

Simply The Quest Who Let The Gods Out

Hermann Hesse, the author, has narrated a lot about Siddhartha and his spiritual journey. A lot has been discussed about Siddhartha. He is loved by everyone. He is a source of joy for everybody, but he, Siddhartha, is not a source of joy for himself, he finds no delight in himself. Siddhartha has started to nurse discontent in himself, he has started to feel that the love of his father and his mother, and love of his friend, will not bring him joy forever and ever, will not nurse him, freed him, satisfy him. Siddhartha has many queries in his mind like as, "Do the sacrifices give a happy fortune?", "What about the Gods?", "Was it really Prajapati who had created the world?", "Was it not the "Atman", the singular one?" Siddharatha meets his father and says, "With your permission, my father, I have come to tell you that it is my longing to leave your house tomorrow and go to ascetics. My desire is to become a Samara." His father says-"You will go into the go forest and be a Samara , when you will find blissfulness in the forest, come back and teach me to be blissful." This is just an excerpt, the whole book consists of spiritualistic way of narration, thus becomes interesting one. Once you start reading can't resist to leave the book in the mid.

Elliot's life is spiralling out of control. He's been suspended from school, his ex-convict dad is useless around the house and his mum's health is worsening. What's more, the gods are determined to forge on with the quest for the third chaos stone. An unlikely, hilarious and heart-warming odyssey begins. But Elliot has heard of a mythical potion rumoured to cure all ills - can he save his mum, even if it means sacrificing the fate of the world?

#1 NEW YORK TIMES, WALL STREET JOURNAL, AND BOSTON GLOBE BESTSELLER • One of the most acclaimed books of our time: an unforgettable memoir about a young woman who, kept out of school, leaves her survivalist family and goes on to earn a PhD from Cambridge University “Extraordinary . . . an act of courage and self-invention.”—The New York Times NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW • ONE OF PRESIDENT BARACK OBAMA’S FAVORITE BOOKS OF THE YEAR • BILL GATES’S HOLIDAY READING LIST • FINALIST: National Book Critics Circle’s Award In Autobiography and John Leonard Prize For Best First Book • PEN/Jean Stein Book Award • Los Angeles Times Book Prize Born to survivalists in the mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was so isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara’s older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she’d traveled too far, if there was still a way home. “Beautiful and propulsive . . . Despite the singularity of [Westover’s] childhood, the questions her book poses are universal: How much of ourselves should we give to those we love? And how much must we betray them to grow up?”—Vogue NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • O: The Oprah Magazine • Time • NPR • Good Morning America • San Francisco Chronicle • The Guardian • The Economist • Financial Times • Newsday • New York Post • theSkimm • Refinery29 • Bloomberg • Self • Real Simple • Town & Country • Bustle • Paste • Publishers Weekly • Library Journal • LibraryReads • Book Riot • Pamela Paul, KQED • New York Public Library **OPRAH’S BOOK CLUB PICK A NEW YORK TIMES BESTSELLER ‘A roadmap on the journey to truth and authenticity... [The Way of Integrity] is filled with aha moments and practical exercises that can guide us as we seek enlightenment’ Oprah Winfrey ‘This radiant book will not only change your life, but perhaps even save it’ Elizabeth Gilbert ‘Martha Beck’s genius is that her writing is equal parts comforting and challenging. A teacher, a mother, a sage, she holds our hand as she leads us back home to ourselves’ Glennon Doyle _____ Bestselling author, life coach and sociologist **Martha Beck explains why ‘integrity’ - being in harmony with ourselves - is the key to a meaningful and joyful life In The Way of Integrity, Beck presents a four-stage process that anyone can use to find integrity, and with it, a sense of purpose, emotional healing, and a life free of mental suffering. Much of what plagues us-people pleasing, staying in stale relationships, negative habits-all point to what happens when we are out of touch with what truly makes us feel whole. Inspired by The Divine Comedy, Beck uses Dante’s classic hero’s journey as a framework to break down the process of attaining personal integrity into small, manageable steps. She shows how to read our internal signals that lead us towards our true path, and to recognize what we actually yearn for versus what our culture sells us. With techniques tested on hundreds of her clients, Beck brings her expertise as a social scientist, life coach and human being to help readers to uncover what integrity looks like in their own lives. She takes us on a spiritual adventure that not only will change the direction of our lives, but bring us to a place of genuine happiness.****

