

Side Hustle From Idea To Income In 27 Days

*A remarkable guide to the quests that give our lives meaning—and how to find your own—from the New York Times bestselling author of *The \$100 Startup* and *100 Side Hustles* “If you like complacency and mediocrity, do not read this book. It’s dangerously inspiring.”—A. J. Jacobs, author of *The Know-It-All* When he set out to visit all of the planet’s countries by age thirty-five, compulsive goal-seeker Chris Guillebeau never imagined that his journey’s biggest revelation would be how many people like himself exist—each pursuing a challenging quest. These quests are as diverse as humanity itself, involving exploration, the pursuit of athletic or artistic excellence, or battling against injustice and poverty. Everywhere that Chris visited he found ordinary people working toward extraordinary goals, making daily down payments on their dreams. These “questers” included a suburban mom pursuing a wildly ambitious culinary project, a DJ producing the world’s largest symphony, a young widower completing the tasks his wife would never accomplish—and scores of others writing themselves into the record books. The more Chris spoke with these strivers, the more he began to appreciate the direct link between questing and long-term happiness, and he was compelled to complete a comprehensive study of the phenomenon. In *The Happiness of Pursuit*, he draws on interviews with hundreds of questers, revealing their secret motivations, their selection criteria, the role played by friends and family, their tricks for solving logistics, and the importance of documentation. Equally fascinating is Chris’s examination of questing’s other side. What happens after the summit is climbed, the painting hung, the endurance record broken, the at-risk community saved? A book that challenges each of us to take control—to make our lives be about something while at the same time remaining clear-eyed about the commitment—*The Happiness of Pursuit* will inspire readers of every age and aspiration. It’s a playbook for making your life count. “*The Happiness of Pursuit* is smart, honest, and dangerous. Why dangerous? Because it is as practical as it is inspiring. You won’t just be daydreaming about your quest—you’ll be packing for it!”—Brené Brown, Ph.D., LMSW, author of *Daring Greatly**

So You Want to Start a Side Hustle: Build a Business that Empowers You to Live Your Life, Your Way

The Side Hustle Path

Start from Zero

Have you ever met someone with the perfect job? To the outside observer, it seems like they've won the career lottery—that by some stroke of luck or circumstance they've found the one thing they love so much that it doesn't even feel like work—and they're getting paid well to do it. In reality, their good fortune has nothing to do with chance. There's a method for finding your perfect job, and Chris Guillebeau, the bestselling author of *The \$100 Startup*, has created a practical guide for how to do it—whether within a traditional company or business, or by striking out on your own. Finding the work you were “born to do” isn't just about discovering your passion. Doing what brings you joy is great, but if you aren't earning a living, it's a hobby, not a career. And those who jump out of bed excited to go to work every morning don't just have jobs that turn their passions into paychecks. They have jobs where they also can lose themselves for hours in the flow of meaningful work. This intersection of joy, money, and flow is what Guillebeau will help you find in this book. Through inspiring stories of those who have successfully landed their dream career, as well as actionable tools, exercises, and thought experiments, he'll guide you through today's vast menu of career options to discover the work perfectly suited to your unique interests, skills, and experiences. You'll learn how to:

- Hack the job of your dreams within a traditional organization by making it work for you
- Find not only your ideal work but also your ideal working conditions
- Create plans that will allow you to take smarter career risks and “beat the house” every time
- Start a profitable “side hustle” and earn extra cash on top of your primary stream of income
- Escape the prison of working for someone else and build a mini-empire as an entrepreneur
- Become a rock star at any creative endeavor by creating a loyal base of fans and followers

Whichever path you choose, this book will show you how to find that one job or career that feels so right, it's like you were born to do it.

It takes more than a great idea to make your side hustle a success. Here, two experts show you how to build one that creates the autonomy you desire and changes the way you live. Carrie Bohlig and Craig Clickner started side hustles to make their lives better—to break free from the limitations of corporate America and have more time with their kids and each other. Today, they're entrepreneurs who have built multiple thriving businesses and helped thousands of people through mentoring, coaching and sharing their insights across the globe. In *So You Want to Start a Side Hustle*, you'll learn all the secrets of their successes:

Through real-life stories, lessons learned from personal wins and losses, and illuminating anecdotes about their experiences speaking to solopreneurs and other small business owners, Carrie and Craig show you how to get your idea from the thinking and planning stages to the life-changing, revenue-producing venture you want it to be. Designed as a “traveling adventure guide,” *So You Want to Start a Side Hustle* lays out how to establish a clear Life Vision and develop the right Lifeset for ongoing success. This foundation, say Carrie and Craig, is crucial. It’s the framework that allows you to sharpen your focus, overcome challenges and obstacles, and create a side hustle that has ongoing impact on your life and generates lasting success and revenue. Will you find smart ways to handle marketing, decision making, and funding? Absolutely. But with its emphasis on building the right mindset, Lifeset, and support structure, *So You Want to Start a Side Hustle* is more than a how-to book: It’s an essential guide to helping you establish a vision for your life—and to leverage your side hustle to create the life you truly want.

