Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

This second book of Christmas stories by Glenn W. Martin is not intended to be a sequel to his first book, "Christmas Stories My Grandpa Wrote For Me," which was written for children, and had religious themes. This book shows another side of the Christmas holiday, as seen through the eyes of characters like Santa and the elves at the North Pole, of children who love the excitement that Christmas brings, and of animals and others who watch humans celebrate, and want to celebrate, too. You will see what happens when Santa decides to wear a green suit, when Mrs. Claus delivers the presents one Christmas Eve, and when the elves decide to throw Santa a big party. You will find out if Peter Pine Tree gets his Christmas wish, see what happens when the animals in the forest decide to go caroling, and hear how the squirrels solve the Christmas crisis. And you will experience Amber's Christmas Parade, hear about Marty Mouse's obsession with cheese, and learn about a very special Christmas gift, especially for Browser. This book of Christmas stories was written to be

enjoyed by people of all ages.

From the author of the Magical Dressmaking Series comes a Christmas story filled with merriment, mystery, and murder. Bliss, Texas, is gearing up for its annual Winter Wonderland festival, but when a mysterious Scrooge ends the merriment with murder, it'll take more than a ghost from Christmas past to set things right. Designing a holiday fashion show set in the town's most prominent historic mansion seems like a job tailor made for dressmaker Harlow Jane Cassidy. But with the mansion's restoration still in progress and threatening weather on the horizon, she's feeling on pins and needles more than reveling in holiday cheer. Having volunteered to play Santa in this year's festival, Dan Lee Chrisson was ready to move on after his divorce—until Bliss became his final resting place.

Discovering his body puts Harlow at the scene of the crime. She'll need plenty of help from friends and even her late great-grandmother's spirited sleuthing if she's to have a ghost of a chance of catching a killer who's just jumped to the top of the naughty list.... INCLUDES SEWING TIPS

Santa's Rockin' Christmas Eve

*From Mary Kay Andrews, the New York Times bestselling author of Hello, Summer, comes a novella celebrating the magic of Christmas and second chances in The Santa Suit. When newly-divorced Ivy Perkins buys an old farmhouse sight unseen, she is definitely looking for a change in her life. The Four Roses, as the farmhouse is called, is a labor of love—but Ivy didn't bargain on just how much labor. The previous family left so much furniture and so much junk, that it's a full-time job sorting through all of it. At the top of a closet, Ivy finds an old Santa suit—beautifully made and decades old. In the pocket of a suit she finds a note written in a childish hand: it's from a little girl who has one Christmas wish, and that is for her father to return home from the war. This discovery sets Ivy off on a mission. Who wrote the note? Did the man ever come home? What mysteries did the Rose*

*family hold? Ivy's quest brings her into the community, at a time when all she wanted to do was be left alone and nurse her wounds. But the magic of Christmas makes miracles happen, and Ivy just might find more than she ever thought possible: a welcoming town, a family reunited, a mystery solved, and a second chance at love.*

*Have you ever thought what the world would be like if I didn't carry that sack and make that sleigh ride each year? I know one thing; there wouldn't be a need for a Naughty and Nice list anymore. Can you imagine all those children and their sad little faces? I could never give up this cause because the children are so angelic with those bright and cheery smiles when they look at you or the presents you leave on Christmas morning. -- Santa Claus*

*“One of America’s best satiric novelists” (Kirkus Reviews), S. G. Browne seamlessly gift wraps this horrific and hilarious sequel to his “extremely strong” (Publishers Weekly, starred review) zombie novel Breathers. He sees you when you’re sleeping . . . he knows when you’re undead. How does the leader of a failed zombie civil rights movement from California rescue a group of his undead brethren and help a lonely Breather girl as he hides from a band of medical researchers while disguised as Santa Claus? If you’ve never believed in Christmas miracles, then you wouldn’t understand. Andy Warner has just escaped from a zombie research facility in Portland, Oregon, where he’s been subjected to experimental testing for the past year. With Christmas just days away, Andy figures that donning a jolly old St. Nick costume to throw off his would-be captors is just the ticket. But he never expects to encounter a sweet, lonesome nine-year-old girl who not only reminds Andy of the family he’s lost but who thinks he’s the real Santa. He also doesn’t count on being recognized*

