

Shadowsapes Tarot By Stephanie Pui Mun Law

Find your inspiration as you leap into a fantastical world of floating mermaids and dancing fairies with this mystical deck based on the Rider-Waite system. Stephanie Pui-Mun Law's exquisite watercolor artwork blends Asian, Celtic, and fantasy themes inspired by fairy tales, myths, and folklore from cultures worldwide. Also included with this enchanting tarot deck is a pocket-sized booklet with snapshot interpretations of the cards' symbolic meanings by the artist and unique spreads by award-winning tarot expert Barbara Moore.

A renowned artist captures the vibrancy and grace of faeries, elves, sprites, and nymphs in their lush gardens, offering beginners an introduction to the tarot and the major and minor arcana, with sample readings and a quick reference guide to the cards.

In 1818, French occultist Jacques Auguste Simon Collin wrote a legendary tome that described ancient daemons and organized them into hellish hierarchies. This book and tarot card set draws upon that work, identifying the unique strengths of 69 daemons and explaining how to summon their energies to answer our most pressing questions about life, love, health, money, and more.

This oversized book will aid any beginner in discovering the ancient mystery and magic of tarot. First-timers will learn the history and meanings of the cards, how to interpret tarot spreads, handle the cards, and prepare for a reading in this easy-to-use unabridged edition.

Engage your creativity through the absorbing act of coloring, and immerse yourself in the imaginative realm of Shadowsapes. Each page has perforated edges for easy removal and is suitable for display in a standard frame.

"An instant classic, a must-have for every tarot enthusiast, and a manifesto for insightful living." —Chani Nicholas, astrologer and author of You Were Born for This "Generous, practical, and gently radical." —New York Times Though tarot is often thought of as a tool for divination and fortune-telling, it also has deep roots in spirituality and psychology. For those who know how to see and listen, the cards hold the potential to help us better navigate the full spectrum of the human experience. In Tarot for Change, Jessica Dore divulges years of hard-won secrets about how to work with tarot to better understand ourselves and live in alignment with what's precious. Dore shows readers how to choose a deck, interpret images, and build a relationship with the cards, while also demonstrating how the mythic imagery of tarot supports modern therapeutic concepts like mindfulness, acceptance, and compassion. Her reflections on each of the seventy-eight cards are a vibrant tapestry that weaves together ideas from psychology, behavioral science, spirituality, and old stories, breathing new language into ancient wisdoms about what it means to be human. This is as much a book for those who are new to tarot as it is for those who have worked with the cards for years. And it's a book for anyone interested in exploring what it means to experience joy, heartbreak, wonder, stagnation, grief, loneliness, love. A book of secrets, symbols, and stories, Tarot for Change is a charm for remembering that our problems are not new, we are never alone, and whether we know it or not, we are always in a process of change.

Traditional structure of Rider-Waite and imbued it with her own magical imaginagination

The story of how it all began... Dorric Themear has experienced the giddy flutterings of new love before. But not like this. Behind the sapphire eyes of Lady Emelyee Amastacia lies a long-awaited destiny that neither of them can sense or stop. However, forces darker than Emelyee's husband are prepared to stand in their way. Ridel, one of Lucien's most trusted servants, is less than enthused about her assignment to watch the lovers. If only her master had been visionary enough to see that a child cannot result if the parents are dead. She'll do her best to comply with his orders to watch and to wait—at least for now. High in the Frostmaw Mountains, Yvayne has seen the signs of a turning of the age before. Perhaps this time, with the proper intervention, she and the druids can make a play for Azuria after all.

Imagine strolling through a dark wood, the silver moonlight bathing your path in an ethereal glow. Now is the time to call upon your intuition and explore hidden realms of imagination and creativity. What secret messages do your dreams hold? Acclaimed tarot author Barbara Moore presents an essential introduction to card-reading, insightful interpretations of each card's significance, and introspective questions to guide your journey. Perfect for both traditional and intuitive readings, the Mystic Dreamer Tarot invites you to enter a mystical world of personal exploration.

