

Saunders Q A Review For The Physical Therapy Board Examination

With *Saunders Q & A Review Cards for the NCLEX-RN® Examination, 2nd Edition*, you can study anytime and anywhere! The ideal companion to *Saunders Comprehensive Review for the NCLEX-RN Examination*, Linda Silvestri's review cards contain 1,200 practice questions – each including test-taking strategies and detailed rationales for both correct and incorrect answers. Practice questions, organized by clinical area, appear on the front of each card with an icon indicating client need. The reverse side shows answers and rationales, along with Silvestri's unique test-taking strategies and priority nursing action tips. 1,200 practice questions include detailed rationales for both correct and incorrect answers. Alternate item format questions include multiple response, prioritizing, fill-in-the-blank, chart/exhibit, and figure/illustration to prepare you for the prioritizing, decision-making, and critical thinking skills needed to pass the NCLEX-RN. **UNIQUE!** Test-taking strategies for each question provide direction and hints to the correct answer. **UNIQUE!** Highlighted keywords or phrases in each answer identify a recommended review topic related to the question. Numerous pharmacology questions reflect the heavy emphasis on pharmacology on the NCLEX-RN. **NEW!** Organization of questions by clinical area lets you focus on weak areas and also use the cards as study aids in your course exams. **UPDATED** content reflects the most recent NCLEX-RN test plan. Increased coverage of pharmacology, prioritization, delegation, and triage/disaster management reflects the increased emphasis on these topics on the NCLEX-RN. **NEW!** Attractive, full-color design makes it quick and easy to locate questions in the various content areas.

This popular book/CD-ROM review package has been revised and updated to reflect changes in the new NCLEX-RN exam. Chapters in the book are organized according to the client needs categories and the integrated concepts and processes identified in the 2001 NCLEX-RN test plan. It features practice questions, answers, and detailed rationales on the same page to provide immediate feedback on students' responses.

Shut Out is a hockey love story. But it's a love that was unrequited. Bernie Saunders had a passion for hockey. His prodigious talent was on display at all levels. But because he was Black, he was stymied at every turn and experienced nothing but taunting from opponents, spectators, coaches and even his own teammates. Despite this malevolence, Saunders continued to play, adopting a style akin to that of the historic house slave: serve but remain invisible. Signed by the Quebec Nordiques, he played with them for two years, but spent most of his career playing collegiately at Western Michigan University and in the minor leagues in Canada and the US. In the end, it was all too much for Saunders. Dogged and overwhelmed by racism, he finally left hockey to work in the corporate sector. This is a memoir about professional hockey by a player who had the potential to become a star but was blocked at almost every opportunity because of his race. In spite of this, *Shut Out* is a hopeful and uplifting book about facing adversity, overcoming it and moving ahead. Woven throughout the book is Saunders's love of his family, especially his brother, John, who died at age sixty-one. Now retired, Bernie Saunders is still sought out by the hockey community for his observations and advice.

A classic resource that has helped nurses pass the NCLEX exam for over 60 years, *Mosby's Comprehensive Review of Nursing for the NCLEX-RN® Examination, 20th Edition* is fully updated to reflect the newest NCLEX-RN test plan. Content review is presented in a concise and full-color outline format organized by the core areas of medical-surgical, pediatric, maternity/women's health, and mental health nursing, with a practice test following each unit. More than 4,200 practice questions and rationales -- including more than 600 questions in the newest alternate item formats -- are written by a team of trusted NCLEX experts led by author Patricia M. Nugent. This title includes additional digital media when purchased in print format. For this digital book edition, media content may not be included.

