

Sea Wolfe Pirates Of Britannia Lords Of The Sea Book 4 Pirates Of Brittania

On a ship traversing the dangerous seas in 1710, surrendering to the swashbuckling pirates of The Manhunter will yield the most pleasurable of outcomes. Thomas Treadwell takes to the high seas as a sailor on a merchant ship as he searches for freedom, a difficult thing to find for a man such as himself in the 18th century. While he must hide his most essential self in the daylight, his forbidden desires are allowed brief tastes of clandestine passion under the cover of night and with faceless partners. It's not the freedom he'd hoped to one day find, but it was better than most realities for a catamite. Caught in the taboo act aboard the Virtue, a pious ship captained by the sanctimonious Captain Temperance Stone, Thomas faces death for his crime of finding pleasure with a fellow sailor. But his fate changes in an instant when the Virtue is caught and boarded by the notorious Manhunter, a pirate ship purportedly manned by men just like him, men who desire men, men who desire men. The ship of criminal misfits offers him safe harbor as a guest, and what was always forbidden is accepted and celebrated. Celebrated heartily and with many of his newfound sailing companions. But when he stumbles upon their mysterious secret, passions and suspicions are aroused. Thomas must decide whether to join their ranks for good, making him a criminal in his own eyes. Lust in the Caribbean delivers sexy scenes and high adventure, transporting readers back to a faraway place and time. Dive deep and experience the journey right alongside Thomas, as he discovers the meaning of acceptance, loyalty and the rule of love over law.

Welcome to the Pirates of Britannia Connected World. GOD OF THE SEAS brings Poseidon's Legion to life during the 13th century and is full of adventure and passion. 1263 A.D. - Melisent Winchester grew up in a convent, orphaned at so young an age that she can't remember her parents. When a dying nun confesses that Melisent is her daughter, she also reveals that Melisent is a love child, the result of a liaison between the nun and England's king. Because of political turmoil, Melisent's life is now in danger. An unnamed knight spirits Melisent away and places her on a ship bound for Cornwall, where she'll wed a Cornish baron. As commander of the band of English pirates known as Poseidon's Legion, Godwin Trenoweth is a man feared by all. When his crew stops to plunder a vessel, little cargo is aboard, but something of great value is found locked in a cabin-King Henry's bastard daughter. Godwin takes the fiery-haired beauty captive, planning to ransom her to both the king and her intended husband until Godwin decides he wants the beauty for himself. When Godwin learns he was sold as a boy to the brotherhood of pirates he now commands so that his greedy uncle could claim the earldom Godwin should have inherited, he seeks not only revenge, but a way to leave his pirate life behind in order to offer Melisent a better life. Will Godwin and Melisent find his uncle and claim a new life-or will Lord Stephen de Blays claim Melisent for himself? GOD OF THE SEAS serves as a prequel for The King's Cousins, a new trilogy by Alexa Aston. Each book in The King's Cousins Trilogy is a standalone story that can be enjoyed out of order. Look for this exciting medieval romance trilogy in February and March of 2019. Series Order: Book #1: The Pawn Book #2: The Heir Book #3: The Bastard 1444 A.D. - Constantine le Breque a man of many facets. As the bastard son of Henry V, he was raised in secret to protect him from the king's enemies and lived his life knowing that his royal blood was a curse. He was, however, properly educated and trained as a knight, and one of the very best England has ever seen. But when he falls in love with the wrong woman, the course of his life is irrevocably changed.... Now, Constantine is known as the fearsome English pirate called LEADER OF TITANS, but his experience with his ex-lover wasn't enough to drive him away from women. He loves them, and loves them in droves. Passion, plunder, and pirates his is motto. Enter Lady Greggoria "Gregg" de Moyon. A pious woman, she was given a sacred object by her husband, an object much sought after by the terrible French pirates who roam the coast between Brittany and England. When her husband is killed by the French pirates on their quest for the treasure, Greggoria must turn to Constantine for help. She knows that only a pirate of equal strength can fight off the French and save her from most certain doom. Constantine is more than willing to help the beautiful woman with the unusual name. But when he unexpectedly falls for her, the man with more women than a Arab shiek finds that his task has just become unbearably complicated. Can he save Greggoria from the French pirates who want to see her dead? And the mysterious treasure that she is protecting... will it be his destruction?

