Through intimate lectures, Saint Germain, Sananda (Christ), Mother Mary, and Kuan Yin delineate not only the steps to "transfiguration" (when we transform ourselves into beings who function from a place of enlightenment), but they lay out the consequences to Earth and our sensitive environments if we do nothing.

Return of the Serpents of Wisdom and Conversations With the Goddess author Pinkham tells us the Truth Behind the Christ Myth and presents radically new information regarding Jesus Christ and his ancient legend, includes: The legend of Jesus Christ is based on a much earlier Son of God myth from India, the legend of Murrugan, the Peacock Angel; The symbol of the Catholic Church is Murrugan's symbol, the peacock, a bird native to south-east Asia; Murrugan evolved into the Persian Mithras, and Mithras evolved into Jesus Christ Saint Paul came from Tarsus, the centre of Mithras worship in Asia Minor. He amalgamated the legend of the Persian Son of God onto Jesus' life story; The Three Wise Men were Magi priests from Persia who believed that Jesus was an incarnation of Mithras; While in India, Saint Thomas became a peacock before he died and merged with Murrugan, the Peacock Angel; The Emperor Constantine, the first 'Christian' Emperor of the Roman Empire, was a lifelong devotee of Mithras. He was baptised Christian on his deathbed; The myth of the One and Only Son of God originated with Murrugan and Mithras.

The Truth Behind the Christ Myth

Jesus Christ (Sananda) spoke to the world through Sister Thedra. These are verbatim transcripts of His words: "It is clearly written, there shall be one come to deliver thee out of bondage...remember? Was it not so written in thine 'holy book': "as with a cloud"? Let it be as within a cloud, for it shall be as such. Soft...noiseless...floating majestically...beautiful to behold. Be ye blessed this day is come, when man shall see him face to face. So be it, it is so recorded that ye be prepared to receive Him."These volumes, for seekers after knowledge, take you on a journey into Truth and are a very important piece of the puzzle we call "LIFE"

Is Earth 's crisis part of a cosmic drama? The Arcturians address this question and provide a new galactic perspective. Other planets they have visited have also gone through the type of crisis we are now experiencing. Further, the same kinds of polarizations and conflicts have occurred in the developmental cycles of other planets throughout the galaxy. Human evolutionary change includes understanding that we are biomagnetic beings of light who possess subtle energetic bodies that interact with galactic forces. Along with other tools found in this fifth volume, the Arcturians offer a subtle-body exercise called shimmering that helps us raise our spiritual vibration. It can even be used to protect us and our auras from the coronavirus. The evolutionary changes necessary for solving this crisis must be addressed both personally and planetarily. This book offers a wide range of techniques, interventions, and explanations to help make sense of the current planetary crisis. It addresses the issue of how the reader, as a starseed, can contribute to solving planetary imbalance.

Channelled Teachings from Master Jesus (Sananda) and Master R (St Germain) These teachings began in 1986 and spanned a duration of 12 years, and accompanied the family's spiritual unfoldment, and were exciting, reassuring and informative, when little information was available to us. They are a real tool or foundation for those people who are looking for a basis to start out on their own spiritual path and need information that speaks clearly and very simply, which is useful when a huge array of information is presently available, and what to choose can cause confusion. The teachings comprise topics like meditation, enlightenment, spirituality, karma, reincarnation, unconditional love, raising consciousness, the environment, and sending of light to places on the planet where there's conflict.

