

Shadowland Leggeditore

In the second novel by the international bestselling Pieter Aspe, Inspector Van In races against the clock to thwart a series of terrorist plots One quiet snow-covered Sunday morning in Bruges, a prominent business executive is found dead in the streets, apparently due to an alcoholic hemorrhage, but for Inspector Van In, there is something about the autopsy that does not add up. When he questions the businessman’s friend, a Dutchman, he too is found dead the next morning, burned to death in a house fire. When there is an explosion in the middle of a popular tourist area in downtown Bruges, Van In strives to find the connection between the three incidents, but no one is coming forward to claim responsibility for this terrorist attack. Just an anonymous letter to the police, threatening more bombings—unless they cooperate with a series of demands that would undermine the entire city government. Aided by the spunky and beautiful assistant DA, Hannelore Martens, Inspector Van In finds himself enmeshed in the case that threatens not just the lives of countless innocent people, but the heart of the city he loves.

Much has changed since Kelley Winslow learned she was a Faerie princess, fell in love with changeling guard Sonny Flannery, and saved the mortal realm from the ravages of the Wild Hunt. Now Kelley is stuck in New York City, rehearsing Romeo and Juliet and missing Sonny more with every stage kiss, while Sonny has been forced back to the Otherworld and into a deadly game of cat and mouse with the remaining Hunters and Queen Mab herself. When a terrifying encounter sends Kelley tumbling into the Otherworld, her reunion with Sonny is joyful but destined to be cut short. An ancient, hidden magic is stirring, and a dangerous new enemy is willing to risk everything to claim that power. Caught in a web of Faerie deception and shifting allegiances, Kelley and Sonny must tread carefully, for each next step could topple a kingdom . . . or tear them apart.

When the Council assigns her to feared Roman gladiator Theocoles, Soul Catcher Riley is transformed into a beautiful teenager by Messalina and experiences, for the first time, a blossoming romance that makes her reluctant to leave the gladiator’s world.

A successful Italian doctor’s idyllic life is shattered by shameful accusations in a novel by the Campiello Prize–winning author of The Worst Intentions. In a sprawling villa on the outskirts of Rome, the internationally revered pediatric oncologist Leo Pontecorvo and his family have gathered for dinner. For these exemplary members of Italy’s upper middle-class, the scene is perfect in every way—until a horrifying accusation airs on the evening news concerning Leo Pontecorvo himself. From this point on, nothing will ever be the same. An allegation of embezzling would be bad enough, but to the horror of his family, Leo is also said to have seduced his son’s twelve-year-old girlfriend. The spotlight now turned on Leo reveals every mistake, regret, and contradiction of his lifetime. The details of his private and professional life are debated by both friends and foes, ravenous reporters and punctilious prosecutors. Unable to face the suspicious gazes of his wife and children, Leo descends into the basement of his palatial home—a self-imposed exile in which he attempts to piece together the shattered remains of his life.

From #1 New York Times bestselling author Alyson Noël comes the first book in the Beautiful Idols series. With mystery, suspense, and an insiders-only look at Los Angeles that echoes Gossip Girl’s racy and real New York, fans of Pretty Little Liars and readers who crave pulse-pounding romance will love Unrivaled. Everyone wants to be someone. Layla Harrison wants to be a reporter. Aster Amirpour wants to be an actress. Tommy Phillips wants to be a guitar hero. But Madison Brooks took destiny and made it her own a long time ago. She’s Hollywood’s hottest starlet, and the things she did to become the name on everyone’s lips are merely a stain on the pavement, ground beneath her Louboutin heel. That is, until Layla, Aster, and Tommy find themselves with a VIP invite to the world of Los Angeles’s nightlife and lured into a competition where Madison Brooks is the target. Just as their hopes begin to gleam like stars through the California smog, Madison Brooks goes missing. . . . And all of their hopes are blacked out in the haze of their lies.

The Accident

Dionysos

As Alex and Colin speed toward their new home in San Francisco where Courtney awaits them, they are pursued by a madman who is also eager to see Courtney.