Pirates of Britannia World

Book Four in the exciting PIRATES OF BRITANNIA Medieval Pirate series! 1445 A.D. - Rhoan de Wolfe has lost himself in the mystique of the powerful pirate known as Lucifer, the mysterious first mate of the leader of the Pirates of Britannia. A man with no past, and no future, Lucifer deliberately keeps the details of his life private but the truth is that a falling out with his father, years ago, have turned him into something dark, bitter, and brooding. But he is the best pirate in the group known as Poseidon's Legion, a band of English pirates based in Cornwall. When Lucifer and his mates intercept a merchant ship sailing from Ireland to Plymouth, little does Lucifer realize the treasure on board the vessel go far beyond monetary gain. A woman named Genevieve proves to be far more than merely a captive and in that instant, Lucifer's life is changed forever. Genevieve Efford was aboard her father's merchant vessel, traveling back to England to marry her betrothed, when the pirates attacked. Genevieve is a woman with strong ideals and she is vehemently opposed to marrying a man she does not love. Being captured by pirates is almost preferable, but Genevieve is a lady who does not easily surrender. Even as she plans to escape, the big, brooding pirate known as Lucifer captures her interest. For a man who has sworn off women, Lucifer is reluctantly drawn to the fiery lass. It is an attraction he cannot ignore and unexpected passion ignites between two people who have different ideals in life. Genevieve is the fire to his ice, but when a treacherous pirate in Lucifer's ranks seeks to separate Lucifer from his lady, but the bond between Lucifer and Genevieve is something that cannot be broken. Join the man named for a fallen angel and the woman he loves in a tale of romance, excitement, and most of all, pirate adventure as the Sea Wolfe rules the high seas. Kerk Lesander isn't any ordinary man...Kerk is an immortal, a son of Poseidon, who has walked the earth for centuries in the guise of a mortal man. His mission is to aid mankind, to help shape history, and through it all, Kerk and his brothers have maintained their dedication to their destiny. But there was one thing missing.... Love. If he falls in love, he will lose his immortality.In present-day San Diego, California, Kerk is a Navy SEAL. In the midst of saving a drowning victim, he meets police officer Karia Bayne. His attraction to Karia is instant but he doesn't view it as anything more than another conquest until he comes to realize that Karia is no ordinary woman. When Kerk is sent on a dangerous mission, another mission in a long line of dangerous ones, he comes to realize that there may be something more to falling in love than simply something to be feared. Maybe living as a mortal with the woman he loves is worth more than immortality.

Covers the history of the British Empire from 1600 to the present day, and its transition from ruler of half the world to its current status of isolated, economically fragile island.

The Beast of Blades

During a time of unprecedented political, social, and cultural upheaval in U.S. history, one of the fiercest battles was ignited by a comic book. In 1963, the San Francisco Chronicle made 21-year-old Dan O'Neill the youngest syndicated cartoonist in American newspaper history. As O'Neill delved deeper into the emerging counterculture, his strip, Odd Bodkins, became stranger and stranger and more and more provocative, until the papers in the syndicate dropped it and the Chronicle let him go. The lesson that O'Neill drew from this was that what America most needed was the destruction of Walt Disney. O'Neill assembled a band of rogue cartoonists called the Air Pirates (after a group of villains who had bedeviled Mickey Mouse in comic books and cartoons). They lived communally in a San Francisco warehouse owned by Francis Ford Coppola and put out a comic book, Air Pirates Funnies, that featured Disney characters participating in very un-Disneylike behavior, provoking a mammoth lawsuit for copyright and trademark infringements and hundreds of thousands of dollars in damages. Disney was represented by one of San Francisco's top corporate law firms and the Pirates by the cream of the counterculture bar. The lawsuit raged for 10 years, from the trial court to the US Supreme Court and back again.

Michael Hadley and Roger Sarty shed new light on Canadian and German history -- and on Canada's naval defences in particular -- by exploring the naval operations and politics of both nations between 1880 and 1918. Beginning with Canada's feeling of "Splendid Isolation" and Germany's imperial ambitions against North America, the authors' intriguing and graphic account takes us from the early turmoil of federal politics in Canada to the conflict of the Great War and the eventual mothballing of the Canadian fleet. Having conducted an exhaustive study of Canadian, German, American, and British sources -- many of which have not been examined before -- Hadley and Sarty evaluate such major issues as policies and practice; intelligence schemes and spy scares; naval bills and the Dreadnought crisis; U-boats, commercial submarines, undersea cruisers, and surface raiders; and coastal patrols and convoy protection. Many factors that were believed to have been responsible for shaping -- and mishapping -- the Canadian Navy of 1939-45 are shown to have been in play during the First World War. Tin-Pots and Pirate Ships reveals the Canadian tradition of building a fleet only when needed, dismantling it once the conflict is over, and ultimately accepting terms dictated by alliance partners.

This ninth volume of The Flashman Papers finds that history's most unheroic hero, Sir Harry Flashman, is back in India, where his saga began. This time, our hero is sent by Her Majesty's Secret Service to spy on the corrupt court of Lahore, on India's Northwest Frontier. Flashy deals with a ravishing maharini and her equally sex-hungry maid, joins forces with an American adventurer with royal ambitions, and attempts to win the brightest jewel in England's imperial crown at the cost of something he will never miss—namely, his honor.

