation of the apostles and prophets, Jesus Christ himself being the chief corner stone;" Eph. 2:20. Though the world and human society seem to be ever awash in a turbulent sea of change and upheaval, God's word has not, does not, and will not change. This fact, providing an anchor of comfort and stability to many, also provides a very inconvenient obstacle to others who, as we have been forewarned, would attempt to "pervert the gospel of Christ." Gal 1:7. In "5 Steps to Salvation" analysis is applied to the teachings of Jesus and his apostles, specifically with regard to the New Testament doctrine of salvation. Whether this book serves simply as a refresher course for the reader, or introduces new biblical perspectives, may the truth of God's word be a lamp unto your feet and a light unto your path.

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

What is the Gospel? Confusion about the Gospel is a serious problem of tremendous magnitude. It's not just semantics. It's the eternal difference between heaven and hell. But there is Good News. Follow along in this scholarly yet readable work as Dr. Ryrie carefully explains what the Bible has to say about salvation, discussing man's hopeless state before meeting Jesus, God's grace in saving us, and our call to obedience as we walk with Him. In *So Great Salvation*, Dr. Ryrie also addresses many questions raised by those who hold to the lordship salvation position. Does Jesus have to be the Lord of every area of our lives before we are saved? What about

backslidden Christians? What is 'easy-believeism?' Join Dr. Ryrie as he studies the important topic of salvation. Discover how God's grace is all we need to enter the kingdom of heaven.

There aren't many serious works of systematic theology which engage with Breaking Bad, The Big Bang Theory, Crazy Heart, theories of capital and positive psychology, as well as the Isenheim Altarpiece and Handel's Messiah. This lively, contemporary study of salvation does precisely that. Christian doctrine cannot simply repeat what has gone before, even as it recognises the value and richness of the traditions Christianity carries with it. Clive Marsh acknowledges this in exploring how doctrine interweaves with life experience and cultural consumption. A Cultural Theology of Salvation considers how salvation is to be understood and articulated now, when the theme of 'redemption' appears outside of Christianity in the arts and popular culture. Marsh also assesses whether contemporary interest in 'happiness' has anything to do with salvation. The first part of the book sets the enquiry in the context of how theology operates as a discipline, and the cultural climate in which theology has to be done. The second part offers a number of case-studies (in art, music, TV, film, positive psychology, and economic life) exploring how the concerns of a doctrine of salvation are addressed directly and indirectly in Western culture. The third part distils the results of the case-studies in formulating a contemporary exposition of salvation, and concludes by showing what this means in practice.

A powerfully biblical and thorough answer to the Lordship Salvation controversy. There is no more important issue than how to become a Christian. Lordship Salvation is a view that has confused many people about the nature of the gospel itself. Based on a Ph.D. dissertation, this is an academic and biblical response to the Lordship view. - The crucial issues of faith, repentance, lordship, and discipleship - Over 65 important passages explained - A helpful Scripture index - Can be used as a

textbook - Retains its original academic form and content You will find out how Lordship Salvation undermines the assurance of Christians as you gain a new confidence in the gospel of God's sure salvation. Read it, use it as a Bible study reference, or teach from it; it is a valuable resource in a critical and controversial issue. Charles C. Bing obtained his Ph.D. from Dallas Theological Seminary. As founder and president of GraceLife Ministries he is active as an author, conference speaker, and adjunct professor.

Some questions have been at the heart of an unfinished debate among the Evangelicals. Can the salvation be solely obtained by grace without the deed of man? Once saved, can we lose our salvation? The answers to those questions should be the object of the curiosity of all Christians, for the doctrine of salvation of man is the second most important teaching in the Bible after the death and resurrection of Jesus Christ our Savior. Salvation is the cornerstone of Christianity, the foundation of our hope, and the reason of the coming and the death of Jesus Christ. Such an important teaching should be crystal clear for all. The debate is still going on, however I believe the answers to these questions are nowhere but in the Holy Scripture. The motivation for me to write this book was to dig in the Holy Scripture and bring the answer from what the Bible says about this debate while keeping the Bible a coherent book. In this book, we analyze this subject in three aspects: first, how God conducted his salvation plan after the fall of man; second how the plan of salvation has been accomplished in Jesus; and third, what will happen in the future to the church. This book will not only equip you with knowledge on salvation, but give you an overview and understanding on the entire Bible. May God bless your reading!

