The New York Times bestselling author “deposits the reader back into the wonderful world of Cloudburst Falls, West Virginia where mortals and magicks mix.”—Book Swoon As a thief, I stick to the shadows as much as possible. But when the head of the Sinclair Family picks me to compete in the Tournament of Blades, there’s no escaping the spotlight—or the danger. Even though he’s my competition, Devon Sinclair thinks I have the best shot at winning what’s supposed to be a friendly contest. But when the competitors start having mysterious “accidents,” it looks like someone will do anything to win—no matter who they hurt. As if I didn’t have enough to worry about, mobster Victor Draconi is plotting against Devon and the rest of my friends, and someone’s going around Cloudburst Falls murdering monsters. One thing’s for sure. Sometimes, humans can be more monstrous than anything else . . . Praise for Cold Burn of Magic, the first Black Blade novel “An adventurous ride you will never want to get off.”—Jennifer L. Armentrout, #1 New York Times bestselling author “Jennifer Estep is a genius!”—Simply Nerdy “Packed with action and a nice twist, this is just the book for fans of the Mythos Academy series who want more Jennifer Estep.”—Bristol Herald Courier

The award-winning YA author weaves “an unsettling tapestry of ugly secrets, violence, suspense, twisted motives and love’s unfathomable ways” (Kirkus). Anna and Abel couldn't be more different. They are both seventeen and in their last year of school, but while Anna lives in a nice old town house and comes from a well-to-do family, Abel, the school drug dealer, lives in a grim tower block at the edge of town. Anna naturally keeps her distance from Abel. But when she discovers that he is the only one caring for his six-year-old sister, her fear turns to fascination. Anna follows the two, listening as Abel tells little Micha the story of a tiny queen assailed by dark forces. It's a beautiful fairy tale that lets Anna see Abel's reality. Unable to make ends meet, he's in danger of losing Micha to their abusive father. Anna gradually falls in love with Abel, but when his "enemies" begin to turn up dead, she fears she has fallen for a murderer.

Antonia Michaelis, the Batchelder Honor Award-winning author of *Tiger Moon*, moves in a bold new direction with her latest novel: a dark, haunting, contemporary story that is part mystery, part melodrama, and part dark romance.

As a player in *NERVE*, an anonymous game of dares broadcast live online, high-schooler Vee is unhappy to be watched constantly but finds it exhilarating to be paired with handsome Ian taking ever riskier dares--until the stakes become too high.

Melanie Stryder refuses to fade away. The earth has been invaded by a species that takes over the minds of their human hosts while leaving their bodies intact, and most of humanity has succumbed. Wanderer, the invading 'soul' who has been given Melanie's body, knew about the challenges of living inside a human: the overwhelming emotions, the too-vivid memories. But there was one difficulty Wanderer didn't expect: the former tenant of her body refusing to relinquish possession of her mind. Melanie fills Wanderer's thoughts with visions of the man Melanie loves - Jared, a human who still lives in hiding. Unable to separate herself from her body's desires, Wanderer yearns for a man she's never met. As outside forces make Wanderer and Melanie unwilling allies, they set off to search for the man they both love.

In the mage wars, Dubric Byerly risked his life-and sacrificed the woman he loved-to catch magic's darkest killers. Those battles are long over-and the monsters Dubric hunts these days are nothing more than men. Until now. A recent string of grisly crimes has Dubric and his pages scouring the countryside for clues that hint at the worst: that history's most murderous mage has come to Faldorrah. As Dubric's hunt leads from secrets locked behind sanatorium walls to a hidden cache of souls preserved in fluid, other lives are shaken: a young woman given a power she doesn't want, a young man inheriting a legacy he can't understand, and a father fighting for his memory of a daughter who may already be lost. In the hardscrabble village of

Quarry Run, the dark ghosts of the past have come calling-and the battle for the future begins....

Discover the New York Times bestselling Lux series, which RT Book Reviews called "A thrilling ride from start to finish," from the very beginning... Starting over sucks. When we moved to West Virginia right before my senior year, I'd pretty much resigned myself to thick accents, dodgy internet access, and a whole lot of boring...until I spotted my hot neighbor, with his looming height and eerie green eyes. Things were looking up. And then he opened his mouth. Daemon is infuriating. Arrogant. Stab-worthy. We do not get along. At all. But when a stranger attacks me and Daemon literally freezes time with a wave of his hand, well, something...unexpected happens. The hot alien living next door marks me. You heard me. Alien. Turns out Daemon and his sister have a galaxy of enemies wanting to steal their abilities, and Daemon's touch has me lit up like the Vegas Strip. The only way I'm getting out of this alive is by sticking close to Daemon until my alien mojo fades. If I don't kill him first, that is. The spectacular happily ever after of the #1 New York Times bestselling Selection series Kiera Cass's #1 New York Times bestselling Selection series has captured the hearts of readers from its very first page. Now the end of the journey is here. Prepare to be swept off your feet by The Crown—the eagerly awaited, wonderfully romantic fifth and final book in the Selection series. In The Heir, a new era dawned in the world of The Selection. Twenty years have passed since America Singer and Prince Maxon fell in love, and their daughter is the first

princess to hold a Selection of her own. Eadlyn didn't think she would find a real partner among the Selection's thirty-five suitors, let alone true love. But sometimes the heart has a way of surprising you...and now Eadlyn must make a choice that feels more difficult—and more important—than she ever expected. Don't miss The Betrothed, a glittering royal romance sure to captivate Kiera Cass's legion of loyal readers and lovers of courtly intrigue alike!

