If nobody's playing by the rules, play dirty in this explosive New York Timesbestseller by Sandra Brown, author of Smoke Screen.

Megan, young widow and workaholic at a television station, desperately tries to avoid her late husband's former boss - with whom she once shared a kiss - but Josh wants her again and will stop at nothing to have her.

Damn her. His body was still on fire. Damn her, why had she responded that way? So honestly. With no coyness. No affectation. Her mouth had been so receptive. Her kisses so generous. Her breasts so soft... Only two survive the small plane crash in the Canadian wilderness miles from civilization: Rusty Carlson, a real estate agent from Beverly Hills, who has never faced anything more perilous than L.A.'s rush hour traffic; and Cooper Landry, an embittered Vietnam veteran, who has endured the horrors of warfare and a POW camp. Rusty wouldn't have believed herself capable of dragging her unconscious fellow passenger from the wreckage, but that was only the first challenge confronting her. The man himself is as hostile and unforgiving as the mountainous terrain in which they're stranded. If they had a choice, they would go their separate ways. But they don't. If they want to live, they must stay together. Teamed against the harsh elements, injury, and a pair of conniving cutthroats, Rusty and Cooper must rely on each other in order to survive. In a one room cabin they find shelter. . .but, as winter closes in, they have no protection against the sexual attraction that becomes the real test of their fortitude. Within those four rough walls, Rusty discovers that Cooper's brusqueness arises from immeasurable heartache, and, to Cooper's dismay, his credo of No romance, no love, no thanks becomes his desperate chant to ward against Rusty's allure.

Bestselling author Sandra Brown weaves a tale of murder, passion, and intrigue in the pristine corridors of the White House. Barrie Travis is not famous: she's just a damn good reporter stuck at a low-budget television station. Then, her old friend and now First Lady calls her to investigate the supposed SIDS death of her baby. Stunned by grief after the loss of her infant son, the President's wife hints that her child may have murdered. Blind to everything but finding the truth, Barrie delves into the private lives of the president and his wife and uncovers dark and terrible secrets that will test her ethics, her patriotism, and her courage. With the help of Gray Bondurant, a mysterious former presidential aide, this story could topple the presidency and change the course of history. In this fast-moving political thriller, Barrie must fight powerful forces that want nothing more than to see the scandalous past-and a certain young reporter-dead and buried.

This is Drex's one chance to outfox his cunning nemesis before he murders again and eludes justice forever. It’s been thirty years since Dodge last saw Caroline, but she remains the one woman—among many—that he can’t forget. He has a whole bagful of grudging excuses for ignoring Caroline’s call—and one compelling reason to drop everything and fly down to Texas to protect the daughter he’s never met: guilt. As always, Dodge’s perseverance knows no bounds as he teams with a small-town sheriff, but the alarming situation worsens when the stalker claims other victims, leaving a trail of clues lethally pointing toward Berry. Once he was sober, he would no doubt be easy to buy. “Sister” Kerry Bishop got more than she bargained for when she entered the seedy bar seeking the services of a man, more particularly a mercenary. Linc O’Neal wasn’t the soldier of fortune Kerry mistook him for...but he proved to be just as dangerous and twice as unscrupulous. Linc agrees to help Kerry rescue a group of children from a ruthless dictator, but his motivation is far from noble. If they survive what appears to be a suicide mission, he plans to take Kerry’s promised fifty thousand dollars—in addition to her body—which she provocatively advertised in order to trick him, then withheld. With innocent lives at stake, malevolence and distrust all around, and forbidden desire simmering between them, the steamy atmosphere surrounding Kerry and Linc has little to do with the jungle they must penetrate. Struggling against all odds to stay alive, they discover that their real challenge is to fight the devil within.
