The Last Whisper in the Dark

The Analyst

In Shadow Man, Cody McFadyen took the suspense thriller where other writers have feared to tread. He introduced readers to a heroine every bit as dark and edgy as the serial killers she hunts: Special Agent Smoky Barrett. Now, in his latest novel, McFadyen brings Agent Barrett back to track down a killer who breaks all the rules. "I want to talk to Smoky Barrett or I'll kill myself." The girl is sixteen, at the scene of a grisly triple homicide, and has a gun to her head. She claims "The Stranger" killed her adoptive family, that he's been following her all her life, killing everyone she ever loved, and that no one believes her. No one has. Until now. Special Agent Smoky Barrett is head of the violent crimes unit in Los Angeles, the part of the FBI reserved for tracking down the worst of the worst. Her team has been handpicked from among the nation's elite law enforcement specialists and they are as obsessed and relentless as the psychos they hunt; they'll have to be to deal with this case. For another vicious double homicide reveals a killer embarked on a dark crusade of trauma and death: an "artist" who's molding sixteen-year-old Sarah into the perfect victim—and the ultimate weapon. But Smoky Barrett has another, more personal reason for catching The Stranger—an adopted daughter and a new life that are worth protecting at any cost. This time Smoky is going to have to put it all on the line. Because The Stranger is all too real, all too close, and all too relentless. And when he finally shows his face, if she's not ready to confront her worst fear, Smoky won't have time to do anything but die.

A reporter is the only hope for an innocent man on death row for murder—while the real killer roams free—in this "riveting, provocative" thriller (Publishers Weekly). When burnt-out Miami reporter Matt Cowart receives a letter from a death row inmate pleading his innocence, he is tempted to dismiss it. But as the newspaperman digs into the case of Robert Earl Ferguson, an African American given the death penalty for the brutal slaying of a white girl, he begins to believe that Ferguson is the real victim of hate and prejudice. And if he doesn't act, the wrong man is going to be executed. In the months that follow, Cowart's investigative articles not only set Ferguson free, but make Cowart a celebrity and win him a Pulitzer Prize—and set in motion a new chain of unimaginable horror. For there is monster out there, and he is not through with killing. . . . Includes a preface by the author "Tense, exciting, and very, very real." —The Detroit News "A classic cat-and-mouse story." —Orlando Sentinel "Katzenbach is a skilled storyteller. . . . With admirable subtlety . . . [he] manages to address the disturbing issues of race and crime. . . . Powerful." —Chicago Tribune "The criminal mind, racial bias, journalistic ego and the flawed fabric of the American criminal justice system are potent raw materials for psychological suspense master Katzenbach." —Publishers Weekly "Terrific . . . His best book by far." —Lawrence Block
