When famed attorney Bradley Hudson learns of his youngest son Langston's arrest for drug trafficking, he immediately assembles a team of lawyers and investigators, including members of his own family, to build a defense. With his reputation for being a shark in the courtroom, Bradley is confident he will get justice for his son—until he realizes he will be going up against an old foe, Assistant District Attorney James Brown. Is the ADA allowing his personal history with the Hudsons to influence his handling of the prosecution? To complicate matters, Bradley discovers that his older son, Lamont, a young lawyer and Bradley's right-hand man, has secretly been planning his exit from the family law firm to get out from under his father's shadow. Desiree, Bradley's only daughter, is fresh out of law school and quite reserved compared to her siblings. Given the problems her family is facing, now is not the right time for Desiree to introduce more drama to the mix, but she just can't seem to help herself. He knows how much is at stake if his family's drama spirals out of control, so he'll do everything within his power to keep it all together and prevent his son from landing behind bars. With his trademark dramatic style, Carl Weber introduces readers to the Hudsons. The Red Bottom Bandits may be the world's most fashion-forward gang of masked outlaws. They're the talk of D.C. for their daring robberies and fly gear. And their latest caper is penned by Ashley Antoinette (of Ashley & JaQuavis) at her sultry, streetwise best. When the innocent, naïve Gucci recognizes ringleader Sunny Raegan during a holdup, that's her "in" with the Bandits. Knowing she's got a lot more beauty than brains, Gucci sees the gang as her meal ticket. More likely, they'll be her ticket to the morgue! The Bandits may be lawless, but they play by a few simple rules: Get in and get out. . .shoot first and ask questions later. . .never leave without the money. . .and innocent people don't get hurt. But it's only a matter of time before all these rules get broken—and that's when Gucci gets caught! If there's one thing a girl needs, it's a little help from her friends. But her "friends" have skipped town without giving her a second thought. And Sunny is distracted by her new baby and her violent ex-lover. So Gucci's on her own. She's on trial for her life, and she must decide whether to snitch on the girls—or take the fall all by herself. Whichever she chooses, it may be her death sentence. Love, lies, adultery, and death. Ashley and JaQuavis introduce readers to London, a beautiful immigrant from Trinidad. She was given to her husband by her father in order to settle a debt. Standing by her husband's side to make him the envy of his associates is a day in the life, but behind closed doors, their relationship becomes cold, and the abuse that she encounters has her looking for a way out. When she meets a young thug named Kalil, he opens her eyes to a world she never knew. Afraid of the repercussions of her actions, she avoids Kalil at all costs, but his relentless pursuit makes their love inevitable. Enter the world of The Trophy Wife. Her story will keep you guessing until the final page, and the outcome will leave you breathless. Just like any dysfunctional family reunion, loyalty, love, and good times soon turn to bitterness, regret, and promises to never see one another again. At the end of the day, the Banks sisters are no different than any other family in the city of Richmond—other than the fact that they are rotten to the core. Sure, the girls are bonded by D.N.A, but they're also tied together because of their past of robbing banks, extortion, drug dealing, and even cold-blooded murder. However,

that bond means absolutely nothing to them. When it comes down to it, it is every sister for herself, even if it means throwing her siblings underneath the bus to avoid the consequences of their many crimes. Sisterly love be damned; this is survival!
