

## Secrets Of Jewish Wealth Revealed

A renowned expert in Chinese sports medicine and martial arts reveals ancient Eastern secrets for healing common injuries, including sprains, bruises, deep cuts, and much more. For centuries, Chinese martial arts masters have kept their highly prized remedies as carefully guarded secrets, calling such precious and powerful knowledge "a tooth from the tiger's mouth." Now, for the first time, these deeply effective methods are revealed to Westerners who want alternative ways to treat the acute and chronic injuries experienced by an active person. While many books outline the popular teachings of traditional Chinese medicine, only this one offers step-by-step instructions for treating injuries. Expert practitioner and martial artist Tom Bisio explains the complete range of healing strategies and provides a Chinese first-aid kit to help the reader fully recover from every mishap: cuts, sprains, breaks, dislocations, bruises, muscle tears, tendonitis, and much more. He teaches readers how to: Examine and diagnose injuries Prepare and apply herbal formulas Assemble a portable kit for emergencies Fully recuperate with strengthening exercises and healing dietary advice Comprehensive and easy to follow, with drawings to illustrate both the treatment strategies and the strengthening exercises, this unique guidebook will give readers complete access to the powerful healing secrets of the great Chinese warriors.

A hugely controversial work that exposes a series of scandals from Oliver North to the British royal family, The Secret War Against the Jews reveals as much about political corruption inside Western intelligence as it does about Israel. Using thousands of previously top-secret documents and interviews with hundreds of current and former spies, Loftus and Aarons, both veteran investigators, Nazi-hunters, and authors, present a compelling narrative. The authors demonstrate that numerous Western countries, especially the United States and Great Britain, have conducted repeated and willful spying missions on Palestine and later Israel over many decades. While on the surface these two countries and others profess to be ardent allies of Israel, they work, in fact, through their intelligence services to betray Israel's secrets to the Arabs. Their motive: oil and multinational profits, which must be attained at any price through international covert policies. The patient paper trail that revealed your father to be a man very different from the quiet, introspective dad you knew . . . or thought you knew? Growing up, author Mel Laytner saw his father as a quintessential Type B: passive and conventional. As he uncovered documents the Nazis didn't burn, however, another man emerged—a black market ringleader and wily camp survivor who made his own luck. The tattered papers also shed light on painful secrets his father took to his grave. Melding the intimacy of personal memoir with the rigors of investigative journalism, What They Didn't Burn is a heartwarming, inspiring story of resilience and redemption. A story of how desperate survivors turned hopeful refugees rebuilt their shattered lives in America, all the while struggling with the lingering trauma that has impacted their children to this day.

Vol. 4 covers the late Roman period to the rise of Islam. Focuses especially on the growth and development of rabbinic Judaism and of the major classical rabbinic sources such as the Mishnah, Jerusalem Talmud, Babylonian Talmud and various Midrashic collections.

The "explosive" (The New York Times) bestseller—now with a new introduction by the author When Hitler's Pope, the shocking story of Pope Pius XII that "redefined the history of the twentieth century" (The Washington Post ) was originally published, it sparked a firestorm of controversy both inside and outside the Catholic Church. Now, Cornwall has revisited this seminal work of history with a new introduction that both answers his critics and reaffirms his overall thesis that Pius XII, now scheduled to be canonized by the Vatican, weakened the Catholic Church with his endorsement of Hitler—and sealed the fate of the Jews in Europe.

With truly startling statistics and a wealth of anecdotes, Silbiger reveals the cultural principles that form the bedrock of Jewish success in America.

The author documents her experiences during World War II through a secret diary she kept during her time in a concentration camp and the years following the war.

The Kabbalah of Money

This book rants against Freemasonry, Satan, international banks, Napoleon and more. It makes a series of unsubstantiated claims against Jews and possibly substantiated ones against the Rothschilds of his time. If one can put the authors personal biases aside, there remains some good historical information about government, religion, and biased opinions, but wish to make the remaining facts available to those interested. Conspiracy buffs will enjoy it immensely. The book, in its entirety, should not be taken at face value;the truth that exists within it must be carefully extracted.

Looks at the principles of health, wealth, and prosperity practiced by the Jewish people in the Bible and how to apply these ideas to one's life.

A comprehensive resource provides line-by-line Talmud commentary for every portion of the Torah, in a reference for rabbinical leaders, individuals seeking a greater understanding of the weekly parsha, and students.