The #1 New York Times bestselling WORLDWIDE phenomenon Winner of the Goodreads Choice Award for Fiction | A Good Morning America Book Club Pick | Independent (London) Ten Best Books of the Year "A feel-good book guaranteed to lift your spirits."—The Washington Post The dazzling reader-favorite about the choices that go into a life well lived, from the acclaimed author of How To Stop Time and The Comfort Book. Somewhere out beyond the edge of the universe there is a library that contains an infinite number of books, each one the story of another reality. One tells the story of your life as it is, along with another book for the other life you could have lived if you had made a different choice at any point in your life. While we all wonder how our lives might have been, what if you had the chance to go to the library and see for yourself? Would any of these other lives truly be better? In The Midnight Library, Matt Haig’s enchanting blockbuster novel, Nora Seed finds herself faced with the possibility of changing her life for a new one, following a different career, undoing old breakups, realizing her dreams of becoming a glaciologist; she must search within herself as she travels through the Midnight Library to decide what is truly fulfilling in life, and what makes it worth living in the first place.

This translation of The Iliad equals Fitzgerald’s earlier Odyssey in power and imagination. It recreates the original action as conceived by Homer, using fresh and flexible blank verse that is both lyrical and dramatic.

Graphic artist Trinity Hargrove never knew real passion until she sleeps with her boss’s son. Mistake number one. Mistake number two...liking it too much. But they agreed to only one night. Simple enough, right? Wrong. He may be out of her bed, but their intense night together still burns in her memories. As long as she keeps her distance from the oh-so-desirable Xander Duval, everything will be okay. Unfortunately, fate won’t go along with her plan. Restaurateur Xander Duval agrees to Trinity’s "one night" stipulation, but only in theory. He has no intentions of not being with her again. Especially when his mind-nor body-will allow him to forget the fire that blazed between them until the wee hours of the morning. When Trinity is injured in an automobile accident, he jumps at the opportunity to be her arms and legs. He plans to show her just how determined he is to make her his...or far longer than just one night.

And Other Lessons Children Teach Us

The fourth and final book in the hilarious bestselling WHO LET THE GODS OUT series; perfect for fans of David Solomons! 'I totally fell in love with Elliot and the gods, and I think you're all going to love them too.' ROBIN STEVENS on book 1 'One of the funniest new voices in children’s literature. The laughs come thick and fast' DAVID SOLOMONS on book 1 In the series finale of Maz Evans’ bestselling Who Let the Gods Out? series, Elliot faces his darkest period yet. As well as facing up to his fears, he realises that the future of mankind - and the survival of everything he holds dear - is at stake. But can a bunch of misfit gods, a lost constellation and a mortal boy stand up to the daemon hordes?

Elliot Hooper wants nothing more than a regular life for him and his mom. Then a Constellation of the Zodiac crashes from the sky into a pile of cow dung in front of him, and that wish explodes in a spray of...well...you know. Virgo, a 1,964-year-old girl, is on a routine mission to Earth and ABSOLUTELY FORBIDDEN from interacting with mortals. So of course she takes Elliot along with her. But when an evil daemon named Thanatos escapes to wreak terrible havoc, their routine mission turns not-so-routine. For if Elliot and Virgo don't track down the retired Zeus and the rest of the Olympians and help them catch Thanatos, mortals and gods alike won't be long for this earth. Elliot Hooper's life just got a whole lot more LEGENDARY.