London, 1783. Orphan Cirrus Flux is being watched. Merciless villains are conniving to steal the world’s most divine power—The Breath of God—which they believe Cirrus has inherited. Now he faces a perilous journey through the dirty backstreets of the city as a sinister mesmerist, a tiny man with an all-seeing eye, and a skull-collecting scoundrel pursue him. Cirrus must escape them, but he’ll need to trust some unlikely allies if he hopes to thwart his foes . . . and survive a grand and terrifying showdown.

A tale inspired by one of history’s most prolific female serial killers recreates her rebellion against her arranged marriage, her suffering at the hands of the man she loved and the descent into mental illness that prompted the murders of dozens of servants. By the PEN/Hemingway finalist author of Icebergs. Reprint. Includes reading-group guide.

Fans of Pretty Little Liars will crave the mystery and suspense in the second book of #1 New York Times bestselling author Alyson Noël’s Beautiful Idols series, where celebrity worship is a dangerous game. Wannabe reporter LAYLA, aspiring actress ASTER, and fledgling musician TOMMY joined the Unrivaled nightclub competition for the same reason—they knew winning it would change their lives. They just never imagined that somewhere along the way they’d become entangled in the disappearance of mega starlet MADISON BROOKS. Now each of them is smack in the center of a media frenzy that threatens to take all of them down. Banding together to clear their names, the fierce adversaries become temporary allies and vow to dig up the truth. But when Layla, Aster, and Tommy team up with an unsuspecting insider, they will find that some secrets are best kept in the grave.

After crossing the bridge into the afterlife, a place called Here where the time is always Now, Riley’s existence continues in much the same way as when she was alive until she is given the job of Soul Catcher and, together with her teacher Bodhi, returns to earth for her first assignment, a ghost called the Radiant Boy who has been haunting an English castle for centuries and resisted all previous attempts to get him across the bridge.

The Midas Murders

The legend of Dashiell Hammett, the former Pinkerton detective who reinvented the mystery story in five books written between 1929 and 1934, is carefully examined here by Richard Layman in a meticulously factual account of all that is likely to be known about the real "Continental Op." This unsentimental account of Hammett from his rural Maryland youth through the Pinkerton years in San Francisco, fame as a novelist, notoriety as a Hollywood screen writer, imprisonment as an uncooperative McCarthy committee witness, and an obscure death in 1961 highlights the facts while accenting the shadow on which the legend would be built. Book jacket.

Harald Weinrich's epilogue considers forgetting in the present age of information overflow, particularly in the area of the natural sciences."--Jacket.

While investigating fatal wolf attacks on humans near Angherag, werewolf and new mom Elena Michaels and her husband, Clay, encounter more than they expect in a savage force that awakens their animal natures.

The unforgettable memoir of 70 years of contemporary and personal history from the great French filmmaker, journalist and intellectual Claude LanzmannBorn to a Jewish family in Paris, 1925, Lanzmann's first encounter with radicalism was as part of the Resistance during the Nazi occupation. He and his father were soldiers of the underground until the end of the war, smuggling arms and making raids on the German army. After the liberation of France, he studied philosophy at the Sorbonne, making money as a student in surprising ways (by dressing as a priest and collecting donations, and stealing philosophy books from bookshops). It was in Paris however, that he met Jean-Paul Sartre and Simone de Beauvoir. It was a life-changing meeting. The young man began an affair with the older de Beauvoir that would last for seven years. He became the editor of Sartre's political-literary journal, Les Temps Modernes—a position which he holds to this day—and came to know the most important literary and philosophical figures of postwar France. And all this before he was 30 years old.

Written in precise, rich prose of rare beauty, organized—like human recollection itself—in interconnected fragments that eschew conventional chronology, and describing in detail the making of his seminal film Shoah, The Patagonian Hare becomes a work of art, more significant, more ambitious than mere memoir. In it, Lanzmann has created a love song to life balanced by the eye of a true auteur.

American academic Trevor Stratton discovers a box full of artifacts from World War I as he settles into his new office in Paris. The pictures, letters, and objects in the box relate to the life of Louise Brunet, a feisty, charming Frenchwoman who lived through both World Wars. As Trevor examines and documents the relics the box offers up, he begins to imagine the story of Louise Brunet's life: her love for a cousin who died in the war, her marriage to a man who works for her father, and her attraction to a neighbor in her building at 13 rue Thérèse. The more time he spends with the objects though, the truer his imaginings of Louise's life become, and the more he notices another alluring Frenchwoman: Josianne, his clerk, who planted the box in his office in the first place, and with whom he finds he is falling in love.