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

In this short, powerful book, multimillionaire and bestselling author Steven K. Scott reveals King Solomon's breakthrough strategies to achieve a life of financial success and personal fulfillment. Steve Scott flunked out of every job he held in his first six years after college. He couldn't succeed no matter how hard he tried. Then Dr. Gary Smalley challenged him to study the book of Proverbs, promising that in doing so he would achieve greater success and happiness than he had ever known. That promise came true, making Scott a millionaire many times over. In The Richest Man Who Ever Lived, Scott reveals Solomon's key for winning every race, explains how to resolve conflicts and turn enemies into allies, and discloses the five qualities essential to becoming a valued and admired person at work and in your personal life. Scott illustrates each of Solomon's insights and strategies with anecdotes about his personal successes and failures, as well as those of such extraordinary people as Benjamin Franklin, Thomas Edison, Oprah Winfrey, Bill Gates, and Steven Spielberg. At once inspiring and instructive, The Richest Man Who Ever Lived weaves the timeless truths of one of our greatest works of literature into a detailed roadmap for successful living today.

The New Secret Relationship between Blacks and Jews has been called one of the most serious anti-Semitic manuscripts published in years. This work of so-called scholars received great celebrity from individuals like Louis Farrakhan, Leonard Jeffries, and Khalid Abdul Muhammad who used the document to claim that Jews dominated both transatlantic and antebellum South slave trades. As Saul Friedman definitively documents in Jews and the American Slave Trade, historical evidence suggests that Jews played a minimal role in the transatlantic, South American, Caribbean, and antebellum slave trades. Jews and the American Slave Trade dissects the questionable historical technique employed in Secret Relationship, offers a detailed response to Farrakhan's charges, and analyzes the impetus behind these charges. He begins with in-depth discussion of the attitudes of ancient peoples, Africans, Arabs, and Jews toward slavery and explores the Jewish role in colonial European economic life from the Age of Discovery to Napoleon. His state-by-state analyses describe in detail the institution of slavery in North America from colonial New England to Louisiana. Friedman elucidates the role of American Jews toward the great nineteenth-century moral debate, the positions they took, and explains what shattered the alliance between these two vulnerable minority groups in America. Rooted in incontrovertible historical evidence, provocative without being incendiary, Jews and the American Slave Trade demonstrates that the anti-slavery tradition rooted in the Old Testament translated into powerful prohibitions with respect to any involvement in the slave trade. This brilliant exploration will be of interest to scholars of modern Jewish history, African-American studies, American Jewish history, U.S. history, and minority studies.

Five centuries after the forced conversion of Spanish and Portuguese Jews to Catholicism, stories of these conversos' descendants uncovering long-hidden Jewish roots have come to light and taken hold of the literary and popular imagination. This seemingly remote history has inspired a wave of contemporary writing involving hidden artifacts, familial whispers and secrets, and clandestine Jewish ritual practices pointing to a past that had been presumed dead and buried. The Converso's Return explores the cultural politics and literary impact of this reawakened interest in converso and crypto-Jewish history, ancestry, and identity, and asks what this fascination with lost-and-found heritage can tell us about how we relate to and make use of the past. Dalla Kandlyott offers nuanced interpretations of contemporary fictional and autobiographical texts about crypto-Jews in Cuba, Mexico, New Mexico, Spain, France, the Ottoman Empire, and Turkey. These works not only imagine what might be missing from the historical archive but also suggest an alternative historical consciousness that underscores uncommon convergences of and solidarities within Sephardi, Christian, Muslim, converso, and Sabbatean histories. Steeped in diaspora, Sephardi, transamerican, Iberian, and world literature studies, The Converso's Return illuminates how the converso narrative can enrich our understanding of history, genealogy, and collective memory.

The book features an appendix including the original Hebrew/Aramaic texts for the reader's reference.

The Immortal Life of Henrietta Lacks

The dawn of the nineteenth century found the Jews of Eastern Europe torn between the forces of progress and reaction as they took their first tentative steps toward the modern world. In a war of words and of books, Haskala—the Jewish Enlightenment—did battle with the religious revival movement known as Hasidism. Perl, an ardent advocate of Enlightenment, unleashed the opening salvo with the publication in 1819 of Revealer of Secrets, a novel that passed itself off as a hasidic holy book when it was, in fact, a broadside against Hasidism—a parody of its teachings and of the language of its holy books. The outraged hasidim responded by buying up and burning as many copies as they could. Dov Taylor's careful translation and commentary make this classic of Hebrew literature available and accessible to the contemporary English-speaking reader while preserving the integrity and bite of Perl's original. With Hasidism presently enjoying a remarkable rebirth, the issues in Revealer of Secrets are all the more relevant to those seeking to balance reason and faith. As the first Hebrew novel, the work will also be of great interest to students of modern Hebrew literature and modern Jewish history.

