

Secret Santa Sir

In an impeccably indescribable and inexplicable place called heaven, Lucifer throws the gauntlet before God. He challenges God to pick someone for one temptation-filled test. God needs someone like Job for this test. The world is a mess. God takes a back seat in the lives of many. Violence begets violence. Blood is meeting blood. The yawning gap between the haves and have-nots irks only a few. The concern for the destitute drives a scientist, Dr. Decxtrose Epitoppe, to develop a highly nutritious drink from cellulose-wastes in the middle of this chaos. As a result, socioeconomic and health disparities drop drastically in developing countries. Unfortunately, Decxtroses euphoria also plummets when the assistant pastor of their church unexpectedly discovers that Decxtroses mother is a prostitute. The church revokes Mrs. Epitoppes membership, removes the senior pastor for advocating forgiveness, and promotes the assistant pastor to the helm for his bold expos. Soon, the fatherless Decxtrose becomes a suspect in the eyes of his family and the church. They find it difficult to ignore the power of genetics. In this tumbling maelstrm of a journey, Decxtrose tries to balance work, family, and God. Many photos. Biographies of residents and history of the county

Charles King is a dedicated and caring teacher who falls in love with a former student and sends her a message expressing his feelings. This leads Charles to face up to a previous tragedy and sets him on a path of self discovery and personal healing. At the same time he finds himself at the centre of an extraordinary witch hunt that leaves him increasingly bewildered and exasperated.

YOU'D BETTER WATCH OUT. YOU'D BETTER NOT CRY. SANTA CLAUS IS GOING TO DIE...DCI Boaz Matthias isn't a Christmas person. He never has been. Not since he discovered the truth when he was seven. Christmas is a lie and a con and nothing is ever going to change his mind. Being given a temporary six week assignment isn't helping his mood either—as it means Christmas with the family. Only good thing is the accidental meeting of someone he thinks he could grow very fond of. DC Isabel York loves Christmas. So much so that she decorates her desk with lights, tinsel, and a novelty advent calendar. When her boss is called away, his replacement is the last person she's expecting to see—her fledgling boyfriend. In the middle of a nasty case, Isabel is nevertheless determined to show Boaz the real meaning of Christmas. The only problem is that work and pleasure just don't mix—at least not according to him.

The Office meets Stephen King, dressed up in holiday

tinsel, in this fun, festive, and frightening horror-comedy set during the horror publishing boom of the '80s, by New York Times best-selling satirist Andrew Shaffer. Out of work for months, Lussi Meyer is desperate to work anywhere in publishing. Prestigious Blackwood-Patterson isn't the perfect fit, but a bizarre set of circumstances leads to her hire and a firm mandate: Lussi must find the next horror superstar to compete with Stephen King, Anne Rice, and Peter Straub. It's the '80s, after all, and horror is the hottest genre. But as soon as she arrives, Lussi finds herself the target of her co-workers' mean-spirited pranks. The hazing reaches its peak during the company's annual Secret Santa gift exchange, when Lussi receives a demonic-looking object that she recognizes but doesn't understand. Suddenly, her coworkers begin falling victim to a series of horrific accidents akin to a George Romero movie, and Lussi suspects that her gift is involved. With the help of her former author, the flamboyant Fabien Nightingale, Lussi must track down her anonymous Secret Santa and figure out the true meaning of the cursed object in her possession before it destroys the company—and her soul.

When Lieutenant Gavin Kelly's recon platoon swims ashore a Mogadishu beach under the glare of hundreds of news camera lights, it is an appropriately surreal beginning to Operation Restore Hope. This modern war is vastly different from the battles Kelly's father and grandfather fought and from the young lieutenant's own experience during Operation Desert Storm. Minutes after

the Marines' celebrated landing, one of Kelly's men kills an armed Somali bodyguard. The circumstances of the killing are unclear and Kelly finds himself in the center of a maelstrom. He must act quickly to deflect a vociferous outcry from members of the international press corps, censure by his Marine superiors, and the possibility of losing the loyalty of his men -- particularly two enlisted leaders in the platoon who have vouched for the necessity of the kill. Thus begins *Sharkman Six*, a stinging morality tale in which Kelly is torn between his men, his confusing mission, and the international rules of engagement he has sworn to uphold. As his platoon descends into the lawless, violent underbelly of Somalia, Lieutenant Kelly must determine his own values -- and allegiances -- in a country where murders are commonplace and constant. With heart-pounding, intricate military detail, rapier wit, and stunning verisimilitude, *Sharkman Six* speaks to the violent urges lurking in us all and the lengths to which we will go to control them. In Gavin Kelly, West has created an authentic, sympathetic, and wholly compromised young officer of war who will put you in mind of the best of military heroes and antiheroes.

American short-horn herd book, containing pedigrees of short-horn cattle

Have you ever wondered what Santa Claus does for fun in his

spare time? Now you can find out with Santa's Hobbies. This book also includes a mini game where the reader can find hidden stars on each page. This picture book is for children ages 2-5.

'Tis the season. Greg's nights are silent and his bells don't jingle. This time last year his boyfriend broke up with him, and he's determined to get through these holidays with only minor bruising. So what if he lives with a cat and his best friend is his mother? Peace and quiet: that's life how he likes it. Nothing is going to blindside him this year, no sir.

Especially not a rogue secret Santa.