Preparation for the NCLEX-RN Examination

Mosby's Comprehensive Review of Nursing for the NCLEX-RN® Examination - E-Book

This must-have workbook helps students learn the prioritization and delegation skills needed to survive nursing school, pass the NCLEX-RN® examination, and make the transition to practice in today's healthcare environment. Consisting of three parts plus an answer key, this resource provides numerous opportunities for students to review cases and answer questions similar to those they will see on the NCLEX-RN examination - including questions in alternate-item formats . Part 1, written by delegation expert Ruth Hansten, is an introduction that provides a practical review of clinical delegation skills and serves as a framework for the exercises that follow. Part 2 consists of cases of patients who have relatively straightforward health problems followed by NCLEX examination-style questions focusing on prioritization, delegation, and assignment. Part 3 consists of complex, unfolding cases involving patients who have multiple health conditions, as well as complex patient assignments. An introduction by prioritization and delegation expert Ruth Hansten explains the importance of developing sound clinical skills and judgment in the areas of prioritization, delegation, and assignment. NCLEX-style questions help students develop fundamental skills in prioritization, delegation, and assignment and become familiar with the NCLEX examination format. Questions in Parts 2 and 3 are organized by body system and by complexity, respectively, to allow for easy use with any medical-surgical nursing text. Both sections of exercises give students essential hands-on practice in prioritizing (deciding what to do first), delegating (giving specific tasks to assistive personnel and supervising satisfactory completion of those tasks), and assignment (giving responsibility for the overall care of particular patients to appropriate personnel). The questions in Part 3 are more complex than those in Part 2, allowing students to master core concepts using unambiguous cases before applying this knowledge to patients with more complicated, multidimensional case presentations. Flexible organization allows the workbook to be used with any Elsevier medical-surgical nursing text. The answer key provides rationales for correct as well as incorrect answers, reinforcing the concepts presented in each unit. Questions follow NCLEX style, and about 10% represent the new alternate-item question format. The workbook is three-hole punched and perforated for convenience.

With over 1,200 multiple choice review questions written to parallel the content and format of the National Physical Therapy Board Examination (NPTE), Saunders' Q&A Review for the Physical Therapy Board Examination provides more NPTE practice than any other review resource available. Strengthen your understanding of core principles across the full spectrum of physical therapy practice with comprehensive exam practice from specialty experts. This title includes additional digital media when purchased in print format. For this digital book edition, media content is not included. More than 1,200 multiple-choice questions test your understanding of key content across a variety of practice environments, including schools, hospitals, and communities. Organized by topic, it parallels the content and proportional question breakdown of the board examination to familiarize you with the testing format. Correct answers, detailed rationales, and specific references help you get more out of your study time.

Lippincott NCLEX-RN Alternate-Format Questions, 7th edition is designed to help anyone preparing to take the RN licensing examination. This updated 7th edition has everything needed for students to be fully prepared to answer every type of question found on the NCLEX. More than 600 questions include multiple-response, drag-and-drop, hotspot, audio, chart, graphic option, and fill-in-the blank questions. Also included are two comprehensive tests with 100 questions each. Rationales are clear and detailed and cover correct as well as incorrect answers. Test-taking strategies help students dissect each question to its core components and provide keys to choosing the right answer. The book reviews all the topics covered on the actual NCLEX-RN. Hundreds of questions at the application level or above prompt active learning and higher-order thinking. Questions are aligned with the National Council of State Boards of Nursing (NCSBN) 2019 RN test plan and are written in the style used on the licensing examination.

An accompanying PassPoint trial provides an additional opportunity for students to practice for NCLEX while also giving a glimpse of the full PassPoint experience.

"This innovative interactive text explains 58 of the most common nursing concepts - including six all new concepts - that span the areas of patient physiology, patient behavior, and the professional nursing environment. Featured exemplars for each concept are also discussed to help you more easily understand the concepts and apply them to the clinical setting. In addition to more concepts and featured exemplar sections, this new second edition also boasts a more intuitive organization and review questions for both RN and LPN/LVN programs"--Publisher.

NCLEX-RN Exam

With more than 1,000 study and review questions, Saunders Q&A Review for the Physical Therapist Assistant Board Examination provides the practice you need to succeed on the National Physical Therapy Examination (NPTE) for Physical Therapist Assistants. Questions simulate the format of the NPTE, in terms of content and the proportional breakdown of topics, and include rationales along with page references to physical therapy textbooks. Written by physical therapy specialist Brad Fortinberry, this book also includes a companion website offering unlimited test-taking practice plus instant feedback. 1,385 multiple-choice questions reflect the format, content, and proportional question breakdown of the National Physical Therapy Examination (NPTE) from the Federation of State Boards of Physical Therapy (FSBPT) as well as the terminology from the Guide to Physical Therapist Practice. Review and study features address the role of the Physical Therapist Assistant, focusing on the clinical application of knowledge, concepts, and principles necessary in providing safe and effective patient care consistent with best practice, and include system-specific questions on the musculoskeletal, neuromuscular, cardiovascular/pulmonary, integumentary, and other systems. Practice tests mimic the NPTE, helping you prepare for the NPTE with confidence. Electronic test-taking option enables students to create an unlimited number of unique practice tests, and receive instant feedback for answers. Rationales for correct answers include textbook references to help in preparing for the certification exam. Timed format for sample tests simulates the actual examination experience and strengthens your prioritization and time-management skills. Content experts provide knowledge and insight across every specialty area covered on the exam, for a reliable, well-rounded review.