NAMED A MOST ANTICIPATED BOOK OF 2018 BY Esquire • PopSugar • The Huffington Post • Buzzfeed • Publishers Weekly A unique new guide to creativity from Questlove—inspirations, stories, and lessons on how to live your best creative life Questlove—musician, bandleader, designer, producer, culinary entrepreneur, professor, and all-around cultural omnivore—shares his wisdom on the topics of inspiration and originality in a one-of-a-kind guide to living your best creative life. In Creative Quest, Questlove synthesizes all the creative philosophies, lessons, and stories he’s heard from the many creators and collaborators in his life, and reflects on his own experience, to advise readers and fans on how to consider creativity and where to find it. He addresses many topics—what it means to be creative, how to find a mentor and serve as an apprentice, the wisdom of maintaining a creative network, coping with critics and the foibles of success, and the specific pitfalls of contemporary culture—all in the service of guiding admirers who have followed his career and newcomers not yet acquainted with his story. Whether discussing his own life or channeling the lessons he’s learned from forefathers such as George Clinton, collaborators like D’Angelo, or like-minded artists including Ava DuVernay, David Byrne, Bj ö rk, and others, Questlove speaks with the candor and enthusiasm that fans have come to expect. Creative Quest is many things—above all, a wise and wide-ranging conversation around the eternal mystery of creativity.

Myths and Stories of the Wild Woman Archetype

"As the countdown to the new millennium begins, there is one thing everyone agrees on: no one wants to be in Onslow for New Year's Eve. So that can only mean one thing: road trip! No longer the mousey, invisible, shy girl from years ago, Tammy Maskala is finally making up for all those lost summers. A new year with new friends, which astoundingly includes the bossy boy behind the bar, Chris Henderson. Now the countdown begins to reach the others at Point Shank before the party is over and the new year has begun. Alone in a car with only the infuriating Christ Henderson, Tammy can't help but feel this is an disastrous start to what could have been a great adventure. But when the awkward road trip takes an unexpected turn, Tammy soon discovers that the way her traitorous heart feels about Chris is the biggest disaster of all. Fogged up windows, moonlight swimming, bad karaoke and unearthed secrets; after this one summer nothing will ever be the same again"--Back cover.

Artificial intelligence (AI) is a field within computer science that is attempting to build enhanced intelligence into computer systems. This book traces the history of the subject, from the early dreams of eighteenth-century (and earlier) pioneers to the more successful work of today’s AI engineers. AI is becoming more and more a part of everyone’s life. The technology is already embedded in face-recognizing cameras, speech-recognition software, Internet search engines, and health-care robots, among other applications. The book’s many diagrams and easy-to-understand descriptions of AI programs will help the casual reader gain an understanding of how these and other AI systems actually work. Its thorough (but unobtrusive) end-of-chapter notes containing citations to important source materials will be of great use to AI scholars and researchers. This book promises to be the definitive history of a field that has captivated the imaginations of scientists, philosophers, and writers for centuries.

The Sedona method is a tried and tested 25-year-old guide to quickly releasing the emotional baggage that imposes limitations on life.

Jay Shetty, social media superstar and host of the #1 podcast On Purpose, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you’ll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can’t find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk’s path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world’s largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world’s most popular influencers. In 2017, he was named in the Forbes magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, On Purpose, is consistently ranked the world’s #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, Think Like a Monk reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.

Simply the Quest

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today’s most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show’s behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*’s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show’s highlights, from its origins as Comedy Central’s underdog late-night program to Trevor Noah’s succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O’Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show’s seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America’s most groundbreaking shows.

Over 16 million copies sold worldwide ‘Every human being should read this book’ Simon Sinek One of the outstanding classics to emerge from the Holocaust, Man’s Search for Meaning is Viktor Frankl’s story of his struggle for survival in Auschwitz and other Nazi concentration camps. Today, this remarkable tribute to hope offers us an avenue to finding greater meaning and purpose in our own lives.