*as last year's national quasi-celebrity by a clandestine group of decaying supporters who look to him for leadership. For the living and the undead, this unforgettable holiday tale will truly put on display just who is gnawing and who is nice. . . .*

*Three holiday-themed novels relate stories of a woman who falls for an emotionally haunted father of twins, a bookstore owner and a contractor who tackle a centuries-old threat, and a rancher who falls for a vet with inexplicable powers.*

*"If we mean to change our ways, how will we do it? How will we make our food and our system of food production healthy, sustainable, and secure? How will we make them, in a word, sane? Who will do this work?" Ray Huling knows the hard realities of shellfishing. His father and grandfathers were shellfishermen on Rhode Island's Narragansett Bay, laborers in an age-old trade. Because he grew up surrounded by quahaugers, the industry is in his blood and the drive to keep it sustainable is what makes up his family history. In *Harvesting the Bay*, Huling answers these pressing questions and delivers a moving portrait of the men and women who work the waters of the Atlantic Coast in the harsh environment of the shellfishing industry. Huling argues that any successful sustainable food enterprise will likely resemble shellfishing in Rhode Island, an industry that has existed sustainably for over 150 years, with its*

*complex system of governance, its fierce and obsessive workforce, and its conflicts within communities and between generations. This thought-provoking book sets the complexities of sustainable food production against a heartwarming story of one family's enduring years of work on the seas.*

**Anthony Neilson is often described as one of the most exciting and challenging voices in contemporary British theatre. For over two decades he has acquired a reputation for innovation and experimentation in both writing and directing having worked with companies such as The Royal Court, The RSC and the National Theatre. This third play collection of his most recent major works brings together five plays in publication for the first time, offering an important documentary of his original work since 2008. Relocated (2008) originally premiered at the Royal Court, directed by the author, where it was described as a “sinister mystery” play and “not an experience for the faint-hearted...morally challenging and riveting...leaves an indelible stain on the memory” (The Times). Get Santa! (2010) is a magical, musical and mischievous Christmas show with a fresh moral featuring music by Nick Powell. It's Christmas Eve but Holly isn't happy. All she's ever wanted from Santa is to meet her real Dad for the first time. And every time,**

**Santa's failed to deliver, bringing lots of useless presents instead. Well, Holly's had enough. This year she has a plan. She's going to wait up and trap Santa when he arrives and get from him the only present she's ever wanted. Narrative (2013) originally premiered at the Royal Court Theatre Upstairs. Devised throughout rehearsal with a seven-strong cast it's a play about storytelling and the narratives of our everyday lives. Unreachable (2016) was described as an "intoxicatingly chaotic comedy" (Time Out) which follows a film director on an obsessive quest to capture the perfect light. Originally running at the Royal Court Theatre in a production that starred Matt Smith, it broke boundaries by offering audiences a digital insight into the rehearsal process through online content which documented and shaped the devising process. The Prudes (2018) is a comedy about relationships in the current sexual climate; and a vicious satire on the male response to it. Jess and Jimmy haven't done it in a year. Fourteen months and four days to be exact. It's definitely not the seven year itch – they've been together nine. Now they're coming together in a last-ditch effort to re-boot their sex life and save their relationship. But a lot has changed in a year; for them and for the world. Described as a "smart, sketchy, amusing, awkward, stimulating two-hander" (The Times), it originally premiered at the Royal Court Upstairs. Published to coincide with his adaptation of The Tell-Tale Heart at the National Theatre in December 2018, this play collection is an important**
