The Serpent Slayer and Other Stories of Strong Women

Offers reviews and recommendations of over 25,000 titles for children, and includes brief annotations, bibliographic data, and review citations.

A Coretta Scott King Author Honor and Boston Globe / Horn Book Honor winner!“Powerful... Johnson writes about the long shadows of the past with such ambition that any reader with a taste for mystery will appreciate the puzzle Candice and Brandon must solve.” – The New York Times Book ReviewWhen Candice finds a letter in an old attic in Lambert, South Carolina, she isn’t sure she should read it. It’s addressed to her grandmother, who left the town in shame. But the letter describes a young woman. An injustice that happened decades ago. A mystery enfolding its writer. And the fortune that awaits the person who solves the puzzle.So with the help of Brandon, the quiet boy across the street, she begins to decipher the clues. The challenge will lead them deep into Lambert’s history, full of ugly deeds, forgotten heroes, and one great love; and deeper into their own families, with their own unspoken secrets. Can they find the fortune and fulfill the letter’s promise before the answers slip into the past yet again?

The Shakespeare Phrase Book

The Sacred Door and Other Stories: Cameroon Folktales of the Beba offers readers a selection of folktales infused with riddles, proverbs, songs, myths, and legends, using various narrative techniques that capture the vibrancy of Beba oral traditions. Makuchi retells the stories that she heard at home when she was growing up in her native Cameroon. The collection of thirty-four folktales of the Beba showcases a wide variety of stories that capture the richness and complexities of an agrarian society’s oral literature and traditions. Revenge, greed, and deception are among the themes that frame the story lines in both new and familiar ways. In the title story, a poor man finds himself elevated to king. The condition for his continued success is that he not open the sacred door. This tale of temptation, similar to the story of Pandora’s box, concludes with the question, “What would you have done?” Makuchi relates the stories her mother told her so that readers can make connections between African and North American oral narrative traditions. These tales reinforce the commonalities of our human experiences without discounting our differences.

A father (Tom) hears his son Richard say, “School is OK except I don’t like learning numbers or arithmetic.” After dinner, Tom sits with Richard and tells him a story of a kingdom long ago where the use of numbers is forbidden by King Kcaj and of the chaos that ensues because of it. As Tom’s story unfolds, he hopes to instill in Richard a sense of the importance of learning numbers, counting, and arithmetic along with other life lessons.

This book features a wide range of knowledge about senses particularly the sense of smell. Your child must be able to identify the different smells of fruits that he can find around him as the book comes to an end. Increase your young one’s reading grade with this edition of sense and sensation books for kids. Get your copy now!

Preschool Through Grade 6

The Sacred Door and Other Stories

A Life . . . Jasmine

Educating African American Students

Relates the saga of Henry who, because he could not stop making pancakes, became wealthy and famous.

Art in Story focuses on art of the ancient world, of the East and Africa, of the Middle Ages, and the Renaissance.

This straightforward and reader-friendly text provides strategies for P-12 educators who are interested in ensuring the cultural and academic excellence of African American students. It presents a careful balance of published scholarship, a framework for culturally relevant teaching, and research-based cases of teachers who excel at teaching Black children. Examples from multi-ethnic teachers across P-12 grades and content areas (e.g., ELA, science, mathematics, social studies, arts) are presented so that others can extrapolate in their respective educational settings. This book explains Black culture, anti-Black racism, African Diaspora Literacy, African American Language, and pro-Black and actionable steps that educators can adopt and implement. Examples of culturally relevant family and community involvement are provided. As with the previous edition, readers will appreciate a multitude of resources. After reading this book, educators will view educating African American students as exhilarating and rewarding and Black students will flourish.

And Other Stories of Strong Women

In this spectacular New York Times bestselling father/son collaboration that “barrels along like a freight train” (Publishers Weekly), Stephen King and Owen King tell the highest of high-stakes stories: what might happen if women disappeared from the world of men? In a future so real and near it might be now, something happens when women go to sleep: they become shrouded in a cocoon-like gauze. If they are awakened, if the gauze wrapping their bodies is disturbed or violated, the women become feral and spectacularly violent. And while they sleep they go to another place, a better place, where harmony prevails and conflict is rare. One woman, the mysterious “Eve Black,” is immune to the blessing or curse of the sleeping disease. Is Eve a medical anomaly to be studied? Or is she a demon who must be slain? Abandoned, left to their increasingly primal urges, the men divide into warring factions, some wanted to kill Eve, some to save her. Others exploit the chaos to wreak their own vengeance on new enemies. All turn to violence in a suddenly all-male world. Set in a small Appalachian town whose primary employer is a woman’s prison, *Sleeping Beauties* is a wildly provocative, gloriously dramatic father–son collaboration that feels particularly urgent and relevant today.

Kit, Zander, and M. K. West are settling into their new lives as students at the Academy for the Exploratory Sciences when Kit finds another mysterious map left for him by their father, the brilliant, famous – and presumed dead – explorer Alexander West. Why did Alexander leave the maps behind, and why are government agents so determined to seize them? What is really going on in a mysterious and unknown stretch of the Caribbean, famous for its violent storms and shipwrecks? And what is the huge contraption M. K. is building in her workshop? As two world powers come to the brink of war, Kit must find a deadly hidden island and unlock its secrets, hoping he has the courage to follow the trail of maps, wherever it may lead.

Series covers individuals ranging from established award winners to authors and illustrators who are just beginning their careers. Entries cover: personal life, career, writings and works in progress, adaptations, additional sources, and photographs.