Practice makes perfect with Saunders Q&A Review for the NCLEX-RN® Examination, 7th Edition. This popular review offers more than 6,000 test questions, giving you all the Q&A practice you need to pass the NCLEX-RN® examination! Each question enhances review by including a test-taking strategy, rationales for correct and incorrect answers, and page references to major nursing textbooks. Questions are organized to match the Client Needs and Integrated Processes found in the most recent NCLEX-RN test plan. Q&A practice is also provided on an Evolve companion website, with many study and testing options. From the most trusted name in NCLEX review, Linda Anne Silvestri, this resource is part of the popular Saunders Pyramid to Success. A detailed test-taking strategy is included for each question, providing clues for analyzing and selecting the correct answer. Chapters organized by Client Needs simplify review and reflect the question mix in the NCLEX-RN test plan blueprint. Rationales are provided for both correct and incorrect answer options. All alternate item question types are represented, including multiple response, prioritizing/ordered response, fill-in-the-blank, illustration/hot spot, chart/exhibit questions, graphic option, and questions incorporating audio and video. An 85-question comprehensive exam represents the content and percentages of question types identified in the NCLEX-RN test plan. A Priority Nursing Tip is included with each question, highlighting need-to-know patient care information. Introductory chapters feature preparation guidance for the NCLEX-RN including chapters on academic and nonacademic preparation, advice from a recent nursing graduate, and transitional issues for the foreign-educated nurse. **NEW! Reflects the latest NCLEX-RN® test plan to familiarize you with newly added content they may encounter on the exam. **NEW!** Additions to the Evolve companion website include a 75-question post-test, case studies with follow-up questions, and links to animations for selected rationales, offering unique remediation opportunities. **NEW!** Trade drug names replaced with generic drug names reflecting latest test plan changes. **NEW!** Health Problem label included to help you study selected health topics. This will also allow you to focus your study when reviewing questions on Evolve.**

The prize-winning, New York Times bestselling short story collection from the internationally bestselling author of Lincoln in the Bardo 'The best book you'll read this year' New York Times 'Dazzlingly surreal stories about a failing America' Sunday Times WINNER OF THE 2014 FOLIO PRIZE AND SHORTLISTED FOR THE NATIONAL BOOK AWARD 2013 George Saunders's most wryly hilarious and disturbing collection yet, Tenth of December illuminates human experience and explores figures lost in a labyrinth of troubling preoccupations. A family member recollects a backyard pole dressed for all occasions; Jeff faces horrifying ultimatums and the prospect of Darkenfloxx(TM) in some unusual drug trials; and Al Roosten hides his own internal monologue behind a winning smile that he hopes will make him popular. With dark visions of the future riffing against ghosts of the past and the ever-settling present, this collection sings with astonishing charm and intensity.

Davis's Q&A Review for the NCLEX-RN® gives you an overview of the latest test plan and outlines the test-taking strategies you need to prepare for the exam. Practice questions guide you through all of the content covered on the NCLEX, while two comprehensive exams test mastery of all subject areas covered on the NCLEX exam.

Prepare for success on the NCLEX-RN® exam with the review book written for Canadian nursing students! Elsevier's Canadian Comprehensive Review for the NCLEX-RN® Examination, 2nd Edition provides everything you need to prepare for the NCLEX® exam — complete content review and more than 5,000 NCLEX examination-style questions in the book and online. Proving that not all NCLEX exam review books are the same, only this book includes the kinds of questions that consistently test the critical thinking skills needed to pass today's NCLEX exam. In addition, all answers include