1270 A.D. - An epic story of loss, love and redemption. On the Seventh Crusade, Sir Alec Summerlin makes a horrible mistake that costs him everything. Once the greatest swordsman in the realm, he lays his weapon down and refuses to ever wield a broadsword again. Surrendering his spurs, he retires to his father's castle in self-imposed exile. His father, however, has other ideas for his greatest son and betroths him to a local ale heiress. The Lady Peyton de Fluornoy is as resistant to marriage as Alec is, but she gradually begins to warm to the man who has given up on life. Alec comes to know a lady of spirit, beauty and intelligence. Before their marriage can happen, however, Alec's father is blackmailed by a neighbor who wants Peyton for his own son. Now deeply in love, Alec elopes with Peyton and an entirely new world of danger and passion opens up for them both. As the conflict with the neighbor heats up, deep and horrific secrets are revealed, and Peyton ends up in grave danger. Alec must recant his vow and draw his sword again to save the woman that he loves as The Legend is once again reborn.

1228 A.D. – After a vicious battle with old adversaries that sees his father killed, Sir Dennis d'Vault finds himself the head of the House of d'Vault. A house descended from the kings of Cornwall, they are a proud but warring people. Their most hated enemy is their neighbor to the north, the rich and cunning Earl of Cornwall. Dennis, however, is not like his forefathers; a giant of a man and a skilled warrior, he is also quiet and gentle. He does not possess the same fiery instincts of his family and for that, he is often looked upon as weak. But Dennis is anything but weak; he is brilliant and introspective. He knows what it takes to achieve real peace. When his father is killed, he sends an offer of marriage to the Cornwall to cement a peaceful alliance between the two warring neighbors. Dennis is trustworthy; the earl is not. Little does Dennis realize that his offer to marry a woman of the earl's choosing will change his life more drastically than he could ever imagine, and put the House of d'Vault in danger of being wiped from the face of the earth. The Lady Ryan de Bretagne is the daughter of the earl's captain. Having no daughters himself, the earl chooses Ryan to marry into the hated House of d'Vault. Ryan is a feisty, head-strong woman and wants no part of the marriage, but is forced to wed the giant knight with the mysterious gray eyes. When he takes her back to St. Austell

Castle, she is introduced to a shocking new world of women who dress and fight as knights, of filthy keeps and filthy men, and of a people who want to hate her simply because she is related to the Earl of Cornwall. As Ryan struggles to become acclimated to her strange and frightening new world, the Earl of Cornwall works in secret to destroy the treaty he has agreed to fulfill, thereby eliminating the House of d'Vault once and for all so he can confiscate their lands. At the heart of all of the earl's animosity is a terrible secret that binds Cornwall to the House of d'Vault, something so awful that it cannot be spoken of. But those who know the secret know how very shameful it is to both sides. Join Dennis and Ryan as they face one crisis after another, from pirates that lay siege to St. Austell Castle, of dark family secrets, and to wars in Wales when Dennis is forced to fight for the king in order to save his beloved castle. But no obstacles are too much for Dennis and Ryan to overcome because beneath the hatred and deceit, murder and lies, a love stronger than life itself binds them together even as their two worlds try to tear them apart.

An epic Medieval romance written in the same old-world vein as 'Ivanhoe', this is a tremendously powerful story of Sir Bose de Moray and the Lady Summer du Bonne. Bose was the Captain of the Guard for King Henry III until Bose's wife's untimely death in childbirth. Blaming himself and wanting to be free of the memories, he resigns his post and joins the tournament circuit to compete for money and fame. But dark rumors follow Bose; his mother-in-law is a vicious woman who blames Bose for her daughter's death. She starts nasty rumors that Bose murdered his wife, and everyone on the tournament circuit is fearful of this dark, frightening knight. Enter the Lady Summer du Bonne. A beautiful woman with a stammering problem, she has been kept hidden away from the world by her embarrassed father and protective brothers. Summer meets Bose at a tournament hosted by her brothers and for Bose, it is love at first sight. But the terrible rumors plague his attempts to get to know the lady, who is attracted to him as well. Summer's drunken father eventually pledges his daughter to Bose, but Bose's mother-in-law interferes and Summer's father decides to pledge Summer to an unscrupulous knight who has shown interest in her, and who would like nothing better than to see de Moray come to ruin. With so many forces working against the, Bose and Summer elope but they are captured and Bose is brought up on charges of thievery. A massive trial ensues and with a death sentence hanging over his head, only a miracle can save Bose and restore his honor.