\*INCLUDES AN EXTRACT FROM ORIGIN, THE NEW THRILLER BY DAN BROW, OUT NOW\* ----- Harvard professor Robert Langdon receives an urgent late-night phone call while on business in Paris: the elderly curator of the Louvre has been brutally murdered inside the museum. Alongside the body, police have found a series of baffling codes. As Langdon and a gifted French cryptologist, Sophie Neveu, begin to sort through the bizarre riddles, they are stunned to find a trail that leads to the works of Leonardo Da Vinci - and suggests the answer to a mystery that stretches deep into the vault of history. Unless Langdon and Neveu can decipher the labyrinthine code and quickly assemble the pieces of the puzzle, a stunning historical truth will be lost forever...

"Meticulously researched...compels us to confront the current-day legacy of these Nazi ties." --Wall Street Journal A groundbreaking investigation of how the Nazis helped German tycoons make billions off the horrors of the Third Reich and World War II—and how America allowed them to get away with it. In 1946, Günther Quandt—patriarch of Germany's most iconic industrial empire, a dynasty that today controls BMW—was arrested for suspected Nazi collaboration. Quandt claimed that he had been forced to join the party by his archrival, propaganda minister Joseph Goebbels, and the courts acquitted him. But Quandt lied. And his heirs, and those of other Nazi billionaires, have only grown wealthier in the generations since, while their reckoning with this dark past remains incomplete at best. Many of them continue to control swaths of the world economy, owning iconic brands whose products blanket the globe. The brutal legacy of the dynasties that dominated Daimler-Benz, colounded Allianz, and still control Porsche, Volkswagen, and BMW has remained hidden in plain sight—until now. In this landmark work of investigative journalism, David de Jong reveals the true story of how Germany's wealthiest business dynasties amassed untold money and power by abetting the atrocities of the Third Reich. Using a wealth of previously untapped sources, de Jong shows how these tycoons seized Jewish businesses, procured slave laborers, and ramped up weapons production to equip Hitler's army as Europe burned around them. Most shocking of all, de Jong exposes how America's political expediency enabled these billionaires to get away with their crimes, covering up a bloodstain that defiles the German and global economy to this day.

Simcha Guterman's, Leaves from Fire, is a firsthand account written with the deep sense of comprehension he was documenting the fate of his people. Knowing full well that his life was in danger, Simcha chronicled the occurrences of the Holocaust on long scraps of paper, as they happened right before his eyes. The events described take place in Poland, during the first years of World War II. The author lived through the war, wrote in Yiddish, into bottles and hid in them in different places. One of these bottles was discovered after the war. Simcha Guterman's work has been published and translated into eight different languages, receiving high praise from critics. The book's evocative illustrations were drawn by Yaakov Guterman, the author's son.

Q: Ladies, do YOU Have What It Takes To Become A Forex Diva? A: Yes, You Do. With this incredible new step-by-step guide, investing pro and TV personality Kiana Danial shows you exactly how to understand and take advantage of foreign currency trading. Years ago, the author discovered that women in Japan were making a fortune trading currencies on the foreign exchange (forex) market. These ladies were not investment professionals or financial wizards; they were ordinary individuals who simply learned how the online currency exchange market works—and mastered it. Now you can do the same. In fact, you're about to see just how easy it can be to trade on the largest and most liquid financial market in the world. Kiana Danial spent years studying the habits of investors and discovered that women frequently make smarter, wiser, and less-risky investment choices than their male counterparts. This is precisely why she founded InvestDiva.com—the woman's guide to smart, safe, and profitable trading. By tapping into women's intuitive knack for multitasking and risk management, the author demonstrates why a woman's natural skill sets make her uniquely equipped to reap the enormous rewards of this extremely lucrative field. Invest Diva will show you: How the global currency market works Why social, political, and cultural events shape trading The smartest short- and long-term strategies Best practices for navigating the economic calendar Plus, you'll learn how to identify investment opportunities and spot trends using the five points of the Invest Diva Diamond.