Newly turned vampire Bree Tanner lives in terror -- and must find her way out of untold danger -- in this pulse-pounding novella, a companion to Eclipse. Bree Tanner, a self-described "vampire nerd" first introduced in Eclipse, lives in terror in a coven of newborn vampires. She is a member of Victoria's vampire army, and as that army closes in on Bella Swan and the Cullens, she finds her first friend and discovers a truth about daylight. While fans may know how it ends, they don't yet have the full story: Bree's tale of danger, mystery, and romance is one for the books. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, Midnight Sun: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

The first book in the New York Times bestselling series that inspired the hit CW television show. No one has set foot on Earth in centuries -- until now. Ever since a devastating nuclear war, humanity has lived on spaceships far above Earth's radioactive surface. Now, one hundred juvenile delinquents -- considered expendable by society -- are being sent on a dangerous mission: to recolonize the planet. It could be their second chance at life...or it could be a suicide mission. CLARKE was arrested for treason, though she's haunted by the memory of what she really did. WELLS, the chancellor's son, came to Earth for the girl he loves -- but will she ever forgive him? Reckless BELLAMY fought his way onto the transport pod to protect his sister, the other half of the only pair of siblings in the universe. And GLASS managed to escape back onto the ship, only to find that life there is just as dangerous as she feared it would be on Earth. Confronted with a savage land and haunted by secrets from their pasts, the hundred must fight to survive. They were never meant to be heroes, but they may be mankind's last hope.

In this gripping page-turner, an ex-agent on the run from her former employers must take one more case to clear her name and save her life. She used to work for the U.S. government, but very few people ever knew that. An expert in her field, she was one of the darkest secrets of an agency so clandestine it doesn't even have a

name. And when they decided she was a liability, they came for her without warning. Now she rarely stays in the same place or uses the same name for long. They've killed the only other person she trusted, but something she knows still poses a threat. They want her dead, and soon. When her former handler offers her a way out, she realizes it's her only chance to erase the giant target on her back. But it means taking one last job for her ex-employers. To her horror, the information she acquires only makes her situation more dangerous. Resolving to meet the threat head-on, she prepares for the toughest fight of her life but finds herself falling for a man who can only complicate her likelihood of survival. As she sees her choices being rapidly whittled down, she must apply her unique talents in ways she never dreamed of. In this tautly plotted novel, Meyer creates a fierce and fascinating new heroine with a very specialized skill set. And she shows once again why she's one of the world's bestselling authors.

A bold, seductive laird meets his passionate match in a scintillating Highland romance from New York Times bestselling author Lynsay Sands Sword fighting, swearing, and riding astride come naturally to Saidh Buchanan. Simpering and holding her tongue—definitely not. Raised alongside seven boisterous brothers, Saidh has little interest in saddling herself with a husband . . . until she glimpses the new Laird MacDonnell bathing naked in the loch. Though she's far from a proper lady, the brawny Highlander makes Saidh feel every inch a woman. She has an angel's looks, a warrior's temper, and seeks out his kisses with wanton eagerness. Little wonder that Greer is intrigued by his comely guest. When reckless desire overtakes them, he's more than willing to make an honest woman of her. But Saidh is the target of a hidden enemy, and Greer faces the battle of his life to safeguard the woman he wants above all others.

The Dreaming Void

Determined to bury herself in work after her partner is shot, Mia Mitchell is immediately confronted by her most challenging case - an arsonist who has

escalated from fire to rape and murder. In the explosive finale to the epic romantic saga, Bella has one final choice to make. Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hangs. This astonishing, breathlessly anticipated conclusion to the Twilight Saga illuminates the secrets and

mysteries of this spellbinding romantic epic. The first book in a new trilogy from L. J. Smith! Elena Gilbert is alive—again. When Elena sacrificed herself to save the two vampire brothers who love her—the handsome, brooding Stefan and the sleek and dangerous Damon—she was consigned to a fate beyond death. Until a powerful supernatural force pulled her back. Now Elena is not just human. She has powers and gifts that were bestowed on her in the afterlife. What's more, her blood pulses with an overwhelming and unique force that makes her irresistible to any vampire. Stefan wants to find a way to keep Elena safe so that they can make a life together. Damon, however, is driven by an insatiable desire for power, and wants Elena to rule as his princess.

When Stefan is lured away from Fell's Church, Damon seizes his chance to convince her that he is the brother she is meant to be with. . . . But a darkness is infiltrating the town, and Damon, always the hunter, is now the hunted; he becomes the prey of a malevolent creature that can possess him at will, and who desires not just Elena's blood but her death.