Book Three in the new Pirates of Britannia: Lords of the Sea series! A daring brotherhood, where honor among thieves reigns supreme, and crushing their enemies is a thrilling pastime. These are the Pirates of Britannia. Thornley "Thor" MacLeod, Captain of The Sea Devil and prominent member of the Devils of the Deep is out for one thing and one thing only--revenge against Santiago Fernandez, leader of Los Demonios de Mar. Tormented by the demons of his past, he knows the only relief to his pain will be spilling the blood of his enemy. When he learns that Santiago seeks to find a child he abandoned nearly two decades before, Thor is determined to find the precious treasure first. Which means, Thor may have to sacrifice his honor in order to exact the perfect vengeance.

Orphaned at a young age, Alesia Baird has grown up along the harsh coasts of Scotland, bearing witness to many a nightmare. With the hangman's noose dangling ever closer to her neck, she has to find a way to escape the only life she's ever known. When she overhears a pirate mention he seeks the child of Santiago Fernandez, Alesia takes the leap, knowing this could be her only way out. Alesia must keep up the ruse long enough to escape with her life, and perhaps a sack full of jewels. But when it comes time to jump ship, she finds her destiny may have led her in a different path. Will the hardened Highlander allow a lass into his heart-or is she destined to be forever alone?

1291 A.D. ¶ Keir St. Hever is a powerful garrison commander for Lord Coverdale on the border of the Cumbrian vales. Whilst attending battle, he receives word that his own castle is under attack. Keir returns to Pendragon Castle to discover that his wife and daughter have been murdered, and his young son is missing. So begins Keir's descent into hell and despair. Three years later, Keir is still searching for his son as he is called upon to rescue the family of an ally whose castle is under siege. Once Keir fights his way inside, the damsel he is supposed to rescue does not believe he is there to assist her and a great battle ensues. But somewhere during that battle, Keir finds a strange and uncontrollable fascination with the Lady Chloe-Louise de Geld. When she's not trying to gouge his eyes out, he catches glimpses of a woman of magnificent red hair, porcelain skin, and delicate features. And so, the love story begins¶. Chloe is a much sought after beauty, brilliant, sweet and feisty. She awakens within Keir long-dormant emotions, feelings he believed died when his family perished. He doesn't want to love Chloe but he cannot help himself. His attention should be on finding his missing son but he finds it diverted by a woman he is falling more deeply in love with by the day. A vindictive and evil neighbor, however, who has wanted Chloe for his own, discovers St. Hever's interest and uses lies and manipulation to convince Keir that he has Keir's long-lost son. He proposes a trade ¶ Chloe for the boy. Before Keir can make a decision, Chloe takes matters in to her own hands and the situation goes horribly awry. Through death, battle, vengeful enemies and ghostly visitors, Keir and Chloe's love remains strong and unbreakable, and in the end Keir must once again wield his sword to save the woman he loves. With flashbacks of the family he was unable to save, will he be too late?

The ever-growing demand for commercial activities at sea has meant that ships are rapidly developing and that the rules governing their construction and operation are changing. Practical Ship Design records these changes, their outcomes and the reasoning behind them. It deals with every aspect of ship design and handles a wide range of both merchant ships and naval ships with authority. It provides coverage of cargo ships and passenger ships, tugs, dredgers and other service craft. It also includes concept design, detail design, structural design, hydrodynamics design, the effect of regulations, the preparation of specifications and matters of costs and economics. Drawing on the author's extensive practical experience, Practical Ship Design is likely to interest everybody involved in the design, construction, repair and operation of ships. Students and the most experienced professionals will all benefit from the book's vast store of design data and its conclusions and recommendations.

The light tempted him away from his purpose, and though he enjoyed what he could find in the light, he chose to stay in the shadows cast by it.Commander Torin Gray is known among the Bruce's most elite Highland warriors as Shadow because of his prowess at infiltrating any English stronghold and discovering its weaknesses before bringing the king's army to its doors. His greatest skill is gaining trust and friendship from his enemies while planning their demise. He feels no shame or regret for the things he's done, the people he's killed. He wants no reward. After watching the English massacre his family when he was a boy, he vowed revenge on them all, one stronghold at a time. For him, the Scottish War of Independence is personal and he will not be stopped.But nothing could have prepared him for the beautiful outlaw he's about to face, or how bravely she draws him out of the shadows and into the light. Braya Hetherington has always wanted to raid and fight like the men in her family, but her skill as a reiver is frowned upon because she's a woman--especially because she is better at raiding than the men. Having already lost one brother to war with the Scots, Braya is a warrior who seeks peace. So when a handsome knight appears at the side of the Warden of the Western Marches and is accused of murdering four of her thieving cousins, she must discover if he is innocent, or risk war. But Torin Gray is unlike any man she's ever met before. He enjoys the scent of a flower and he doesn't find her unappealing when she almost beats him at practice. Mostly, his needful kisses and possessive touch make her feel weak. And she likes it. Will she forgive him when she discovers he is here to bring the hated Scots down upon them?Or must she kill him before he succeeds?