Tarot is best used as a tool for self-discovery, healing, growth, empowerment, and liberation. Tarot archetypes provide the reader with a window into present circumstances and future potential. But what if that window only opened up on a world that was white, European, and heterosexual? The interpretations of the tarot that have been passed down through tradition presuppose a commonality and normalcy among humanity. At the root of card meanings are archetypes that we accept without questioning. But at what point do archetypes become stereotypes? Humanity is diverse—culturally, spiritually, sexually. Tarot has the power to serve a greater population, with the right keys to unlock the tarot's deeper meanings. In Queering the Tarot, Cassandra Snow deconstructs the meanings of the 78 cards explaining the ways in which each card might be interpreted against the norm. Queering the Tarot explores themes of sexuality, coming out, gender and gender-queering, sources of oppression and empowerment, and many other topics especially familiar to not-straight folks. Cassandra's identity-based approach speaks directly to those whose identity is either up in the air or consuming the forefront of their consciousness. It also speaks to those struggling with mental illness or the effects of trauma, all seekers looking for personal affirmation that who they are is okay.

Step through the doors of Mandrake Academy . . . where you will don the robes of a magical apprentice and learn from your instructor—the tarot. Featuring gorgeous, intricately rendered digital artwork by John J. Blumen, this wonderfully unique tarot deck presents a full course in basic magic while teaching you the timeless art of reading the cards. Progress through the 78-card Rider-Waite-based deck and explore twenty-two enjoyable lessons, as taught by the Empress, professor of herbal magic; the Hierophant, professor of mythology; and other traditional figures who hail from the Major Arcana. —Gain skills in spellcasting, herbalism, runes, astrology, astral travel, shapeshifting, and other essential topics —Practice four schools of elemental magic, represented by the four suits of the Minor Arcana: fire, water, air, and earth For a study guide and more, visit www.WizardsTarot.com

For the first time in English, Benebell Wen reveals the rich history and theoretical principles underlying the ancient practice of crafting Fu talismans, or magical sigils, in the Chinese Taoist tradition and gives detailed instructions for modern practitioners who would like to craft their own Fu. Fu talismans are ideograms and writings typically rendered on paper and empowered by means of invocations, ritual, and transferences of energy, or Qi. Talismans can be used for many purposes, such as strengthening or weakening personal personality characteristics, finding love, earning more money, or easing emotional tensions in the home. The Tao of Craft shows how metaphysical energy can be harnessed to amplify, strengthen, weaken, dispel, or block other metaphysical energy and to rectify perceived imbalances in the material plane. Supported by an abundance of detailed charts and images, this book serves as a step-by-step handbook that gives readers the knowledge and confidence to craft their own Fu talismans for personal empowerment. Wen, author of Holistic Tarot, delves into historic and cultural contexts of the Fu, from the neolithic period of Chinese history to contemporary practices of esoteric Taoism. Providing a solid foundation in the principles of Eastern spellcrafting, she highlights the blending of Taoist metaphysical practices with Western approaches to magic by pointing out eclectic, integrating, and harmonizing facets from other cultures and religions. Historically, Fu talismans were used by medieval Chinese for alleviating illness; averting misfortune, magical attacks, and curses; defending against assaults; and avoiding poverty. This book shows Western practitioners that the skill and knowledge to develop an interactive relationship with spirit realms are still available to them today, and serves as a practical handbook for accumulating Qi energy from sources in the environment and channeling it in concentrated form into their own Fu talismans. From the Trade Paperback edition.

Rendered in the rich style of traditional Chinese artwork, the vibrant colors and clear messages of The Chinese Tarot Deck offer an aesthetic and accessible tarot experience. Jui Guoliang has created elegant ink and watercolor designs that skillfully blend archetypal symbols of Ancient Chinese literature, legend, philosophy, and culture. The Major Arcana draws upon the benevolent wisdom and insight of inspirational figures such as Confucius, Kuan Yin, and Chang Tao Ling, the Heavenly Master. The fully pictorial Minor Arcana are equally endowed with the lessons of Chinese history. The booklet by Stuart R Kaplan offers a description of each card's symbolism, with both upright and reversed meanings.

