"The report, 'Dignity Debased: Forced Anal Examinations in Homosexuality Prosecutions,' is based on interviews with 32 men and transgender women who underwent forced anal examinations in Cameroon, Egypt, Kenya, Lebanon, Tunisia, Turkmenistan, Uganda, and Zambia. The examinations, which have the purported objective of finding "proof" of homosexual conduct, often involve doctors or other medical personnel forcibly inserting their fingers, and sometimes other objects, into the anus of the accused. Victims of forced anal testing told Human Rights Watch that they found the exams painful and degrading; some experienced them as a form of sexual violence"--Publisher's description.

This is the true story of how Alexa Martinez transformed her marriage by feminising her loving husband. The book explains how she took an already wonderful relationship and moved it to a different level by taking control and introducing a reluctant husband to a life of femininity. What began as an exciting bedroom game exploded into a programme of gradual enforced feminisation. The book describes the reasons and how she had to take this path and the tactics she had to employ to turn an unknowing and unware masculine man into a submissive housewife called Alice. Their marriage continues to be loving and affectionate but with Alexa in complete control and with her needs paramount. Although Alice has come to accept her new status as a girl, they haven't yet come out of the closet entirely and so she also writes about some of the barriers they continue to face in how she plans overcome them and also how to deepen Alice's feminisation and submission further still. She describes what it is that she expects from a femdom relationship and why she believes that males need to be feminised. Alexa Martinez is a writer who has produced several novels on the topic of femdom and forced feminisation under the pen name of Lady Alexa as well as a blog which covers the weekly life of living in a femdom relationship.

She knows a closeted sissy when she sees one, and she's determined from the start to change this drab dresser into the feminized glam girl of his dreams. Drew learns the pleasures of worshipping a true Goddess, impressing Tosh with his explicit eagerness to follow her every command. As Drew sinks deeper and deeper into his fantasies, it becomes harder and harder to deal with his problems: his bioged control freak of a boss, his ex-lover, and even an art thief threatening his career! The further Tosh reels him into this exciting new world, the less he cares about anything but her pleasure. As the lines become blurred between the person he was and Tosh's devoted sissy, he begins to wonder: Is he really a sissy, or is this who he was always meant to be? Caught In His Panties By His Sleeping Roommate! Drew's fascination with his roommate Ciara edges him into unknown territory. He is certain his naughty antics will hand him in hot water, he sneaks into her room at night, slips on her underwear and pleasures himself whilst she is asleep. One night, Ciara wakes up and realised what is going on but pretends she is asleep, waiting until the next night to snap pictures of his misdeeds. Slowly but surely, she begins to introduce the damning evidence of Drew's perversion as Drew suddenly learns he must succumb to his roommate's sudden cruel streak.....donning a chastity belt and becoming her pet as she teases him relentlessly This 6000 word short story contains adult scenes of crossdressing, feminization, sissification, sissy training, ballbusting and should be read by adults only!

Erotic humiliation goes far beyond the "lick my dick" stereotype. Princess Kai, a famous former Dominatrix and world-renowned Humiliatrix, throws open the dungeon doors to explore the complex desires that fuel this kind of psychological play for both dominants and submissives. Using both personal experience and extensive interviews she shares advice and detailed ideas for a broad range of embarrassing, humiliating, and degrading ways to enjoy consensual kinky fun. Also covered are important concepts such as communication, negotiation, consent, triggers, aftercare, and so much more. Do you want to feminize a male, or you as a male want, or have been told to, become feminized? Feminization: 1) To give a feminine appearance or character to. 2) To cause (a male) to assume feminine characteristics. This is not for those who wish to permanently change their gender, but rather for those who wish to feminize temporarily, though sometimes repeatedly and regularly, in order to profitably crossdress as a woman. This feminization guide is for a male by gender who, may, or may not be, a "real" man by some opinions, but nonetheless a male, who has chosen, or has been told to, or is being coerced into, becoming feminine in appearance and character. This guide is to be given to those who have been tasked with becoming a feminized male as part of a process to feminize them, or purchased for use by males who wish to feminize themselves. It doesn't have any magic potions or formulas, special makeup or fancy tools, use any drugs or surgery. It does cover all the aspects of eliminating the 'man markers' that set males aside from women, and make a male less feminine than they could ultimately be. It will demasculinize anything that may have had a masculine overtone with the male. It will also aid the feminized male to feel more sensual and sexy in a feminine role. The guide is short - about 15,000 words and around sixty pages, but covers eliminating the things that keep a male from becoming as fully feminized as much as their male body and characteristics allow. After the male has read this, acted upon this information fully, and practiced, he will be the best feminized male he can be. He will reach crossdressing perfection as a male to female (MTF) cross dresser. He will have the routines of maintenance and upkeep of the feminized male body, which will keep him ready, and most likely anxious, to fairly quickly, crossdress at the request of their wife, mistress, or whim of his own. Whether the reason be from femdom, a wife led relationship, female led relationship, cuckolding, cuckoldry, a hot wife, male chastity, forced crossdressing, forced chastity, female domination, submissive training, sissy training, or purely their own desire to become feminine, a diligent male student who incorporates the information in this guide with passion and drive will become the perfect crossdressing male, as fully feminized as possible. Upon following the elements in this guide, the feminized male will be able to proudly display how feminine he has become to anyone he, or the one who coerced him, choose to. Should this be a singular undertaking, the individual will be able to see and feel the difference in the degree of feminization they have achieved after practicing and perfecting the elements, and thus, bring greater pleasure and satisfaction to the resulting feminization. This will be time consuming and will require dedication and diligence in order for a male to feminize to his best. If you are purchasing this for yourself, or someone else, beware of that in order to allow the necessary time and resources. Look inside now. Buy yourself a copy, or give one to a male you want to feminize. It is a small, but valuable investment in a male's journey toward maximum feminization!

