The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

250 leading cases of the High Courts of England and the European Court of Justice. This book contains summaries of 250 cases related to international trade and carriage of goods by sea. Each case is presented with an abstract of the factual background and the key findings of the court. All the cases relate to disputes decided by the High Courts of England or by the European Court of Justice, the knowledge of which is a must for any practitioner in this area. The issues referred to in the cases relate to contracts of carriage on bills of lading, waybills and charterparties, as well as to international trade instruments like sale contracts, letters of credit, performance bonds, indemnities and agency. There is also wide reference to ship arrests, limitation of liability, injunctions, choice of law, arbitration and jurisdiction. Full consideration is given to the Hague-Visby Rules, the Carriage of Goods by Sea Act, the Sale of Goods Act, Incoterms and UCP for Documentary Credits. Albert Badia is a practicing solicitor in England and Wales. He has acted as Counsel in many disputes and has been appointed as arbitrator in commercial matters.

This book provides detailed guides, procedures and specific 'TIPS' for Foreigner's "Dreaming of " or desiring to invest or conduct business in America. What makes this book unique is the fact that it is written from both a Foreigner's and US Citizens prospective. During their years of experience, the Authors have consulted with many Investors, Foreigners, or Foreign Businesses starting new international businesses, investing, structuring, or doing business in America. Reading this book will provide Foreigners with a systematic guide to making or obtaining the proper investment or business US Visa. In addition, Foreigners will identify US Investment and Business factors that are vastly different, from most other countries. Specific procedures are provided in this book to enable the Foreigner to conduct evaluations, decide on structures and perform the necessary due diligence required to minimize the risks of investing or doing business in the US.

An extensive case compilation of the principal ITA enforcement/collection provisions as before the latest provision renumbering after 2016. Quotes cases that are of historic significance or are merely illustrative. ...sorry folks, don't have the time to bring this up to date. Recommend starting at the Supreme Ct for juris. and meander down to lower cts.

In the thirteenth century the French kings won ascendancy over France, while France achieved political and cultural supremacy over western Europe. Based on French sources, this meticulously documented study provides an account of how Philip Augustus (1179-1223) brought about this transformation of royal power.

Considers S. 1552 and companion H.R. 6245, the Drug Industry Antitrust Act, to amend the Federal Food, Drug, and Cosmetic Act and Sherman Antitrust Act to establish drug company licensing procedures, to require FDA to certify the effectiveness of all new drugs, to require advertisements sent to physicians to contain FDA warnings on the drug, and to limit drug company rights to exclusive production of patented drugs.
