Soldier Spy is the first true story told by an MI5 officer. A shocking, honest account revealing never-before-seen detail into MI5's operation. 'I do it because it is all I know. I'm a hunter of people and I'm damn good at it.' Bestselling author Tom Marcus is the first MI5 officer to tell the true story of British counter terrorism operations on our streets. Recruited after the 7/7 attacks on London, Tom quickly found himself immersed in the tense world of watching, following and infiltrating networks of terrorists, spies and foreign agents. It was a job that took over his life for months at a time and cost him dear, taking him to the limit of physical and mental endurance. Filled with extraordinary, searing accounts of operations that saved countless lives, Soldier Spy is the only authentic account by an ex-MI5 officer of the round-the-clock battle to keep this country's streets safe. 'Very well written, gives a startling amount of operational detail, the biggest shock of all - MI5 agreed to its publication' Sunday Times 'A blistering, visceral insight into life on the front line against terror, revealed in remarkable detail' Daily Telegraph 'Startling, absolutely fascinating. A footsoldier's account out on the street. A vivid picture of surveillance' Midweek, Radio 4 'Gripping. One of the most successful MI5 undercover surveillance officers of his time' Sun

A Novel

Abbie MacIntyre is living the dream in the picturesque Nova Scotia town she calls home. She is a successful surgeon, is married to a handsome cardiologist, and has a model teenage son who is only months away from going off to college. But then one fateful night, everything changes. When a drunk driver hits her car, Abbie is rushed to the hospital. She survives, but the accident forces unimaginable secrets out into the open and plagues Abbie with nightmares so vivid that she starts to question her grip on reality. Her perfect life begins to crack, and those cracks threaten to shatter her world completely. The search for answers will test her strength in every way—as a wife, a career woman, and a mother—but it may also open the door for Abbie to move forward, beyond anger and heartbreak, to find out what she is truly made of. In learning to heal and trust again, she may just find new hope in the spaces left behind.

Spies in Disguise hits the big screen on December 25, 2019. The all-star cast includes Will Smith, Tom Holland, Karen Gillan, Rashida Jones, and DJ Khaled! Explore the tech world of Spies in Disguise in this action-packed storybook featuring unique gadgets and devices that only Walter could invent. Super spy Lance Sterling and scientist Walter Beckett are almost exact opposites. Lance is smooth, suave and debonair. Walter is... not. But what Walter lacks in social skills he makes up for in smarts and invention, creating the awesome gadgets Lance uses on his epic missions. But when events take an unexpected turn, Walter and Lance suddenly have to rely on each other in a whole new way. And if this odd couple can't learn to work as a team, the whole world is in peril.

From USA Today bestselling author Jennifer Robson—author of Moonlight Over Paris and Somewhere in France—comes a lush historical novel that tells the fascinating story of Ruby Sutton, an ambitious American journalist who moves to London in 1940 to report on the Second World War, and to start a new life an ocean away from her past. In the summer of 1940, ambitious young American journalist Ruby Sutton gets her big break: the chance to report on the European war as a staff writer for Picture Weekly newsmagazine in London. She jumps at the chance, for it's an opportunity not only to prove herself, but also to start fresh in a city and country that know nothing of her humble origins. But life in besieged Britain tests Ruby in ways she never imagined. Although most of Ruby's new colleagues welcome her, a few resent her presence, not only as an American but also as a woman. She is just beginning to find her feet, to feel at home in a country that is so familiar yet so foreign, when the bombs begin to fall. As the nightly horror of the Blitz stretches unbroken into weeks and months, Ruby must set aside her determination to remain an objective observer. When she loses everything but her life, and must depend upon the kindness of strangers, she learns for the first time the depth and measure of true friendship—and what it is to love a man who is burdened by secrets that aren't his to share. Goodnight from London, inspired in part by the wartime experiences of the author's own grandmother, is a captivating, heartfelt, and historically immersive story that readers are sure to embrace.

There is us. Our Family. We will hold our precious gift and know that we are lucky . . . From the outside looking in, Kelle Hampton had the perfect life: a beautiful two-year-old daughter, a loving husband, and a thriving photography career. When she learned she was pregnant with their second child, they were ecstatic. But when their new daughter was placed in her arms in the delivery room, Kelle knew instantly that something was wrong. Nella looked different than her sister, Lainey, had at birth. As her friends and family celebrated, a terrified Kelle was certain that Nella had Down syndrome—a fear her pediatrician soon confirmed. Yet gradually Kelle embraced the realization that she had been chosen to experience an extraordinary and special gift. With lyrical prose and gorgeous photography, Bloom takes readers on a wondrous journey through Nella's first year of life—a gripping, hilarious, and intensely poignant trip of transformation in which a mother learns that perfection comes in all different shapes.

