How Peak Spiritual Experiences Transform Lives Today
Dr. Yvonne Kason's life was touched by five Near-Death experiences (NDEs), the most recent in 2003. Her dramatic Near-Death Experience in a 1979 plane crash propelled her as a young medical doctor to research and counsel people with diverse types of peak spiritual experiences. In 1994, she coined the now widely used phrase "Spiritually Transformative Experiences" (STEs). These include Near-Death Experiences, mystical experiences, spiritual energy or kundalini awakenings, diverse psychic experiences, and inspired creativity. Touched by the Light is a synthesis of forty years of Dr. Kason's research on STEs and their profound after-effects on body, mind, and spirit. Filled with fascinating case studies, Touched By the Light is inspiring to all, as well as a practical guide for those experiencing STEs and their counsellors.

The inspiration for the smash Sundance hit, soon to be a major motion picture, "Blinded by the Light": The acclaimed memoir about the power of Bruce Springsteen's music on a young Pakistani boy growing up in Britain in the 1970s. Sarfraz Manzoor was two years old when, in 1974, he emigrated from Pakistan to Britain with his mother, brother, and sister. Sarfraz spent his teenage years in a constant battle, trying to reconcile being both British and Muslim, trying to fit in at school and at home. But it was when his best friend introduced him to the music of Bruce Springsteen that his life changed completely. From the age of sixteen on, after the moment he heard the harmonica and opening lines to "The River," Springsteen became his personal muse, a lens through which he was able to view the rest of his life. Both a tribute to Springsteen and a story of personal discovery, Greetings from Bury Park is a warm, irreverent, and exceptionally perceptive memoir about how music transcends religion and race.

"I cannot imagine living in a world without Walt Disney." Joe Cosgrove
Walt Disney's life long journey comes to life as breaking news headlines that entertain and engage dreamers of all ages. This novel storytelling is based on Joe's firsthand experience as well as from friends and mentors who worked closely with Walt during the 1930's through the 1960's. Readers will enter the circle of nearness of Walt Disney's life journey as he transform's and revolutionizes movie cartoons into a powerful new art form. Walt becomes the Founding Father of modern movie animation with the release of his first full length feature film, Snow White. This was the prelude of Walt's bigger dream to create something totally new under the sun. Driven by endless curiosity and courage, Walt Disney's dreams gave birth to the greatest real estate developments and tourist attractions in history with Disneyland and Walt Disney World. Today Walt's impossible dream is still growing. For all those people who helped make his dream come true with the opening of Disneyland in 1955, Walt created a special place called Club 33. Joe Cosgrove was there the day the Club opened in 1967. Club 33 was a secluded hideaway in the Happiest Place on earth for many years until the LA Times wrote a feature titled: "The Most Exclusive Club in the World." Joe reveals some fascinating Club 33 stories during its early secret years. This is also the story of other extraordinary dreamers, visionaries, leaders, innovators and heroes whose lives one day serendipitously intersected with Joe Cosgrove. These ordinary people who did extraordinary things include Joshua Meador, Harrison "Buzz" Price, Bob Hope, Ronald Reagan, Steve Allen, Charles E. Fuller and Billy Graham who are just some of the personalities in this wide reaching story of notable people who help change our world for the better. WALT DREAMERS ME celebrates the American heritage of individual liberty with headline making news of exceptional individuals motivated by the highest possible standards of excellence who created innovations that greatly changed our imagination, our culture and our world for the better. These true life adventure headline stories are filled with heroes, mentors, tricksters, sidekicks, scoundrels and scallywags just like those we read about in the newspaper every day. These very universal caricatures are seen in the classic stories in the Bible. Walt Disney brought these caricatures to life in such films as Snow White, Pinocchio and Cinderella. It is our intention that our readers accompany each person headlined in order to relate to each of them in a new powerful and personal way.

Rural Rides is the book for which the English journalist, agriculturist and political reformer William Cobbett is best known. At the time of writing Rural Rides, in the early 1820s, Cobbett was a radical anti-Corn Law campaigner. He embarked on a series of journeys by horseback through the countryside of Southeast England and the English Midlands. He wrote down what he saw from the points of view both of a farmer and a social reformer. The result documents the early 19th-century countryside and its people as well as giving free vent to Cobbett's opinions

In 1975, Dannion Brinkley was struck and killed by lightning. When he awoke in a morgue twenty-eight minutes later, everything was forever changed. During the next twenty years, Brinkley had not one, but two more near-death experiences. Each time, he visited the other side and received valuable lessons and spiritual knowledge, which he incorporated into his daily life. Now, in Secrets of the Light, he shares the lessons he learned in the afterlife so we, too, can fulfil our true purpose in life. Brinkley outlines the "Four-Fold Path to Power" - Love, Choice, Belief, and Prayer - that will empower you to follow your destiny. He then unveils the Seven Truths from the afterlife and how to use them to enhance health, happiness, and prosperity. We also learn how to perform a 'daily life review' - a quick assessment of your daily life that acts as a reminder to stay true to yourself and treat others with kindness. With wit, humor, and compassion, Brinkley shows that by always being conscious of your actions and how they affect others, you will find happiness in this life and beyond

Sally Phipps was only three years old and the veteran winner of several beautiful baby contests when she appeared as the Baby in the film "Broncho Billy And The Baby." It was made at the Niles California Essanay Studio in late 1914. This book follows her amazing life and a career that culminated in her receiving the Rosemary (for remembrance) Award shortly before her death in 1978. Her memories of the early years at Essanay include sitting on Charlie Chaplin's lap and enduring a frightening stage coach accident. In her teens, she was a Fox Studio star appearing in 20 films, including a cameo in the classic "Sunrise." There were bad times also. She was on the set of her Fox two-reel comedy "Gentlemen Prefer Scotch" in 1927 when word reached her of the scandalous death of her father, a state senator. But in that same year, she was selected as one of the 13 Wampas Baby Stars, starlets that were chosen to promote the studio's popularity in Hollywood, she left for New York where she became the darling of gossip columnists, particularly Walter Winchell. She appeared in two Broadway shows, made a Vitaphone comedy short, and married and divorced one of the Gimbel department store moguls before she darted off for India and around the world travel. Back in New York, there was another marriage, two children, and later a stay in Hawaii. Earl Wilson wrote about her in 1938 when she was working for the Federal Theatre Project during the WPA period -- headlining his column "Wampas Ex-Baby Lives On WPA \$23 - And Likes It." Her images -- especially her pinup photographs -- have become highly collectible. The book features 150 pictures from Sally's personal and professional life, including glamorous portraits and pinups.
