A Study Guide and a Teacher's Manual Gospel Principles was written both as a personal study guide and as a teacher's manual. As you study it, seeking the Spirit of the Lord, you can grow in your understanding and testimony of God the Father, Jesus Christ and His Atonement, and the Restoration of the gospel. You can find answers to life's questions, gain an assurance of your purpose and self-worth, and face personal and family challenges with faith.

The Knowing the Bible series is a new resource designed to help Bible readers better understand and apply God's Word. Each 12-week study leads participants through one book of the Bible and is made up of four basic components: (1) Reflection questions designed to help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlighting the gospel of grace throughout the book; (3) "Whole-Bible Connections" showing how any given passage connects to the Bible's overarching story of redemption culminating in Christ; and (4) "Theological Soundings" identifying how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from a wide array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message

of God's grace on each and every page of the Bible. In this accessible study, pastor and author Greg Gilbert examines the message of James, exploring the book's difficult teachings on wealth, anointing with oil, prayer, healing, and the relationship between faith and works. Through clear exposition of the biblical text and challenging application questions, Gilbert helps readers rightly understand James as a stirring exhortation to fruitfulness, ultimately written to remind Christians of the necessary connection between genuine faith and heartfelt obedience.

the redemptive work of the Lord Jesus Christ. This book aims to help readers to develop a saving relationship with Jesus Christ and their loving heavenly Father. The Father wants His children to recognize that obedience is better than sacrifice and does not want any to be lost.

"The Lord has shown me that Satan was once an honored angel in heaven, next to Jesus Christ. His countenance was mild, expressive of happiness like the other angels. His forehead was high and broad, and showed great intelligence. His form was perfect. He had noble, majestic bearing. And I saw that when God said to his Son, Let us make man in our image, Satan was jealous of Jesus. He wished to be consulted concerning the formation of man. He was filled with envy, jealousy and hatred. He wished to be the highest in heaven, next to God, and receive the highest honors. Until this time all heaven was in order, harmony and perfect subjection to the government of God."-Ellen G White

The Desire of Ages

I was born and raised in the Seventh-day Adventist Church, but I tried to maintain an open mind and learn about other religious philosophies. I did not give Islam much thought when I was young. Then I took a job where I worked with a number of Muslims and I wanted to understand more about them, so I studied a little bit into the life of Muhammad and the Quran. I very quickly realized that Muhammad seemed to be a man who sincerely wanted to lead the Arabs back to God. I studied more, especially materials by the relatively few Christians who interpreted the Biblical passages connected with the Arabs and Islam in a more positive light. One of the biggest hurdles I faced was the fact that the Quran was so anti-Trinitarian. Eventually I learned that the founders of the Adventist Church were Anti-Trinitarian. It was only later that the church became Trinitarian. The church plainly stated this in the article "Adventists and Change" published in the October 1993 issue of Ministry Magazine. This shocked me as I had been raised to believe that God had guided the founders of the Adventist Church. They worshiped one being as God, who brought Jesus into existence. Today, the Adventist

Church worships a "unity of three co-eternal persons" as stated in the 28 Fundamental Beliefs. This won't be significant to most people, but it was significant to someone raised in that denomination. I decided to simply examine the Bible with an open and honest mind. The big question was, could you actually get to the Trinity by reading the Bible, or did you have to assume the Trinity to be true and read it into the text of the Bible? The more I studied, the more I came to believe that the Bible, if read plainly, supports a strict monotheistic view of God, not a Trinitarian view. After that, it became much easier to fully accept Muhammad as a messenger of God. This book is the result of my study. It records why I believe Muhammad was a messenger of God and that God is One, not a Trinity. It goes through several of the prophecies in Daniel and Revelation to show how God predicted the succession of major powers in the near east and Mediterranean. This includes the rise and corruption of the Medieval Christian church and how God raised up a Messenger in the desert to help correct some of the corruption that had crept into Christianity.

This completely new typeset of the monumental 1957 classic contains an extensive historical and theological introduction and detailed notations by George R. Knight, professor of church history at Andrews University.; Originally produced by the Ministerial Association of the General Conference of SDAs,

Questions on Doctrine was widely acclaimed and heavily distributed in the late 1950s and early 1960s as a forthright answer to questions from evangelicals about key elements of Adventist doctrine. Controversy regarding the book's position on the nature of Christ and the atonement soon stopped its circulation.;

Intended as a complete reference on the book itself, this new edition faithfully reproduces the original text of **Questions on Doctrine**, with in-text indicators of the original pagings. It includes later important documents that bring the work up to date. The original bibliography is followed by an updated selected bibliography. Commentary on various historical or bibliographic topics is included in new footnotes throughout the text, all while preserving the reading integrity of the original edition.; George Knight's introductory essays provide the background for how the book came about and describe the interaction of the principal players involved in the dispute about a small section of content that shelved this classic work for more than a generation.; This new edition of **Question on Doctrine** beautifully preserves this outstanding and winsome work of Adventist apologetics to future generations of scholars, laypersons, and critics. It is an essential element of every Adventist library.

The Great Controversy

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Der Autor geht auf Fragen ein, die jeden Adventisten interessieren (sollten): Wie kamen die Adventisten zu den Glaubensüberzeugungen, die sie heute vertreten? Wie haben sich die Lehrauffassungen im Laufe der Jahre verändert? Würden die adventistischen Pioniere alle 27 Glaubenspunkte unterschreiben wollen, die heute von der Gemeinschaft der Siebenten-Tags-Adventisten als verbindlich anerkannt werden? George Knight bezweifelt das. Er legt in wohlthuender Offenheit die unterschiedlichen Strömungen innerhalb der Adventgeschichte dar und verdeutlicht, dass Adventgläubige nicht aufhören dürfen, Suchende und Lernende zu sein. So aufwühlend dies klingen mag, so

beruhigend wird der Leser feststellen können: An allen untersuchten Beispielen wird erkennbar, wie wunderbar Gott die Adventgemeinde geführt hat. - How did Adventists come to believe what they believe? How have those beliefs changed over the years? With compelling candor George Knight captures the ebb and flow of the doctrinal currents within Adventism, including controversies over the shut door, the law in Galatians at the 1888 General Conference, the Trinity, pantheism, Fundamentalism, the nature of Christ, and inspiration. The Adventist Church was founded by independent thinkers who would have disagreed with several of the church's current 27 fundamental beliefs. But over the years strength arose out of contention, and consensus out of debate. From William Miller to Desmond Ford, Knight catalogues the colorful personalities who shaped the discussion, and shows how God has led Adventism into a broader and deeper understanding of His eternal truth. - A Word to the Reader, A Note From the Author, List of Abbreviations, Chapter 1: The Dynamic Nature of "Present Truth", Present Truth: Fluid Rather Than Static, The Avoidance of Creedal Rigidity, The Pathway of Progressive Understanding, Chapter 2: Adventism Wasn't Born in a Vacuum, The Theological Roots of Adventism, Millennial Visions, Chapter 3: The Millerite Theological Foundation, Miller's Use of the Bible, Miller on the Second
