Excerpt from Introduction: "When the first Conan of Cimmeria story appeared in the pages of Weird Tales magazine in December 1932, nothing quite like it had ever before appeared in print. Author Robert E. Howard had been writing stories

broadly similar to it for half a decade; but it was with Conan, and the Hyborian Age storyworld in which he was placed, that Howard finally fully doped out the sub-genre that would become known as "sword and sorcery," of which Howard is today considered the

Jeff Salyards

founding father. "Conan's origins date back to an experiment in 1926 titled "The Shadow Kingdom," featuring the character Kull, exile of Atlantis. The idea -- Howard's great innovation -- was, at its core, historical fiction set in a pre-historical period. That pre-historical

# Online Library Scourge Of The Betrayal Bloodsuckers Arc 1

Jeff Salyards

period -- being, of course, lost in the mists of time -- could contain anything Howard might like to include: evil races of sentient snake-things, sorcerers, undead creatures, demons walking upon the earth, anything. "In other words, Howard was creating a secular

Jeff Salvards

mythology. "And as with any mythology, secular or no, there would be a hero, a Ulysses or a Theseus, an exceptional man of legend striding through that myth-world, sword in hand, righting wrongs and slaying supernatural monsters and, along the way,

providing metaphorical insight onto his world and ours. "At the same time, he was finding success with another historical-fiction-fusion innovation: The grim, savage English Puritan Solomon Kane. Kane's world was the skull-strewn chaos of Europe and north Africa

during the Thirty Years War, in the early 1600s. Little enough is known about specific events during that dark time that it was possible to take historical liberties with it as a storyworld, so that it could accommodate dark magic, walking skeletons, vampires, magic staves,

and, of course, N'Longa the witch-doctor. "Howard quickly realized he was onto something with Solomon Kane. The first Solomon Kane story, "Red Shadows," appeared in August 1928 in *Weird Tales*, and readers loved it. Here was a dark, brooding world of menace and

# Online Library Scourge Of The Betrayal Bloodsuckers Arc 1

Jeff Salvards

witchcraft connected pseudo-genealogically to their own. It was easy for readers to "take the ride" -- to suspend their disbelief and envision Kane's adventures as a part of the real world. "But, perhaps the connection with the real world was too close. The countries of

Jeff Salvards

1630s Europe are well known; the causes of the conflict fully understood. There was only so much Howard could do in Solomon Kane's world. Moreover, Solomon Kane is just a hard character to root for. Unlike Kull, he is, not to put too fine a point on it, really not a sane

man. "So it makes perfect sense that after the shadowy, prehistoric world of Kull and the dark, necromantic world of Solomon Kane, Howard would combine these two precursors to develop a world that was far enough into the distant past to be free of actual historical

# Online Library Scourge Of The Betrayal Bloodsunders Arc 1

Jeff Salvards

constraints -- like Kull's -- yet close enough to the present to still exist as echoes and legends in the world's mythologies. "And so Howard created The Hyborian Age, circa 10,000 B.C. And to play the role of our avatar as we explore this shadowy, almost-historical world,