Over the last few decades, research, activity, and funding has been devoted to improving the recruitment, retention, and advancement of women in the fields of science, engineering, and medicine. In recent years the diversity of those participating in these fields, particularly the participation of women, has improved and there are significantly more women entering careers and studying science, engineering, and medicine than ever before. However, as women increasingly enter these fields they face biases and barriers and it is not surprising that sexual harassment is one of these barriers. Over thirty years the incidence of sexual harassment in different industries has held steady, yet now more women are in the workforce and in academia, and in the fields of science, engineering, and medicine (as students and faculty) and so more women are experiencing sexual harassment as they work and learn. Over the last several years, revelations of the sexual harassment experienced by women in the workplace and in academic settings have raised urgent questions about the specific impact of this discriminatory behavior on women and the extent to which it is limiting their careers. Sexual Harassment of Women explores the influence of sexual harassment in academia on the career advancement of women in the scientific, technical, and medical workforce. This report reviews the research on the extent to which women in the fields of science, engineering, and medicine are victimized by sexual harassment and examines the existing information on the extent to which sexual harassment in academia negatively impacts the recruitment, retention, and advancement of women pursuing scientific, engineering, technical, and medical careers. It also identifies and analyzes the policies, strategies and practices that have been the most successful in preventing and addressing sexual harassment in these settings.

How do you know whether you are gay or not? In fact, how can anyone know whether they are homosexual or heterosexual or bisexual?If this is the question that you need to do is let go off the stereotypes. Just because you are not as macho as your college football captain does not mean that you are gay. In fact, you could actually be the captain of your football team and be a homosexual rather than a heterosexual. This basically means that gay men do not look different from your "normal" heterosexual male. They are not necessarily more feminine than straight men and they may be as interested in dressing up like a regular male. So, maybe someone just mentioned it to you that you may be gay. Or maybe someone just suggested that you have "too feminine" tastes, implying that you may be gay. This probably confused you and you wanted to just check out whether you are indeed gay. Don't you worry; this quiz will surely help you. But before we do begin with the quiz, here is one thing that you should keep in mind. The responses that you give to this quiz have nothing to do with you being gay or not. You are good at keeping your house clean, or you are good at picking up the right clothes, or because you dress up neatly. You are gay because you are physically and sexually attracted to men and not women. You are gay because you form strong lasting emotional sexual bonds with men and not women. You are gay because you have a strong inclination towards getting intimate with men than women. You fantasize more about getting sexually involved with men rather than women. In short, do not use the common stereotypes that society has taught you about gays to determine your sexual orientation. Instead, this should depend on the physical and sexual attraction you feel for same sex individuals. So, are you more sexually attracted to men than women? This is the question that you should ask yourself. Still confused? Take The Gay Test and find out the truth.

However, never have these lessons been combined in a back-to-back format before, so that they comprise a rigorous program which culminates in your complete male to female transformation. This program will be your strongest training weapon and one you can go through and refer to over and over again when you feel you are losing your sissy touch or need to feel sexier, prettier or more grounded in your " sissyhood ". At the end of this manual you will find a mandatory Sissy Test, and whether you have taken this or another test in the past, you must re-take it at the end of your training as it will be an absolute accurate measure of your level of progress and success in this training program. I will only consider scores of 50 or above as passing grades but are encouraged to retake the entire course if your score is below 90. Only scores of 90 or above are considered excellent and entitle you to print

the diploma that is found at the end of this course. You are encouraged to document your journey by writing about your experiences on my blog www.mistress-dede.com I wish you all the best of luck! With love, Mistress Dede

It's also my biggest selling series!Daniel is an unruly young man who fights constantly with his stepmother. To end the fighting once and for all, his stepmother sends Daniel to an "Aunt" he's never met who will teach him discipline. Imagine his surprise when he finds himself put into skirts and he is trained to become a girl.This book contains Part Four and Five as well as The Story of William, which is Part Six of the series and concludes the series!
