If life was a giant maze and heaven was the end, the bible would be your blueprint of that maze to guide you through life. There is so much to learn from the bible and all types of ways to look at scripture. Hopefully I will open your eyes in different ways to the scriptures and show you things not many preachers and pastors talk about in this ending church age. In this short ebook, many questions about God, Jesus Christ and prophecies of the future in the bible will be answered.

In just fifteen minutes a day, you can master the 52 most important verses in the Bible in a year. While there are lots of one-year Bible reading plans, few help you understand the words that you're reading. What if we could introduce you to a Bible reading plan that would dramatically increase your mastery of the Bible in one year? Mark Moore coaches you through 52 of the Bible's most important verses. These are the

"core" of the Bible. Each verse clears the path to master and manage dozens of other verses that run along the same principle path. At the end of this journey, you will move from curiosity about the Bible to competence in the Bible. It is the quickest onramp to understanding the whole of God's Word for your life.