Family Planning

Unrivaled

Since quitting work to look after his eight-year-old daughter, Alexa, Thomas Bradshaw has found solace and grace in his daily piano study. His pursuit of a more artistic way of life shocks and irritates his parents and in-laws. Why has he swapped roles with Tonie Swann, his intense, intellectual wife, who has accepted a demanding full-time job? How can this be good for Alexa? Tonie is increasingly seduced away from domestic life by the harder, headier world of work, where long-forgotten memories of ambition are awakened. She soon finds herself outside their tight family circle, alive to previously unimaginable possibilities. Over the course of a year full of crisis and revelation, we follow the fortunes of Tonie, Thomas, and his brothers and their families: Howard, the successful, indulgent brother, and his gregarious wife, Claudia; and Leo, lacking in confidence and propped up by Susie, his sharp-tongued, heavy-drinking wife. At the head of the family, the aging Bradshaw parents descend on their children to question and undermine them. The Bradshaw Variations reveals how our choices, our loves, and the family life we build will always be an echo—a variation—of a theme played out in our own childhood. This masterful and often shockingly funny novel, Rachel Cusk's seventh, shows a prizewinning writer at the height of her powers.

Their epic love story has captured the hearts of millions and enchanted readers across the world. Everlasting is the beautiful finale to Alyson Noël's bestselling Immortals series, in which their journey draws to a spectacular conclusion—where all will be revealed. Their darkest enemies now defeated, Damen and Ever are free to embark upon their final quest—to free Damen from the poison lingering in his body. If they can just find the antidote, they'll finally be able to feel each other's touch—and experience the passionate night they've been longing for. But their fight to be together will lead them into the most formidable terrain yet...into the dark heart of Summerland. Here in a land of scorched earth and endless rain, Ever and Damen will discover their relationship's hidden origins, expose a secret history they never imagined...and come face to face with the true reason fate keeps tearing them apart. Only then, when the final mystery is unraveled and the last secret revealed, Ever and Damen's future will hinge on one ultimate decision that will put everything at stake....even eternity.

The second installment in Melissa Marr’s #1 New York Times bestselling Wicked Lovely series brings readers back to the land of faerie and delivers another stunning, high-stakes romance. Unbeknownst to mortals, a power struggle is unfolding in a world of shadows and danger. After centuries of stability, the balance among the Faery Courts has altered, and Irial, ruler of the Dark Court, is battling to hold his rebellious and newly vulnerable fey together. If he fails, bloodshed and brutality will follow. Seventeen-year-old Leslie knows nothing of faeries or their intrigues. When she is attracted to an eerily beautiful tattoo of eyes and wings, all she knows is that she has to have it, convinced it is a tangible symbol of changes she desperately craves for her own life. The tattoo does bring changes—not the kind Leslie has dreamed of, but sinister, compelling changes that are more than symbolic.

Those changes will bind Leslie and Irial together, drawing Leslie deeper and deeper into the faery world, unable to resist its allures, and helpless to withstand its perils. . . .

Hot for the rock . . . If her old-fashioned family had never left Morocco, Michelle Benamou would have been in big trouble, being almost thirty and nowhere near married. Luckily, in the hardy multicultural stew of New York City, she's been able to follow her other dreams, working her way up from broadcast news producer to on-air reporter. Still, there's something sparkly missing from the ring finger of her left hand. . . . Michelle thinks maybe her sexy, ex-Marine boyfriend can provide it -- until Joe abruptly tells her adios. Her old friend Benny from the Bronx is an intriguing possibility -- but he's out in L.A. . . . and not quite divorced. It's tough for a sexy, very modern urban woman to follow the traditional calls of the marriage muezzins to matrimony -- especially when the rest of her life starts racing rapidly downhill. Suddenly in desperate need of an affordable new Manhattan apartment (an oxymoron), and quite possibly a new career (a catastrophe), Michelle's got other worries besides finding passionate love sealed with an "I do." But a diamond is just coal, after all, until it's forged by fire and time. And sometimes something precious, strong, dazzling, and enduring can turn up when you least expect it . . .