A Practical Guide to Reading the Cards

Mystic Dreamer Tarot

Crystal Tarot

The Good Tarot

Paullina Tarot

A deluxe book exploring the sketches and creative process of one of modern fantasy's most-loved artists. Takes fans into the depths of Stephanie Pui-Mun Law's breathtaking imagination.

As rich and complex as life itself, the Crystal Tarot blends the look of stained glass with art nouveau style to gracious effect. The use of patterns within patterns gives depth to the traditional pictures of the Tarot. Influenced by both the Rider-Waite and Thoth Tarot decks, this modern Tarot is an exquisite blend of the old and the new. The familiar images are all there, while the details—executed in brilliant and unusual colors—invite viewers to linger, to search, to make sure they miss nothing—an effective trait in a tool of self-examination.

Embrace the night as you succumb to visions of blood-red roses and feel the impassioned rhythms of your feverishly pounding heart. The Vampire legend is rooted in darkness and seduction, yet its eternal message is one of spiritual hunger—to taste the Divine. Featuring Ian Daniels' richly evocative Gothic-style artwork, this hauntingly romantic deck is a tool for spiritual awakening. With it, you can plumb the depths of your inner shadows and emerge in the radiant light of truth. Inspired by the Rider-Waite structure, the deck shows the Fool, Priestess, and other traditional figures, while the suits bear unique names that call forth the mysterious and macabre: Scepters, Grails, Knives, and Skulls. The companion book provides detailed card meanings, creative exercises, original spreads, and instructions for creating your own Vampyre character. Includes a 78-card deck and a 312-page book.

Talented artist Patrick Valenza presents uniquely alternative interpretations of traditional tarot with symbolism inspired by childhood dreams and visions. This fully illustrated book takes you behind the scenes of Deviant Moon to glimpse the creative inspiration and artistic technique that gave rise to this popular tarot deck. Patrick also offers expanded meanings and interpretations, for both upright and reversed card positions.

Pagan Tarot

Tarot of the Hidden Realm

This edition features the magical art of Law, and a selection of stories that travels across the sub-genres of fantasy as young men and women struggle to find their places in worlds harsh and beautiful.

This is the book that I wrote about my Tarot deck. In it, I explore the real, factual history of the Tarot (No one knows, and does it really make any difference?) as well as a chapter about the theories of the history of the Tarot in general, and a recounting of the history of the Robin Wood Tarot. There is a description of the symbolism that is common to most decks, the Robin Wood Tarot in particular. The bulk of the book is a description of each card: including a verbal key to help the Reader remember the meaning, a synopsis of what the card might mean in a reading, and a complete description of what is on the card and why I put it there. This is followed by a short discussion of how the Tarot works, how to begin to read (), and an exploration of the Ethics of reading the Tarot. Finally, there is a short section about spreads. (It's short, because the book quickly became much longer than I expected!) And, in the very back, there are a few appendices which go into more detail about some of the stories and legends that are mentioned in the book, as well as a section covering the Rules of the Tarot. "Learn how to work with the tarot through the theme of the circus. This guidebook provides interpretations and spreads to use with the Cirque du Tarot card deck"--

An original twist on hidden pictures for all ages. This collection of coloring pages celebrates the dreamlike art of Stephanie Law, with 30+ projects featuring intricate worlds of wonder and the beauty of nature, including dozens of hidden images within those artworks. Spark your imagination as you bring each image to life, finding secret treasures throughout the es

Evoke the powerful wisdom of the fae with the Tarot of the Hidden Realm. Instead of relying on esoteric symbols, this powerful deck uses the raw elements—water, air, fire, and earth—to speak directly to your emotions. The beautifully drawn figures follow the Rider Waite style, but express more energy and movement, drawing you in even as you draw their truths out. The companion guidebook reveals techniques and card meanings for beginners and more experienced readers alike.

