Books in this bundle: Book One: On the Edge of Humanity Dragged into the principal's office at my latest loathsome school, I meet the darkly appealing Webb London. My world as I know it implodes. Part of a secret Navy SEAL team of natural-born vampires, Webb reveals an evil cartel has abducted my twin brother Sam to claim an agent in his blood. But what flows through his veins runs through mine as well. A dormant gene, if activated, is all it will take to transform me into a vampire. Now, that could be my only hope to save Sam. Time is running out, and the stakes couldn't be higher. His life, or my humanity? One way or another, nothing will ever be the same. Book Two: On the Edge of Eternity A human boy wants to date me. Another wants to kill me. And a Navy SEAL vampire keeps sending me mixed messages. Yet as I adjust to my novel powers and battle to restrain my vampiric urges, an enemy is closing in. Book Three: On the Edge of Destiny I'm days away from standing trial for the death of my nemesis. My next home could be a cold dark cell in a vampire prison, and my DNA is the secret ingredient my enemy needs to build an army of vampires. But nothing can faze me. I have an expert lawyer on my case. The facts are indisputable. My powers are lethal and stronger to combat my enemy, and my relationship with the smoking hot Vampire Navy SEAL, Webb London, is thriving. Until the nightmares begin. Book Four: On the Edge of Misery My dreams warned me of the danger coming for Webb. There's a chance they could lead me to him. If I only could fall into a restful sleep that now eludes me. The stress is taking its toll on my body and powers until the phone rings. They say they'll trade my life for his. Warn me that I must come alone. With the watchful eyes of my father and brother, it will be next to impossible to escape. Still, I will stop at nothing to save the man I love. Book Five: On the Edge of Infinity War is coming. I've dreamed of it. I feel it deep down in my bones. It's pulsing with a sinister strength deadlier than anything I've faced before. It's time to take a stand. To rise up against my adversaries who want me dead or enslaved. I want a family, an ordinary life, and that fable happy ending with my one true love, Webb. Now, I can only pray we both make it out alive. Praise for the series: "A FANTASTIC series that I was sucked into and binge

An updated edition of the blockbuster bestselling leadership book that took America and the world by storm, two U.S. Navy SEAL officers who led the most highly decorated special operations unit of the Iraq War demonstrate how to apply powerful leadership principles from the battlefield to business and life. Sent to the most violent battlefield in Iraq, Jocko Willink and Leif Babin's SEAL task unit faced a seemingly impossible mission: help U.S. forces secure Ramadi, a city deemed "all but lost." In gripping firsthand accounts of heroism, tragic loss, and hard-won victories in SEAL Team Three's Task Unit Bruiser, they learned that leadership—at every level—is the most important factor in whether a

team succeeds or fails. Willink and Babin returned home from deployment and instituted SEAL leadership training that helped forge the next generation of SEAL leaders. After departing the SEAL Teams, they launched Echelon Front, a company that teaches these same leadership principles to businesses and organizations. From promising startups to Fortune 500 companies, Babin and Willink have helped scores of clients across a broad range of industries build their own high-performance teams and dominate their battlefields. Now, detailing the mind-set and principles that enable SEAL units to accomplish the most difficult missions in combat, Extreme Ownership shows how to apply them to any team, family or organization. Each chapter focuses on a specific topic such as Cover and Move, Decentralized Command, and Leading Up the Chain, explaining what they are, why they are important, and how to implement them in any leadership environment. A compelling narrative with powerful instruction and direct application, Extreme Ownership revolutionizes business management and challenges leaders everywhere to fulfill their ultimate purpose: lead and win.

GUTS: Greatness Under Tremendous Stress—A Navy SEAL's System for Turning Fear into Accomplishment

On the Edge of Misery

Ask anyone and they'll tell you I'm a professional. I spent ten years as a Navy SEAL, where I learned discipline, and now even in civilian life I apply that discipline to my job as an executive at Palladium Corp, a security company. But it's hard to be professional when an auburn-haired goddess is your secretary. I didn't hire Corin because she's beautiful, but, damn, it didn't hurt her chances. Feisty, smart, driven, she's everything I want in a woman, but she's my employee, not my lover. At least not yet. Still, there's something there. Something she's hiding from me, and considering my company is involved in some shady dealings I'm

not supposed to know about, I can't help but wonder if she's a beautiful angel sent to help me, or a seductive demon sent to tempt me. I'm just going to have to enjoy finding out.