A sparkling debut about family, belonging and the binding power of love Longlisted for the Orange Prize for Fiction 2011

Saving Zoe

A Novel

No other god of the Greeks is as widely present in the monuments and nature of Greece and Italy, in the sensuous tradition of antiquity, as Dionysos. In myth and image, in visionary experience and ritual representation, the Greeks possessed a complete expression of indestructible life, the essence of Dionysos. In this work, the noted mythologist and historian of religion Carl Ker é nyi presents a historical account of the religion of Dionysos from its beginnings in the Minoan culture down to its transition to a cosmic and cosmopolitan religion of late antiquity under the Roman Empire. From the wealth of Greek literary, epigraphic, and monumental traditions, Ker é nyi constructs a picture of Dionysian worship, always underlining the constitutive element of myth. Included in this study are the secret cult scenes of the women’s mysteries both within and beyond Attica, the mystic sacrificial rite at Delphi, and the great public Dionysian festivals at Athens. The way in which the Athenian people received and assimilated tragedy in its immanent connection with Dionysos is seen as the greatest miracle in all cultural history. Tragedy and New Comedy are seen as high spiritual forms of the Dionysian religion, and the Dionysian element itself is seen as a chapter in the religious history of Europe.

“ If you read one philosophical-doomsday kinky-sex road-trip novel this year, make it this one. ” —Salon It ’ s New Year ’ s Eve 1999, and the members of a powerful cult are about to commit ritual suicide. Fleeing their ranks at the final moment, teenager Kristin lands in Tokyo, where she gains employment listening to clients ’ stories in a “ memory hotel ” designed to address the decay of Japanese collective memory after the Second World War. But Kristin herself has a startling odyssey: Among other things, it involves answering a personal ad only to wind up imprisoned, naked, in an empty house presided over by a man known as the Occupant, hard at work on a millennial calendar that has serious implications for the future. The Sea Came in at Midnight is a breathtaking fable of redemption and one of Erickson ’ s most impressive visions to date.

Instead of a fresh start, high school provides more grief and isolation to Echo, whose older sister died a year earlier, but insights gained from Zo è e’s diary--a fifteenth birthday gift from Zo è e’s boyfriend--about her sister’s life and death change Echoin ways she could have never expected.

Violent rabbis, lovelorn wives, a busy Grim Reaper, shame-filled simians, and one seriously angry deity populate this humorous and disquieting collection. Shalom Auslander’s stories in Beware of God have the mysterious punch of a dream. They are wide ranging and inventive: A young Jewish man’s inexplicable transformation into a very large, blond, tattooed goy ends with a Talmudic argument over whether or not his father can beat his unclean son with a copy of the Talmud. A pious man having a near-death experience discovers that God is actually a chicken, and he’s forced to reconsider his life -- and his diet. At God’s insistence, Leo Schwartzman searches Home Depot for supplies for an ark. And a young boy mistakes Holocaust Remembrance Day as emergency preparedness training for the future. Auslander draws upon his upbringing in an Orthodox Jewish community in New York State to craft stories that are filled with shame, sex, God, and death, but also manage to be wickedly funny and poignant.

" ... Two brave young women living at opposite ends of history are brought together by supernatural forces to do battle with a demon who travels through time. The fate of humanity rests in their hands ..."--Page 4 of cover.

Breaking Free

The Sea Came in at Midnight

A Memoir

My Name is Victoria

Imprisoned in Spain during the Spanish Civil War, Donal Gore is sustained by memories of setting fishing lines on the beach with his father, back home in Ireland. Released from the Spanish prison by a German officer who expects political intelligence in return, Donal goes back to the family home on the rainswept promenade-to find his once powerful father dramatically changed.

The moving and magical heart of the novel explores the hopeless inability of this father and son to express their feelings for each other, until the father is literally beyond language. And at the same time it centers on the poignant, fumbling, triangular relationship between father, son, and Rose, the beautiful young stepmother. Weaving together love and politics, sex and treachery, unsettling humor and vivid layers of memory, Sunrise with Sea Monster is a tour de force, back in print for the first time in years.