From the author of the Green Witchcraft series comes a unique approach to using the Tarot as a spiritual tool for channeling energy and communicating with the Divine. Utilizing themes and images from Natural Witchcraft, this book takes readers step by step through the Major and Minor arcana. Illustrations.

This Spiritsong deck is a melding of two traditions of divination: one in which animals are seen as guides between our world and the spirit world, and one that uses 78 cards as a tool to connect with our highest self. Each animal was specifically selected based upon Shamanic and Native American symbolism, merging each animal's unique power with classic tarot practices. For example, the Spiritsong animal, Raven, has attributes such as 'creation' that parallels some of the same symbolic tarot attributes of the traditional Magician card, which is why the Raven is the animal representing that card. The Spiritsong Tarot structure is based on the traditional tarot, containing the 22

Majors, the 56 Minors, and four suits: Acorns for Wands/Fire; Feathers for Swords/Air; Shells for Cups/Water; and Crystals for Pentacles/Earth.

Seek your destiny through trailing vines and gnarled trees in a secret realm rich with myth and magic...Enter an enchanted world filled with fairies, goddesses, and sorceresses; a magical world of possibility and power; a world in which you can weave your future. Featuring hauntingly beautiful fairy imagery by renowned fantasy artist Jessica Galbreath and insightful instruction from acclaimed tarot author Barbara Moore, the Enchanted Oracle presents: - A stunning 36-card oracle deck featuring Jessica Galbreath's original watercolor artwork - A whimsical silver pouch in which to keep the oracle cards when not in use - A fabulous fairy pendant that can be used as a pendulum and enchanted charm - A lyrical and lovely 240-page guidebook by Barbara Moore that presents a variety of ways to work with oracle wisdom, including spells, enchantments, and journalin View the gorgeous artwork of the Enchanted Oracle cards.

Deviant Moon Tarot Book

Combining Wiccan traditions and modern lifestyles, the Pagan Tarot Kit portrays experiences of the modern Witch and Pagan priestess—a must for those following the Wiccan path. Based on elemental dignities and the traditional Tarot structure, it portrays the experiences of the modern Witch and pagan priestess. An indispensable tool for Pagans seeking guidance for both mundane problems and spiritual concerns. Boxed kit includes 78 cards and 120-pp book.

The most accessible Tarot kit available, with expert guidance on techniques from psychologist David Fontana and incredibly clear and inspiring illustrations to light up your journey of self-discovery. A Tarot classic. This kit is a Tarot classic, combining inspiring, luminous illustrations that make the symbolism of the cards easy to grasp with a guidebook that clarifies the mysteries and symbolism of the Tarot and encourages users as they embark on their own journey of self-discovery with the cards. Author David Fontana's twin perspectives as Tarot expert and psychologist make this deck the most accessible and useful on the market. A highly respected psychologist with an abiding interest in the connection between symbols and the deeper levels of the unconscious, he was captivated by the way in which the Tarot communicates through universal visual symbolism. In the guidebook, he explains how focusing on Tarot symbols can provide us with keys to the vast amount of instinctive patterns of thought and behaviour that is normally inaccessible to our conscious minds, but which determines much of who we are and what we can become. Thus, accessing our unconscious through the Tarot can play a crucial role in our psychological and spiritual development. The kit contains: -

The 22 Major Arcana cards and 56 Minor Arcana cards - An 80pp guidebook that gives insight into the history, symbolism and psychology of the Tarot, explains how to integrate the Tarot into your own life for self-discovery and positive change, and provides traditional layouts to guide you in your journey

With warmth and wisdom, authors Holly Adams Easley and Esther Joy Archer delve into the fascinating history and stories behind centuries of tarot artwork in The History of Tarot Art.