detailed rationales and test-taking strategies with tips on how to best approach each question. From Canadian editors Patricia Bradley and Karin Page-Cuttrara, and NCLEX review experts Linda Anne Silvestri and Angela Silvestri, this edition integrates Canadian approaches to nursing, making this the only comprehensive review text written from a fully Canadian perspective. It's THE book of choice for NCLEX preparation! More than 5,000 practice questions in the text and online offer ample testing practice. UNIQUE! Detailed test-taking strategy and rationale is included for each question, offering clues for analyzing and uncovering the correct answer option. UNIQUE! Priority Nursing Action boxes provide information about the steps you will take in clinical situations requiring clinical judgment and prioritization. UNIQUE! Pyramid Points icons indicate important information, identifying content that typically appears on the NCLEX-RN® examination. UNIQUE! Pyramid Alerts appear in red text and highlight important nursing concepts. UNIQUE! Priority Concepts — two in each chapter — discuss important content and nursing interventions. New graduate's perspective is offered on how to prepare for the NCLEX-RN, in addition to nonacademic preparation, the CAT format, and test-taking strategies. Mnemonics are included to help you remember important information. 75-question comprehensive exam covers all content areas in the book in the same percentages that they are covered on the actual NCLEX-RN test plan. Practice questions on delegation, prioritization, and triage/disaster management emphasize these areas on the NCLEX exam. Companion Evolve website provides 25 new Next Generation NCLEX® (NGN)-style questions plus all alternate item format questions including multiple response, prioritizing (ordered response), fill-in-the-blank, figure/illustration (hot spot), chart/exhibit, video, and audio questions. Question categories on Evolve are organized by cognitive level, client needs area, integrated process, and content area, allowing completely customizable exams or study sessions. UNIQUE! Audio review summaries on Evolve cover pharmacology, acid-base balance, and fluids and electrolytes.

More than 1,340 classroom-tested, NCLEX-style questions—including more than 440 alternate-item-format questions—reflect the latest advances in medical technology as well as the most recent guidelines and standards of care for nursing practice.

The thoroughly updated edition reflects the current NCLEX test plan and contains more than 5,000 test questions to help students practice taking the exam. The book contains more questions than any other NCLEX-RN review and includes more pharmacology-related questions.

With more review cards than any other product on the market, you'll have the perfect tool for study groups or on-the-go review, and with a new chapter focusing on pharmacology, you'll be more prepared than ever before. This edition features over 1,200 questions with alternate item-format and integrated content questions organized by clinical area and body system. These cards contain several practice questions on the front, with answers, rationales for correct and incorrect options, cognitive levels, nursing process steps, and NCLEX test plan categories on the back. You'll also receive an overview of the latest NCLEX-RN test plan, and valuable test-taking tips. UNIQUE! Provides more practice questions than any other card set with over 1,200 review questions on portable cards. An introductory section on test taking offers helpful strategies for improving your test-taking skills and managing test anxiety. Questions are logically organized by body system within each clinical area section. Plenty of alternate item-format questions, including multiple response, fill-in-the-blank, and illustrated questions, offer valuable preparation for the newer question formats appearing on the NCLEX-RN examination. Each question is classified by cognitive level, nursing process step, and NCLEX test plan client needs area to help you identify areas where more review may be required. A section on integrated concepts includes questions on leadership, management of patient care, cultural competence, and community-based practice, addressing the integrated concepts covered in the NCLEX-RN examination. UNIQUE! A separate section on pharmacology reflects the increased focus on this subject in the NCLEX-RN examination and enables you to concentrate on the most frequently tested content. Rationales for incorrect options are now included to help you understand the faulty thought processes that lead to selecting the wrong answers. Double the number of alternate item questions and the new chart exhibit format ensure you have ample practice with the newest question formats.

Incorporating the latest test plan, HESI/Saunders Online Review for the NCLEX-RN? Examination, 3rd Edition provides a unique comprehensive review experience with the convenience and interactivity of an online format. Perfect for students looking for a self-paced study tool, it features key nursing content organized by NCLEX Client Needs to prepare you for the NCLEX examination. A diagnostic pre-test taken at the beginning of the course provides you with a study calendar to guide you through the content modules. Each module is followed by a quiz to determine your mastery of the content. A comprehensive exam at the end of the course gives you a breakdown of your strengths and weaknesses. Plus, videos simulate a live review experience and help to clarify difficult concepts.