In an unorthodox approach, Georgetown University professor Cal Newport debunks the long-held belief that “follow your passion” is good advice, and sets out on a quest to discover the reality of how people end up loving their careers. Not only are pre-existing passions rare and have little to do with how most people end up loving their work, but a focus on passion over skill can be dangerous, leading to anxiety and chronic job hopping. Spending time with organic farmers, venture capitalists, screenwriters, freelance computer programmers, and others who admitted to deriving great satisfaction from their work, Newport uncovers the strategies they used and the pitfalls they avoided in developing their compelling careers. Cal reveals that matching your job to a pre-existing passion does not matter. Passion comes after you put in the hard work to become excellent at something valuable, not before. In other words, what you do for a living is much less important than how you do it. With a title taken from the comedian Steve Martin, who once said his advice for aspiring entertainers was to “be so good they can’t ignore you,” Cal Newport’s clearly written manifesto is mandatory reading for anyone fretting about what to do with their life, or frustrated by their current job situation and eager to find a fresh new way to take control of their livelihood. He provides an evidence-based blueprint for creating work you love, and will change the way you think about careers, happiness, and the crafting of a remarkable life.

My name is Chloe Saunders and my life will never be the same again. All I wanted was to make friends, meet boys, and keep on being ordinary. I don't even know what that means anymore. It all started on the day that I saw my first ghost—and the ghost saw me. Now there are ghosts everywhere and they won't leave me alone. To top it all off, I somehow got myself locked up in Lyle House, a "special home" for troubled teens. Yet the home isn't what it seems. Don't tell anyone, but I think there might be more to my housemates than meets the eye. The question is, whose side are they on? It's up to me to figure out the dangerous secrets behind Lyle House . . . before its skeletons come back to haunt me.

Who Let the Gods Out? 2: Simply the Quest

An insightful journey through all the biblical names of God, Jesus Christ, and the Holy Spirit. Beginning in Babel and ending with a burning Babylon, "The Name Quest" explains the significance that the different names for God have for an everyday relationship with God and for spiritual growth. The names of God are like a rainbow—each name expresses part of the spectrum of the character and attributes of God. Along the way, the author tenderly answers tough questions: Which of the Hebrew names of God is His personal name—Yahweh or Jehovah? What does it mean to pray in Jesus’ name? How can we relate to the Holy God and the Judge? Why is a God of love called the “Jealous God”? What does it mean to call Jesus the Messiah? "The Name Quest" mentions all the names of God in the Bible while explaining their significance in ordinary language. The author weaves together fifteen years of Bible study research with plentiful illustrations and humorous anecdotes. These include lessons learned as a pastor on a Caribbean island. A visit to a Welsh hill farm introduces a chapter about the Good Shepherd. The story of a Hungarian political prisoner illustrates the meaning of Immanuel (or is it Emmanuel?) A rescue

from the slopes of an active volcano helps explain salvation and the meaning of Jesus' Hebrew name Yeshua. Even the clever advertisement on a packet of potato chips offers a lesson about how to grow in faith in God. Unlike chasing rainbows, the spiritual journey has an end. "The Name Quest" is a road map for every Christian's spiritual journey and it points to the destination--being formed into the image of Jesus Christ.

Divorce is tough for any kid. But while Violet's ex-secret service mum and retired bad-guy dad are distracted by each other, the real super-villains are having a field day. To save her family - and the planet - from evil domination, Vi must turn spy ...

Think Like a Monk

An Oral History as Told by Jon Stewart, the Correspondents, Staff and Guests

Siddhartha

Some days, all you need is a message from a stranger. Ruby Santos knew exactly what she was getting herself into when she signed up to write a soldier overseas. The guidelines were simple: one letter or email a week for the length of his or her deployment.

Care packages were optional. Been there, done that. She thought she knew what to expect. What she didn't count on was falling in love with the guy.

