

# Saxon Math Intermediate 5 Student Edition

Saxon Math thoroughly covers all the California Mathematics Standards and has been designed to meet all the requirements of the Mathematics Framework for California Public Schools. The cohesive integrated approach of Saxon Math helps build in the time necessary for all California students to develop the solid mathematical foundation needed for success in algebra -- and beyond.

Written by Stephen Hake, author of the Saxon Middle Grades programs, Saxon Intermediate 3 is ideal for students looking for a textbook approach that provides a smooth transition into Math 5/4. It is also helpful for students who are coming to Saxon from other programs. Math Intermediate 3 teaches mathematical concepts through informative lessons, helpful diagrams, and interactive activities and investigations.