Get more than just practice questions; get comprehensive test and nursing school preparation that's proven to help you succeed! Written by the most trusted expert in NCLEX exam prep, Saunders 2018-2019 Strategies for Test Success: Passing Nursing School and the NCLEX Exam, 5th Edition is an invaluable guide that teaches you how to master the things that matter most on the NCLEX exam and your nursing school exams: critical thinking, problem solving, and time management. In this guide you'll find not only 1,200 practice questions and rationales that reflect the latest NCLEX-RN and NCLEX-PN test plans, but you'll also get a wealth of proven tips and real-world hints to help you overcome text anxiety, develop effective study habits, and confidently evaluate and identify the correct answer for a variety of test question types, including alternate item formats. It's a must-have resource for any nursing student who needs not just practice, but well-rounded preparation! A Reducing Test Anxiety chapter offers simple strategies to control test-induced stress and gain the confidence needed to pass exams. A Developing Study Skills chapter provides helpful tips on improving time management for more efficient exam preparation. 1,200 review questions are included in the book and online, providing a 2-in-1 approach to learning strategies and test-taking skills. UNIQUE! Student-to-Student Hints highlight real life strategies that have helped other students graduate from nursing school and pass the NCLEX exam. Helpful Tips for the Nursing Student highlight the most important concepts needed for exam success. Online practice questions let you apply the strategies learned from the text in a realistic electronic testing environment. Emphasis on comprehensive test preparation helps you develop, refine, and apply the reasoning skills you need to succeed throughout nursing school and on the NCLEX examination. Priority concepts for each question help you link your concept-based classes and NCLEX prep. Chapters on specific question content — such as prioritization, pharmacology, triage/disaster management, and delegation — offer numerous examples to prepare you for higher-level questions. A fun, 4-color design features cartoons and bold designs to help engage visual learners. NEW! Thoroughly updated content reflects the most current NCLEX-RN and NCLEX-PN test plans. NEW! Experience level coding for questions designates each question as beginning, intermediate, or experienced to help focus your learning throughout all points of your nursing school career. NEW! Increased focus on clinical judgement incorporates strategies for clinical judgement, question data, and question abnormalities into the NCLEX-style questions. NEW! Expanded client-centered options address the increasing import of the patient-centered care QSEN competency on the NCLEX Exam. NEW! Additional coverage of interprofessionalism is incorporated.

A Novel

Looking for an NCLEX® exam review alternative that is effective, engaging, and (dare we say) fun? Then look no further than RNtertainment! RNtertainment: The NCLEX® Review Game, 2nd Edition is a revolutionary board game that offers a fun and challenging change of pace from standard review options. Perfect for nursing students and practicing nurses looking to sharpen their nursing knowledge, this game offers 800 different clinical questions and scenarios that cover all the major nursing categories on the latest NCLEX® test plan - including Safe and Effective Care Environment, Health Promotion and Maintenance, Psychosocial Integrity, and Physiological Integrity. Test-Taking Tips and Test-Taking Traps are also incorporated into game play to fully prepare you for every facet of the exam process. Whether you want to challenge your friends or challenge yourself, effective exam preparation has never been this entertaining! The aim of the game is to answer nursing questions correctly and navigate through tricky Tips and Traps to be the first to reach NCLEX® exam success. Game play format for 2-6 people gives you the option of creating a competitive group atmosphere with fellow students or colleagues in addition to reviewing on your own. Category cards enable you to review all NCLEX® exam material or narrow your question bank to those categories in which you need the most practice. Hundreds of challenging questions and rationales from student-favorite NCLEX® exam expert Linda Silvestri reflect content on the latest NCLEX® test-plan. 800 questions are divided evenly among the four major client needs categories found on the NCLEX® exam: Safe and Effective Care Environment, Health Promotion and Maintenance, Psychosocial Integrity, and Physiological Integrity. A variety of question formats and difficulty levels allows you to encounter the wide spectrum of questions you will find on the NCLEX® exam. Rationales help you understand the reasoning or data related to the correct answer for each question. Test-Taking Tip and Traps provide successful test-taking strategies in one category (Flying High) and pitfalls to avoid in another category (Flying Low). #1 NEW YORK TIMES BESTSELLER • WINNER OF THE MAN BOOKER PRIZE The “devastatingly moving” (People) first novel from the author of Tenth of December: a moving and original father-son story featuring none other than Abraham Lincoln, as well as an unforgettable cast of supporting characters, living and dead, historical and invented Named One of Paste's Best Novels of the Decade • Named One of the Ten Best Books of the Year by The Washington Post, USA Today, and Maureen Corrigan, NPR • One of Time's Ten Best Novels of the Year • A New York Times Notable Book • One of O: The Oprah Magazine's Best Books of the Year February 1862. The Civil War is less than one year old. The fighting has begun in earnest, and the nation has begun to realize it is in for a long, bloody struggle. Meanwhile, President Lincoln's beloved eleven-year-old son, Willie, lies upstairs in the White House, gravely ill. In a matter of days, despite predictions of a recovery, Willie dies and is laid to rest in a Georgetown cemetery. “My poor boy, he was too good for this earth,” the president says at the time. “God has called him home.” Newspapers report that a grief-stricken Lincoln returns, alone, to the crypt several times to hold his boy's body. From that seed of historical truth, George Saunders spins an unforgettable story of familial love and loss that breaks free of its realistic, historical framework into a supernatural realm both hilarious and terrifying. Willie Lincoln finds himself in a strange purgatory where ghosts mingle, gripe, commiserate, quarrel, and enact bizarre acts of penance. Within this transitional state-called, in the Tibetan tradition, the bardo—a monumental struggle erupts over young Willie's soul. Lincoln in the Bardo is an astonishing feat of imagination and a bold step forward from one of the most important and influential writers of his generation. Formally daring, generous in spirit, deeply concerned with matters of the heart, it is a testament to fiction's ability to speak honestly and powerfully to the things that really matter to us. Saunders has invented a thrilling new form that deploys a kaleidoscopic, theatrical panorama of voices to ask a timeless, profound question: How do we live and love when we know that everything we love must end? “A luminous feat of generosity and humanism.”—Colson Whitehead, The New York Times Book Review “A masterpiece.”—Zadie Smith