Simply the QuestChicken House (english)

In celebration of the tenth anniversary of "It Takes a Village," this splendid edition includes photographs and a new Introduction by Senator Hillary Rodham Clinton. A decade ago, then First Lady Hillary Rodham Clinton chronicled her quest -- both deeply personal and, in the truest sense, public -- to help make our society into the kind of village that enables children to become smart, able, resilient adults. "It Takes a Village" is "a textbook for caring.... Filled with truths that are worth a read, and a reread" (The Dallas Morning News). "For more than thirty-five years, Senator Clinton has made children her passion and her cause. Her long experience -- not only through her roles as mother, daughter, sister, and wife but also as advocate, legal expert, and public servant -- has strengthened her conviction that how children develop and what they need to succeed are inextricably entwined with the society in which they live and how well it sustains and supports its families and individuals. In other words, it takes a village to raise a child. In her new Introduction, Senator Clinton reflects on how our village has changed over the last decade -- from the impact of the Internet to new research in early child development and education. She discusses issues of increasing concern -- security, the environment, the national debt -- and looks at where we have made progress and where there is still work to be done. "It Takes a Village" has become a classic. As relevant as ever, this anniversary edition makes it abundantly clear that the choices we make today about how we raise our children and how we support families will determine how our nation will face the challenges of this century.

Creative Quest

Awatangi

Life is indeed a game that we all play to pass time; simply a series of days strung together, made up of how you planned or decided to spend the moments. Like any game how well it is played or whether life's circumstances are interpreted accurately, then used to the best advantage, makes losers and winners to varying degrees. Senseless insanity is alive and well within the world. The world is awash with unruly forces, that if not intent upon harming you do desire to become a destabilising force, either temporarily or over the long term. We are all participants in a charade, how life evolves and turns out all depend on how well the game is played. It is not wise or ideal to treat life like a game of chance, a random roll of the dice that can determine unpredictable outcomes. The cost of success is the careful application of well thought out concepts and ideas. Like any game preparation is critical; understanding the rules, knowing how to manipulate the dynamics at play efficiently to ones own advantage, understanding the intricacies of the rules and how to capitalise upon or create opportunities, pursuing whatever circumstances are present to maximise whatever potential exists to the best advantage. The potential opportunities in life are only limited by the inability to firstly comprehend them and secondly to fully utilise personal abilities to maximise the potential that is available. Don't wait for special times to evolve, rather create them in accordance with your true desires to experience what you wish to make real. Much like any game, the game of life has things that can be obtained, or things that can be lost. How the game is played, the value of the stakes, the opposing factions all come to dictate an outcome, be that favourable or lacking any resemblance of being lucky. A life lived based upon any reliance on luck or fate being favourable is tempting only to the over optimistic, or those extremely lucky ones or who were fortunate in the past and believe that good fortune will continue in the future. While it takes resources to control the world, the control of your own specific world environment is really within your potential to achieve. How you choose to control your world, as well as to what extent your desires are put into action, determine whether your life will meet your wishes or not. The amount of thought and energy you exhort, the persistence of that effort, all comes to determine whether and to what degree what you want is what you actually get. In life you may win or loose at times, it's basically just like playing a game; the right mentality is chancing the wheel of life by trusting and ensuring you will win just the same.

Presents recipes ranging in difficulty with the science and technology-minded cook in mind, providing the science behind cooking, the physiology of taste, and the techniques of molecular gastronomy.

Elliot and Virgo's troubles are far from over: death-daemon Thanatos and his scary mum are at large and determined to destroy the world. As even more immortal allies and enemies emerge, Virgo and Elliot must learn how to be heroes ...

The Fix Up

The Summoning

Eleanor Oliphant Is Completely Fine

Jess has been in love with her best friend, Kate, for seven years, but her feelings have never been returned. One night they sleep together, and Jess finds out how much it is possible to be hurt by someone close. Jess and Kate struggle to redefine their friendship. They spend a week at Jess's family holiday house in a small seaside town, Awatangi, intending to make the time to talk things through, but the conversations never happen. Kate makes vague promises, but begins to have second thoughts. Jess wants Kate, and nothing else, and is heartbroken that isn't enough. Jess decides - while everything is changing in her life - that she doesn't want to go on living in the city, that she wants to return to Awatangi. Part of her hopes some physical distance between them may help things with Kate, and part of her - frustrated and upset - simply wants to leave Kate behind. In Awatangi, Jess meets Keri, a local lawyer who has also recently returned home. Like Jess, Keri surfs, and like Jess, she seems to feel some attachment to her family roots in Awatangi. Jess is drawn to Keri, but forces herself not to let anything happen. Despite everything, Kate is still Jess's closest friend, and she has loved Kate all her life. She feels she has to give the situation with Kate as long as she can to work itself out. Awatangi is about coping with feelings for a close friend that are not returned, set in a small holiday township on the West Coast of the South Island of New Zealand. It is an exploration of getting what you've always wanted and it not being enough, of being in love with one person and wanting another, and of finding out that life doesn't always turn out as expected.