Historians and theologians have long recognized that at the heart of the sixteenth-century Protestant Reformation were five declarations, often referred to as the 'solas': sola scriptura, solus Christus, sola gratia, sola fide, and soli Deo gloria. These five statements summarize much of what the Reformation was about, and they distinguish Protestantism from other expressions of the Christian faith. Protestants place ultimate and final authority in the Scriptures, acknowledge the work of Christ alone as sufficient for redemption, recognize that salvation is by grace alone through faith alone, and seek to do all things for God's glory. In Faith Alone - The Doctrine of Justification renowned biblical scholar Thomas Schreiner looks at the historical and biblical roots of the doctrine of justification. He summarizes the history of the doctrine, looking at the early church and the writings of several of the Reformers. Then, he turns his attention to the Scriptures and walks readers through an examination of the key texts in the

Old and New Testament. He discusses whether justification is transformative or forensic and introduces readers to some of the contemporary challenges to the Reformation teaching of sola fide, with particular attention to the new perspective on Paul. Five hundred years after the Reformation, the doctrine of justification by faith alone still needs to be understood and proclaimed. In Faith Alone you will learn how the rallying cry of "sola fide" is rooted in the Scriptures and how to apply this sola in a fresh way in light of many contemporary challenges.

The author studies what Jesus believed about the inspiration and inerrancy of the Old Testament Scriptures and how that belief should affect our view of biblical authority. "This book crystallizes in clear, concise, and correct terms the essentials of the doctrine of sin and salvation better than any other." - Norman L. Geisler

All people have sinned and broken God's law. None of us are good (Rom. 3:10). And as a result of our sin, God commands us to repent. But what does repentance look like? In this booklet, Dr. R.C. Sproul looks at several people in the Bible and how they give us a model of repentance. Dr. Sproul explains

that true repentance is not simply a religious ritual or the resolve to do better next time. Rather, it's a spiritual conversion in which we turn from our sin and to God in faith. The Crucial Questions booklet series by Dr. R.C. Sproul offers succinct answers to important questions often asked by Christians and thoughtful inquirers.

The Reformation: A Very Short Introduction

OUR DEAR YOUNG MEN AND YOUNG WOMEN, we have great confidence in you. You are beloved sons and daughters of God and He is mindful of you. You have come to earth at a time of great opportunities and also of great challenges. The standards in this booklet will help you with the important choices you are making now and will yet make in the future. We promise that as you keep the covenants you have made and these standards, you will be blessed with the companionship of the Holy Ghost, your faith and testimony will grow stronger, and you will enjoy increasing happiness.

The Bible promises the renewal of all creation--a new heaven and earth--based on the incarnation, life, death, and resurrection of Jesus Christ. For centuries this promise has been sidelined or misunderstood because of the church's failure to grasp the full meaning of biblical teachings on creation and new creation. The Bible tells the story of the broken and restored relationship between God, people, and land, not just God and people. This is the full gospel, and it has the power to heal the church's long theological divorce between earth and heaven. Jesus' resurrection in the power of the Holy Spirit is the key, and the church as Christ's body is the primary means by which God is reconciling all things through Jesus Christ. Jesus' ultimate healing of all creation is the great hope and promise of the gospel, and he calls the church to be his healing community now through evangelism, discipleship, and prophetic mission.

God's Word Leads Us to God's Heart Hebrew Word Study: Revealing the Heart of God is a devotional book unlike any you've ever read. Most Hebrew word study books read like a dictionary, not really explaining the Hebrew words in light of specific Bible passages. Hebrew Word Study by Chaim Bentorah combines an in-depth look at the meanings of a variety of scriptural words and phrases in the original Hebrew with a down-to-earth application for our daily Christian experience. Guided by Chaim's expertise in biblical languages, you will examine not just word definitions, but also the origins of words, their place in the culture and idioms of the day, and even their emotional context. With the author's anecdotes and stories from the Bible and ancient Jewish literature, the meanings of these words and passages become even more vivid. Each of the ninety word studies in this book will encourage and strengthen you in your relationship with God. As you search the depths of God's Word, you will see just how beautiful the Scriptures are, and most of all, you will see the beauty of God Himself and come to love Him all the more.

With America's confidence in the Bible at an all-time low and the strength of her spiritual convictions waning, it is essential for

Christians—especially Christian leaders—to be well-grounded in biblical theology. To have a clear and comprehensive understanding of the key doctrines of evangelicalism. In response, professor and award-winning author Bruce Demarest has made plain God's glorious plan of salvation, his provision for the human dilemma through Christ's work on the cross, and the application of saving grace to unbelievers. Demarest's unique approach defines each topic, identifies its most pressing issues, examines the ways in which the doctrine has been understood historically, and interprets the Bible's revelation. The result is a clear and carefully constructed doctrinal statement that you can defend, live out, and communicate to others. This singular, comprehensive treatment of one of Christianity's essential doctrines gives definitive, Bible-based answers about salvation and the cross—and about related theological issues such as grace and regeneration. It's perfect for clarifying your theology and gaining deep understanding of this foundational theme. Part of the Foundations of Evangelical Theology series.