Use proven strategies to prepare for nursing school tests and the NCLEX® exam! Saunders 2022-2023 Clinical Judgment and Test-Taking Strategies: Passing Nursing School and the NCLEX® Exam, 7th Edition provides tools to help you overcome test anxiety, develop study skills, and improve test scores. Practice makes perfect with Saunders Q&A Review for the NCLEX-RN(R) Examination, 8th Edition. This popular review offers more than 6,000 test questions, giving you all the Q&A practice you need to pass the NCLEX-RN examination! Each question enhances review by including a test-taking strategy and rationale for correct and incorrect answers. Questions are organized to match the Client Needs and Integrated Processes found in the most recent NCLEX-RN test plan. Q&A practice is also provided on the Evolve companion website, with many study and testing options - including an option to select practice questions by health problem/medical diagnosis. From the most trusted names in NCLEX review, Linda Anne Silvestri and Angela Silvestri, this resource is part of the popular Saunders Pyramid to Success. Detailed test-taking strategies for each question provide clues for analyzing and selecting the correct answer. Comprehensive rationales are provided for both correct and incorrect answer options. Chapters organized by Client Needs reflect the latest NCLEX-RN test plan. Evolve companion website includes more than 6,000 questions with robust study and self-testing options. A 75-question pre-test generates a study calendar to guide your exam preparation. Questions on the Evolve companion site may be sorted by cognitive ability, NCLEX client needs area, content area, integrated process, health problem, priority concept, strategy, or alternate item format to help you focus on the question types you find most difficult. A 75-question post-test helps you evaluate your progress. All alternate item question types are represented, including multiple response, prioritizing/ordered response, fill-in-the-blank, illustration/hot spot, chart/exhibit questions, graphic option, questions incorporating audio, case studies, and Next-Generation NCLEX-style question types. A Priority Nursing Tip for each question highlights need-to-know patient care information. Introductory chapters cover preparation guidance for the NCLEX-RN and the computerized adaptive testing (CAT) format, nonacademic preparation, test-taking strategies, and the NCLEX-RN from a new graduate's perspective. Three audio reviews on the Evolve companion website cover acid-base balance, fluids and electrolytes, and pharmacology. Appropriate for all test takers in the US and Canada - includes metric, SI, and imperial units, as applicable. Questions written at higher cognitive levels (applying, analyzing, synthesizing, evaluating, and creating) correspond to the NCLEX, where most items are written at the application level or higher. NEW! Thoroughly updated questions reflect the latest NCLEX-RN test plan. NEW! Clinical Judgment Situations include unfolding Next-Generation NCLEX-style case studies and question types with answer guidelines on the Evolve companion website. NEW! Clinical Judgment/Cognitive Skills labels help you recognize the new clinical judgment thought process behind Next-Generation NCLEX-style questions. NEW and UNIQUE! A tear-out bookmark insert allows you to cover the answer column and includes a list of the top 10 test-taking strategies.