Follow Little White Arch on his journey as he wonders what his color could be. Along the way he meets many colorful characters who help him realize the answer. Full Steam Ahead

Once

When love simmers between a reclusive scientist and a wealthy debutante, will they abandon ship or is it full steam ahead? Nicole Renard returns home to Galveston, Texas, to find her father deathly ill. Though she loves him, Nicole's father has always focused on what she's not. Not male. Not married. Not able to run Renard Shipping. Vowing to find a suitable husband to give her father the heir he desires before it's too late, Nicole sets out with the Renard family's greatest treasure as her dowry: the highly coveted Lafitte Dagger. But her father's rivals come after the dagger, forcing a change in Nicole's plans. After a boiler explosion aboard the Louisiana nearly took his life, Darius Thornton has been a man obsessed. He will do anything to stop even one more steamship disaster. Even if it means letting a female secretary into his secluded world. Nicole is determined not to let her odd employer scare her off with his explosive experiments, yet when respect and mutual attraction grow between them, a new fear arises. How can she acquire an heir for her father when her heart belongs to another? And when her father's rivals discover her hiding place, will she have to choose between that love and her family's legacy?

From the bestselling author of The Ragged Edge of Night comes a powerful and poetic novel of survival and sacrifice on the American frontier. Wyoming, 1876. For as long as they have lived on the frontier, the Bemis and Webber families have relied on each other. With no other settlers for miles, it is a matter of survival. But when Ernest Bemis finds

his wife, Cora, in a compromising situation with their neighbor, he doesn't think of survival. In one impulsive moment, a man is dead, Ernest is off to prison, and the women left behind are divided by rage and remorse. Losing her husband to Cora's indiscretion is another hardship for stoic Nettie Mae. But as a brutal Wyoming winter bears down, Cora and Nettie Mae have no choice but to come together as one family--to share the duties of working the land and raising their children. There's Nettie Mae's son, Clyde--no longer a boy, but not yet a man--who must navigate the road to adulthood without a father to guide him, and Cora's daughter, Beulah, who is as wild and untamable as her prairie home. Bound by the uncommon threads in their lives and the challenges that lie ahead, Cora and Nettie Mae begin to forge an unexpected sisterhood. But when a love blossoms between Clyde and Beulah, bonds are once again tested, and these two resilient women must finally decide whether they can learn to trust each other--or else risk losing everything they hold dear.

#1 New York Times bestselling author Tami Hoag ' s fan-favorite Minneapolis investigators, Sam Kovac and Nikki Liska, hunt a serial killer in this haunting thriller. On a frigid New Year ' s Eve in Minneapolis, a young woman is found brutally murdered—the ninth so far this year in a string of grisly slayings. Homicide detectives Sam Kovac and Nikki Liska fear that it ' s the work of a serial killer they call Doc Holiday, a transient who has brought his gruesome game to a new and more terrifying level. But as Kovac and Liska uncover the truth, they find that the monsters in the ninth girl ' s life may live closer to home. And even as another young woman disappears, they have to ask the question: Which is the greater evil—the devil you know or the devil you don ' t?

The ocean is packed with plants, animals, water... and science! Ride the waves of knowledge with Sam and Jade as they explain all about the amazing wonders of the sea, and have a blast doing it. Finding Brooklyn

This Magnificent Dappled Sea
Savvy Auntie

Two strangers--generations and oceans apart--have a chance to save each other in this moving and suspenseful novel about family secrets and the ineffable connections that attach us. In a small Northern Italian village, nine-year-old Luca Taviano catches a stubborn cold and is subsequently diagnosed with leukemia. His only hope for survival is a bone marrow transplant. After an exhaustive search, a match turns up three thousand miles away in the form of a most unlikely donor: Joseph Neiman, a rabbi in Brooklyn, New York, who is suffering from a debilitating crisis of faith. As Luca's young nurse, Nina Vocelli, risks her career and races against time to help save the spirited redheaded boy, she uncovers terrible secrets from World War II--secrets that reveal how a Catholic child could have Jewish genes. Can inheritance be transcended by accidents of love? That is the question at the heart of This Magnificent Dappled Sea, a novel that challenges the idea of identity and celebrates the ties that bind us together.