BONUS: This edition contains a When Skateboards Will Be Free discussion guide. “The revolution is not only inevitable, it is imminent. It is not only imminent, it is quite imminent. And when the time comes, my father will lead it.” With a profound gift for capturing the absurd in life, and a deadpan wisdom that comes from surviving a surreal childhood in the Socialist Workers Party, Said Sayrafiezadeh has crafted an unsentimental, funny, heartbreaking memoir. Said’s Iranian-born father and American Jewish mother had one thing in common: their unshakable conviction that the workers’ revolution was coming. Separated since their son was nine months old, they each pursued a dream of the perfect socialist society. Pinballing with his mother between makeshift Pittsburgh apartments, falling asleep at party meetings, longing for the luxuries he’s taught to despise, Said waits for the revolution that never, ever arrives. “Soon,” his mother assures him, while his long-absent father quixotically runs as a socialist candidate for president in an Iran about to fall under the ayatollahs. Then comes the hostage crisis. The uproar that follows is the first time Said hears the word “Iran” in school. There he is suddenly forced to confront the combustible stew of his identity: as an American, an Iranian, a Jew, a socialist... and a middle-school kid who loves football and video games. Poised perfectly between tragedy and farce, here is a story by a brilliant young writer struggling to break away from the powerful mythologies of his upbringing and create a life—and a voice—of his own. Said Sayrafiezadeh’ s memoir is unforgettable.

Don’t miss Evermore, the first book in Alyson Noël's #1 New York Times bestselling The Immortals series. Enter an enchanting new world where true love never dies. . . . After a horrible accident claimed the lives of her family, sixteen-year-old Ever Bloom can see people's auras, hear their thoughts, and know someone's entire life story by touching them. Going out of her way to avoid human contact and suppress her abilities, she has been branded a freak at her new high school—but everything changes when she meets Damen Auguste. Damen is gorgeous, exotic and wealthy. He’s the only one who can silence the noise and random energy in her head—wielding a magic so intense, it’s as though he can peer straight into her soul. As Ever is drawn deeper

into his enticing world of secrets and mystery, she's left with more questions than answers. And she has no idea just who he really is—or what he is. The only thing she knows to be true is that she's falling deeply and helplessly in love with him.

Argentina's coup d'état in 1976 led to one of the bloodiest dictatorships in its history—thirty thousand people were abducted, tortured, and subsequently “disappeared.” And hundreds of babies born to pregnant political prisoners were stolen from their doomed mothers and “given” to families with military ties or who were collaborators of the regime. Analia was one of these children, raised without suspecting that she was adopted. At twenty seven, she learned that her name wasn't what she believed it to be, that her parents weren't her real parents, and that the farce conceived by the dictatorship had managed to survive through more than two decades of democracy. In My Name is Victoria, it is no longer Analia, but Victoria who tells us her story, in her own words: the life of a young and thriving middleclass woman from the outskirts of Buenos Aires with strong political convictions. Growing up, she thought she was the black sheep of the family with ideas diametrically opposed to her parents'. It wasn't until she discovered the truth about her origins and the shocking revelation of her uncle's involvement in her parents' murder and in her kidnapping and adoption that she was able to fully embrace her legacy. Today, as the youngest member of congress in Argentina, she has reclaimed her identity and her real name: Victoria Donda. This is Victoria's story, from the moment her parents were abducted to the day she was elected to parliament.

Young, fabulous . . . and fanged. With the stunning revelation surrounding Bliss's true identity comes the growing threat of the sinister Silver Bloods. Once left to live the glamorous life in New York City, the Blue Bloods now find themselves in an epic battle for survival. Not to worry, love is still in the air for the young vampires of the Upper East Side. Or is it?

