Yet Diversity Explosion argues that the current period of profound racial change will lead to a less-divided nation than today's older whites or younger minorities fear. Prominent demographer William Frey sees America's emerging diversity boom as good news for a country that would otherwise face declining growth and rapid aging for many years to come. Using the U.S. Census, national surveys, and related sources, Frey tells how the rapidly growing "new minorities"—Hispanics, Asians, and multiracial Americans—along with blacks and other groups, are transforming and reinvigorating the nation's demographic landscape. He discusses their impact on generational change, regional shifts of major racial groups, neighborhood segregation,*

Its soldiers are not lone wolves but are highly organized cadres motivated by a coherent and deeply troubling worldview of white supremacy, anticommunism, and apocalypse. In *Bring the War Home*, Kathleen Belew gives us the first full history of the movement that consolidated in the 1970s and 1980s around a potent sense of betrayal in the Vietnam War and made tragic headlines in the 1995 bombing of the Oklahoma City federal building. For most of the colonial period, inhabitants could witness as many as 100 religious and civil celebrations in a year. The largest of these events, both civil and religious, were sponsored by the authorities and were crucial means to embody political and social concepts. The first European public rituals were introduced immediately after the conquest of the Aztec capital. Spanish priests seeking to evangelize the native population introduced Catholic

Spectacle was one tool in an arsenal of colonizing agents, and over time the growing diversity of the population made festival statecraft all the more important, as government-sponsored revelry attempted to promote shared histories and values among diverse and potentially dangerous groups. Festivals organizers developed a highly sophisticated message embedded within the celebrations that delineated the principles of