WINNER OF THE HARPER LEE PRIZE FOR LEGAL FICTION Wall Street Journal BEST BOOK OF THE YEAR LONGLISTED FOR THE BAILEY ' S WOMEN ' S PRIZE FOR FICTION From Attica Locke, a writer and producer of FOX ' s Empire, this sophisticated thriller sees lawyer Jay Porter—hero of her bestseller Black Water Rising—return to fight one last case, only to become embroiled in a dangerous game of shadowy politics and a witness to how far those in power are willing to go to win. Fifteen years after his career-defining case against Cole Oil, Jay Porter is broke and tired. That victory might have won the environmental lawyer fame, but thanks to a string of appeals, he hasn't seen a dime. His latest case—representing Pleasantville in the wake of a chemical fire—is dragging on, shaking his confidence and raising doubts about him within this upwardly mobile black community on Houston's north side. Though Jay still believes in doing what's right, he is done fighting other people's battles. Once he has his piece of the settlement, the single father is going to devote himself to what matters most—his children. His plans are abruptly derailed when a female campaign volunteer vanishes on the night of Houston's mayoral election, throwing an already contentious campaign into chaos. The accused is none other than the nephew and campaign manager of one of the leading candidates—a scion of a prominent Houston family headed by the formidable Sam Hathorne. Despite all the signs suggesting that his client is guilty—and his own misgivings—Jay can't refuse when a man as wealthy and connected as Sam asks him to head up the defense. Not if he wants that new life with his kids. But he has to win. Plunging into a shadowy world of ambitious enemies and treacherous allies armed with money, lies, and secrets, Jay reluctantly takes on his first murder trial—a case that will put him and his client, and an entire political process, on trial.

From bestselling author of *The \$100 Startup* and *Side Hustle* comes Chris Guillebeau's engaging story about the power you have to create your own financial destiny. Like financial classics *The Latte Factor* and *The Richest Man in Babylon*, *The Money Tree* uses a compelling story with captivating characters to share its core insight: you are never at the mercy of fortune as long as you have an appetite for hard work and a willingness to step outside your comfort zone. Jake Aarons is in trouble. He's being evicted from his apartment in less than 30 days, the bill for his \$50,000 in overdue student loans is almost due, and the digital marketing agency he works at just implemented a new military-style grading system that might cost him his job. To top it off, Jake's new relationship with Maya was going so well... but with everything else falling down around him, he might lose her, too. In search of answers, Jake reluctantly attends a weekly group meeting at the invitation of a coworker. Everyone in the group is trying to create a lucrative side hustle with one key requirement: they can only spend up to \$500 before earning a profit. Over the course of several weeks, Jake undertakes a series of challenges, first learning how to make \$1,000 in a single weekend, and ultimately how to discover the untapped skills he needs to take control of his finances--and his life.

Look out for Daniel Pink ' s new book, *When: The Scientific Secrets of Perfect Timing* #1 New York Times Business Bestseller #1 Wall Street Journal Business Bestseller #1 Washington Post bestseller From the bestselling author of *Drive* and *A Whole New Mind*, and teacher of the popular MasterClass on Sales and Persuasion, comes a surprising--and surprisingly useful--new book that explores the power of selling in our lives. According to the U.S. Bureau of Labor Statistics, one in nine Americans works in sales. Every day more than fifteen million people earn their keep by persuading someone else to make a purchase. But dig deeper and a startling truth emerges: Yes, one in nine Americans works in sales. But so do the other eight. Whether we ' re employees pitching colleagues on a new idea, entrepreneurs enticing funders to invest, or parents and teachers cajoling children to study, we spend our days trying to move others. Like it or not, we ' re all in sales now. *To Sell Is Human* offers a fresh look at the art and science of selling. As he did in *Drive* and *A Whole New Mind*, Daniel H. Pink draws on a rich trove of social science for his counterintuitive insights. He reveals the new ABCs of moving others (it's no longer "Always Be Closing"), explains why extraverts don't make the best salespeople, and shows how giving people an "off-ramp" for their actions can matter more than actually changing their minds. Along the way, Pink describes the six successors to the elevator pitch, the three rules for understanding another's perspective, the five frames that can make your message clearer and more persuasive, and much more. The result is a perceptive and practical book--one that will change how you see the world and transform what you do at work, at school, and at home.

If you've ever thought, "There must be more to life than this," *The Art of Non-Conformity* is for you. Based on Chris Guillebeau's popular online manifesto "A Brief Guide to World Domination," *The Art of Non-Conformity* defies common assumptions about life and work while arming you with the tools to live differently. You'll discover how to live on your own terms by exploring creative self-employment, radical goal-setting, contrarian travel, and embracing life as a constant adventure. Inspired and guided by Chris's own story and those of others who have pursued unconventional lives, you can devise your own plan for world domination--and make the world a better place at the same time.