How do we understand Christmas? What does it mean? This book is a lively introduction to the study of popular culture through one central case study. It explores the cultural, social and historical contexts of Christmas in the UK, USA and Australia, covering such topics as fiction, film, television, art, newspapers and magazines, war, popular music and carols. Chapters explore the ways in which the production of meaning is mediated by the social and cultural activities surrounding Christmas (watching Christmas films, television, listening or engaging with popular music and carols), its relationship to a set of basic values (the idealised construct of the family), social relationships (community), and the ways in which ideological discourses are used and mobilised, not least in times of conflict, terrorism and war.

Things really go to seed in the newest novel in the New York Times bestselling Book Retreat mysteries... There is a hidden garden bordering the grounds of Jane Steward's book-themed resort—a garden filled with beautiful but deadly plants such as mandrake and nightshade. Tucked away behind ivy-covered walls and accessible only through a single locked door, as described in the pages of Frances Hodges Burnett's classic novel, the garden is of special interest to Jane's current group of guests, The Medieval Herbalists. But when one of them turns up dead, Jane must discover whether a member of the group has come to Storyton Hall to celebrate their passion for plant lore or to implement a particularly cruel means for murder. With thousands of books at her disposal, Jane believes she has the proper materials to solve this deadly problem. If she's wrong, however, she may lose something far more precious than the contents of Storyton's secret library...

After an invigorating trip through the Rocky Mountains, recent graduate Carlson Veitch lands his first real job. The idealistic young

man thinks success will require nothing more than wearing a tie, a regular bedtime and a daily shave. Little does Carlson know that a labour dispute, impossible students and a villainous boss are all ready to test his resolve. Nicholas Adams debut novel Escaping the Grind flings you into the angst-filled world of Carlson Veitcha world that hovers between irreverence, sardonic humour and just the right touch of young male vulnerability. Then just when you think its merely a brilliantly funny book, it sets you down gently into moments that are poignant and heartwarming. Sherry Hinman, vice-president, Ontario Writers conference, editor, writer, teacher "Very compelling. Its light, breezy and witty." -- Terry Fallis, author of The Best Laid Plans, winner of the Stephen Leacock award for humour

From basketball dreams and family fiascos to first crushes and new neighborhoods, this anthology, written by award-winning children's authors, celebrates the uniqueness and universality in all of us.

What else will the Telegraph's indefatigable, outraged, and above all very funny letter-writers fail to get the Letters Page to take seriously in 2010 - with the result that we have to collect their memorable missives in

another book? Already there are enough fulminations on Chris Evans replacing Terry Wogan to fill an entire chapter. Gordon Brown's temper? Bankers' bonuses? E-books? The state of Ashley and Cheryl Cole's marriage? One thing is for sure: the result will be the only review of the year you really need, a book to make Victor Meldrew look as pure as driven snow, and a handsome little volume to sell once again in its tens of thousands.

The Secret Santa Mystery

It's the most wonderful time of the year. Losing a parent is never easy, and during the holidays the emptiness seems magnified. Local newspaper owner Neil Bailey knows that firsthand. That's why he's determined to help his neighbor, Dr. Charli Prescott, find the meaning of the season. Luckily he has enough cheer to go around and the recipe for perfect cocoa. If that isn't enough to get Charli into the spirit, the town also has a Secret Santa. Everyone's buzzing with news of the large anonymous donation and, once Neil promises to discover Santa's identity, his paper's circulation numbers skyrocket. It's his duty to

report the truth. Except, as he gets closer to Charli, he's sure she's keeping something from him. All he can try to do is keep his journalistic integrity intact while protecting the woman he thought was his Christmas miracle.

From the acclaimed author of Roll with It and Tune It Out comes a funny, moving, and “not to be missed” (Kirkus Reviews, starred review) middle grade novel about a boy who uses his unusual talent for decoding people’s trash to try to fit in at his new school. Hugo is not happy about being dragged halfway across the state of Colorado just because his dad had a midlife crisis and decided to become a ski instructor. It’d be different if Hugo weren’t so tiny, if girls didn’t think he was adorable like a puppy in a purse and guys didn’t call him “leprechaun” and rub his head for luck. But here he is, the tiny new kid on his first day of middle school. When his fellow students discover his remarkable talent for garbology, the science of studying trash to tell you anything you could ever want to know about a person, Hugo becomes the cool kid for the first time in his life. But what happens when it all goes to his head?

He will do everything in his power to keep her safe. Paige Turner has known her fair share of ups and downs, but being dropped by her fiancé two weeks before Christmas has to be the icing

on the cake. The young coffee shop owner is stunned to find her long-time boyfriend capable of such callous treatment, that is until 'McHottie Coffee Guy', aka Elijah Novak, takes pity on her and poses as her fake boyfriend. Now, Paige has a plus one for her cousin's wedding, as well as a bunch of rumors circulating that are solely directed at her. While she caters her cousin's wedding, she juggles that with her growing attraction to the extremely hot coffee shop customer, and eventually finds herself as the target of multiple kidnapping attempts. When it turns out that Elijah is a retired assassin, Paige realizes he is able to help her in more ways than one, since keeping Paige safe has just become his number one priority. But who, exactly, is after her, and why? Publisher's Note: This steamy contemporary mystery contains graphic scenes and a theme of power exchange.

Sitting on the top deck of a bus days before Christmas, Maya sees a couple arguing violently in the middle of a crowded Regent Street. They see her watching, she looks away, and the woman disappears. Maya goes to the police, who shrug and send her away. Then a body turns up... Now convinced she is a vital witness to a crime, the police send Maya into hiding in rural Wales. She resolves to get to the bottom of the mystery. Then the snow comes and no one can