What has long remained ignored and ostracized is now available by this freshly designed and made-up book: This Phoenix-Journal #2 contains the unfiltered and uncensored testimonies on dramatic occurrences in a land we know as Israel and a time of 2000 years in the past. It ' s a lecture which is staggering and touching at the same time - and may be regarded as absolutely controversial to clerical doctrine. It was under utmost difficult circumstances that this script has successfully made it into the public. Jesus Jmmanuel recited from the introduction: "The document to follow is translated from scrolls which were brought forth in thy year 1963 by a Catholic priest of Greek heritage. The writings were recorded, mostly at my side. The scrolls were preserved as well as were possible at that time and hidden beneath flat stones within the tomb in which I was placed. ... This translation proves without any doubt that the false teachings of the doctrine cult religions are completely without truth and that they are the irresponsible machinations of creatures without scruples who were partially hired by the 'Holy Chair' ". Merely through this statement Jesus Sananda already demonstrates that he has nothing in common with the distorted images of a "milk-sop-softie " presented to us so often by the church. As the book reveals He did not come forth "to bring peace, but rather to bring the sword of truth and knowledge of the power of the spirit which dwells within man ". The content of this book offers clarity on what he has taught and exemplified through his own life, why his name was changed into "Jesus ", who were his teachers and why he took upon himself the path of crucifixion - who truly were the traitors - and many prophetic details in regard of his promise to return to us again. All is offered through words of great power and wisdom. Readers who are ready to wholeheartedly dive into the spiritual deepness of these writings will be gifted by the intense experience of insight.

I am Sananda

The knowledge and technology to proceed with holographic healing is hereby granted to each of you who reads these words. It is not necessary to travel to distant places. With the holographic technology and skills you have been taught, you will be able to project your energies in the most direct and transformative way throughout the Earth. I ask each of you to take that part of the Earth you are familiar with and know. When you interact with that part, you can affect the whole Earth. Whatever part of that whole that is distorted can be transformed into a fifth-dimensional holographic energy. --The Arcturians

Three forces must come together for a planetary healing to occur ... The concept of the Sacred Triangle was introduced in David Miller's first book, *Connecting with the Arcturians*, which explored the fifth dimension and our relationship to higher Extraterrestrial groups. This new book explains how the Arcturian energy melds with that of the White Brother/Sisterhood and the Ascended Native American Masters to bring about planetary healing. David offers the reader an understanding of the soul, the nature of soul evolution, and how the human species is advancing towards the next evolutionary step. "There will be many of you in this time who will be able to complete fantastic tasks. If I would declare to you what I see, you would be astonished that you could possibly carry out such tasks. You must think that you have the ability to do this. You have the personal power. I ask you to look at the Sacred Triangle and see what role you can play in this. Others will be very interested when you explain this mission. I guarantee you there will be a very strong contingent that will ascend together as we are invited to join you in the Crystal Temple. We are very eager to meet you there as well. This is Chief White Eagle."

This book is for those people that are looking for a better explanation about why the world is going through such dramatic changes. It, also, offers those that are seeking a better way to live their life. It is my wish to share my experiences and visions of the future in a hope that it will trigger others to awaken to a fuller and more enlightened state. Love and happiness should be the goal of every individual on this planet. These truths show us that we no longer need to allow those few individuals with extreme greed to dominate our empowerment toward the future. In this time, the possibilities are there for all of us to create new realities based on respect and understanding. What are these new realities, and how are these concepts of creating new ways of being? We are no longer divided by race or religion; of course, only time will tell as we change. This book is designed to awaken, prepare, and help you to begin the process. For those who are here to be of service, time is no longer a luxury. We must all awaken to our individual dharma and do what we are here to do. As the world changes, are we going to change with it, or are we going to wallow in the fear that nothing will ever change? The choice is yours! Follow Heavenly Lessons in your spiritual life to continue on the path. Be blessed! Be loved! Be happy!

Creation, the Sacred Universe

This book traces the author's journey of ascension through the seven levels of initiation, through the process of anchoring and activating his fifty chakras, expanding to a 99-percent light quotient, then on to anchoring and fully activating all twelve bodies, which include the five higher bodies. Exactly how this is done is shared, and in-depth information is given on the workings of the inner-plane ashram under the guidance of Djwhal Khul, Lord Maitreya and Lord Melchizedek. You are invited to journey with him as he

unfolds the process of his initiations, beginning at the sixth, moving through the equivalent of the tenth initiation and into the beginning of the eleventh. Written as a personal log, this book shares, in an open and candid manner, dreams, meditations, conversations with the masters, spiritual background, thoughts and reflections and actual ascension experiences.

These books contain a series of scripts recorded by Sister Thedra under the direct guidance of the Masters Sananda (Jesus) and Sanat Kumara for those seeking greater spiritual understanding.