Taking Chances
Shattered

A Memoir of a Political Childhood

Beware of God

The Life of Dashiell Hammett

Full Moon Rising

On the autobahn in Vienna a taxi leaves the carriageway and strikes the crash barrier, flinging its male and female passengers out of its back doors as it spins through the air. The driver cannot explain why he lost control; he only says that the mysterious couple in the back seat seemed to be about to kiss . . . Set against the tumultuous backdrop of war and its aftermath in the Balkans, The Accident intimately documents an affair between two people caught in each other's webs. The investigation into their deaths uncovers a mutually destructive obsession that mirrors the conflicts of the region. A destabilising mixture of vivid hallucination and cold reality, Ismail Kadare's new novel is a bold and fascinating departure.

Author of The Association of Small Bombs, longlisted for the National Book Award Rakesh Ahuja, a Government Minister in New Delhi, is beset by problems: thirteen children and another on the way; a wife who mourns the loss of her favorite TV star; and a teenaged son with somereally strong opinions about family planning. To make matters worse, looming over this comical farrago are secrets—both personal and political—that threaten to push the Ahuja household into disastrous turmoil. Following father and son as they blunder their way across the troubled landscape of New Delhi, Karan Mahajan brilliantly captures the frenetic pace of India's capital city to create a searing portrait of modern family life.

Riley Jenson, a rare hybrid of vampire and werewolf, and her twin brother, Rhoan, work with the Melbourne Directorate of Other Races to protect humans from supernatural races, but when Rhoan disappears while on a mission, Riley learns she cannot depend on her employer to find her brother and sets out into the night to save him.

An esteemed memoirist and one of the great editors in British publishing examines aging with the grace of Elegy for Iris and the wry irreverence of I Feel Bad About My Neck.

Fans of Sarah J. Maas and Holly Black won't be able to resist the world of Melissa Marr's #1 New York Times bestselling series, full of faerie intrigue, mortal love, and courtly betrayal. Rule #3: Don't stare at invisible faeries. Aislinn has always seen faeries. Powerful and dangerous, they walk hidden in mortal world. Aislinn fears their cruelty—especially if they learn of her Sight—and wishes she were as blind to their presence as other teens. Rule #2: Don't speak to invisible faeries. Now faeries are stalking her. One of them, Keenan, who is equal parts terrifying and alluring, is trying to talk to her, asking questions Aislinn is afraid to answer. Rule #1: Don't ever attract their attention. But it's too late. Keenan is the Summer King who has sought his queen for nine centuries. Without her, summer itself will perish. He is determined that Aislinn will become the Summer Queen at any cost—regardless of her plans or desires. Suddenly none of the rules that have kept Aislinn safe are working anymore, and everything is on the line: her freedom, her best friend Seth, her life—everything.

Rui S., a political historian, is unable to accept the circumstances of his life: his mother's death from cancer, his estrangement from his family, his rejection by his first wife and children, his political vacillations and his ambiguous feelings for his second wife.

Heartland is a horse farm nestled in the hills of Virginia, but it's much more than that. Heartland is like no other place -- it's a place where the scars of the past can be healed, a place where frightened and abused horses learn to trust again. Pegasus is all Amy has left of her past, but he's steadily growing weaker. Amy's trying to care for him and hold Heartland together. She's striving to do just what her mother would have done, but everything is beginning to unravel. It will take all of Amy's courage to let go of her mother's legacy, but it is the only way that she will break free and find her own.

The triumphant conclusion to the trilogy that began with A Star Called Henry Watch for Roddy Doyle's new novel, Smile, coming in October of 2017 Henry Smart is back. It is 1946, and Henry has crawled into the desert of Utah's Monument Valley to die. He's stumbled onto a film set though, and ends up in Hollywood collaborating with John Ford on a script based on his life. Eventually, Henry finds himself back in Ireland, where he becomes a custodian, and meets up with a woman who may or may not be his long-lost wife. After being injured in a political bombing in Dublin, the secret of his rebel past comes out, and Henry is a national hero. Or are his troubles just beginning? Raucous, colorful, and epic, The Dead Republic is the magnificent final act in the life of one of Doyle's most unforgettable characters.

Amy's life has drastically changed. She's found herself taking on the huge responsibility of running Heartland, the horse refuge that was her mother's life work. The one constant for Amy has been her friendship with Ty. Heartland's 17-year-old stable hand. But the arrival of a new hand, Ben, throws everything off balance. By the time Amy realizes she's taken Ty for granted, it could be too late.