Clearly, the "normal" way of life is the opposite of genuine sustainability, and it has an expiration date. Any way of life that is fully in balance with the family of life must be genuinely sustainable, a healthy path with a future. At present, too few really comprehend this concept. It would be wise to learn, and Sustainable or Bust is a useful tool for the job. Seven-point-something billion people can't switch to sustainable living this afternoon, because it's temporarily impossible. But the collapse of industrial civilization is now in its early stages, and when it's done, the human sphere will be much smaller, slower, and simpler. Decades down the road, many new options will become possible, including genuine sustainability. We could help our descendants find a more direct path to health and balance by learning about sustainability now, and sharing this wisdom with the young ones. There's never been a better time to hit the books and feed our minds — before the lights go out. Nothing can change until ideas change. My first book, What Is Sustainable, presented an introduction to genuine sustainability, with an emphasis on food. Sustainable or Bust is a collection of 64 book reviews, and 16 rants. It's a gallery of thinkers, scholars, and ideas that might make "normal" minds itch and squirm. This book is for pilgrims who are awake, alive, and weary of normal — minds hungry for outside-the-box ideas. I don't expect to see the end of the collapse. What the survivors, if any, choose to do is entirely beyond my control. I am not responsible for the decisions they make, but I am responsible for doing what I can to help them understand their history, predicament, and options. Who are we? Where are we from? How did we get here?

From New York Times bestseller, Kendall Ryan, comes a sexy new standalone novel. My tempting and very alpha friend Sterling Quinn is someone I consider off-limits. It's not just that we're friends, he's also cocky, confident, and British, which means he's a walking aphrodisiac. But lately he's been giving me the look. You know the one. When he thinks I'm not paying attention, and his gaze lingers for too long. When we start working together, that's when the sexual tension between us gets so thick, I want to hack through it with a machete. I want to make all these deep feelings I've harbored for him disappear, because there's no way this can end well. The lines between business and pleasure become irrevocably blurred, and I'm stuck between a rock and Sterling's very, very hard place. Rather than keep a level head about our growing attraction, Sterling wants to go all in, showing me just how explosive we can be together. But I've been around long enough to know that this British bad boy is more than my heart can handle. I'm not about to be cast aside like yesterday's underwear when he's done having fun. Sterling's never been told no, and he's not about to put his ego aside and play by my rules. But I never thought he'd fight so dirty.

#1 NEW YORK TIMES BESTSELLER A REESE WITHERSPOON x HELLO SUNSHINE BOOK CLUB PICK A PENGUIN BOOK CLUB PICK "Beautifully written and incredibly funny. . . I fell in love with Eleanor; I think you will fall in love, too!" --Reese Witherspoon Smart, warm, uplifting, the story of an out-of-the-ordinary heroine whose deadpan weirdness and unconscious wit make for an irresistible journey as she realizes the only way to survive is to open her heart. No one's ever told Eleanor that life should be better than fine. Meet Eleanor Oliphant: She struggles with appropriate social skills and tends to say exactly what she's thinking. Nothing is missing in her carefully timetabled life of avoiding social interactions, where weekends are punctuated by frozen pizza, vodka, and phone chats with Mummy. But everything changes when Eleanor meets Raymond, the bumbling and deeply unhygienic IT guy from her office. When she and Raymond together save Sammy, an elderly gentleman who has fallen on the sidewalk, the three become the kinds of friends who rescue one another from the lives of isolation they have each been living. And it is Raymond's big heart that will ultimately help Eleanor find the way to repair her own profoundly damaged one.