\* Technical Analysis \* Fundamental Analysis \* Sentimental Analysis \* Capital Analysis \* Overall Analysis From her popular blog to her worldwide TV and web presence, Danial has become famous for making complex topics fun and easy to understand via simple, everyday analogies. With Invest Diva, she shows women everywhere the stress-free way to trade currencies—without ever leaving home. What the Boys of Wall Street don't want you to know . . . After years of studying the principles of the foreign currency exchange market, financial expert and financial correspondent Kiana Danial gets to the bottom of today's most curious investment phenomenon: Why are women suddenly making a fortune trading currencies? The answer is inside this book, along with a roadmap designed to show you how and why fore can work for you. "Kiana Danial breaks down a sophisticated foreign exchange market with memorable analogies that can help the most financially illiterate person understand and gain passion in following the markets the way Ms. Danial does." -- FAN YANG, CMT, CEO, FXTimes.com "A must-read if you're considering trading any market or need to know more about trading the forex market. Kiana is an experienced market analyst and a gifted communicator whose book confirms what a lot of men are coming to realize—that women have an edge in trading because they understand the value of analyzing and planning before they risk their time and money." -- JAY MORRIS, founder, Trading University, and author of Mastering the Currency Market

"A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary, The David Story is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

Spiritual Success Strategies for Financial Abundance

One of WWII Reads "Top 20 Must-Read WWII Books of 2018" • A Christian Science Monitor Best Book of September • One of The Progressive's "Favorite Books of 2018" "Masterful, not only filled with engrossing history but includes a cast of characters who could be the subject of Hollywood movies." —San Francisco Chronicle "Riveting. McConahay is a seasoned storyteller. Her stories are gripping, especially when she dives deep into little-known waters." —The Wall Street Journal "Fascinating. In McConahay's telling, wartime Latin America is a hotbed of skullduggery, violence, and cinematic propaganda straight out of Hollywood." —Christian Science Monitor The gripping and little known story of the fight for the allegiance of Latin America during World War II The Tango War by Mary Jo McConahay fills an important gap in WWII history. Beginning in the thirties, both sides were well aware of the need to control not just the hearts and minds but also the resources of Latin America. The fight was often dirty: residents were captured to exchange for U.S. prisoners of war and rival spy networks shadowed each other across the continent. At all times it was a Tango War, in which each side closely shadowed the other's steps. Though the Allies triumphed, at the war's inception it looked like the Axis would win. A flow of raw materials in the Southern Hemisphere, at a high cost in lives, was key to ensuring Allied victory, as were military bases supporting the North African campaign, the Battle of the Atlantic and the invasion of Sicily, and fending off attacks on the Panama Canal. Success in the Pacific included help from Hollywood and Mickey Mouse—while Jews and innocents among ethnic groups —Japanees, Germans—paid an unconscionable price. Mexican pilots flew in the Philippines and twenty-five thousand Brazilians breached the Gothic Line in Italy. The Tango War also describes the machinations behind the greatest mass flight of criminals of the century, fascists with blood on their hands who escaped to the Americas. A true, shocking account that reads like a thriller. The Tango War shows in a new way how WWII was truly a global war. Secrets of Jewish Wealth Revealed (Araic Edition) Secrets of Jewish Wealth Revealed: A roadmap to financial prosperity, was written to assist anyone who wishes to prosper and live the American dream. Blending humor, personal anecdotes, proverbial wisdom, and biblical references, Secrets of Jewish Wealth Revealed is a readable guide towards achieving prosperity throughout life's various stages. Rabbi Celso blends Godly wisdom and common sense, offering practical solutions that the Jewish people have used for thousands of years to build and strengthen their financial standing. He also highlights the pitfalls of many of our culture's poor spending habits, even though they've become accepted practices in today's world. "It makes no sense that someone would volunteer to be a slave, but that's exactly what's happening in the United States today," says Rabbi Celso. "Far too many people are signing up to become slaves to their credit card companies." Secrets of Jewish Wealth Revealed is a program of simple, but essential steps that Rabbi Celso believes will forever change the way people look at their finances, and handle their money. He discloses the eternal truths behind the oldest financial system in history, the one that has survived the test of time: the Jewish approach to financial management.

