Interview with the Authors Q - So what makes the Countermeasure Series special? A - Countermeasure pulls in the best of Erotic Romance, Adventure and Suspense into one single series. We also aim to write about people, not characters. They are true to life and flawed, also someone you feel you can connect to and invite for a coffee just to shoot the breeze. The series has two separate, yet connected sets of books. The novels develop the bulk of the mystery and adventure in the plot.**

The short stories and novellas develop the characters and bare the characters' souls to you. All of their dreams, disillusion, fears are exposed in the short stories. The short stories and Novellas are also what we call Romantica. They are stories portraying a day in the life of the characters after their "I do". A mix between Romance and Erotica where you are the fly on the wall during the married couples' intimate moments. If you enjoy high heat, spicy reads involving married couples, you got to the right series.

Q - What order should I read the books? A - We recommend you read the novels and novellas in the following order. Please note the short stories and novellas are not mandatory reads to understand the suspense arc in the novels. -

*One of the most beloved novels of all time, Colleen McCullough's magnificent saga of dreams, struggles, dark passions, and forbidden love in the Australian outback has enthralled readers the world over. The Thorn Birds is a chronicle of three generations of Clearys—an indomitable clan of ranchers carving lives from a beautiful, hard land while contending with the bitterness, frailty, and secrets that penetrate their family. It*

Most of all, it is the story of the Clearys' only daughter, Meggie, and the haunted priest, Father Ralph de Bricassart—and the intense joining of two hearts and souls over a lifetime, a relationship that dangerously oversteps sacred boundaries of ethics and dogma.*

*Hard Times - For These Times (commonly known as Hard Times) is the tenth novel by Charles Dickens, first published in 1854. The book surveys English society and satirises the social and economic conditions of the era. Hard Times is unusual in several ways. It is by far the shortest of Dickens' novels, barely a quarter of the length of those written immediately before and after it. Also,*

*unlike all but one of his other novels, Hard Times has neither a preface nor illustrations. Moreover, it is his only novel not to have scenes set in London. Instead the story is set in the fictitious Victorian industrial Coketown, a generic Northern English mill-town, in some ways similar to Manchester, though smaller. Coketown may be partially based on 19th-century Preston.*