In the city of Seriden, everyone expected the king's daughter, Esther, would inherit the throne. Instead, it went to a thief called Coin. She is a Nameless-- no family, no legal rights, and no standing in society. In a palace where the corridors are more dangerous than the streets, Coin must make a name for herself. But how long can she keep the crown if everyone wants her dead? -- adapted from jacket

Each day I prayed for my husband to love me again. After fifteen years together, he walked away from me, and into the arms of another. I didn't know how to cope. I didn't know my worth. I didn't know how to exist without him by my side. All I wanted was for

him to come back to me. Then, Jackson Emery appeared. He was supposed to be a distraction for my mind. A summer fling. A confidence boost to my bruised heart. We were perfect for one another, because we both knew we wouldn't last. Jackson didn't believe in commitment, and I no longer believed in love. He was too closed-off for me, and I was too damaged for him. Everything was fine, until one night my heart skipped a beat. I didn't expect him to make me laugh. To make me think. To make my sadness somewhat disappear. When our time was up, my heart didn't know how to walk away. Each day I prayed for my husband to love me again, yet slowly my prayers began to shift toward the man who wasn't right for me. I prayed for one more smile, one more kiss, one more laugh, one more touch... I prayed for him to be mine. Even though I knew his heart wasn't destined to love.

The Vampire Diaries: The Return: Nightfall

Evil never dies. . . . After escaping the horrors of the Dark Dimension, Elena and her friends can't wait to attend Dalcrest College, the beautiful ivy-covered campus where Elena's parents met. Life with Stefan is better than ever, and with her closest friends Bonnie, Meredith, and Matt by her side, Elena knows it will be their best year yet. Even Damon seems genuinely changed and is getting along with everyone. But for Elena, moving away from Fell's Church doesn't mean she has left her dark past behind. When students start to disappear from campus, every new acquaintance is suddenly a potential enemy. Panic soon spreads and the friends struggle to protect each other. Then Elena uncovers a long-hidden secret, one that shocks her to the core, and realizes tragedy may be unavoidable. Will Elena outrun her fate? And will it be Stefan or Damon who catches her if she falls?

Bella and Edward find themselves facing new obstacles, including a devastating separation, the mysterious appearance of dangerous wolves roaming the forest in Forks, a terrifying threat of revenge from a female vampire and a deliciously sinister encounter with Italy's reigning royal family of vampires: the Volturi.

Melanie Stryder refuses to fade away. The earth has been invaded by a species that take over the minds of their human hosts while leaving their bodies intact, and most of humanity has succumbed. Reviewers exhaust superlatives when it comes to the science fiction of Peter F. Hamilton. His complex and engaging novels, which span thousands of years—and light-years—are as intellectually stimulating as they are emotionally fulfilling. Now, with *The Dreaming*

Void, the first volume in a trilogy set in the same far-future as his acclaimed Commonwealth saga, Hamilton has created his most ambitious and gripping space epic yet. The year is 3589, fifteen hundred years after Commonwealth forces barely staved off human extinction in a war against the alien Prime. Now an even greater danger has surfaced: a threat to the existence of the universe itself. At the very heart of the galaxy is the Void, a self-contained microuniverse that cannot be breached, cannot be destroyed, and cannot be stopped as it steadily expands in all directions, consuming everything in its path: planets, stars, civilizations. The Void has existed for untold millions of years. Even the oldest and most technologically advanced of the galaxy's sentient races, the Rael, do not know its origin, its makers, or its purpose. But then Inigo, an astrophysicist studying the Void, begins dreaming of human beings who live within it. Inigo's dreams reveal a world in which thoughts become actions and dreams become reality. Inside the Void, Inigo sees paradise. Thanks to the gaiafield, a neural entanglement wired into most humans, Inigo's dreams are shared by hundreds of millions—and a religion, the Living Dream, is born, with Inigo as its prophet. But then he vanishes. Suddenly there is a new wave of dreams. Dreams broadcast by an unknown Second Dreamer serve as the inspiration for a massive Pilgrimage into the Void. But there is a chance that by attempting to enter the Void, the pilgrims will trigger a catastrophic expansion, an accelerated devourment phase that will swallow up thousands of worlds. And thus begins a desperate race to find Inigo and the mysterious Second Dreamer. Some seek to prevent the Pilgrimage;

others to speed its progress—while within the Void, a supreme entity has turned its gaze, for the first time, outward. . . . BONUS: This edition includes an excerpt from Peter F. Hamilton's *The Temporal Void*.

From New York Times bestselling author Meghan March comes a saga of forbidden love and second chances. They say a Riscoff and a Gable can never live happily ever after. Not with a family feud that is the stuff of legends. I used to believe that—until I caught a glimpse of a woman who took my breath away. I didn't know or care what her name was. Like any man who sees and knows what he wants, I went after her. I certainly didn't expect her to be Whitney Gable. We burned like a flash fire until everything went sideways, and she married another man. She hates me now, and she should. I objected on her wedding day. She was out of my reach for years, but now she's home again—and there's no ring on her finger. They say a Riscoff and a Gable can never live happily ever after... but I'm not done with Whitney Gable. I'm getting my second chance, and this time I'll do whatever it takes to prove them all wrong.