Dr. Norman Golb's classic study on the origin of the Dead Sea Scrolls is now available online. Since their earliest discovery in 1947, the Scrolls have been the object of fascination and extreme controversy. Challenging traditional dogma, Golb has been the leading proponent of the view that the Scrolls cannot be the work of a small, desert-dwelling fringe sect, as various earlier scholars had claimed, but are in all likelihood the remains of libraries of various Jewish groups, smuggled out of Jerusalem and hidden in desert caves during the Roman siege of 70 A. D. Contributing to the enduring debate sparked by the book's original publication in 1995, this digital edition contains additional material reporting on new developments that have led a series of major Israeli and European archaeologists to support Golb's basic conclusions. In its second half, the book offers a detailed analysis of the workings of the scholarly monopoly that controlled the Scrolls for many years, and discusses Golb's role in the struggle to make the texts available to the public. Pleading for an end to academic politics and a commitment to the search for truth in scrolls scholarship, Who Wrote the Dead Sea Scrolls? sets a new standard for studies in intertestamental history "This book is 'must reading'... It demonstrates how an particular interpretation of an ancient site and particular readings of ancient documents became a straitjacket for subsequent discussion of what is arguably the most widely publicized set of discoveries in the history of biblical archaeology..." Dr. Gregory T. Armstrong and Zvi Etzion's "Church History" Golb "gives us much more than just a fresh and exciting interpretation of the origin and significance of the Qumran Scrolls. His book is also... a fascinating case-study of how an idea fixe, for which there is no real historical justification, has for over 40 years dominated an elite coterie of scholars controlling the Scrolls..." Daniel O'Hara, "New Humanist"

In The Women of Rothschild, Natalie Livingstone reveals the role of women in shaping the legacy of the famous Rothschild dynasty, synonymous with wealth and power. From the East End of London to the Eastern seaboard of the United States, from Spitalfields to Scottish castles, from Bletchley Park to Buchenwald, and from the Vatican to Palestine, Natalie Livingstone follows the extraordinary lives of the Rothschild women from the dawn of the nineteenth century to the early years of the twenty-first. As Jews in a Christian society and women in a deeply patriarchal family, they were outsiders. Excluded from the family bank, they forged their own distinct dynasty of daughters and nieces, mothers and aunts. They became influential hostesses and talented diplomats, choreographing electoral campaigns, advising prime ministers, advocating for social reform, and trading on the stock exchange. Misfits and conformists, conservatives and idealists, performers and introverts, they mixed with everyone from Queen Victoria to Chaim Weizmann, Rossini to Isiah Berlin, and the Duke of Wellington to Alec Guinness, as well as with amphetamine-dealers, suffragists and avant-garde artists. Rothschild women helped bring down ghetto walls in early nineteenth-century Frankfurt, inspired social movements of the Victorian period, and in the mid-twentieth century burst into America, where they patronized Theolonius Monk and drag-raced through Manhattan with Miles Davis. Absorbing and compulsive, The Women of Rothschild gives voice to the complicated, privileged, and gifted women whose vision and tenacity shaped history.

What to Do About the Solomons

A "funny, sexy, and smart" multigenerational saga following the secret lives of an (over) extended Jewish family—from Israel to America (Judy Bloom). More than oceans divide the Solomons. And now, it's a scandal. Prodigal son Marc Solomon, an Israeli ex-Navy commando living in Los Angeles, is falsely accused of money laundering through his California investment firm. As his home is raided, Marc's wife, Carolyn—concealing her own dicey past—makes hopeless attempts to hold their family of five together. Not surprisingly, news of Marc's disgrace makes its way from Santa Monica to a kibbutz on the Jordan River Valley, and the rest of the moribund Solomon clan: Marc's self-absorbed wannabe movie star sister, Shir; his rich, powerful and fed-up-contracting magnet father, Yakov; his childhood sweetheart, Maya; and his brother-in-law Guy, a local ranger turned "mad artist." As the secrets of the community are revealed through various memories and tales, we witness the tenuous bonds that can keep the Solomons together, and the truths and rumors that could ultimately tear them apart. Elegant, witty, and provocative, What to Do About the Solomons weaves contemporary Jewish history through a distinctly modern and very savvy tale of family life. "I ended [it] absolutely swimming with affection, not just for the characters but for the multiple worlds that created them. . . there's something profoundly lovely—and loving—about the Solomons" (New York Book Review)