The Horn Book Guide to Children’s and Young Adult Books

A Novel

Child of Earth is the story of Achu, a young African boy who loses his mother when he is still a baby. He is raised by his father in a household teeming with wives and children. Then the father dies and the task of raising Achu devolves on his aunt, his father’s sister, who is married to one of the richest and most powerful men in the country. But the aunt is jealous because Achu is doing better in school than her own children . . .

An extraordinary child determines a kingdom’s future.

This supplement to the 8th edition of the classic guide to children’s books includes more than 5,000 in-print titles recommended for children aged 5 to 12. The thematic organisation, concise annotations, and complete bibliographic data and review citations make this volume equally useful for reader’s advisory, research, and collection development.

Imaginary Friend

Stephen King - Dollar Baby: The Book

A Story from Cameroon

The Serpent Slayer

Stephen King Dollar Baby: The Book by Anthony Northrup In the late 1970s, Stephen King had the idea of selling his short stories for ONE DOLLAR and a contract to let young filmmakers make their own films based on his works. After King’s approval, these films were only available for viewing at film festivals around the world. For the last forty-plus years and over hundreds of films made, The Dollar Baby program has made a serious impact not only on the Stephen King world, but the film industry itself. Unfortunately, for Stephen King fans, unless you attended these film festivals, you basically would never be able to see them. In fact, most Stephen King fans have never even heard of the Dollar Baby program. Well, that’s where I come in. I have been interviewing Dollar Baby filmmakers and reviewing their films for eight years. During that time, not only have I also hosted two Dollar Baby Film tests at Crypticon Horror Con in Minnesota, but I also built a trust, a bond, and a friendship with all of the Dollar Baby community. As a major Stephen King fan, I decided it was time to pull the curtain back and show the fans just what they have been missing. In this book,

readers will learn all about the Dollar Baby program, fun facts, trivia, personal stories from the fans themselves, special guests contributors, essays, Where Are They Now?, 55 exclusive interviews with the Dollar Baby filmmakers and reviews of their films, and a whole lot more! I cover every possible angle of the Dollar Baby program and it’s all here to enjoy! So, sit back, relax, and get ready to go behind the exclusive curtain and prepare yourselves to enter...Stephen King Dollar Baby: The Book!

A Life . . . Jasmine is centered on Jasmine’s life. It also has Bible verses that will help humanity with their problems. My poetry is in it also. Hope that everyone who receives this book will enjoy it.

Provides guidelines for establishing book selection criteria for picture books, fiction genres, poetry, folk literature, and nonfiction and reference books.

2018 Newbery Honor Book and Coretta Scott King Author Award Winner ‘Important and deeply moving’ JOHN GREEN ‘Timely and timeless’ JACQUELINE WOODSON Jade is a girl striving for success in a world that seems like it’s trying to break her. She knows she needs to take every opportunity that comes her way. And she has: every day Jade rides the bus away from her friends to a private school where she feels like an outsider, but where she has plenty of opportunities. But some opportunities Jade could do without, like the mentor programme for ‘at-risk’ girls. Just because her mentor is black doesn’t mean she understands where Jade is coming from. Why is Jade always seen as someone to fix? But with a college scholarship promised at the end of it, how can Jade say no? Jade feels like her life is made up of hundreds of conflicting pieces. Will it ever fit together? Will she ever find her place in the world? More than anything, Jade just wants the opportunity to be real, to make a difference. The Parker Inheritance

Children’s Books

Describes the geography history culture industry and people of Cameroon

Meet Sibi, a vivacious, smart, and audacious girl who leaves the comforts of her coastal town and parents to live with Ndih, her granny in the village of Alahtene. Sibi’s integration into village life is swift and adventurous, aided by the ever-soothing supervision of her equally gallant grandmother and teenage uncle, Ajuenekoh. Recounted from the first person, we follow Sibi’s adventures in school, church, neighbourhoods, the rivers, hills and forests of Alahtene, its buzzy market and more.

1960s, Sibi’s Adventures in Alahtene bubbles with dozens of breathtaking stories about the intrigues of adult life as much as about childhood in a rural community rapidly integrating into a newly formed African country.

Whether used for thematic story times, program and curriculum planning, readers’ advisory, or collection development, this updated edition of the well-known companion makes finding the right picture books for your library a breeze. • Offers easy subject access to children’s picture books • Features a user-friendly organization • Provides in-depth indexing and full bibliographic detail

A Practical Guide to Selection

Instant New York Times Bestseller One of Fall 2019’s Best Books (People, EW, Lithub, Vox, Washington Post, and more) A young boy is haunted by a voice in his head in this acclaimed epic of literary horror from the author of The Perks of Being a Wallflower. Christopher is seven years old. Christopher is the new kid in town. Christopher has an imaginary friend. We can swallow our fear or let our fear swallow us. Single mother Kate Reese is on the run. Determined to improve life for

and her son, Christopher, she flees an abusive relationship in the middle of the night with her child. Together, they find themselves drawn to the tight-knit community of Mill Grove, Pennsylvania. It’s as far off the beaten track as they can get. Just one highway in, one highway out. At first, it seems like the perfect place to finally settle down. Then Christopher vanishes. For six long days, no one can find him. Until Christopher emerges from the woods at the edge of town, unharmed and unchanged. He returns with a voice in his head only he can hear, with a mission only he can complete: Build a treehouse in the woods by Christmas, or his mother and everyone in the town will never be the same again. Twenty years ago, Stephen Chbosky’s The Perks of Being a Wallflower made readers everywhere feel infinite. Now, Chbosky has returned with an epic work of literary horror, years in the making, whose grand scale and rich emotion redefine the genre. Read it with

on.