This fourth edition of the international bestseller is the ideal introduction for those who are new to Christian theology. In this revised and expanded edition, the author introduces readers to the central ideas and beliefs, the key debates and the leading thinkers of Christianity. Throughout, the aim is to bring clarity and brevity to the central ideas of theology, both traditional and contemporary. The text comprehensively covers the individual doctrines that form the Christian belief system, weaving together these doctrines, their history, and the intellectual nuance behind them into an inter-connected web. All major Christian denominations are explored, as are their differences and shared customs and beliefs. This rich tapestry results in a clear view of Christianity, providing a coherent vision of the religion in its main forms.

Do you know what the Bible means by the terms "saved" and "salvation"? Have you been saved in the past from sin's penalty? Are you being saved in the present from sin's power? And do you know with certainty that you will be saved in the future from sin's very presence? SALVATION IN THREE TIME ZONES explains why God's free gift of salvation is one of the most wonderful and vital subjects in the entire Bible and why distinguishing between the three tenses of salvation is essential for every believer's personal assurance, spiritual growth, and correct and consistent interpretation of God's Word. This practical study shows from the Bible that God's grace guarantees the believer in Christ a past and future salvation, while also providing all that is necessary for salvation in the present. Many difficult passages dealing with salvation are

explained and clarified. Three chapters at the end of the book cover "test passages" to determine which type and tense of salvation is being referred to (Matthew 24:13; 1 Corinthians 3:15; and James 2:14-26).

Salvation in the New Testament offers an analysis of the soteriological perspectives and language of the different books of the New Testament. Special attention is given to the exciting world of language and imagery used in expressing soteriological ideas.

We are saved by faith when we trust that Jesus died for our sins. This is the gospel, or so we are taught. But what is faith? And does this accurately summarize the gospel? Because faith is frequently misunderstood and the climax of the gospel misidentified, the gospel's full power remains untapped. While offering a fresh proposal for what faith means within a biblical theology of salvation, Matthew Bates presses the church toward a new precision: we are saved solely by allegiance to Jesus the king. Instead of faith alone, Christians must speak about salvation by allegiance alone. The book includes discussion questions for students, pastors, and church groups and a foreword by Scot McKnight.

This 7 chapter book explains basic topics such as belief in God; the history and writing of the Bible; the person of Jesus; the nature of salvation and more. All presented in an easy to understand approach suitable for those less familiar with the Bible or the Christian religion. #1 Belief in God - This first chapter in the series reviews the reasons why Christians believe in a Supreme Being. This idea is looked at from both a philosophical and theological perspective. #2 The Christian Religion - In this lesson we will examine the Christian religion and see how it compares to the other major religions in the world. #3 The Bible - This lesson examines the history of Bible authorship, how the Bible was organized into its present form, and some key reasons why Christians believe that it is inspired by God. #4 Jesus Christ - The Christian faith is based on the person of Jesus Christ. In this lesson we will look closely at this person in order to more clearly define His true nature and character. #5 Salvation - This lesson lays out the simple yet powerful plan that God has initiated to save mankind from eternal condemnation due to personal sin and how Jesus Christ fits in to this plan of salvation. #6 The Church - The church is the physical presence of Jesus Christ in the world today. In this lesson we will examine the New Testament in order to determine what the inspired text says the church should be like and how it should function. #7 The Christian Lifestyle - A final lesson describing the new motivation and lifestyle that God has designed for those who are followers of Jesus Christ. ----- BibleTalk.tv -----

The Reformation transformed Europe, and left an indelible mark on the modern world. It began as an argument about what

Christians needed to do to be saved, but rapidly engulfed society in a series of fundamental changes. This Very Short Introduction provides a lively and up-to-date guide to the process. It explains doctrinal debates in a clear and non-technical way, but is equally concerned to demonstrate the effects the Reformation had on politics, society, art, and minorities. Peter Marshall argues that the Reformation was not a solely European phenomenon, but that varieties of faith exported from Europe transformed Christianity into a truly world religion. The complex legacy of the Reformation is also assessed; its religious fervour produced remarkable stories of sanctity and heroism, and some extraordinary artistic achievements, but violence, holy war, and martyrdom were equally its products. A paradox of the Reformation - that it intensified intolerance while establishing pluralism - is one we still wrestle with today. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area.