#1 NEW YORK TIMES BESTSELLER "The story of modern medicine and bioethics—and, indeed, race relations—is refracted beautifully, and movingly."—Entertainment Weekly NOW A MAJOR MOTION PICTURE FROM HBO® STARRING OPRAH WINFREY AND ROSE BYRNE • ONE OF THE "MOST INFLUENTIAL" (CNN), "DEFINING" (LITHUB), AND "BEST" (THE PHILADELPHIA INQUIRER) BOOKS OF THE DECADE • ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS • WINNER OF THE CHICAGO TRIBUNE HEARTLAND PRIZE FOR NONFICTION NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Entertainment Weekly • O: The Oprah Magazine • NPR • FINANCIAL TIMES • New York • Independent (U.K.) • Times (U.K.) • Publishers Weekly • Library Journal • Kirkus Reviews • Booklist • Globe and Mail Her name was Henrietta Lacks, but scientists know her as HeLa. She was a poor Southern tobacco farmer who worked the same land as her slave ancestors, yet her cells—taken without her knowledge—became one of the most important tools in medicine: The first "immortal" human cells grown in culture, which are still alive today, though she has been dead for more than sixty years. HeLa cells were vital for developing the polio vaccine; uncovered secrets of cancer, viruses, and the atom bomb's effects; helped lead to important advances like in vitro fertilization, cloning, and gene mapping; and have been bought and sold by the billions. Yet Henrietta Lacks remains virtually unknown, buried in an unmarked grave. Henrietta's family did not learn of her "immortality" until more than twenty years after her death, when scientists investigating HeLa began using her husband and children in research without informed consent. And though the cells had launched a multimillion-dollar industry that sells human biological materials, her family never saw any of the profits. As Rebecca Skloot so brilliantly shows, the story of the Lacks family—past and present—is inextricably connected to the dark history of experimentation on African Americans, the birth of bioethics, and the legal battles over whether we control the stuff we are made of. Over the decade it took to uncover this story, Rebecca became enmeshed in the lives of the Lacks family—especially Henrietta's daughter Deborah. Deborah was consumed with questions: Had scientists cloned her mother? Had they killed her to harvest her cells? And if her mother was so important to medicine, why couldn't her children afford health insurance? Intimate in feeling, astonishing in scope, and impossible to put down, The Immortal Life of Henrietta Lacks captures the beauty and drama of scientific discovery, as well as its human consequences.

Find success in finance, friendships, , and spirituality with the advice of a well-known expert It's safe to say that nearly everyone is seeking a happier, more successful life. So then why do so few attain it? Business Secrets from the Bible proposes a new way to view and approach success—one based upon key concepts from the Bible that are actually surprisingly simple. The author explains that, contrary to previous explanations, this transformation was driven not by anti-Jewish persecution and legal restrictions, but rather by changes within Judaism itself after 70 CE—most importantly, the rise of a new norm that required every Jewish male to read and study the Torah and to send his sons to school. Over the next six centuries, those Jews who found the norms of Judaism too costly to obey converted to other religions, making world Jewry shrivel. Later, when urbanization and commercial expansion in the newly established Muslim Caliphates increased the demand for occupations in which literacy was an advantage, the Jews found themselves literate in a world of almost universal illiteracy. From then forward, almost all Jews entered crafts and trade, and many of them began moving in search of business opportunities, creating a worldwide Diaspora in the process. "A timely and groundbreaking take on the roots of the Christian church and its place in the entirety of God's kingdom. . . There is no better time than now to learn about and become firmly grounded within your spiritual heritage." —from the foreword by Perry Stone The early church was made up of Jewish and Gentile followers of Jesus, and the church's culture was rooted in Judaism and a Jewish understanding of God's relationship to His people. Over time, however, Christianity became increasingly more Roman than Jewish, and the church lost its identity. Rabbi Curt Landry's personal story is remarkably similar. Born to a Jewish mother and a Catholic father, Landry was put up for adoption, and for more than thirty years he had no understanding of his heritage, his roots, or who his parents were. But when he discovered the truth of his story, his life changed completely. The key to a life of power and purpose is understanding who you are. In this revelatory book, Curt Landry helps Christians discover their roots in Judaism, empowering them to walk in the revelation of who they really are and who they are born to be. Reclaiming Our Forgotten Heritage reveals the mysteries of the church, letting Christians grasp the power that comes from connecting with their true identity.
